GET IT INSTALLED

Bathroom Remodeling >

From simple updates to elegant transformations, we offer a wide array of installation services for your bathroom. Services include vanity installation, shower enclosures, and bath and plumbing fixture installation, including toilet installation. Bathroom refacing, including acrylic liners for your bathtub and shower, are an affordable alternative. Schedule a free consultation.

Save Water & Save Money >

WaterSense® retail partner of the year 2011. Save water without compromising performance with WaterSense labeled products including bathroom faucets, toilets, shower heads and faucet aerators.

A water conserving toilet purchased from The Home Depot may qualify for a rebate from your local county, city or water district. Enter your zip code into our Local Utility Rebate Finder to search for rebates from your local municipality. The Home Depot Eco Options program shows you the water and money savings that can be realized by upgrading to water saving products.

SHOP THE HOME DEPOT FOR FIREPLACE & HEARTH PRODUCTS & ACCESSORIES

"The Home Depot has everything you need for the fireplace and hearth. This includes a full selection of [fireplace doors](#), [fireplace mantels](#), [fireplace inserts](#), [fireplace logs](#) and [fireplace screens](#). We sell all the fireplace accessories you'll need to warm any room and improve the comfort and look of your home. Fireplaces can fit into any design style, because such a wide variety of materials and styles are available. You can build a fireplace in stacked stone or cast stone, and as a finishing touch, add a fireplace hearth made of marble, granite stone, slate, and other beautiful materials that accent the interior design of any home. Whatever project you are working on – adding a stone fireplace mantel, installing a stone electric or gas fireplace, or looking for the perfect fireplace hearth rug, you will find it at The Home Depot.

Turn to The Home Depot for advice, stone fireplace ideas, hearth ideas, [Buying Guides](#) and project step-by-step instructions. The Home Depot is the best resource for do-it-yourselfers and professionals."

SHOP THE HOME DEPOT FOR MOULDING & MILLWORK

"The Home Depot has everything you need for any moulding or millwork project you take on. **Crown moulding** adds a finishing touch to any room. **Ceiling medallions** make a design statement. **Wood paneling** is a popular choice for basement family rooms, and **corbels** have a classical look all their own. Whatever project you are working on – adding a chair rail, hanging a mantel, or installing **paneling** or wainscoting – you will find everything you need at The Home Depot.

Beyond our expansive moulding and millwork inventory, turn to The Home Depot for advice on chair rail ideas, **Buying Guides** that help you choose moulding to match your interior design, as well as step-by-step instructions for jobs like painting paneling or cutting and installing crown moulding. When you're in the store, the knowledgeable associates at The Home Depot can help you decide which moulding and millwork is the best for your individual needs. The Home Depot is the best resource for do-it-yourselfers and professionals."
