Dear Sponsor:

For 62 years, beginning in 1960, Operation Santa Claus (OSC) has provided Christmas gifts for thousands of disadvantaged NH children. Active and retired State Employees spend countless hours volunteering to make the holiday special. OSC greatly appreciates the years that you have sponsored a child and hope you are able to again this year. Together OSC is successful and made possible because of our communities generosity.

OSC is currently seeking sponsors and/or donors so we can meet our 2022 goals. We, like many non-profits, continue to experience an increase in the number of families and children seeking our assistance. The children who benefit from OSC are identified by NH Dept. of Health & Human Services social workers as children in need of extra help and some holiday cheer. These children's lives are filled with uncertainty. They have few resources, and sometimes very little family support. Once a year, a child's dream should come true. Won't you please help them out?

We ask sponsors to spend a minimum \$80.00, per child (new items only, please). We know this dollar amount may be a hardship for some sponsors. Do not let that be a barrier; consider co-sponsoring with a family member(s), friend(s), or co-worker(s).

If you decide to sponsor a child(ren) in need this year, please complete and return the enclosed form as soon as possible. This form is also available at operationsantanh.org or email seaosc@seiu1984.org. When we receive your form, we will match your request with a child(ren). The earlier we receive the completed form, the more likely we are to be able to fulfill any special requests you may have regarding the child's gender, age, etc. Once we have matched you with the child(ren), we will send you their wish list and shopping instructions. We know your generosity will be appreciated by the children and their families, as well as warm your heart!

If you have any questions, please send an email to OSC and a volunteer will get back to you as soon as possible.

Thank you for your continued support!

Sincerely,

Rebecca Baker, Chairperson
