# WELCOME

**C**elebrating a decade on Australian cinema screens, the 2024 Saxo Scandinavian Film Festival continues to showcase the best contemporary Nordic cinema selected from major international film festivals and markets.

Geographically, Scandinavia refers to the Northern European sub-region of Denmark, Norway and Sweden, but over a decade ago at the Cannes Film Festival the idea was born to incorporate more countries from the Nordic region into a festival for the Australian audience to experience.

This year's lineup features films that bear the hallmarks of Nordic cinema - sweeping dramas, crime thrillers, black comedy and spectacular cinematography and landscapes. The retrospective also pays homage to the iconic collaboration between Liv Ullmann and Ingmar Bergman, with four celebrated films.

Enjoy the festival and your escape to the far north of the globe!

## THE RIOT

SULIS 1907

AUSTRALIAN PREMIERE

**2023 | 106 min | Norway, Sweden | Action, Historical Drama**  
**Director** Nils Gaup **Cast** Otto Fahlgren, Simon J. Berger, Alexandra Gjerpen, Mads Sjøgård Pettersen, Stig Henrik Hoff  
**Language** Norwegian, Swedish, Sámi with English subtitles

An epic historical action drama starring Otto Fahlgren (*Beartown*) and Simon J. Berger (*Margrete – Queen of the North*). *The Riot* tells the story of the struggle against oppression in the isolated Norwegian mining town of Sulitjelma, called Sulis, at the beginning of the 20th Century.

Based on the incredible real events at Norway's second largest workplace, where the mine workers struggled under inhumane conditions in the dangerous and dark copper mines, this was the Wild West of the Nordic countries.

Young miner Konrad Nilsson (Fahlgren) dreams of a better life. Working conditions are brutal for the laborers, and faced with oppression, slave labour and the brutality of capitalism, the mine workers decide to stand together in a revolt against the mining company and its ruthless, powerful leader Wennstrøm (Berger).

Directed by Academy award nominated Nils Gaup (*The Last King*), this important part of Norwegian history has never been told on screen before and portrays the origin story of the Norwegian labour movement which planted the seed for workers' rights in the region.

2023 | 97 min | Denmark | Historical Drama

**Director** Anders Walter **Cast** Pilou Asbæk, Katrine Greis-Rosenthal, Morten Hee Andersen, Peter Kurth, Ulrich Thomsen  
**Language** Danish with English subtitles

Set in the final months of WWII, this touching, intelligent drama explores the unimaginable dilemmas that people must face in the wake of war.

Should the family help the refugees - or stand firm in the Danish resistance against the Germans? Anti-German sentiment is prolific in the town after five years of occupation and the Danish resistance takes a hardline stance against all Germans - including women and children.

Inspired by true events, it depicts a dark chapter in the history of Denmark - the handling of 250,000 German civil refugees who came to Denmark in the spring of 1945. Written and directed by Academy Award-winner Anders Walter, *Before It Ends* is an earnest drama that delves into complex moral dilemmas through a family under pressure, exploring the limits of charity.

AUSTRALIAN PREMIERE

**2024 | 100 min | Denmark, Sweden, France | Drama, Thriller**

**Director** Gustav Möller **Cast** Sidse Babett Knudsen, Sebastian Bull, Dar Salim, Marina Bouras, Olaf Johannessen

**Language** Danish with English subtitles

The eagerly anticipated new film from writer/director Gustav Möller (*The Guilty*), *Sons* is a gripping moral thriller that offers an extraordinary showcase for the remarkable Sidse Babett Knudsen (*Borgen*, *Wildland*) in the leading role.

Idealistic Eva (Babette Knudsen) works in the minimum-security ward of a correctional facility, overseeing the incarcerated men with an almost maternalistic sense of compassion, guiding them in meditations and showing genuine interest in - and empathy for - their wellbeing. But all this changes when Mikkel (Sebastian Bull), a swaggering offender, is transferred to the facility, and without revealing her motives to her superiors, Eva requests to be reassigned to his high-security block. So begins an unsettling and dangerous game of cat and mouse in which Eva's increasingly unhealthy preoccupation with Mikkel challenges her belief in restorative justice, and places much more than her job at stake.

Moller's atmospheric new thriller packs a genuine punch and is a must-see for fans of both Scandi noir and its phenomenal star, who delivers arguably a career-best performance.

Their meeting has unforeseen consequences and while Gerda begins to wander the streets of the Eternal City in search of her long-lost youth, Kristoffer is left out.

**Language** Finnish with English subtitles

In the spring of 1986, the explosion at the Chernobyl nuclear power plant unsettles the daily life of a small village in western Finland. An uneasiness hangs in the air, and new safety measures are everywhere.

That summer, a new girl Mimi (Anni Ikkanen) arrives in the village. She immediately shakes up the life of 15-year-old Mariia (Rebekka Baer) and fills it with radiating light. Amongst the lush Finnish landscapes, the girls find an oasis of passionate love, away from the harsh world and impending sense of doom.

20 years later, Mariia (Laura Birn) returns home to take care of her sick mother, and memories of that meaningful summer begin to rise the surface.

Based on the 2011 eponymous novel by Vilja-Tuulia Huotarinen and featuring a pulsating, hypnotic 80s soundtrack, *Light Light Light* explores the contradictions of teenage years, growing up, fitting in and dealing with adult issues, but also having a lack of control. Soon the whole village is filled with reporters from all over the world and as Niina knows the area and its people, she is drawn into the investigation of the missile incident and the threat of nuclear war.

**Director** Helena Stefánsdóttir **Cast** Iilmur María Arnarsdóttir, Elin Petersdóttir, Stefania Berndsen  
**Language** Icelandic with English subtitles

Eighteen-year-old Lilja (Iilmur María Arnarsdóttir in an enthralling debut) visits her estranged grandparents Áróra and Grimur, in the city as she undertakes auditions for an international art performance group. Her grandparents welcome her, delighted with the opportunity to get to know their granddaughter better. However, when her father, Magnús and his younger sister Vala (Stefania Berndsen, *A White, White Day*), two of Áróra's and Grimur's four children, find out about Lilja's stay in the family house, a sense of panic arises.

The eerie house has an air of mystery and as she stays there, Lilja begins to observe her grandmother's peculiar behaviours. When the family gathers in the home to celebrate Lilja's acceptance into the art group, a dark secret emerges. Soon a seemingly normal family celebration turns into a horrifying tragedy that nobody could have foreseen.

With mounting foreboding and recurring themes of water, writer-director Helena Stefánsdóttir's debut film *Natatorium* is a claustrophobic, ominous, slow-burn drama centred on family dysfunction and secrets.

### LENINGRAD COWBOYS GO AMERICA

**1989 | 79 min | Finland, Sweden | Comedy**

**Director** Aki Kaurismäki

**Cast** Sakke Järvenpää, Nicky Tesco, Matti Pellonpää, Kari Väänänen

**Language** English and Finnish with English subtitles

35 years ago, Finnish deadpan master Aki Kaurismäki (*Fallen Leaves*, *Le Havre*) achieved a significant international breakthrough with this beloved road movie following the adventures of an inept Siberian rock 'n' roll band.

Somewhere in the tundra, in no-man's land, lives the worst band in the world, an outfit with no audience and absolutely no commercial potential. Yet they long for success, so when their manager suggests they head to the USA, the band is prepared to sacrifice their cultural identity for a shot at the big-time.

Thus, with matching projectile pompadours and pointed shoes, a music style that weds rockabilly with Finnish folk tunes, and the frozen corpse of their bass player strapped to the roof of their stretch Cadillac (purchased from a dealer played by Jim Jarmusch), the Leningrad Cowboys make their way towards Mexico across a landscape of warped Americana...

Infused with Kaurismäki's signature dry wit and generosity of spirit, the film spawned two sequels, and brought the fictional band a major real-life following!
