HUNT SOUTH PACIFIC WATER BUFFALO

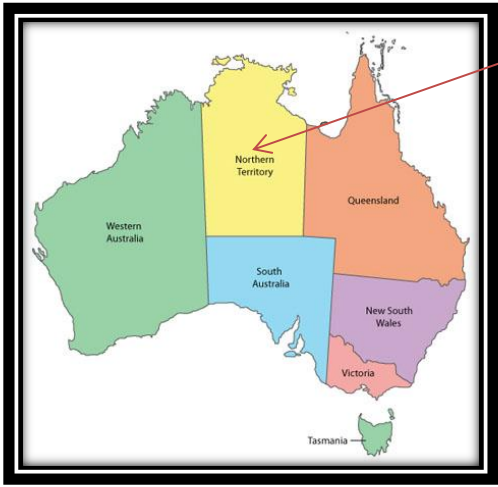

(Bubalus bubalis)

Weighing around 1800 to 2100 pounds, they are aggressive and dangerous, living in wet, swampy, mud wallow areas, feeding into nearby grasslands. This concession combines remote privately owned 1500 square mile cattle station and adjacent Aboriginal lands. Pickup and return point is Darwin Airport where you will be met by the owner/operator of this concession. The lodge has 24 hour air conditioning, hot showers, flushing toilets, queen-size beds and full laundry facilities.

Northern Territory

Tent Camps: Quality, comfortable luxury tent camps with queen size beds, generated electricity providing power for lights, cooling fans, refrigerator, freezer, hot showers, and laundry facilities. Relaxing near your tent, around the barbecue, or the fire pit with a local Australian cold beer or wine is always very nice after a day's hunting. Here too our plentiful home cooked Australian style meals are prepared to your satisfaction. The tent camp is located on the banks of a local river with majestic views and world class Barramundi fishing; it is a very relaxing and calming spot which is a great place for the non-hunter, as well as the hunter to relax while on a great safari vacation. Hunting in the Northern Territory is usually done in May through September.

Generally you will hunt a spot and stalk style hunt from one of several specially outfitted 4x4 vehicles which all have a winch, satellite, GPS, first aid kit, and other necessary off road gear. Other activities available in the Northern Territory are; World Class Barramundi fishing, Helicopter sightseeing, Aboriginal Art and sacred relic viewing, and numerous tourist and shopping destinations at the Top End. The **weather** is very nice; In May, day time highs average 80 - 90 degrees Fahrenheit and the night time lows average a comfortable 65 degrees. June and July day time highs are in the 75 - 85 degree range and the night time low save rage 60 degrees. In August and September our day time highs average in the 85 - 90 degree range and the night time lows average 65 degrees.

HUNT FREE-RANGING BANTENG
(Bos javanicus)

Hunt Area

This trophy weighs approximately 1,100 pounds and lives in dense forest areas on the Coberg Peninsula, surrounding areas, and Mary River. These are the only areas in the world where you can hunt wild and free-ranging Banteng. The Mary River hunt offers modern lodge accommodations with all the comforts of home; cooked meals, full size beds, hot and cold running water. Air Charter is required from Darwin to Coberg Peninsula for this hunt and is not included in the hunt price.

5 day hunt – 1x1 **\$15,000**

Accommodations in Queensland

HUNT QUEENSLAND

Hunt on 57,000 acres in the Great Dividing Range in Central Queensland. Your pickup and return point will be the Emerald Airport where you will be met by the owner/outfitter and then driven to their privately owned hunting concession. There is a modern lodge with all the comforts of home, located on the Tropic of Capricorn, in Queensland. It is a great place for the non-hunter, as well as the hunter, to calmly relax while on your safari vacation. After the day's hunt everyone can relax at the bar, the swimming pool, or in the recreational area around the barbecue with a plentiful selection of great Australian beers and wines.

The meals are home cooked Australian meals prepared to your satisfaction. The lodge is air conditioned with six comfortable bedrooms. The three spacious bathrooms have hot showers and flushing toilets. Laundry facilities keep your clothes fresh and clean and internet access is available. There is a large veranda around the lodge providing a breathtaking view of local flora, fauna, and prolific bird life of the area. The **weather** is lovely; March, April and May (which is our fall) with day time highs averaging 80-85°F and the night time lows a comfortable 50°F. June, July and August is our winter months with day time highs in the 75-80° range and the night time lows averaging 45°. September, October and November is spring time with day time highs in the 85-90° range and the night time lows averaging 55-60°.
