

Color-n-Cut Gift Tags

Color in a coloring page of choice and then cut out images to make gift tags.

You will need:

- [Coloring page](#) printed on card stock
- [Gift tag template](#) printed on card stock
- Colored markers or pencils, regular pencil
- Scissors
- (Optional) Hole punch and thin ribbon or cord

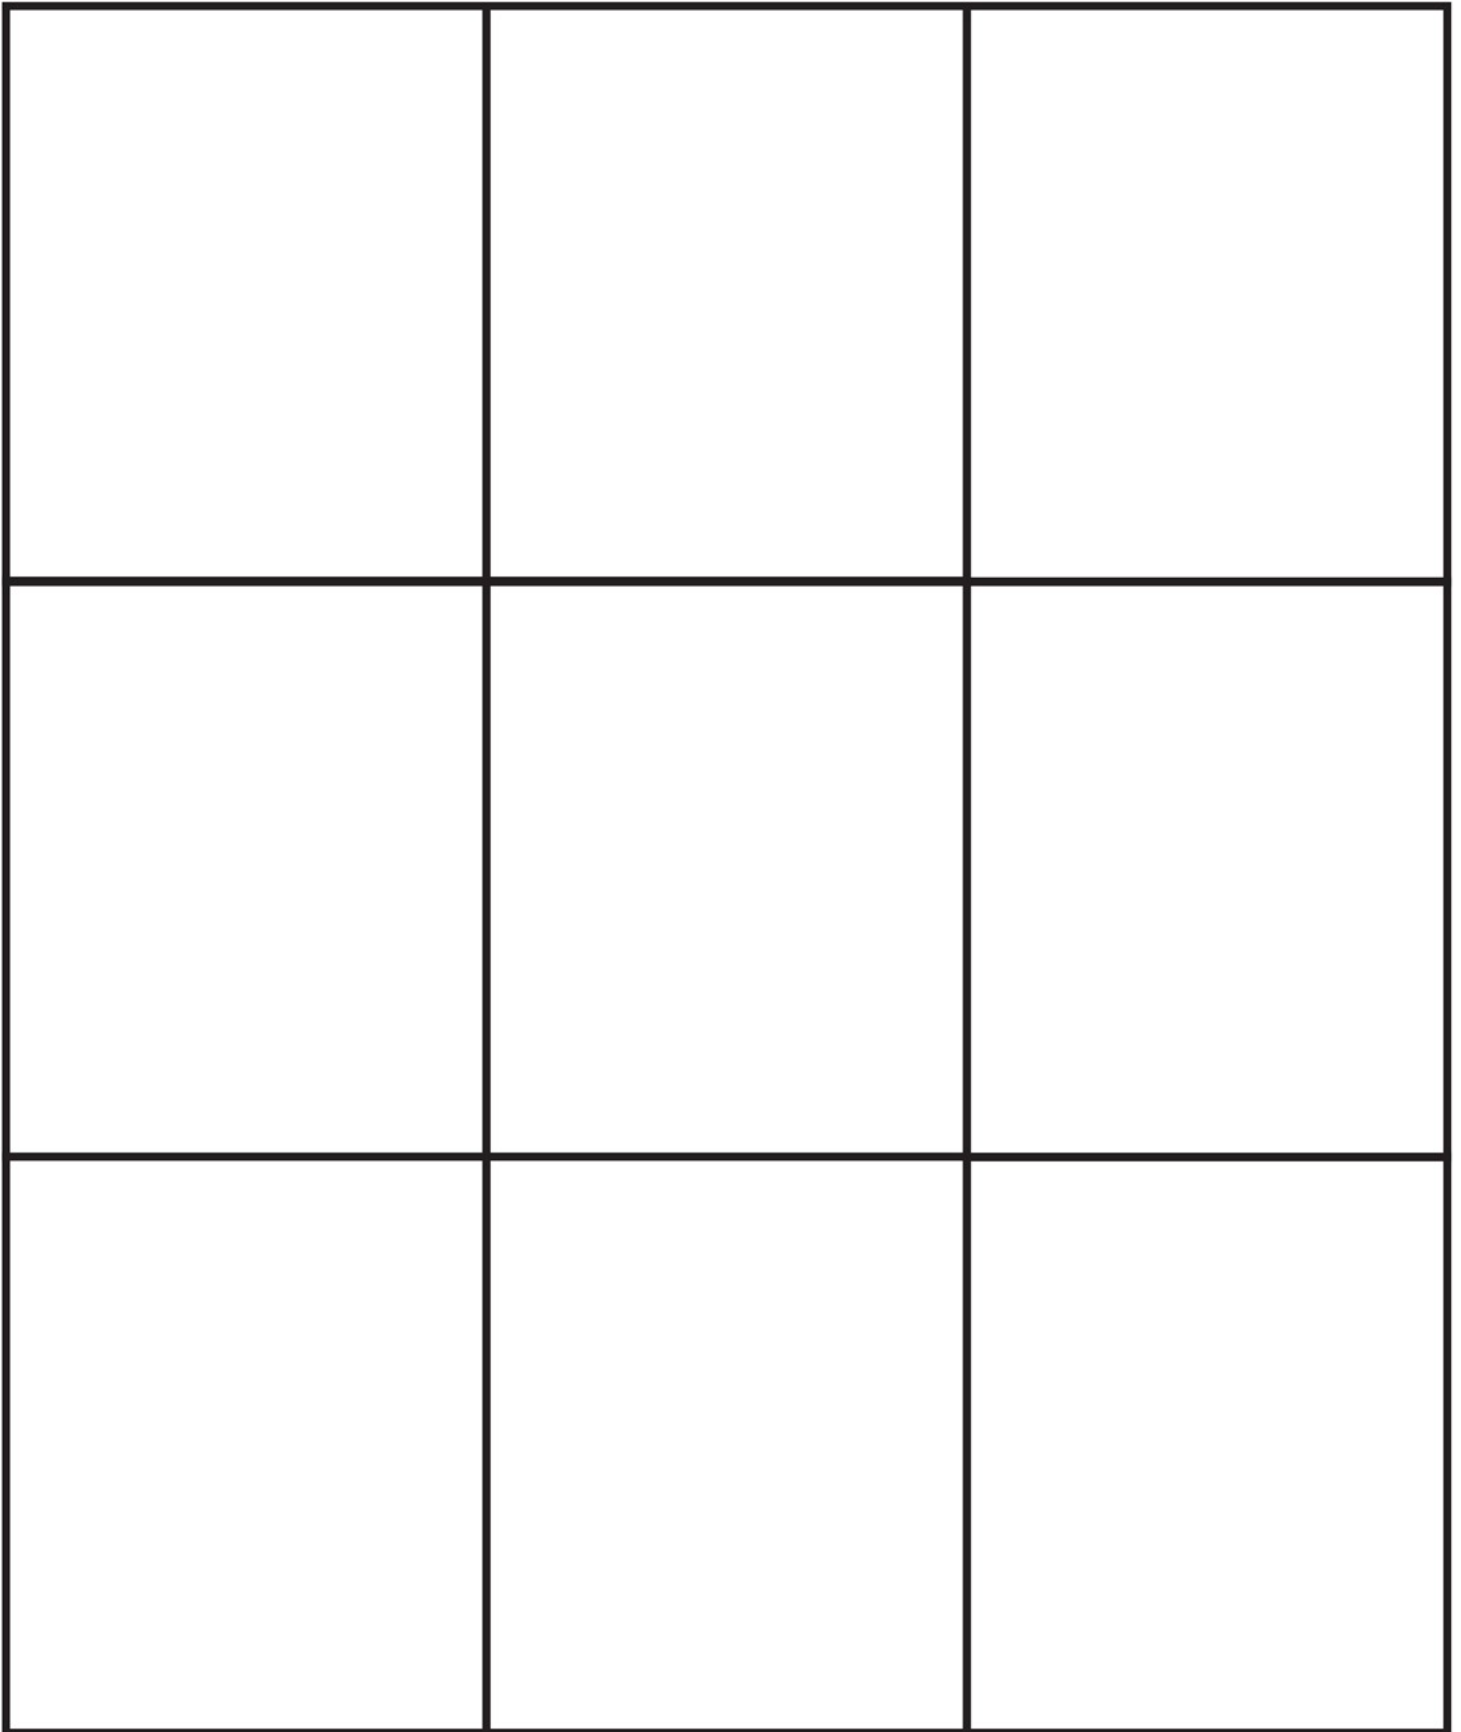

Print a picture of a completed [Color-n-Cut Gift Tag](#) to create interest in this crafty coloring project.

Directions:

1. Color the image you chose.
2. To make rectangular gift tags, trace one of the provided templates onto your coloring project and cut it out.
3. As an alternative, cut out individual parts of the image without using a template. Leave a white border around the image if possible.
4. (Optional) Punch a hole in the tag and add ribbon or cord.
