

## **Prayer and Biblical Direction:**

I don't consider myself a "religious" person, but I do believe in having a personal relationship with them (The Father, Son and the Holy Spirit) and I do believe in the power of Prayer.

In today's world of technology there is a lot of "truth" out there, my truth, their truth, but the truth about His Truth is its Truth, why? Because He is The Truth! John 14:6 says; Jesus said to him, "I am the way, the truth, and the life. No one comes to the Father except through Me.

It would be my pleasure to hold you up in my prayers, to pray over and with you directly and/or to search the scriptures with you to find the answers you seek on whatever it is you're facing. I do not charge for this privilege.
