

## Quilt Canada 2025 Binding Challenge —Presented by Quilts for Survivors

### Goal: 1.6 Billion Inches of Binding

That's right — we're aiming for 1.6 billion inches of quilt binding — *enough to wrap around the entire world!*  ✨

We're calling on quilters across Turtle Island to help us reach this incredible milestone in honour of residential school survivors, their families, and those who never made it home.

### Binding Guidelines

#### ◆ Binding Size:

- Cut binding strips at 2.5 inches wide.

#### ◆ Fabric Type:

- Use 100% quilting cotton fabric only.
- Solids, prints, and scrappy bindings are all welcome, as long as they do not include restricted fabrics.  
(You can find the restricted fabric list on our website under the [FAQ section](#).)

#### ◆ Seam Style:

- Please attach binding strips diagonally (bias joins) to reduce bulk.
- Iron seams open — not to the side — for a smoother finish.

#### ◆ Binding Length:

- Make your binding as long as possible!
- Measure the total length in inches and include a slip of paper with the number clearly written and securely attached to your finished roll.

### Shipping Details

#### Shipping Address:

- The shipping address will be provided after March 2025 by request.
- Email: admin@quiltsforsurvivors.ca to receive the correct mailing address.

**Deadline:**

- All binding must be shipped before June 2025 to be counted toward the total.
- Important: Any binding sent to the Quilts for Survivors Studio address will NOT be included in the official challenge total.

**Do NOT send binding with straight pins attached.  
Use rubber bands or masking tape to keep your rolls secure.**

*Feel free to reach out with any questions—we're happy to help!*
