

WE ARE HIRING!

Suncoast offers a competitive salary for Mental Health Therapists

Imagine the difference you can make.

We are looking to add to our growing team of professionals to serve residents living on the Treasure Coast.

About Us

Our team at Suncoast Mental Health Center, Inc. (SMHC) provides comprehensive therapeutic services. We are a client centered, family focused and community-based organization that provides services in the schools, homes, via Telehealth, and in Suncoast offices.

What We Offer

We have full-time opportunities for qualified candidates to join our growing organization as **Master's Level Mental Health Therapists**. This is a great opportunity for motivated Mental Health Therapists to increase their skills and work independently as well as part of an amazing team.

Full-time benefits:

- Company sponsored medical as well retirement plan matched by Suncoast
- Access to dental, vision, and other incidental policies
- Paid life insurance
- Paid Time Off
- Paid holidays (8)
- Flexible work hours
- Free supervision toward licensure for LMHC and LCSW
- Paid mileage
- Laptop is provided for work related duties

What We Are Looking For

Full-time Mental Health Therapists must be knowledgeable in the following clinical areas: screening, intake, orientations, assessment, treatment planning, counseling, report and record keeping, discharge planning, and consultation with other professionals in regard to client/treatment services. Some local travel is required.

Qualifications

MINIMUM QUALIFICATIONS

Education: Master's Degree from an accredited university or college with a major in the field of counseling, social work, psychology, or a related human services field with one of the following:

- One (1) year of post Master's degree experience in a clinical mental health atmosphere *or*
- **Supervision** under an LPHA (Licensed Practitioner of the Healing Arts), which Suncoast provides.

PREFERRED QUALIFICATIONS

- **Experience:** LCSW, LMHC, or LMFT
