

## **Pray this page out loud so they are rooted deep in your heart**

Heavenly Father,

I thank you for your Living Word. You said that your Word is Life to those who find it and medicine to all their flesh. Today, by my confession, I apply your Word to my body by giving voice to it.

You said in Psalm 139:14 that I am fearfully and wonderfully made and that your works are marvelous. I declare that I was created by You and I am a marvelous creation.

I speak to sickness and disease today and proclaim that according to Philippians 2:10 that they must bow down to the mighty name of the Lord Jesus Christ. Every name in heaven, on earth and under the earth bows its knee to Jesus' name.

I speak to my body today and declare that I have authority over it. I command it to receive the Word of God. Matthew 8:17 proclaims that Jesus bore my sicknesses and took my infirmities.

Heavenly Father, I thank you that the same Spirit that raised Jesus from the dead dwells in me and makes alive my mortal body.

I speak to my immune system and command it to line up with the Word of God. My immune system will destroy sickness and disease in my body and perform its job; for this is what God created it to do.

I thank you Father that every cell in my body responds to your Word. Your Word permeates my body from the top of my head to the bottom of my feet. I confess that the Word of God is being made flesh in me.

Psalm 103:3 declares that you, Father, forgave all my iniquities and healed all my diseases. Father, that is Your confession and I make it my confession also. I don't judge by the sight of my eyes I judge by Your Living Word. It is Your Word that lives in me and brings health and healing to every part of my body.

Heavenly Father, I rejoice at your promise of divine health. You said it and I believe it! Today, I declare that I will see your promise of healing manifest in my body.

Healing is mine because Jesus paid the price two thousand years ago. God so loved me that He sent His Son to die on the cross so that I could experience life on God's terms. His abundant life manifesting in me, making me whole – body, soul and spirit. Amen.

## How do I keep my healing?

Each one of us must understand how to receive healing and keep it. When we understand God's word on healing and act upon it, it brings forth a manifestation of healing in our physical bodies. Our goal is to receive the manifestation of healing and give our heavenly Father the Glory for what Jesus has done for us.

The enemy wants to steal the Word before it can become firmly rooted in us to produce the healing. The devil knows that the Word of God is more powerful than his work...sickness, so he must try to cut off the Word in us before it gets rooted in our hearts. Only seed rooted can produce a harvest.

When we receive the Word on healing and are prayed for and a healing takes place, we receive it with joy. It must become firmly rooted in us because the devil will always try to inflict us with the very same symptoms to get us to change our minds. If he can get you to doubt what God has done, Satan can get a new foothold into your life. Satan is a liar and a thief and his job is to wear you down and get you to give up on all that God has for you. If the devil can cause us to look at the symptoms instead of God's promise, he can convince us to believe his lies. We must keep our heart and our mind fixed on God and His promise. We cannot let FEAR and sickness be re-established in our lives.

We must hold fast to that which is good. We must allow the Word of God to take root so that it can complete the manifestation of healing in our bodies. When the symptoms try to return, we must set our faith in God's Word and tell the enemy NO matter what, we are not going to believe his lies.

Are you ready for your healing? Are you ready to see what else the Father has for you?

**If so, here are some things you can do—they are fun and very easy. 1) Give God the Glory for what He has done already. 2) Sing and listen to praise and worship in your home (dancing is good, too). 3) Stay in the Word and read it out loud. 4) Rebuke the symptoms and bind them away from you; Jesus has already paid for them—they are not yours.**

## SCRIPTURES FOR HEALING

"Christ has redeemed me from the curse of the Law. Therefore, I forbid any sickness or disease to come upon this body. Every disease, germ, and virus that touches my body dies instantly, in the Name of Jesus. Every Organ and every tissue of this body functions in the perfection which God created it to function. I forbid any malfunction in this body."

(Galatians 3:13; Romans 8:11; Genesis 1:31; Matthew 16:19)

"The life of 1 Peter 2:24 is a reality in my flesh, restoring every cell of my body. My body is the temple of the Holy Ghost. I make a demand on my body to release the right chemicals. My body is in perfect chemical balance. My pancreas secretes the proper amount of insulin for life and health."

(Romans 12:1-2; John 14:20; 1 Corinthians 6:19)

That which God has not planted in my body is dissolved and rooted out of my body. I have uninhibited nerve flow. I am alive with the life of God."

(Mark 11:23; John 6:63)

"I have a strong heart. My heart beats with the rhythm of life. My blood flows to every cell of my body, restoring life and health abundantly."

(Proverbs 12:14; Proverbs 14:30)

"My immune system grows stronger day by day. I speak life to my immune system. The same Spirit who raised Christ from the dead dwells in me and is making alive my mortal flesh."

(Romans 8:11)

"Bless the Lord, O my soul and all that is within me. Bless His holy Name. Bless the Lord, O my soul and forget not all His benefits. Who forgives my iniquities. Who heals all my diseases. Who redeems my life from destruction. Who crowns me with lovingkindness and tender mercies. Who satisfies my mouth with good things so that my youth is renewed like the eagles."

(Psalms 103:1-5)

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for the proper management of the organization's finances and for ensuring compliance with relevant laws and regulations.

2. The second part of the document outlines the various methods used to collect and analyze data. It describes how this information is used to identify trends, assess risks, and make informed decisions. The document also highlights the need for regular updates and reviews of the data to ensure its accuracy and relevance.

3. The third part of the document focuses on the implementation of the proposed changes. It details the steps involved in rolling out the new system, including training staff, testing the software, and monitoring the results. The document also addresses potential challenges and provides strategies to overcome them.

4. The fourth part of the document discusses the ongoing support and maintenance of the system. It outlines the roles and responsibilities of the support team and provides guidelines for handling issues and requests. The document also emphasizes the importance of regular communication and reporting to keep stakeholders informed of the system's performance.

5. The fifth part of the document concludes with a summary of the key findings and recommendations. It reiterates the importance of a proactive approach to system management and encourages the organization to continue to monitor and improve its processes. The document also provides contact information for further assistance.

6. The sixth part of the document provides a detailed overview of the system's architecture and components. It describes the hardware and software used, as well as the data flow and integration with other systems. This section is intended to provide a clear understanding of the system's capabilities and limitations.

7. The seventh part of the document discusses the security and privacy measures in place to protect the organization's data. It outlines the policies and procedures for access control, data backup, and incident response. The document also provides information on how users can report any security concerns or incidents.

8. The eighth part of the document provides a list of references and resources used in the development of the document. It includes links to relevant laws, regulations, and industry best practices. This section is intended to provide a clear understanding of the sources of information used in the document.
