

Egg-cellent Cactus

Wrap a plastic egg with green tissue paper. Add a tissue paper flower and puff paint needles to make an egg-cellent cactus decoration.

You will need:

- Plastic egg
- 12" square of green tissue paper
- 1" square of pink or red tissue paper
- Puff paint (yellow or white)
- Pencil with eraser
- 2 1/2" flowerpot
- Floral gravel (or other vase filler)
- Glue Dots

Display a picture of a completed [Egg-cellent Cactus](#) to interest crafters.

Directions:

1. Place the plastic egg in the center of the green tissue paper. Cover the egg with the paper and twist the excess tissue paper to make a "stem."

2. Use the eraser end of a pencil to form a flower with the pink tissue paper. Attach the flower to the top of the cactus using a Glue Dot.
 3. Secure the bottom of the tissue paper stem to the bottom of the flowerpot with a Glue Dot. Fill the pot with gravel, keeping the stem upright.
 4. Add dots of puff paint to give the cactus spines. Display for holidays like Easter and Cinco de Mayo.
