FUNCTION PACK

ABOUT THE SPACE

Inhabiting a space vacated recently by a launderette, Overlook takes its name from the iconic Overlook Hotel featured in Stephen King's 1977 novel, *The Shining*. Visually brought to life in the 1980 film adaption by master filmmaker Stanley Kubrick, the Overlook Hotel represents an eerie link to a past that is deeply reflected in the grandiose art deco stylings of The Astor Theatre.

We proudly showcase the Overlook Bar next to the beautiful Astor Theatre. A unique space for your work, social, and birthday events. Or even the perfect complement to a pre or post-film debrief.
