Many of our clients combine wing shooting and Golden Dorado fishing with our popular Cast & Blast program. Anglers around the world consider Golden Dorado fishing one of the most exciting types of freshwater sport fishing. This Lodge offers the ultimate fishing program in Argentina where you can fight the mighty Golden Dorado or reel in huge Surubies (catfish) or toothy piranha!

Thanks to its temper and voracity when feeding, the Golden Dorado is nicknamed “The Tiger of the Rivers”. Its fighting strength and acrobatic jumps will challenge every angler’s skills! The Parana River together with its wetlands contains over 220 species of fish, making it one of the greatest environments of biodiversity on earth.

Here, we fish for Golden Dorado using any of the following techniques: artificial fly, bait casting, spinning or trolling. The Golden Dorado can be captured in the “rapids” of the islands of the Parana River when passing near San Javier, in the province of Santa Fe. Golden Dorado fishing is considered as one of the most exciting and exhilarating types of freshwater sport fishing in the world! Once hooked, your challenge is to land the fish due to its intense fighting strength and acrobatic jumps. There is no other freshwater species as combative as the Golden Dorado! At this Lodge, our professional fishing guides...the **Surubie (Catfish)** most experienced in the region... have been guiding international anglers for over 15 years fishing mainly for Golden Dorado, Surubie and Piranha. Our fast boats are specifically designed for casting; combined with the expertise of our guides, your fishing trip will be an unparalleled experience!

During the Winter Season and with adequate water temperature, it is normal to have between 15-30 fishing peaks per day (of course, factors such as meteorological conditions and the rises of the river may impact the number of peaks).

The Lodge is situated on the majestic Parana River in an untamed and natural habitat that provides the best hunting and fishing in Argentina. At the Lodge you will never go hungry! Breakfast, lunch, and dinner are served daily with snacks and hors d'oeuvres available throughout the day. Dietary restrictions? No problem just let us know before your arrival and we will gladly accommodate you.

Breakfast is served continental style featuring a variety of breads, pastries, meats and cheese. Eggs are prepared to your liking. Fresh fruit juice and hot beverages are served with breakfast. Lunch is always hearty and features daily selections of meats such as a filet of our famous Argentinean beef, grilled duck breast, several varieties of sausage, short ribs, chicken, pork or other meats. All lunches are served with sides and salads, bread baked fresh in our kitchen and homemade desserts. The evening meal is a celebration of fine dining yet in a casual setting and gives our chefs the opportunity to display their culinary skills as they present their world-class gourmet daily specials. Of course, if you prefer a steak, we will grill one to order! The final touch to the evening meal is always a delicious creation, from flan to our local favorite, Dulce de Leche, along with fruit, homemade ice cream, pies and more. Wine, beer, top-shelf alcohol, sodas, coffee, tea, juice and bottled water are provided throughout your stay.

**WE DO NO RECOMMEND THAT YOU TAKE FIREARMS WITH YOU TO ARGENTIANA. MANY TIMES, THE INTERNATIONAL FLIGHTS ARE LATE AND CAUSE YOU TO MISS CONNECTIONS TO THE DOMESTIC FLIGHTS AT AN AIRPORT ON THE OTHER SIDE OF BUENOS AIRES AND THEN ON TO THE LODGE. THE TRIP IN A TAXI FROM THE INTERNATIONAL AIRPORT (MINISTRO PISTARINI-EZE) TO DOMESTIC AIRPORT (JORGE NEWBERY-AEP) CAN TAKE UP TO 2 HOURS.**

**WE ALSO RECOMMEND THAT YOU TAKE ONLY YOUR CARRY-ON BAGGAGE. GO THROUGH CUSTOMS, TAKE A TAXI ACROSS TOWN TO JORGE NEWBERY DOMESTIC AIRPORT WHICH NORMALLY TAKES AN HOUR BUT IN TRAFFIC, CAN EASILY TAKE 2 HOURS. CHECK IN AT AEROLENEAS AIRLINES FOR YOUR FLIGHT AT LEAST 1 HOUR PRIOR TO DEPARTURE. FLY TO SANTA FE WHERE YOU WILL BE MET BY OUR HOST AND DRIVE 100 MILES TO THE LODGE (APPROXIMATELY 2 HOURS).**

**IF YOU CHOOSE TO DISREGARD THIS ADVICE AND RECOMMENDATION, THE BUS STATION IS IN DOWNTOWN BUENOS AIRES AND WE WILL SEE YOU IF AND WHEN YOU GET TO THE LODGE.**
