Driven to Serve

Lion Brian Thies, District Governor

Happy New Year

New Year's is always a good time to reflect on the past year as well as to set goals for the upcoming year. January 1st also marks the half-way point of my District Governor year and what a GREAT experience it has been. Thank you for the opportunity to serve you!

Congratulations and THANK YOU to all the Lions of District 5M2 as it has been reported that we have impacted over 100,000 people with our service in the first six months! Awesome job! We also welcomed 60 new members into our ranks. Remember if you keep asking, they will say yes. Let's double this number as we have had 20 members passed away in the same time period. We must continue to share the good news of what we do and who we are. People are waiting to be asked, so don't disappoint them.

Come one, come all to the Midwinter Celebration in Mankato February 14-16, 2020. The convention committee has a number of great things lined up for us. We begin Friday night with an opening ceremony followed by the Service of Remembrance and then the fun begins with the Tuxedo Band. Saturday you can learn more about the impact we as Lions have on helping change people's lives both locally and globally. A new event this year will be the Magic of Service beginning at 8:00 am for new and not so new members and their sponsors. The noon lunch will feature the youth of our district with the Peace Poster winners and essay contest finalists. Following the luncheon, we are going to be doing a Convoy for Children's Cancer. This walk will allow you to stretch your legs as well as contribute to a good cause.

During the afternoon on Saturday, we will also be doing a service project for the U of M Masonic Children's Hospital. We will be packing toiletries for the parents/caregivers of the patients at the hospital. So gather up and bring along all those extra hotel sized toiletries that you picked up on vacation. We will be sorting them and packing them up. We will also be making cards to include with this toiletry kits.

See you at Mid Winter!

Toiletry Items Drive at the Mid Winter Convention

Please bring your unused hotel-sized shampoos, conditioners, soaps, toothbrushes, toothpaste and other toiletry items to Mid Winter where we will be packing kits for the U of M Masonic Children's Hospital.

*Lion Anna Wickenhauser
1st Vice District Governor*

Happy New Year

Where has the time gone? In 2019 the Lions Family and my personal family has experienced many changes and have had many ups and downs. One thing that is universal, is that we all

wish for more time. Within the past year the Lions family has lost many great leaders, including PID Maynard and 1st Vice International President Haynes Townsend.

I once heard that a person's life makes up the chapters in their book, and now that their life has ended, their story is made up of all that we have learned from these people. I am proud to consider Maynard one of my greatest mentors, who saw potential in me and my leadership abilities before I did. He always challenged me to continue growing and learning, and was always happy to answer any and all questions I had with grace and inspire me to create change. His story to me is one of strength, wisdom, wit and passion.

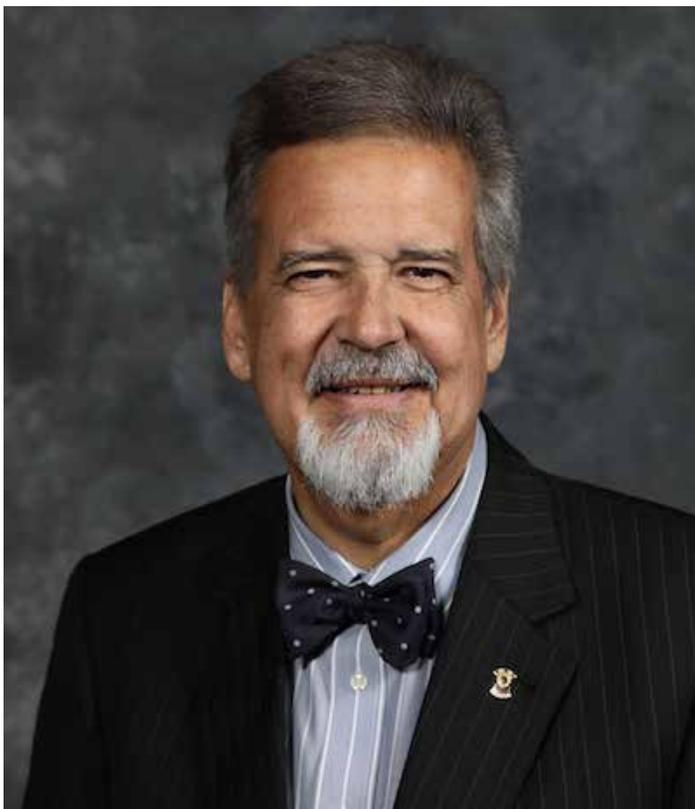

I had the chance to meet then ID Haynes Townsend at PDG Eunice's midwinter convention, and remember being incredibly impressed by him and all he had accomplished. He was young, a father, had a successful career, and had done so much in the world of Lions. I asked him how he had accomplished so much at such a young age, and he just laughed and said "God gives us twenty-four hours in

a day, it is up to you how you chose to spend them". This reply had a profound impact on me, and I remember this wisdom each day, and it helps keep me going on days when I am ready to just give in, put on my PJ's, and lay on the couch reading all day.

Another major loss this year felt by me and my family is the loss of my father-in-law, Paul Wickenhauser. He passed away while Lion Don and I were in Milan at the International Convention this past July. Paul was a typical stubborn German who liked to raise his eyebrows and grumble whenever he could. Paul was also a caring, supportive, kind man who always had a joke or sarcastic remark to entertain me with.

Ultimately, 2019 has taught me that we all wish for more time. But this year also held many wonderful experiences and positive changes in my life. Nobody can predict the future and we don't know what the future will hold, but we must remain united, learn from and embrace change. Not all change is bad, sometimes it can be uncomfortable and painful, but it can also be a wonderful thing that creates new opportunities and experiences.

Please get your Zone Lion of the Year award applications in to me by January 31st, the application is included in the newsletter and has been emailed out to all club presidents and zone chairs and is also on the 5M2website. I look forward to reading about some of the amazing Lions in each of our zones! Also, don't forget to register for the Midwinter Convention in Mankato this February, it will be a roaring good time.

Judge Haynes Townsend, Lions International First Vice President

Lions Clubs International lost a great leader and dear friend on December 17, 2019 when International First Vice President Lion Haynes Townsend passed away. Lion Haynes served as an International Director from 2009 – 2011, and was our International Convention Guest when PDG Eunice Rucks was District Governor. Lion Haynes' theme was "Kindness Matters". He was certainly a kind man, and we may best honor his service by looking for ways that we can show kindness to our fellow Lions and those we encounter in our day to day lives.

Did You Know...

*Lion Glenn Kaufmann
2nd Vice District Governor*

Over the river and through the woods to grandmother's house we go. I always think of these lyrics as Lion Lisa and I travel this time of year to celebrate Christmas with our families. It's more like along highway 7 and 212, but we are blessed to have time with each family. And what's

more we still have our annual club Christmas Party to look forward to later in January. End of year parties are a great way to heighten club esprit de corps and to celebrate the little victories we had throughout the year. Our clubs' most recent cause for celebration was another successful Christmas Tree Sale, our biggest fundraiser of the year, by far. More than that, we added a Sock Tree to our tree lot in 2019. This year we were able to collect 200 pairs of socks (in no small part to the Cologne Lions) to donate to a local homeless shelter.

Fundraiser? Check.

Service Project? Check.

Money, money, money. Lions pride themselves on raising money to give to those who need it most. This is admirable, but what kind of service projects are our clubs doing? Are you considering any new ones in 2020? Are you looking for a Holiday Service Project?

Did you know there are hundreds of opportunities to pair your fundraiser with a meaningful service project?

- Having a Pancake Breakfast or a Santa Claus visit? Add a KidSight Screening.
- Hosting a Bingo event? Add a Diabetes screening and education table.
- Already throwing a community Halloween Party? Request a food bank item for donation.
- Thinking about a Childhood Cancer fundraiser? Why not a Cancer Walk and education table?

As new Lions, we joined our club to get involved in our communities, to help fill a need. Club members are clamoring for ways to better serve their communities. One way to get an idea where your club members are interested in serving, is by just asking them. Do a quick survey or questionnaire at an upcoming meeting. Engaged members are members who stick around.

Lion Debra Wasserman, 5M2 LCIF Coordinator

IT'S 2020!

WOW! Where did the last decade go?

Hopefully you are beginning the 2020s feeling good about your service as a Lion, knowing your club is having a positive impact on your community and others around the world. If you aren't sure, or even if you are, take a look around your town, check the District newsletter, see what's being reported on the LCI or LCIF Facebook pages. The stories of how Lions are changing lives are out there.

BUT, our clubs and we as individual Lions can do more. Being open to new opportunities is how our clubs, our District and our Association will continue to grow and change the world.

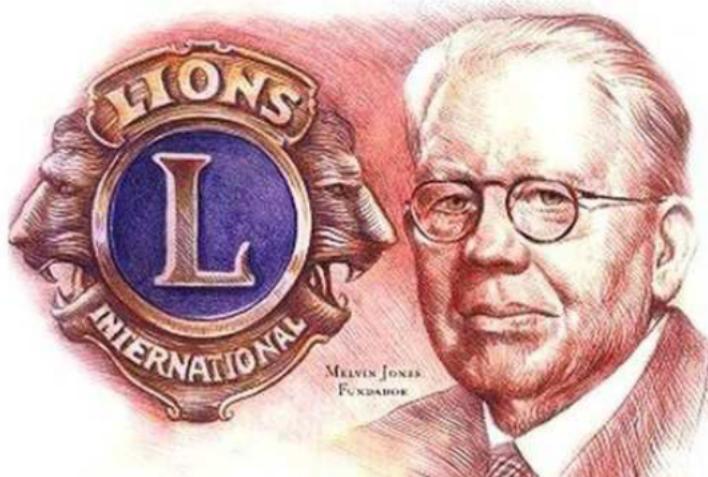

SO: I offer every club a challenge for the first month of 2020. The MidWinter Convention is fast approaching where clubs often make their significant LCIF donation. 5M2 has been blessed to have 100% club participation for many years. THANK YOU! I am again respectfully asking every club to consider increasing their LCIF contribution by 10%. I offer this percentage to help facilitate a discussion of an increase, not to indicate you "must" increase your contribution this amount or you'll go on the "naughty list". It is healthy to think about challenging ourselves and our clubs to be more and to do more. If knowing your club's Melvin Jones Fellowship eligible donations would be helpful in determining your Parade of Green contributions, feel free to email or call me. Please thoughtfully consider what your club can do to stretch and participate with other clubs in 5M2 in helping LCIF meet our Campaign 100 goals.

The opportunity for a personal donation or pledge to LCIF also still remains. Donation and pledge forms will be available at the Convention. We will also be collecting change, coins or otherwise. Every bit of a donation added together makes a difference.

- 20 nickels provides 1 measles vaccination
- 100 quarters provides immediate relief after a natural disaster

You get the idea. Look for "Change 4 Change" boxes throughout the weekend.

HAPPY BIRTHDAY MELVIN JONES!!

VISION

We are a world leader in the effort to prevent avoidable blindness, and we’re diligently working with Lions clubs and local partners to help provide the local capacity building, training, medications and treatment needed for those with eye diseases and to provide disability rehabilitation and education for all.

YOUTH

We are committed to providing youth and young adults with opportunities to succeed. The Lions Quest program provides young people and their educators with tools to make positive choices, resist drugs and alcohol, learn through service and become healthy young men and women.

ENVIRONMENT

We are working with Lions to preserve our planet, knowing that the health of our local communities and environments affects us all.

Our goal is to help establish a sustainable future for generations to come.

HUNGER

We help provide healthy meals for the hungry and work to establish strategies and greater capacity for communities in which food is scarce.

DIABETES

We are providing support to help Lions educate the public and establish programs around one of our new global focus areas: diabetes.

HUMANITARIAN

Lions take action in their communities, working face-to-face with the people they serve. We support the wide variety of humanitarian efforts implemented and coordinated by Lions and give grants to increase their scale and effectiveness.

CHILDHOOD CANCER

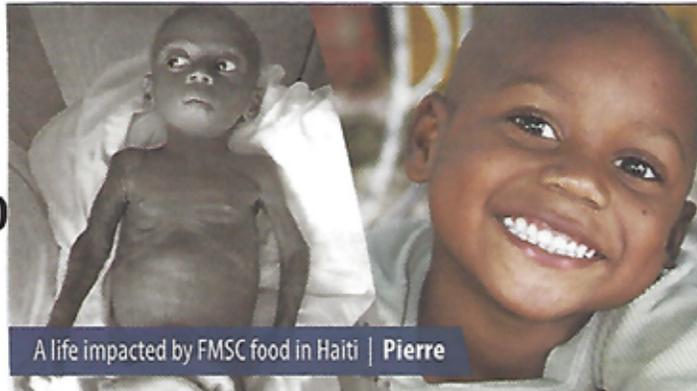

Across the globe, too many children are being affected by cancer. We’re helping Lions establish programs and provide greater service and access to care for those diagnosed—giving hope to them and their families.

DISASTER

When disaster strikes, we respond. We provide funding to address preparedness and immediate needs that allow Lions and their partners to be among the first on the scene in the wake of the world’s most devastating hurricanes, earthquakes, floods and other disasters.

Viewing Forward

MN Lions Vision Foundation

Wishing all of you a Happy and Healthy New Year! And it will be a banner new year for Minnesota Lions Vision Foundation. The year 2020 brings us to 60 years of service and collaboration with the University Department of Ophthalmology and Lions Gift of Sight. We move forward with great goals to develop and achieve.

Have you seen this vehicle on our highways? Our procurement staff now visits collection sites with visibility. Procurement is defined as an act or process of obtaining. Our two new vehicles coordinate the delivery of eye tissue at point of death to LGS for distribution of that tissue for corneal transplant, vision research or medical education. A first definition of procurement but

that definition continues in more ways: as a better life style for a recipient or a better life style for all of us as research and education to improve our world of vision. Lions Serve!

Think about this as your club plans its Parade of Green and annual donations. From corneal transplants here in the Midwest to curing river blindness in Africa. From research to improve care of many eye diseases to developing the bionic eye. From Kidsight to eyeglasses recycling. We contribute so much! The quote we all know, "alone we can do so little; together we can do so much".

Please, please consider contributions as your club can afford. Checks should be payable to Minnesota Lions Vision Foundation to be eligible for Helen Keller Awards. Note to clubs with gambling funds – you are giving to a 501(c)3 organization.

Lions Christy and Mary are anxious to visit your clubs and share the passion of Lions' original mission. As directors, we continue to View Forward. Our past is great and our goals will continue to be met. We are your directors ready to serve. Give us a shout – maryspille@gmail.com or christy1135@gmail.com. Together, "WE SERVE" continues.

Minnesota Lions Hearing Foundation News

The New Year on the calendar is here but the Lion's year is half gone, of half left, depending on how you look at it. Hope everyone had a safe and enjoyable Christmas Season.

Mid-Winter Convention is just around the corner and that means it is time to plan for the Parade of Green. We would like to see every club participate with a donation to the "Minnesota Lions Hearing Foundation". Don't forget that our name has changed this year. If your club has gambling funds you should make your check to "Minnesota Lions Hearing Foundation".

Lion Marvin and Lion Vern have open dates for club visits. Please give one of us a call to confirm a date for a visit.

Hope to see everyone at the Mid-Winter Convention, a wonderful weekend of Lionism!

One more reason to attend the Midwinter Convention!

I know everyone is psyched up and excited to come to the Midwinter Convention February 14 – 16 in Mankato. If you're still sitting on the fence though, let me give you one more good reason for attending: You will be able to vote on Constitution & Bylaw Amendments! Now you only get to do this if you are a club delegate and attend the business meeting on Saturday, so mark your calendars and be sure not to miss it. Club Presidents and Secretaries should have received the proposed amendments by the time you read this newsletter. If you somehow missed getting them, email LionSteve@charter.net, and I will send you a copy.

REMINDER – If you have had a new member this past year and have partnered that member with a seasoned member to “learn all about Lions’, please consider submitting a district Mentorship Program form to PDG Nancy Mathwig, 5M2 Global Leadership Chair. In order for your new Lion to be recognized at the 2020 Midwinter Convention, forms need to be received by PDG Nancy no later than February 8, 2020. Liberty Day

Liberty Day is used to raise awareness among students across the nation about the Declaration of Independence and the Constitution of the United States of America.

Liberty Day Program is a Lions-affiliated program in the United States with the objective of providing non-partisan information to students about our rights and responsibilities as defined by the Constitution of the United States. In District 5M2, Liberty Day is a part of our Youth Activities. Several clubs have promoted the Liberty Day program via assemblies with their school districts. Often clubs unite with other community organizations to prepare a program including flag presentation, speakers, music, and so forth.

Programs are tailored to the needs and grade levels of each community. Printed Constitutions/Amendments are given to all students. These booklets are available from the district chairpersons.

MN Lions Childhood Cancer Foundation

As we enter the new year, we recall the progress we've made as Lions to stand in the forefront in the battle against childhood cancer. We also take pride in the role Minnesota Lions are playing in addressing on the most serious and overlooked aspects of this dread disease: long-term effects on survivors.

The good news is that well over 80% of children diagnosed with childhood cancer will be cancer free for at least five years after completing treatment. The bad news is that many will suffer from the side effects of treatment or the reoccurrence of their cancer, or a different cancer.

That is the issue Minnesota Lions are taking on. Along with the Children's Cancer Research Fund and the University of Minnesota Foundation, each of which is matching our \$100,000 contribution dollar for dollar, we are providing the University of Minnesota Masonic Children's Hospital the resources for research and treatment of survivors. Thanks to all the generous clubs and individuals of District 5M2 for your overwhelming support. We look forward to meeting our Foundation's goal of raising \$100,000 during the various districts' Parades of Green!

Also, pins for the foundation are now available! The yellow ribbon represents childhood cancer, in general. The other colors are the most common forms of childhood cancer: Grey, brain; Orange, leukemia; Lime, lymphoma; Purple, pancreatic; Burgundy, multiple myeloma.

Pins are available from Directors Lions Sandy Schneider and Tom McCarthy. A suggested minimum donation of \$5 is recommended.

THE PLUNGE IS COMING!!

For the past 4 years, Lions and Leos from 5M2 have been jumping into freezing cold water to support Special Olympics Minnesota. By Plunging, they help bring opportunity and inclusion to over 8,100 Special Olympics athletes across the entire state of Minnesota. Last year we hit an all-time high with 5M2 having over 50 Lions, Leos and friends participate in the Polar Plunge, raising almost \$10,000. That is fantastic! 5M2 would like to boast once again about having a super fun and large Lions/Leos delegation jump in 2020 at Hallet's Pond, St. Peter on Saturday, February 1st. There is a 5M2 Lions team registered at <https://www.plungemn.org/events/st-peter/>. Just register under the team and you are set to go!

Are you ready to do something wild for something good? Every dollar you raise supports Special Olympics Minnesota. You got this!

MD5M Hall of Fame (October 2003)

Purpose

To honor those Lion and Lioness members of character and substance who have demonstrated the highest level of commitment and dedication to the efforts of their club, district or multiple district and the motto of our association, "We Serve."

Award

There will be a maximum of one (1) recipient of the MD5M Hall of Fame Award per district, inducted into the MD5M Hall of Fame each year. The award may be presented posthumously.

Exception:

During the 2003-04, 2004-05 and 2005-06 Lion years, each district will be allowed two (2) Hall of Fame recipients, at least one (1) of which must be honored posthumously. Following the 2005-06 Lion year, beginning in the 2006-07 Lion year, the number of Hall of Fame recipients per district will return to one (1) per district.

The MD5M Hall of Fame award recipients are to be inducted into the Hall of Fame at the annual MD5M Multiple District Convention during the Saturday noon luncheon. The first honorees will be inducted May 21-23, 2004 at the MD5M Multiple Convention.

MD5M Hall of Fame recipients will receive a MD5M Hall of Fame award plaque and a Hall of Fame lapel pin in recognition of their induction in the MD5M Hall of Fame. In addition, a complete listing of all MD5M Hall of Fame recipients will appear in the annual MD5M directory and a perpetual plaque, with the names of all inductees and the year of their induction inscribed thereon, will be kept in a prominent place in the MD5M office, when available.

The presentation of the MD5M Hall of Fame inductees will be the responsibility of the current International Director from MD5M, if there is one and he/she is in attendance at the MD5M Multiple District Convention. If not, then the most recent Past International Director having served from MD5M in attendance at the MD5M Multiple District Convention.

Criteria

A candidate may be a Lion or Lioness, must have been a member in good standing for at least 15 years, be at least two (2) years removed from the Council of Governors if a PDG, should have qualifications above and beyond the call of duty including social and human endeavors, and he/she should be of good moral character and have a good reputation in his/her community. A nominee must be a member in good standing of a Lions or Lioness Club in MD5M, or must have been a member in good standing of a Lions or Lioness Club in MD5M at the time of their death.

Process

A candidate may be sponsored by any Lion, Lioness, Lions Club, Lioness Club, Zone, or District. There will be a nomination fee of \$150.00 per each candidate nominated. The nomination fee will be returned to those sponsors whose candidates are not elected for induction into the MD5M Hall of Fame. The nomination fee for those selected for induction will be sent to MD5M and will be used to offset the cost of the award process, plaques and pin.

Nominations, including the nomination fee, must be received by the District Governor at least 30 days prior to the District's Mid Winter Convention.

Each individual District will annually hold an election at their Mid Winter Convention to determine the candidate(s), if any, to be inducted into the Hall of Fame for that Lion Year. Each sponsor will have an opportunity to give a brief presentation on the merits and biographical information of their nominee prior to the election. Those elected to be inducted into the MD5M Hall of Fame will not be announced until their induction at the MD5M Multiple District Convention.

All nominations will use the standard form, no others will be accepted. The nomination fee must be received at the time the application is received, otherwise the nomination will not be considered.

All successful candidates will be inducted into the MD5M Hall of Fame at the next MD5M Multiple District Convention. The sponsor(s) and the respective District Governor will ensure that the honoree or a suitable representative be in attendance at the MD5M Multiple District Convention when the honorees are inducted.

A brief biography of each inductee shall be announced to those in attendance during the induction ceremony at the annual MD5M Multiple District Convention.

LIONS', LEOS' CLUBS NEWS AND ACTIVITIES

Jordaness Lions

The Jordaness Lions decked out or cars with lots of shiny and blinking lights to participate in the Jordan Dazzle Holiday Parade. Our theme for the year is following in DG Brian's passion, "Driven to Serve".

DG Brian celebrated the holidays with the Jordaness and Jordan Lions Clubs at the annual holiday joint meeting. During the meeting DG Brian inducted 2 new Jordaness Lions; Lion Carly Ogdahl and Lion Brenda Lieske (Brenda is a returning charter member Jordaness Lions). Pictured left to right: Social Cat Sponsor Lion Diane Hesslund, Lion Carly Ogdahl, Social Cat Sponsor Lion Diane Hesse, and DG Brian Thies.

The Jordaness Lions club recently held it's 30th annual Holiday Fashion Show. This event is one of the club's largest fundraisers, and it includes dinner, a fashion show, and fun entertainment provided by members of the club. Over 300 people attended this year's event, which was the perfect way to kick off the holiday season!"

Zone 1 Highlights

by Lion Jan Sebesta

Zone 1 has had a terrific month. It started out with a candlelight Meal at our Fall Zone mtg hosted by Lester Prairie Lions. All 10 of our clubs came to enjoy the Lions fun.

We had the "Down with Diabetes" Gala the end of November, and the lower attendance was blamed on the Snow Blizzard warnings that evening.

We must have all been good this year because Santa visited every club in our Zone. There were pancake breakfasts, Lester Prairie had the school band playing Christmas carols, and Silver Lake sold cookies that were delicious.

Community Service projects galore, helping Home bound with food baskets, helping children in the County with their Christmas wish lists, entire cities coming together to celebrate with games and food.

No one is forgotten in this Lion Zone: with Nursing Homes enjoying songs and sweets; to our very own Lions, Parades with lights, candy and of course once again Santa.

We have a winner!! Lion Ron Dahlke, from Glencoe Lions and his judges, had 65 entrants this year in the Essay contest. Our Essay winner was sponsored by the Silver Lake Lions Club. Abigail Gruber attends GSL High School and is in the Tenth Grade. The Title of her Essay on Diversity "We are stronger together".

I visited the Plato Lions Club, it was so exciting to see Tyson Mason receive his Melvin Jones.

There's another year wrapped up,

See all next year, " Ho, Ho, Ho"

Lafayette Area Lions Club

The Lafayette Area Lions were definitely in a holiday mood the week of December 9-14. On Monday, they gathered to decorate the Lafayette Community Center and pack treat bags for Santa Day, on Tuesday they welcomed about 115 kids and even more parents when Santa visited Lafayette on a very cold night, and on Wednesday, they selected the winners of the home lighting contest.

At Santa Day, Santa— a.k.a. Lion Joe Maidl—arrived on a fire truck and led the kids in singing a few Christmas carols before sitting down to talk to each one individually. Maidl is an exceptional Santa in that he knows virtually every kid in the area, calls them by name, and even knows what color (kind) of tractors their dads drive! That leads to many wide-eyed kids who can't figure out how Santa could

possibly know so much.

The Lions partner with Bernadotte 4-H and Citizens Bank Minnesota, Lafayette for Santa Day. 4-H members provide special treats and the bank serves doughnuts and milk.

The next evening, Lions members met to drive around town to pick the winners of this year's home lighting contest. Instead of naming first, second, and third place winners—as they did for many years—the ten best-decorated homes were named co-winners, with each receiving a \$25 prize. A total of 35 homes in the community were decorated—making the town very attractive for the holidays.

Left: Santa Claus arrived at the Lafayette Community Center on a fire truck—driven by a fellow Lion—late Tuesday afternoon, December 10.

Right: Before sitting down to talk to the kids, Santa always asks the group to sing a few songs—usually Jingle Bells and Rudolph, the Red-Nosed Reindeer.

Lafayette Lions gathered for a photo with Santa after he finished talking to the kids.

Above: Couldn't help but laugh at this little girl's shirt.
