

## Live videos

<https://lp.constantcontactpages.com/sh/KfNwmLG/virtualsteeldrum>

This creation of this website is to present a unique and professional level of Steel-drum entertainment to the world. Peter Bernard is constantly raising the bar in his quality of Steel-drum art form, selections of songs and overall performances. You can now access his services locally, nationally and internationally through this website, Facebook, twitter and YouTube. After many years of performing in America and abroad, Peter has built an exceptional reputation with his clients and his performance is now in demand.
