

OPERATION SANTA CLAUS

Who We Help

The State Employees' Association's Operation Santa Claus (OSC) program ensures gifts are provided to nearly 3,000 New Hampshire children in need regardless of circumstances. State employees from the Department of Health and Human Services work throughout the year to identify children who may benefit.

Who We Are

Each year since 1960, volunteers from collect gifts and necessities for children in need. We can only do this great work with the generous support from people like you.

Sponsors include:

- ◆ State, municipal, county staff and individuals like you
- ◆ NH businesses and schools
- ◆ Community and recreational groups

“ Once a year, a child’s dream should come true. ”

Once the gifts are collected, the National Guard arrives in December to load the gifts and transport them to the 11 district offices throughout the state.

Ways to Give

We need your support; please help:

- ✓ Sponsor a child or children
- ✓ Fundraise at work or donate goods and services that we can raffle off
- ✓ Make a monetary donation
- ✓ Invite us to your workplace or event
- ✓ Be part of the planning committee
