

Bereavement Packages:

As a Bereavement Doula I offer clients 4 different Bereavement packages:

1) Bereavement Doula Package

Supporting families who are experiencing the loss of their baby during miscarriage or stillbirth prior to labor

2) Bereavement Labor and Birth/Death Doula Package

Planned Support Prenatally, Labor and Birth/Death and often some postpartum services for those parents who have a diagnosis that means the baby will not live long after being delivery.

3) Bereavement Help Package

Includes Photography, Birth/Death Announcement and 1 Grief Support Session (up to 1 year)

4) Geriatric Doula Package

End of Life services Geriatric Doula's are commonly employed by families to provide comfort and companionship to dying people to ensure that they do not die alone and without support.
