

Paul Klee

Paul Klee was born in Switzerland, on December 18, 1879, and is considered a German / Swiss artist.

His father was a musician and his mother a singer, so it came as no surprise that he was an excellent violin player by the age of 11. Klee started studying to be a musician but changed his mind in his teens to visual arts.

Paul Klee's artwork is not easy to classify, he was influenced by expressionism, cubism, surrealism and abstraction. He was an inventive artist, always experimenting with styles and materials, ignoring rules and popular fashion.
