

National Native American Law Enforcement Association

28th Annual

NATIONAL TRAINING EVENT

August 24 - 26, 2021

**Bally's Hotel
Las Vegas, Nevada**

Thank You

**for their partnership in the development
and presentation of this program.**

LexisNexis proudly
supports the NNALEA
Unity. Strength. Courage.

For over 35 years, LexisNexis® has earned the reputation as the industry leader by evolving and developing innovative solutions that help law enforcement agencies meet their mission goals. Reputations are built on performance and professional integrity, not promises. We're proud of our proven track record for results, but even more proud of our reputation for putting our clients and their mission first.

LexisNexis is honored to sponsor the National Native American Law Enforcement Association.

About LexisNexis® Risk Solutions

At LexisNexis Risk Solutions, we believe in the power of data and advanced analytics for better risk management. With over 40 years of expertise, we are the trusted data analytics provider for organizations seeking actionable insights to manage risks and improve results while upholding the highest standards for security and privacy. Headquartered in metro Atlanta USA, LexisNexis Risk Solutions serves customers in more than 100 countries and is part of RELX Group, a global provider of information and analytics for professional and business customers across industries. For more information, please visit www.lexisnexis.com/risk.

The LexisNexis Accurint services are not provided by "consumer reporting agencies," as that term is defined in the Fair Credit Reporting Act (15 U.S.C. §1681, et seq.) ("FCRA") and do not constitute "consumer reports," as that term is defined in the FCRA. Accordingly, the LexisNexis Accurint service may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another purpose in connection with which a consumer report may be used under the FCRA. Due to the nature of the origin of public record information, the public records and commercially available data sources used in reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. This product or service aggregates and reports data, as provided by the public records and commercially available data sources, and is not the source of the data, nor is it a comprehensive compilation of the data. Before relying on any data, it should be independently verified. LexisNexis and the Knowledge Burst logo are registered trademarks of RELX Group. Copyright © 2017 LexisNexis.
