

Foam Flowers

These are really pretty and make a nice keepsake.

You will need:

- sheets of thin coloured craft foam
- glue
- scissors
- wooden cotton reels
- thin wooden sticks
- 'jewels' to decorate
- flower templates from google images

Instructions:

Cut out some paper flower templates in different sizes, place on the foam and cut round do 2 different sizes.

Glue the 2 flower shapes together and decorate

Glue stick to the back of flower, place into cotton reel hole, if stick too thin just pop a piece of paper into the hole to secure, it may hold in the hole by itself or glue in.
