## Get Your Lion On!!

Lion Anna Wickenhauser  
District Governor

Happy spring to all!

I am keeping my fingers crossed that the snow will stay away now for the next few months! As many of you may have seen, over the past month I have been fortunate enough to go on two

nice, warm vacations. First was a family spring break trip to Arizona, then a girls trip to Florida. Believe it or not, the girls trip was much more relaxing and restful! But now I am back, tanned and energized and ready to serve!

I am happy to report that half of our spring zone meetings have been completed, and I have enjoyed the creative ways our Zone chairs worked to make the meetings engaging, despite having to host them over Zoom. On the topic of meetings, I hope your clubs are able to take advantage of the warmer weather and are meeting outside and/or in person again soon!

It is also time for Club Officer elections to take place. Please make sure to have your secretary enter the new officers into LCI ASAP (May 15th deadline), even if you will be having 2-year terms for your officers.

Lion Don/Monkey and I are looking forward to the Journey for Service May 5-7th, and can't wait to see you in person for that! There are still some clubs that need to schedule their governors visits, so please reach out to me so that I can come and see all that you and your club have been doing to help support your community!

And lastly, you can watch the MD5M virtual Multiple Convention on May 1st, check out the MD5M Facebook page or website to watch this!

Click the link to watch the Facebook live stream of the convention here, <https://fb.me/e/1EdeyvxnC>

### Did You Know?

Lion Glenn Kaufmann  
District Governor Elect

While we're still doing things mostly virtually, it has been good for Lion Lisa and I to see many of our Lion friends during the online Spring Zone Meetings. Just about every club in the district has started to or asked about turning the lights back on. Clubs are rethinking about how

to do their top fundraisers. They're asking themselves, "How do we complete a socially-distant service project, like diabetes screening?" I'm proud of all the clubs in the district that are on their way. There are small ways our clubs can get engaged again.

Do you want to jump-start your club and get it out of the doldrums? Does your club install your new officers at

the beginning of the new Lions year? "But Glenn, do we really have to?" Nope, the world will not stop rotating. The fact is, it's your club, do what makes sense for you.

Did you know a Club Officer Installation Ceremony is a great chance to express gratitude to the previous board members as they complete their term?

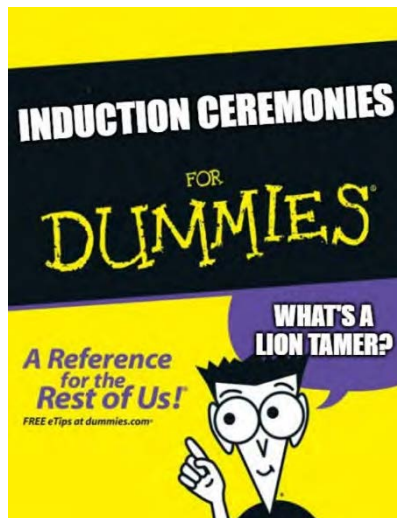

An installation Ceremony is a great opportunity to:

- Transfer authority and responsibility from current to newly elected leaders.

- Recognize members who have provided excellent leadership to the club the previous year.
- Celebrate the club's service and positive effect on the community.
- Recognize long-time members of the club for their dedication and service.
- Provide an opportunity to share club goals and service plans for the next year.

It is the club's decision how traditional or formal its club officer installation will be. There are many different installation scripts on line at lionsclubs.org. Many clubs reach out to the District Governor, Vice District Governors, Zone Chairs, or Past District Governors to act as an installing officer. Many of those folks have experience doing so, and have found or developed creative ways to recognize new officers.

If your club has never tried an installation ceremony, I'd ask you to consider giving it a chance.

## From My Garden...

*Lion Kathleen Bleckeberg  
1st Vice District Governor Elect*

Spring is finally in the air, Baseball has started, the garden is starting to show signs of life, the rhubarb and asparagus is starting to peck their heads out of the ground. I have even started to plant somethings.

Zone meetings have started, as of right now four Zones have held their

spring meeting and we have four more to go. I am very encouraged by all the clubs that have been finding new ways to do thing and even more so by the clubs that are starting to meet in person and/or virtually. We still must take things day by day. Being Lions I know we will continue to find ways to serve our communities in the best way we know how to.

Zone Chair training will be on May 22nd this will be virtual. Keep an eye on this newsletter and Zone chairs will be getting notifications.

Officer Training will be held June 5, this will also be virtual Keep an eye on this newsletter, as well as Presidents and Secretaries will be getting notifications on this as well.

The most important part is reporting your officers into My LCI as soon as you hold elections. This will make it easier for Lion Nancy to get information out to the correct officers. Even if your officers are not changing you still need

to report in My LCI and this is a good time to make sure contact information is entered and updated. Also encourage people that are thinking about stepping into a club leadership role to attend officer training, training is not a waste of time.

R.L.L.I. (Regional Lions Leadership Institute) will be held October 21st through the 24th in Detroit Lakes, MN. RLLI is a great opportunity to learn about Lions, leadership and make new friends. This is not just about Lions it also helps in everyday life. I attended RLLI in 2015. It was the best 3 days; I still have friend I talk to on a regular basis. It gave me more tools to work with in my life and gave me some confidence I did not have before. I encourage everyone to go. GO GOLD!!!

# Lions Clubs International FOUNDATION

Lion Debra Wasserman, 5M2 LCIF Coordinator

Fellow 5M2 Lions,

Spring seems to definitely be here. I saw several dandelions in someone else’s front yard. Sandals have overtaken boots in my closet. And we’ve even attended our first MN Twins game since 2019. Things are happening here and around the world. Check out these short stories about how you, through LCIF are supporting the work of Lions in MN and beyond:

Minnesota Lions Vision Foundation received a LCIF Matching Grant of \$100,000 to acquire a Spectralis Flex HRA+OCT2. This equipment can scan a supine patient in surgery or elsewhere. The equipment will allow Doctors to obtain intra---operative images of the retina to determine the effect of the surgery before they leave the eye and thus prevent having to do a second surgery at a later date. The Spectralis Flex at the U of M will be the first in an operating room in the United States and will ensure that the Minnesota Health Ambulatory Surgery Center will be equipped with the latest ophthalmic surgical technologies. This equipment allows for state---of---the---art diagnostic and treatment capabilities located in one of the most advanced surgical centers in the Midwest. Thank you to all the Lions of MD5M for their generous donations. Without the Lions the Minnesota Lions Vision Foundation could not do all the great things it does.

<b>Sources</b>	<b>Amount</b>
LCIF Grant	\$100,000
MN Lions Vision Foundation	\$113,300
<b>Total</b>	<b>\$213,300</b>

Second graders at Chatterton Elementary School in Merrick, New York felt the positive effects of Lions Quest, LCIF’s social and emotional learning curriculum.

LCIF has awarded a US\$10,000 Emergency grant to St. Vincent Lions in District 60-B for volcano relief. Lions will use the funds to support immediate needs for those relocated to safe regions (in shelters) outside the danger area.

When two Lions clubs in Italy learned about the food insecurity in West African villages, they wanted to help. They collaborated with the Koudougou Baobab Lions Club in Burkina Faso and with a US\$54,267 LCIF grant, they completed a very successful project.

## Minnesota Lions Hearing Foundation News

The Children's Hearing Clinic is done. PCC's Bob Jechorek (5M5) and Dave Dominick (5M6) toured it and presented a carload of wooden cars made by Lion Vern Breamer

(5M2). A virtual annual meeting will be held May 8 for a 1 hour zoom meeting. The following Lions are going off the board of Trustees this year: Lion Cindy Labrie 5M3 – 6 yrs, Lion Julie Nielson 5M5 – 6 yrs, PCC Dave Dominick 5M6 – 6yrs, Lion Barb Tanski 5M10 – 6 years and PCC Kathy Jensen 5M4 – 4 yrs.

We thank you for your leadership. Lion Marvin Grimm (5M2) is finishing his 4th year and Lion Vern Breamer is finishing his 2nd year.

Parade of Green Totals as expected was down this year. 5M2's donation was at \$101,253. 5M2's club donations were down about \$6,000. Our clubs have another opportunity to help the Lions Hearing Foundation!

The 2021 D Feet Hearing Loss Walk has gone virtual. Your club secretaries should have received information about the D Feet Walk. The Minnesota Lions Hearing Foundation needs your help today! In 2020 we had to pause our Annual Walk due to the pandemic. We started a project

several years ago to establish an endowment chair in the Department of Otolaryngology. To help wrap up this critical project, we need your help in completing it. Dr. Bevan Yueh, Department of Otolaryngology, Head and Neck Surgery will talk about this at the 2021 MD5M Convention.

Please consider participating in our 2021 virtual walk. You can take a walk at your local park, bring some club members together for a walk in the park or jump on your treadmill.

There are various levels of support and also the option for a t-shirt that would be mailed to you. Children under 12 will receive a free walk shirt. Example support level \$25 no shirt, support level \$35 include walk t-shirt mailed to you. All other levels of support are accepted. \$1,000 gets your Club name on back of the t-shirt.

Mail your registration forms to PDG Mike Vos, Treasurer, Minnesota Lions Hearing Foundation, 2047237 1st Ave, Green Isle, MN 55338-2171. Make your check payable to Minnesota Lions Hearing Foundation

Thank you for your understanding and great support.

### Saturday, May 22, 2021

Watch for additional information from your District Governor Elect and Global Leadership Team Coordinator!

## Lions Affordable Hearing Aid Project

**Do you have a low-income person who needs hearing aids?** There is a procedure that needs to be followed in order for your club to help out. First, that person must see an audiologist for a hearing evaluation. The audiologist should work with Medicare and/or Lions clubs to help with costs of hearing tests and later installation of hearing aids.

After the evaluation, if the person needs hearing aids, the audiologist needs to order hearing aids from Starkey (address below). Your district should have money in their Starkey account from the used hearing aids that your district has donated. This money will provide free aids for the person. The audiologist then calls territory account manager at Starkey to order hearing aids. Your district trustee will help get that information for you. The audiologist then will fit the aids. Lions Clubs may have to offer some financial assistance.

If your recipient is young person up to age 15, the audiologist may want to check with other hearing aids companies for grants to help with purchasing hearing aids for children.

**Lions Club International** also has more information and materials to help with hearing aids in a program called Lions Affordable Hearing Aid Project (Lions AHAP) available only through local Lions clubs. To learn more about this project and for an application, go to <https://temp.lionsclubs.org/all/pdfs/lcif/lcif128.pdf>.

## ***Journey for Service*** ***May 5, 6, 7, 2021***

It is nearing that time of year again to tour the country side of 5M2 for our annual Journey for Service. This year District Governor Anna and I will be traveling over 700 miles making some 63 stops meeting Lions, Lioness, and Leo clubs collecting money for various service projects in our District.

Please verify with me the meeting place and contact person with a phone number.

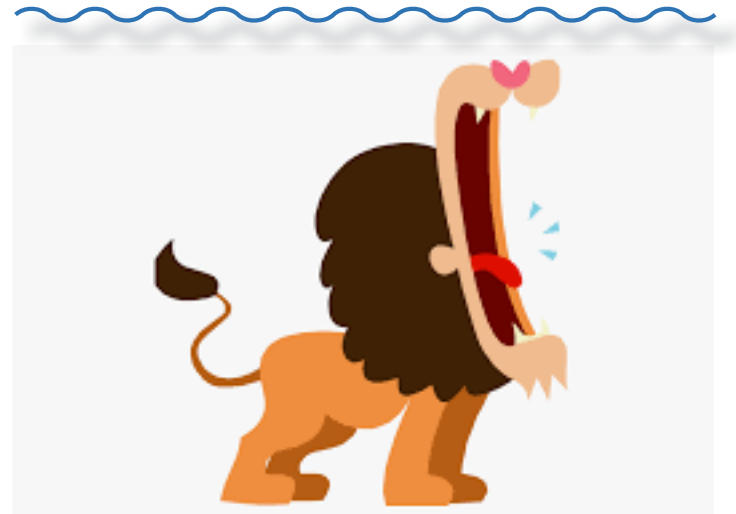

I am looking forward to another successful Journey for Service with 100% participation as my goal.

**Tidbits from the Past**  
(taken from past district newsletters)

Did you know in the past there was an annual 5M Lions Day at "The Twins". A newsletter ad in 1989 states "2nd Annual 5M Day at The Twins. Saturday noon – July 15, 1989, Game Time 12:50 p.m., Twins vs Boston, 10,000 Reserved Seats.

Do you remember when District 5M2 had the following Lioness Clubs – Albert Lea Lioness (now the Albert Lea Lakeview Lions), Carver Lioness, Hutchinson Lioness (still in existence 2020-21), Jordan Lioness (now the Jordan Jordaness Lions), Lake Crystal Lioness, LeCenter Lioness, N.E.W. Lioness, Prior Lake Lioness, Shakopee Lioness (now the Shakopee Valley Lions) and West Carver Lioness (now the NYA West Carver Lions). Over the years, the 5M2 Lioness clubs either chartered as a Lions Club or members joined an existing Lions club in their communities. Since 2018, Lions Club International has provided incentives and the Lioness Bridge Program to encourage Lioness clubs to become Lions. The LCI Board of Directors has made the decision to end the Lioness Bridge Program after June 30, 2021. Lioness Clubs that decide not to join Lions Clubs International will no longer be considered a sponsored activity of a Lions club, and will lose all associated benefits. This includes protection under Lions Clubs International's general liability insurance, and utilization of all registered trademarks of LCI, including Lioness logo.

More to come next month –  
PDG Nancy Mathwig, District 5M2 Historian

**PROTOCOL PLEASE!!**

The following is found in the 5M2 Protocol Manual (see the 5M2 website):

"Protocol means respect for position. It is a system of rules that explain the correct conduct and procedures to be followed in formal situations. It is defined as a diplomatic etiquette and precedence. It has also humorously been termed "the science of seats"."

## Lafayette Area Lions Easter Egg Hunt

After having to hold last year's Easter Egg Hunt as an "Easter Parade" in May, the Lafayette Lions were excited to hold the event in a "normal" format this year. A few modifications were made to meet social distancing requirements, but the event returned to the Lafayette Charter School grounds.

Youngsters—and their parents—were asked to come at staggered times so that not everyone was on site at once. The youngest kids—0 to 4 years old—were sent off to look for eggs at 10:00 a.m. The next group—5 to 7 year-olds—took off to "look" for eggs at 10:15 a.m. and the

oldest—ages 8-12—got their chance at 10:30 a.m. Each group had their own area to hunt and there were plenty of eggs!

The Lafayette Lions came early to spread the 2,000 candy-filled eggs purchased from netegg.us over the entire grounds. After the kids had picked up their quota of 15 eggs each, they came to a central table to get a goodie bag with a chocolate bunny and a Beanie Baby. The stuffed animals were donated to the club by a local woman.

Lions helping at the event were, from left: Mark Dick, Joyce Halverson, Trish Gieseke, Dale Bjorklund, Mark LeGare, Dave Reed, Joe Hoffmann, Andrew Maidl, Lee Zion, Joe Maidl, and Tom Hayes. Also Ruth Klossner, not pictured.

## Lions Children's Hearing Center

### 10<sup>TH</sup> ANNUAL WALK

**D-Feet Hearing Loss**

**VIRTUAL JUNE 5, 2021 9:30AM**

We are going virtual this year for our walk to D-Feet Hearing Loss! Although we won't gather, the important work of the Minnesota Lions Hearing Foundation doesn't stop so join us on June 5th wherever you are to support hearing health!

Your participation in this fundraiser helps us continue to meet our commitments to the Lions Children's Hearing Center at the University of Minnesota and the Department of Otolaryngology at the U of M. Kids are diagnosed and treated six days a week at the Lions Children's Hearing Center.

Thanks to the Foundation's pledge to fund the new sound booth construction and equipment purchases, you can help us and the U of M provide support to even more kids! In addition, we continue funding research projects to find new cures and treatments for patients experiencing hearing issues and our Professorship endowment will facilitate teaching students who will help those with hearing loss well into the future.

YOU can help continue this important work by participating in our virtual walk on June 5. TOGETHER, we can all do our part to help D-Feet Hearing Loss!
