Pope Francis has asked Catholics to dedicate 2024 to intensifying their prayer lives in preparation for the celebration of the Holy Year 2025, and the Vatican has published a resource guide to help them.

"Teach us to Pray," a 76 page volume prepared by the Dicastery for Evangelization, was published online in Italian in late February and made available in other languages in early March.

The guide is available in several different languages, including English. Please go to the following site to download a copy.

Father, all the elements of nature obey Your command. Calm the storms that threaten us and turn our fear of Your power into praise of Your goodness. Grant this through our Lord, Jesus Christ, Your Son, who lives and reigns with you and the Holy Spirit, one God, forever and ever. Amen
