Brevard Community Band Announces Its Summer Series

The Brevard Community Band begins its sixth season on June 11. (Courtesy photo)

The Brevard Community Band, beginning its sixth season, will present nine concerts during its 2006 Summer Series.

The first concert will be the Summer Concert at 3 p.m. on Sunday, June 11 at the Porter Center on the campus of Brevard College. This will be followed by the July 4th Concert at noon under the Gazebo at the Courthouse, as part of the Heart of Brevard's July 4th activities. Bring your blankets and chairs to enjoy this Independence Day

Celebration.

Three Saturday concerts will also be under the Gazebo at 4 p.m. on July 15, July 29 and August 12.

At 3 p.m., on Sunday, Sept. 17, the band will perform its Fall Concert at the Porter Center to close out the 2006 series.

Three special performances will also be held at 7 p.m. on Monday, July 17 at the College Walk Retirement Community; 6 p.m. on Tuesday, Aug. 15 at Connestee Falls Fire Auxiliary

Benefit; and at 6 p.m. on Friday, Aug. 25 at Meadow Ridge Lake Toxaway.

The band will also sponsor three musical groups under the Gazebo on July 8, July 22, and August 5, all at 4 p.m.

The three bands will be the Nouveau-Passé Jazz Orchestra, Sweet Momma T and Her Red Hot Sugar Babes, and the Pyramid Brass Quintet.

You may remember these groups from last summer's Gazebo concerts.

All of the downtown

Gazebo concerts are made possible by the support of several downtown merchants, without whose financial assistance these special concerts would not be possible.

So include your lazy summer days around all of the Summer Concerts at the Gazebo and enjoy shopping and dining in our special Downtown Brevard.

Your Brevard Community Band is composed of 40 volunteer musicians under the direction of Paul Barber.

A number of these are

either retired or current professional musicians, backed up by many local musicians who have a desire to continue their love and joy of playing in an organized band.

The band welcomes new members. If you are interested, plan to join the band at its first rehearsal on 7 p.m. on Thursday, April 27 in the Band Room, lower floor of Dunham Hall on the Brevard College Campus.

More information may be found on the band's Web site at [www.brevardcommunity-](http://www.brevardcommunity-band.org)

[band.org](http://www.brevardcommunity-band.org), or by calling 885-2906.

All performances at the Gazebo are free, but for the June 11 and Sept. 17 concerts at the Porter Center the ticket price will be \$8.

About two weeks before each concert, tickets will be available at Celestial Mountain Music at 16 West Main St., Rockin' Robin Records & CDs in College Plaza (across from Brevard College), and Carolina Band Supply at 663 North Broad St. (behind Burger King).

Bud Tucker, founder, obituary

**Dr. Walter E. "Bud"
Tucker, Jr.**

Dr. Walter E. "Bud" Tucker, Jr.

Dr. Walter E. "Bud" Tucker, Jr., 74, of Brevard, died Monday, March 20, 2006 at Transylvania Community Hospital.

Born in Atlanta, Ga., he was the son of the late Walter E. Tucker, Sr. and Eva L. Tucker.

Dr. Tucker had lived in Brevard since 1993 after his retirement from Burroughs Wellcome (the main subsidiary of a British International pharmaceutical company). He was a pharmaceutical research scientist for 30 years and was Vice President, Toxicology and Pathology at retirement. He led research teams in the study of the toxicological potential of candidate drugs under development. Information from these studies, done in animals, were vital to the selection of drugs for clinical trials in people.

During his career he and his colleagues played a major role in the development of important drugs; among these was Acyclovir, the first antiviral drug to be widely used in man. This was an important scientific and medical advance which opened the door to the development of other antiviral agents by various research groups.

He obtained primary schooling in Atlanta, Ga., attended Emory University and was a graduate from the University of Georgia School of Veterinary Medicine. He did post graduate work at the Armed Forces Institute of Pathology where he and another veterinarian were the first to enter a new program to train veterinarians in pathology. At the end of four years as resident and staff member he became a Diplomate of The American College of Veterinary Pathology. Dr. Tucker was a member of several national scientific groups and published articles in variety of scientific and clinical medical journals.

"Bud", as he preferred to be known, was a very active amateur musician and, after his family, music clearly was his main interest during his retirement. He was a keyboardist, tenor soloist, and french hornist. Along with several others he started the Brevard Community Band. He played the french horn in that band as well as the Hendersonville Community band, and an orchestra as well.

Survivors include his wife, Betty Sue Gorman Tucker; his three beloved daughters, Kimberly Lynn Tucker Corn and husband, Jeff of Brevard, Lynda Kay Tucker of Atlanta, Ga., and Beck Eva Tucker White and husband, Christopher of Atlanta, Ga.; and his four grandchildren, Scott Berry, Steven Berry, Austin Corn, and Eva Marie White.

A memorial service will be held on Saturday, April 15, 2006 at Connestee Falls Club House in Brevard.

The family requests that in lieu of flowers, please send donations to: Transylvania County Library Foundation, 105 Broad St., Brevard, NC 28712.

Community Band Announces Music Scholarship Winners

The Brevard Community Band supports local music education by awarding \$500 scholarships each year. Band students from area high schools and Brevard College were eligible to compete for the scholarships through auditions held on April 4. Each student was required to be interviewed and perform two contrasting musical selections.

Lisa Laurene of Brevard College was chosen as a winner of the college division. Lisa is a freshman oboe player from Charlotte. Lisa's musical training is extensive as she has studied flute, piccolo, English horn, piano, French horn, trumpet and voice. She has performed with the Brevard College Symphonic Winds, the Brevard Woodwind Ensemble, the Brevard Concert Choir, and the Women's Acapella Ensemble. Lisa has also sung in several musicals.

Amanda Whitlock, a freshman bass clarinetist at Brevard High School, was selected as a winner of the high school division. Amanda began playing

clarinet in sixth grade and switched to bass clarinet two years later. She has qualified for the Western All-District Band for the past two years and as an alternate for the All-State Band. Amanda's talent expands beyond woodwinds as she also plays tuba and sousaphone in the marching band.

Winners may use the \$500

scholarship award to help pay for tuition, private music lessons or music camp. Both scholarship recipients will perform as featured soloists with the Brevard Community Band on Sept. 17 at the Porter Center. Proceeds from concert ticket sales will help support future BCB scholarship awards.

How to get there

Monday, May 11, 2009
6:17 PM

DIRECTIONS TO MEADOW RIDGE @ LAKE TOXAWAY

From the Brevard County Courthouse (where the Gazebo is) on Highway 64 West, it is approximately 24 miles to the Main Entrance to the Lake Toxaway Estates. Take a ^{Right} ~~left~~ at this entrance to Lake Toxaway Estates. You will be on West Club Boulevard as you enter the Main Entrance. West Club Boulevard circles the lake, and it will take a 90-degree turn to the right, BUT you will continue on straight, which will put you on Chestnut Trace. Continue until you come to a dead end, and turn left onto Fairway Drive. You will almost immediately come to a fork. You will take the left fork onto Toxaway Drive. Remain on Toxaway Drive – it is very steep and very curvy – until you get to Panthertown Road. Turn left onto Panthertown Road and look for the parking area and the Pavilion where we will be playing. It will be easy to get confused IF you do not look for the MEADOW RIDGE direction signs all along the way. If you do this you should be OK. I will attempt to sketch a map to help you understand these directions. From the Main Gate it is about 6 miles up to Meadow Ridge, elevation 4,280 feet

The Brevard Community Band's final concert of the season will be held Sept. 17 at The Porter Center.

Community Band To Perform At Gazebo

Brevard Community Band Season Finale Concert Set

The Brevard Community Band will perform its final concert of the season on Sunday, Sept. 17 at 3 p.m. in the Porter Center at Brevard College. The 54-member ensemble, under the direction of Paul Barber, will be celebrating the end of its season by presenting a "formal concert" featuring orchestral favorites, classic band literature, show tunes, marches and performances by scholarship winners.

Traditionally, the September formal concert is an opportunity for the band to showcase its musical growth developed during the season by performing a more challenging program. The summer Gazebo concerts outdoors were composed of mostly lighter fare. The formal concert is serious music with a touch of fun!

The band will perform three orchestral transcriptions for band: "The Barber of Seville"

by Rossini, Mozart's "The Marriage of Figaro" and Russian's Sailor's Dance by Gliere. Two demanding band classics, "Chorale and Shaker Dance" by John Zdechlik, and Claude Smith's "Incidental Suite," will be presented. The program will close with "George Gershwin in Concert" and "Stars and Stripes Forever."

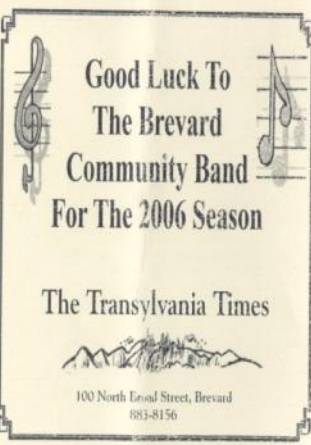

The 2006 BCB Scholarship recipients will be featured in solo performances. Amanda Whitlock, the high school division winner, will play "Rondo for Solo and Wind Band" by Mozart. Amanda is a 10th grade student at Brevard High School. She plays bass clarinet. The college division winner, Lisa Laurene, is an oboist from Brevard College in her sophomore year. Lisa will perform "Concerto for Oboe" by Cimarosa. Each winner will be

presented with a \$500 scholarship check that can be used for tuition, music camp or music lessons.

Tickets for the Sept. 17 concert are \$8 for adults and \$5 for students (public school or college age). Advanced tickets may be purchased from Celestial Mountain Music-16 West Main St.; Carolina Band Supply - 653 North Broad St.; Rockin' Robins Records and CDs in College Plaza across from Brevard College; or College Walk Retirement Community at the front desk. Tickets may also be purchased at the door on the day of the concert. Proceeds from ticket sales fund band activities and music scholarships for area band students. The road to an exciting career in music leads through the mountains

MESSAGE FROM THE CHAIRMAN

The definition of a "Community Band" is a concert band that is generally sponsored by the town or city in which it is located and consists of musicians whom volunteer their time and talents. The earliest community band dates back to 1828 in Allentown, Pennsylvania. Community bands most frequently perform during holidays, patriotic events and concerts in the park.

It is estimated that in the very early 1900's there were 10,000 such bands in the United States. At the end of WWI there was a dying off of community bands due largely to automobiles, new mass media and a large cultural shift. There are approximately 2,500 community bands across the United States at this time.

Preservation of our heritage - The Community Band - is our mission. We are comprised of musicians from ages 15 to 78 - amateur to professional musicians obscure to world renowned musicians - students to composers and former music educators. All of our musicians do this because of their love of music and desire to "give back" some of what they have been blessed with.

For this we thank them. We also thank you for your support that allows us to do this thing called "THE BREVARD COMMUNITY BAND".

Chairman Of The Board
Herbert E. Wolff, II.

BAND HISTORY

The Brevard Community Band, now in its 6th season, was formed in April of 2001. The band met for its first rehearsal in the Dunham Hall band room at Brevard College on May 18th. Dr. David Kirby, Director of Bands at Brevard College, was the first director of the BCB. In 2004 Dr. Kirby accepted a new position that took him from Brevard. Again the band was most fortunate in moving the 1st Trombonist, Paul Barber, into the Conductor's position.

The BCB is an entirely volunteer, non-profit (501(c)(3)) civic organization serving the Brevard area. The band has 45 musicians ranging in experience from amateurs, who have a "burning desire" to continue their musical interest, to professionals, both still active as well as retirees. The mission of the BCB is to promote interest in music through the community band experience.

For the 2006 season, nine concerts have been scheduled including two "formal" concerts at the Porter Center in early June and mid-September. The other performances are under the Gazebos in downtown Brevard on three Saturdays during the summer months, a special July 4th concert, and several concerts for local organizations and charities.

COMMUNITY SUPPORT

The Brevard Community Band would not exist without the generous support of the Brevard community. The Heart of Brevard and its business members have been integral to our success. Local businesses and organizations have been phenomenal with financial and in-kind support as have numerous members of the community. Contributions from these supporters enable the band to purchase music and equipment and to fund music scholarships for area students.

OUR DIRECTOR

R. Paul Barber has been the Music Director and Conductor of the Brevard Community Band since the 2004 season. He also serves as the Music Director and Conductor of the Hendersonville Community Band. In addition, Mr. Barber plays trombone in the Asheville Community Band, the Pyramid Brass Quintet, the Novena-Passe Jazz Orchestra and the Brevard Philharmonic. He holds Bachelor and Masters degrees from the University of Michigan School of Music in Ann Arbor, Michigan.

Paul and his wife, Fern, moved to this area upon their retirements in Farmington, Michigan. Paul was most recently the Director of Fine Arts for the Farmington Public Schools. He is no stranger to community bands since he was the founder, Music Director and Conductor of the Farmington (MI) Community Band for 37 years.

In addition to serving on several state and local professional arts organizations, Mr. Barber has received many awards for his contributions to a variety of groups. He was the conductor on four international tours conducting in the British Isles, Australia, Korea, Japan and the United States.

Paul and Fern have a son, Randall and daughter, Julie who both play trombone. The Barbers reside in Flat Rock.

Join the Brevard Community Band!

Did you play a band instrument in high school or college? The Brevard Community Band is seeking new members. Adults with prior musical experience are invited to join the fun. Come to rehearsal with your instrument, that's all there is to it!

We hold NO auditions. We welcome members of all skill levels; whether you've just received your music degree, or haven't played your instrument in 20 or 30 years.

Our regular rehearsals are 7:00-9:15 pm on Thursdays in the band room at Dunham Hall on the Brevard College campus. We play music of varied skill levels and perform as a summer band.

For more information, go to our website:

GRADUATE PROFILE

Meet a Brevard College Graduate in Music Copper (White) Ferreira, B.A. 2003

Copper (White) Ferreira, is a clarinetist whose professional career has taken her across the United States and beyond. While completing her undergraduate degree at Brevard College, Copper held the principal clarinet position in the BC Symphonic Winds and served as assistant principal clarinet position with the Brevard Chamber Orchestra for the 2002-2003 season. She also attended the prestigious Brevard Music Center festival. In 2005, she made her international debut at the Xi'an International Clarinet and Saxophone festival in Xi'an, China. She currently serves as principal clarinetist with the Stratford [Ontario] Civic Orchestra.

Copper completed a Master of Music degree in clarinet performance at Arizona State University in 2005 and recently completed a second Master of Music degree in Music Theory at the University of Western Ontario. This past year Copper accepted a part-time position in the theory department at Mount Allison University in Sackville, New Brunswick. While in Eastern Canada, she has also performed with the Prince Edward Island Symphony Orchestra, the opera orchestra of Université de Moncton, and the newly formed Atlantic Wind Orchestra based in Halifax, Nova Scotia. She has served as the musical director for several community theaters and will serve as the musical director for the Festival by the Marsh in the summer of 2008.

Copper Ferreira

*Our students go into the world as
educators, performers, and leaders in the arts.*

Another of our graduates served as the Education Director for the John F. Kennedy Center for the Performing Arts in Washington, D.C., and a number of our recent alumni work as music, art, or theater educators in public schools and universities in North Carolina and throughout the southeast.

Your support of Brevard College's Friends of Fine Arts will enable students
to fulfill an important portion of their degrees in art, theater, or music.

Obituary, Paul Barber

TIMES-NEWS

, NOVEMBER 26, 2006

R. Paul Barber, 62

R. Paul Barber, 62, of Flat Rock passed away Thursday, Nov. 23, 2006, at Pardee Hospital after a short illness.

He was a native of Detroit, Mich., a son of the late Daisy and Bob Barber. Prior to moving to Flat Rock three and a half years ago, he was a resident of Farmington Hills, Mich. He received his master's in music education from the University of Michigan and was a music educator and director of fine arts in the Farmington Public Schools for 37 years.

Barber

While living in Flat Rock, he was very active in the musical community, serving as director of both the Hendersonville Community Band and Brevard Community Band and holding membership in the Mill Center for the Arts Development Committee, Michigan Club of Hendersonville, Asheville Community Band, Pyramid Brass Quintet, Novee Passe Jazz Orchestra and the Brevard Philharmonic. During his years in Michigan, he was the founder and conductor of Farmington Community Band and held officer status in several organizations, including the Michigan Band and Orchestra Association, Farmington Arts Council and the University of Michigan School of Music Alumni Association. In addition to his love of music, he was an avid traveler and photographer.

He was a loving and devoted husband to his wife, Fern; and loving father to his children, Randy Barber and his wife, Melissa, of Farmington Hills, Mich., and Julie Anne Barber of San Diego, Calif. He is also survived by his brother, Dick Barber and wife, Beth; two nieces, Michelle and Stephanie Barber of San Diego; mother-in-law, Betty Jane Kinnamon of Flat Rock; sister-in-law, Leah Nelson; cousins, Jim Nelson and wife, Susie; and niece and nephews Korah, Nick, Mason and Nolan Nelson.

A memorial service will be held at 5 p.m. Monday at the First Baptist Church of Hendersonville. The Rev. Sam Boyd will officiate. Inurnment will be held at Oakland Hills Memorial Garden in Novi, Mich. In lieu of flowers, the family requests memorials be made to the Hendersonville Community Band, P.O. Box 194, Hendersonville, N.C. 28793; Pardee ICU Caring Connection, 800 N. Justice St., Hendersonville, N.C. 28791; or MDA/ALS, P.O. Box 78960, Phoenix, Ariz. 85062-8960. An online guest book is available at www.thosshpherd.com.

Thos. Shepherd & Son Funeral Directors is in charge of the arrangements.
