Driven to Serve

Lion Brian Thies, District Governor

A time to be thankful

As we gather with family and friends for the holidays, please reflect on the many people who are thankful that you are a Lion and for all that Lions do not only in our communities, but state and throughout the world. It is because of you and your work in Lions, we are

helping the visually impaired to see, the deaf to hear, the hungry to have nourishment, those with diabetes to fight their disease and improve our environment. Thank you for all you do!

Thank you to the Club Secretaries for their extra efforts to bring their club's MyLion Reporting up to date. If you are still having issues, please feel free to reach out to 2nd Vice District Governor Glenn Kaufmann at glenny98@hotmail.com or me at roseco@frontiernet.net or by phone at 612.756.1315. VDG Glenn and I will be contacting those clubs that we haven't heard from to assist them in their reporting. It is such a good recruiting tool for your club to use to showcase everything you do.

As last month came to a close, Rose, our daughter Liz and I enjoyed the hospitality of the Lions of 5M13 in Russell, Manitoba. What a great time we had. We started the weekend with a roaring 20's themed event and was followed by a day filled with seminars on the Canadian Lions Projects (insert the distinct way our Canadian friends

say project) . One project is STARS air ambulance. STARS (Shock Trauma Air Rescue Society) began in 1985 as a project of the Alberta Lions Clubs. The Lions saw a need for emergency medical services in the distant rural areas of Canada. They started with one helicopter which the Lions helped purchase and which proudly displayed the Lions logo. The service has now expanded to include the provinces of Saskatchewan and Manitoba. They average

eight calls a day. To this day, the Lions are the only logo they will display on their aircraft even though they have many sponsors.

December is here and with that brings the end of our Membership Contest. This was announced at Officers Training back in May. The individual that sponsors the most members as well as the club that has the most new members by December 15th wins a free convention registration package.

Right around the corner and coming up fast is the Mid-winter Convention. The committee has chosen the theme "Driven to Serve - Loads of Fun". Registration forms can be found in the newsletter. Please make sure to submit them by the deadlines.

Friday night will start off with an opening ceremony, followed by the memorial service, honoring the Lions whose earthly service has been completed, and topped off by music and fun celebrating YOU, the lions of 5M2. Please remember to send to PDG Eunice a photo and short biography on your deceased member. They can be emailed to king70@frontiernet.net.

Get Your Lion On!

Lion Anna Wickenhauser
1st Vice District Governor

"Ready or not for Christmas"

It's time again for me to find my stylish "stretchy pants" for the next month. For the first time in a couple of years I did not have a Thanksgiving Party. I am trying to simplify my life. I will let you know how that is going in the January Newsletter. But I seem to take on something else to replace what I am giving up?? How does that happen??

In the photos I have sent with the Newsletter I wanted to share that DG Brian and Rose, 1VDG Anna and Don and 2VDG Glenn and Lisa were able to attend the Jordanness Lions "Denim and Diamonds" Fashion show. We were treated like royalty-must of have something to do with DG Brian's Crown and my Tiara...lol. I was struck again with the Lions Community and the sense of family that Lions carry wherever they go. We met new Lions, chatted with Lions we knew and helped support the Jordanness Lions. It was a great way to spend a couple of hours.

I would be remiss if I didn't mention the Zone Lion of the Year Award. I have received 1 application so far. It can be found in this Newsletter, On the District Website and by contacting your Zone Chairs. We have changed the guide-

lines this year and the date has been bumped up-please I know every single club has someone they feel that would be an excellent nominee for this award. Please include a detailed accounting of what they do for your Club and Community. I am looking forward to reading them.

Tis the season to attend local Lions Events. There is a pancake breakfast, tree lighting ceremony, dazzling lighted parades, bingo etc. near you. Always a good way to get out of cooking and help support other towns Lions Events. Plus, it's FUN.

The Fall Zone Meetings are completed and I want to Thank everyone who attended, hosted and gave me a hard time (Doug-Victoria Lion). I always go away from these meetings learning something new-whether it be a new service project idea, to AWESOME fundraising ideas and to how clubs choose to donate their time, talents and financial support to help others. We truly are an active District.

In keeping my Newsletter short and to avoid some tail twisting fines from the Victoria Lions, I just want to wish Everyone a Joyful Christmas!

Driven to Served continued from page 1

Saturday morning starts off at 8:00 am with the Magic of Service. Encourage your new and not so new members to register for this exciting event. Only the first 50 people are eligible for the drawing of wonderful prizes. See the article in this newsletter for more information.

We have great speakers to complete our Saturday morning sessions followed by a fabulous lunch celebrating our youth, the future of our club. We will even squeeze in a little convoy for service before we get to vote on some issues affecting our district (changes to our constitution and by-laws and the future of Jungle Days to name a few). Clubs be sure to have your dues current and elect your delegates so all are able to VOTE.

From Lion Rose and I and our family to each of you and your family, a Merry Christmas and Happy New Year!

Did You Know...

*Lion Glenn Kaufmann
2nd Vice District Governor*

Hi Lions. The holidays are fast approaching and like many of you, Lion Lisa and I will travel to see our families across the state. With Lisa's in Clara City and mine in Gaylord, it feels good to see family and it's sometimes hard to load up, get back into the car and tell everyone it's

time to leave.

Hi! I'm your new Lion and I'm leaving! Have you ever heard this at your club? Along with welcoming your new members, it's important to make sure they begin participating in club activities right away. We don't want new members going out the back door as fast as they are

coming in the front door. We worked hard to get them here, let's work to keep them. If our club members feel welcome, comfortable and are involved in community service, they will remain part of the club for a long time. If the number of ex-Lions in our community is greater than the number of active club members, it's time to look at how we're doing business.

Did you know that one way to make a member feel involved is if we ask their opinion? Seems like a Duh Moment, but we sometimes take our members for granted. Ask your members: Why is our club here? Do our activities demonstrate this? If a non-Lion looked at one year of our activities, what would they think was important to our club?

When we have a club member leave the organization do we say Good Riddance and move on with our lives? Or do we talk to them and find out the reasons they left? Sometimes asking a Zone Chair or cabinet member to reach out to them helps keep emotions out of the equation. Without finding out why members are leaving the club, we have no way of improving. Please consider giving this a try.

When we all have skin in the game, we are more likely to feel part of the club and want to contribute to its successes. When our clubs have the same folks involved with the same events year after year, things have a chance to go stale. Bring your new members into committees right away. They don't need to be in charge of the event, but get them involved. If everyone is involved, they are less likely to leave the club.

LCI has a lot of information on its website to help our clubs and 5M2 with member retention.

Lions Clubs International FOUNDATION

Lion Debra Wasserman, 5M2 LCIF Coordinator

2019 has been a busy and impactful year for LCIF. Providing immediate and ongoing relief after natural disasters, supporting humanitarian projects in our main service areas, and of course approving a grant for Camp Sweet Life requested by 5M2. LCIF is empowering Lions next door and around the world to meet the needs of neighbors near and far.

At this giving time of the year, if you would like to make a personal donation to LCIF, you have several options. You may donate online by credit card either as a one-time gift, or as an automatically recurring gift. Currently, there is no option to have money automatically taken from a bank account. Due to PCI (Payment Card Industry) Data Security Standard Compliance, credit card donations cannot be taken over the phone or in writing. Here are the step-by-step directions for making a credit card donation:

1. Go to the Lions Clubs International Website (www.lionsclubs.org).
2. Click on the "Donate" button on the upper right of the screen.
3. Click on "Give to Empowering Service Fund" or "Give to Disaster Relief Fund"
4. Choose the amount you would like to donate.
5. Choose from "One-Time-Gift" or one of the recurring gift options.
6. Choose the type of donor (Member, Non-Member, Club or District, or Business).
7. Fill in the edit fields with the appropriate information.
8. Choose whether you would like the "Lions Share" pin or not.
9. Indicate whether or not your gift is to be anonymous
10. Select the form of Recognition you want, if any. If so:
 - a. Fill in the edit fields with the relevant information
 - b. Fill in the Shipping Address
11. Indicate your payment preference (currently only Credit Card) and fill in the Name and Card Number.
12. Click "Submit"
13. Receive the gratitude of LCIF and the people "We Serve"!

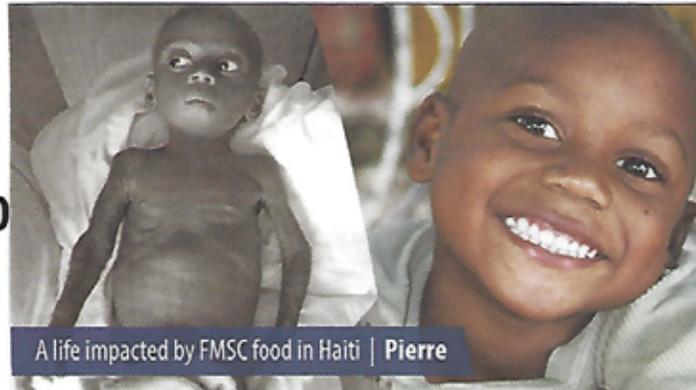

Of course, you can still write a check and mail in a donation. Include the "Donor Recognition Form" and/or the "Melvin Jones Fellowship Application Form", and mail to:

Tech Tips

Steve Wasserman
5M2 Technology Chair

This is the third of a series of articles for the 5M2 Newsletter that I have written about cybersecurity. To refresh your memory, the first was primarily about phishing and how to avoid being a victim. The second touched on password managers and alerts most banks credit card companies make available to their customers. For this article, I hope to offer further suggestions to make your online life more resistant to hacking and identity theft

No Really, Who Are You?

Beyond using secure passwords, more and more websites that allow access to financial or other sensitive information offer their users the option of employing **“two-factor identification”**. There is no charge for this service, but the user must enroll in the two factor identification option on the website and provide an email address or cell number. Once two factor identification is engaged, no one can log into your account on that website without providing proof positive that you are the legitimate owner of the account. Here’s how it works:

1. You log into the website with your username and password.
2. The website sends a code (usually six numbers) via text to your cell phone or via email.
3. You must enter the code provided into the website much like an additional password.

The codes are typically good for only 10 minutes and are different every time you log in. An alternate method requires you to enter a code from an authenticator app on your phone that changes every 30 seconds. Either method provides near certainty that you are who you say you are.

While two factor identification results in an additional burden on the user, it is minor indeed when compared to the extra assurance that no one else will be able to access your online account. **I strongly recommend that you sign up for and use two factor identification wherever it is available.**

Lock It Up!

It seems like we hear a lot about data breaches these days. We all remember the big Equifax data breach, but companies large and small have their computer systems hacked and have personally identifiable information about their customers compromised. The danger is that armed with your name and social security number, a nefarious individual could potentially file taxes, open a credit card account or take out a loan using your identity. Even if you have all your existing accounts secured (or even if you have no online accounts) you could end up being a victim. There are several precautions you can take to mitigate your risk of loss through identity theft:

1. Monitor your credit rating and obtain the free credit reports to which you are entitled. Your credit report will reveal any new credit or loan applications made in your name. You can get one free credit report each year through www.annualcreditreport.com or by calling 877-322-8228. Beware of other “free” credit reporting sites or services. They usually come with strings attached or may even be fraudulent sites that will steal your data.
2. Put a freeze on your credit. You can do this by going to the three credit reporting sites (TransUnion, Equifax, and Experian) and filing a request to freeze your credit. Once done, no one (including yourself) will be able to open any new credit account or take out a loan. You will still be able to use your existing credit cards, but you have to file a similar request to “unfreeze” your credit should you want to open any new account. There is a small charge for the service.
3. Engage a credit monitoring service such as LifeLock or IdentityForce. These services charge a fee from about \$10 to \$30 per month. Engaging such a service does not actually make you less susceptible to identity theft, but they do provide credit monitoring, insurance against financial loss, and help restoring your credit rating and identity should you become a victim.

November days moved by so quickly! We enjoyed attending zone meetings this year. The new zone arrangement made for interesting new interactions. Change can be fun! This month I am not inspired with much new scoop but the holiday season should give us time to reflect on good and happy thoughts. Every year at Thanksgiving for Vision, the program ends with a favorite and very appropriate tune. Please read the lyrics below – food for thought.

What a Wonderful World

I see trees of green, red roses too
 I see them bloom, for me and you
 And I think to myself, what a wonderful world
 I see skies of blue, and clouds of white
 The bright blessed day, the dark sacred night
 And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
 Are also on the faces, of people going by
 I see friends shaking hands, saying "how do you do?"
 They're really saying "I love you"
 I hear babies crying, I watch them grow
 They'll learn much more than I'll ever know
 And I think to myself, what a wonderful world
 Yes, I think to myself, what a wonderful world

We do live in a wonderful world, made so much better by our Lions pledge as Knights of the Blind. Read the words one more time and smile that Lions smile!

Hearing Foundation News

What do the Minnesota Hearing Foundation Trustees do? Their appointed term is for three years with a maximum of six years served. Their year starts in July with Foundation Board training held at the U of M cam-

pus. This is where new trustees are introduced and join a committee. There is a guest speaker from the U of M, goal settings and plans for the coming year. That evening a banquet is held with the Vision Foundation and Diabetes Foundation. The next day a Foundation Board meeting is held. After business is conducted the committees meet.

The second Board meeting is held in St. Cloud in early October. At this meeting funding requests are made by the U of M Department of Otolaryngology, Lions Children's Hearing Clinic and Hearing Research.

The third meeting is held in St. Cloud in late January. At this meeting Parade of Green and D Feet Walk are discussed and planned for. The fourth meeting is also in St. Cloud in early April. The D Feet Walk is the main topic, as we want to have all the plans ready for June 6, 2020 D Feet Walk at the Arboretum. This will be the Ninth Annual Walk and we want to make it better than ever.

Your Trustees will have a table at the Mid Winter convention with information about Hearing Foundation. We are also asking clubs to donate to the Parade of Green. Remember the new name: Minnesota Lions Hearing Foundation. 100% of the clubs donating would be great. All amounts are appreciated. The money raised will help with adding another Hearing Testing sound proof room at the Lions Children's Hearing Center. They presently see about 5000 patients a year, 60% birth to 5 years, 40% K to 18 years. This room addition will allow for 5 full time audiologists, meaning they can see more patients. So your clubs donations do count. Thank you for what your clubs can do!!

Your Trustees also track your clubs donated dollars so your club can give Hearing Foundation Awards for each \$1000 donated.

Your Trustees are available to come to your club to tell about our Hearing Foundation story. Also on the Hearing Foundation Board from 5M2 are Lions Mike and Sue Vos as Foundation Treasurers.

First, I would like to thank all who voted for Leader Dog Lady for "Hero Dog of the Year". Lady did not win, but both Leader Dog for the Blind and the Lion's won for the recognition both encountered during this nomination and voting process. The Lion's would like to congratulate "Alice" who won the top honor. I will tell you how "Alice" won and the story of whom she serves.

Alice, a German Shepherd, is from Guardian Angels Medical Service Dogs of Florida. First, I need to tell you about Antonio the boy whose life she changed.

In 2015, Antonio was traveling in his parent's SUV on the way to a family event. Antonio was 9 years old, loved soccer and had many friends. On the way to the family event a life changing event occurred. A man fired 3 – 5 bullets into their vehicle and shot Antonio into the head. Antonio was in for a battle for his life, spent 18 days in a coma and endured 5 brain surgeries.

Nearly 4 years later, an artificial skull covers one half of Antonio brain because of seizures at the time could be fatal.

Antonio not only battles seizures, but also has migraines, balance concerns, and more. In October 2016, Antonio received Alice. Alice is a true hero in Antonio mother's eyes. Alice has allowed Antonio to do simple things many of us take for granted.

Before Alice arrived, Antonio was not able to go to school, the store or just take a walk outside. Never once has Alice failed to warn Antonio of an oncoming seizure event and provided his assistance with balance issues. Alice has provided Antonio a new normal life. Alice is loyal to Antonio and is his everyday hero. Alice has prevented numerous falls which could have been fatal. What a life changing story, and all service dogs are hero's in someone's eyes.

I have been visiting Zone Meetings and promoting Leader Dog for the Blind through offering Club visits to promote Leader Dog. I show a video on Puppy raising in Fort Dodge Iowa, we follow a couple of dogs to their eventual owners and life changing stores for both the visually impair and the Fort Dodge prison. It is a great inspiring video.

Leader Dog will be celebrating their 80th birthday celebration soon. Leader Dog would not exist if it was not for three Detroit Lions who saw a need. As Lions do the need was met and has grown ever since. Leader Dog is in all 50 states and 18 foreign countries. Leader Dog has 47 dogs in active service in Minnesota. Leader Dog has placed well over 12, 350 dogs since its humble beginnings. Truly a great response to Helen Keller's request to be "knights to the blind". If you would like a club visit to learn more about Leader Dog please contact Loretta Klenke at 952-445-0289 or email lmkenke@msn.com.

Liberty Day

Liberty Day is used to raise awareness among students across the nation about the Declaration of Independence and the Constitution of the United States of America.

Liberty Day Program is a Lions-affiliated program in the United States with the objective of providing non-partisan information to students about our rights and responsibilities as defined by the Constitution of the United States. In District 5M2, Liberty Day is a part of our Youth Activities. Several clubs have promoted the Liberty Day program via assemblies with their school districts. Often clubs unite with other community organizations to prepare a program including flag presentation, speakers, music, and so forth.

Programs are tailored to the needs and grade levels of each community. Printed Constitutions/Amendments are given to all students. These booklets are available from the district chairpersons.

For more information and presentations, contact
Lion Denny Hewitt (507) 232-3394 dlhewitt@hickorytech.net
Lion David Sebesta (320) 587-5690 dave_sebesta@hotmail.com

PROTOCOL PLEASE!!!

The U.S. Flag should always be placed to the RIGHT of the speaker when he/she is facing the audience. If you are in a situation where the Canadian Flag is also used, that flag would be placed to the LEFT of the speaker.

If you happen to be in Canada, the flags would be reversed: Canadian on the right of the speaker and the U.S. flag on the left!!

Lions Mary & Tom Ferleman, Protocol Co-Chairs

Liberty Day booklets are now available and all interested Lions Clubs should contact Dave Sebesta or Denny Hewitt to get the booklets they need.

There's No Politics in Lions!

But Lions have been, and should be, involved in politics. Imagine the world without newborn hearing screenings. It was the MD5M Lions who were responsible for getting legislation requiring those hearing screenings enacted.

Occasionally, such as now, there occurs an issue that requires Lions to take action. Outside organizations are attempting to put Lions Gift of Sight, formerly known as the Minnesota Lions Eye Bank, out of business. This means that eyes donated in Minnesota will be shipped to the west coast and the valuable eye research done at the University of Minnesota in fields such as Macular Degeneration will be without valuable tissue.

The Council of Governors has added an Advocacy Coordinator position to help coordinate Lions efforts when needed throughout the Multiple. All directors in all supported foundations, from the Vision Foundation, Diabetes Foundation, Hearing Foundation, KidSight Foundation, Special Olympics and Canadian foundations need to be ready to be advocates for their respective activities to their legislative bodies.

But more than that, MD5M needs Lions who are willing to write their legislators, follow up and perhaps even attend hearings to show their support for issues affecting Lions and their programs. It would be wonderful if 30 or more Lions would volunteer to be Advocates besides those who are Foundation directors. Sample letters, talking points and prompt notice of hearings will all be provided.

If you can help, please email your name and email address to the address listed below so I may get in touch with you when needed. This doesn't occur often, but when it does, we need to be ready.

Thank you for your consideration, help and service!

Purpose

To honor those Lion and Lioness members of character and substance who have demonstrated the highest level of commitment and dedication to the efforts of their club, district or multiple district and the motto of our association, "We Serve."

Award

There will be a maximum of one (1) recipient of the MD5M Hall of Fame Award per district, inducted into the MD5M Hall of Fame each year. The award may be presented posthumously.

Exception:

During the 2003-04, 2004-05 and 2005-06 Lion years, each district will be allowed two (2) Hall of Fame recipients, at least one (1) of which must be honored posthumously. Following the 2005-06 Lion year, beginning in the 2006-07 Lion year, the number of Hall of Fame recipients per district will return to one (1) per district.

The MD5M Hall of Fame award recipients are to be inducted into the Hall of Fame at the annual MD5M Multiple District Convention during the Saturday noon luncheon. The first honorees will be inducted May 21-23, 2004 at the MD5M Multiple Convention.

MD5M Hall of Fame recipients will receive a MD5M Hall of Fame award plaque and a Hall of Fame lapel pin in recognition of their induction in the MD5M Hall of Fame. In addition, a complete listing of all MD5M Hall of Fame recipients will appear in the annual MD5M directory and a perpetual plaque, with the names of all inductees and the year of their induction inscribed thereon, will be kept in a prominent place in the MD5M office, when available.

The presentation of the MD5M Hall of Fame inductees will be the responsibility of the current International Director from MD5M, if there is one and he/she is in attendance at the MD5M Multiple District Convention. Those elected to be inducted into the MD5M Hall of Fame will not be announced until their induction at the MD5M Multiple District Convention.

All nominations will use the standard form, no others will be accepted. The nomination fee must be received at the time the application is received, otherwise the nomination will not be considered.

All successful candidates will be inducted into the MD5M Hall of Fame at the next MD5M Multiple District Convention. LCIF Grant Report From Plato Lions Club

In November 2018, the Plato Lions Club applied for a Lions Club International Foundation (LCIF) Grant. The Project was for the Plato Fire Department to upgrade their Communication Devices. The LCIF Grant was received earlier this year, and the project was completed weeks ago.

Our 25-Member Volunteer Fire Department in Plato responds to fires, medical responses, and natural disasters. The Fire Department is committed to our small agricultural community and backs up other communities in two other counties. Sometimes, our firefighters became delayed in their response-time because of address locations.

The Plato Firemen researched this need and discovered other departments are using a computer program designed for firemen to pinpoint the exact route to the responding area. The address and fastest route would be presented on a Smart TV at the Fire Hall. The responding Firemen would come to the Hall to get their truck(s) and the Route would be available for everyone to see up on the Smart TV, which

would be hanging up on the wall. There wouldn't be any conflicts or confusion at getting to the right location. The lead fire truck would take the iPad, which is the mobile version of the Smart TV. The latest technology improves their response-time thereby saving lives and/or buildings.

The expense of this project was met with the help of the LCIF Grant, The Plato Lions Club, and the Community's support. It was a project that our firemen only "dreamed" about, but the reality happened with our Community's help.

Lions Strides Diabetes Walk crosses district lines

Lions from New Ulm and Lafayette partnered to host the fifth annual Strides New Ulm Diabetes Walk. The one- and two-mile walk began at the Civic Center on the Brown County Fairgrounds and continued on the sidewalks around the grounds. Teams and individuals raised about \$16,000 for the Minnesota Lions Diabetes Foundation and Camp Sweet Life scholarships. The Lafayette Lions Club presented a \$2,000 check to the cause. The walk honored the memory of Whitney LeGare, daughter of Lafayette Area Lions president Mark and Patty LeGare. Many members of the Legare family took part, along with other local Lions.

Lions and school group co-sponsor community Halloween Party

From crafts to games, and from face & hand painting to the bounce house, the kids had fun at the annual Lafayette Community Halloween Party. As usual, there were a variety of cute costumes. Lafayette Area Lions co-sponsored the party with the LCS PROS. The PROS served a taco salad or hotdog meal before and during the party and PROS volunteers organized the event.

Lafayette Area Lions Club continued!

The Lafayette Area Lions Club supported two youth programs at the Lafayette Charter School Thursday, November 7. They presented dictionaries to eligible students and recognized the winners of the Lions Peace Poster contest.

Five members of the club were on hand to present Webster's Dictionary for Students to ten third grade students.

The presentation was made in conjunction with The Dictionary Project, a national program that traces its roots to 1992. Over 30 million children have received
