Important Information

Please take a moment to read.

Signed Terms and Conditions must be returned before an event will be confirmed.

Palace Cinemas retains the right to cancel bookings under whatever circumstances deemed reasonable. In the case that an event must be cancelled in its entirety, Palace Cinemas will not charge the client for the event.

For cinema hire, the allocated auditorium is usually available for 120-150 minutes. This can be extended by written agreement and additional charges may apply. The allocated auditorium must be vacated at the end of the programmed session time to allow for the next session to take place.

At the conclusion of the session, Palace Cinemas requires time to clean the auditorium and prepare for the following session. Should the time in the allocated auditorium exceed the agreed finishing time, Palace Cinemas reserves the right to impose an additional cinema hire charge in compensation.

Guest numbers must not exceed the allocated auditorium seating capacity and all paths, steps and thoroughfares must always be kept clear. No external seating is permitted.

If you have arranged to pay for drinks on consumption, a credit card must be left with the cinema manager before your function commences, and payment will be finalised at the conclusion of your function.

Hosts may charge guests for admission at their own discretion or may invite guests free of charge. Under either agreement, the host is responsible for promoting the event and managing the guest list. Palace Cinemas can provide a registration table for this purpose.
