## Classes For Kids and Teens

New Projects Each Session Offered

### ARTS and CRAFTS (ages 6-12):

This is a great beginner program to introduce your child to fine art techniques with the fun of art & craft projects. This is a balanced program made to explore creativity through drawing skills, painting, cartooning and creative crafts.

### CARTOONY WORLD (ages 7-12):

It's time for fun with animated sketching projects that explore different styles, fun techniques and themes. We will explore pop ups, comics strips, design and more!

### LITTLE ARTISTS (ages 4-7):

This is a great beginner program to introduce your child to fine art techniques with the fun of art & craft projects. This is a balanced program made to explore creativity through drawing skills, painting, cartooning and creative crafts. Projects change every term- a very good foundation for elementary school success!

### Drawing & Painting (ages 8+):

If you love to draw, this exploration of media & techniques will answer your questions and advance creative thinking. Project focus is on drawing and painting objects, animals, landscapes, color mixing, art history and techniques.

### Sculpting (ages 7+)

In this class we will be sculpting with air dry clay, plaster bandage & platercine. Let's use our hands & create fun 3D works of art that we can paint afterward!

### Digital ART- PROCREATE FOR BEGINNERS (ages 9+):

Learn the basics along with tips and tricks to get your ideas into the world of digital art. We will work on setting up your digital canvas, creating pallets, lettering, layers and even working on finished art work. (Procreate is a must for this class)

### TEEN DRAWING and PAINTING (ages 11+):

This is a class for our older students who are looking to refine their style, learn techniques and explore art. Project focus is on drawing and painting objects, animals, landscapes, shading and highlight studies, recreations of famous work and art history education.

### PRIVATE LESSONS FOR ALL AGES
