Russian BROWN BEAR HUNT ON THE OAT FIELDS

This is traditional old-style bear hunt in North-East areas of European Russia. Bears become here size of average 7 foot, with some exceptional 8 foot trophies taken every year. Hunt is done mostly at the night-time on high seats on oat fields. This is why the hunter has to look to the full moon phase to come on this hunt. You will enjoy the Russian hospitality in the heart of old Russia!

Hunting Areas	Season	Duration	Shooting Distance	Weather
Vologda, Kirov and Tver regions	Aug. 20 – Sept. 20	10 day trip 7 day hunt	High Stands and Stalking	Click for Weather
