

Lisa Everett Used LD29 Funds to Pay for Her “Personal Legal Expenses”

Lisa Everett Used LD29 Debit Card to pay for her “Personal legal Expenses” for the printed Exhibits she provided to the court for Injunctions she filed against Frank Jugo & Michelle Skvara, which were “**DENIED**” for No Merit.

1 of 6 reasons for Censure stated: “Lisa Everett used LD funds for her private court case matters against PCs, and stated an intent to pay legal fees from LD funds (see receipt).

1. **Used LD29 funds**: See receipt below to pay for Printing of Exhibits used by Lisa in court for her personal legal fees. (Shown on MCRC website as proof)
2. **Intent to pay legal fees**: Lisa told Frank Jugo & his attorney after his attorney advised court that legal fees would be requested. Lisa stated: **“It’s OK, because the LD will cover the legal expenses.”** (NOTE: Legal Expense will exceed \$6,500)

Note: During MCRC EGC meeting on 9/2/25, Lisa stated in her rebuttal that **“It was only \$14.89!”** The MCRC EGC overwhelmingly voted 23 to 6 to Censure Lisa Everett.

Lisa didn’t realize that the amount didn’t matter (i.e., Whether she spent \$14.89 or \$14,890 out of LD29 funds). What mattered was that she was not allowed to use LD funds to pay for her “Personal” legal expenses. Unethical behavior was a reason for her Censure.
