## LIONS & SERVICE: A PERFECT FIT

Lion Diana Kroells, District Governor

*In Memory*

*PID Maynard Rucks*

*August 5, 1942 to May 7, 2019*

*Well done, good & faithful servant  
You have been faithful over a little  
I will set you over much.  
Enter into the joy of your Master.*

*Matthew 25:23*

There just is no way that I could write this newsletter article and not pay some tribute of appreciation to PID Maynard for he is a big part of the reason that I am serving as your District Governor today. About 5 years ago at a USA/Canada Forum PID Maynard, asked me if I would consider accepting the position of 2nd Vice District Governor. Never in my mind had I ever even considered such an important role. I was humbled that he even thought for a moment that I was DG material but at that time I felt I was not ready. I said "thank you" but I could not accept. But what PID Maynard did was plant the seed in my mind that perhaps if he felt I could do it, maybe someday I could. A few years later I was asked again by another member of the Leadership Team- PID Debra Wasserman. After careful consideration I said yes. PID Maynard offered me so much support and every time I saw him he always reassured me to be sure to ask him for any help if I needed it. That reassurance and the "big hug" from him was always my "security blanket" for I knew he really meant it. I will be forever be grateful for him putting faith in me and helping me along this journey.

As I write this last newsletter article, I have so much to say and so many to thank for the past year. This is my 36th and final article. I have written about a lot of things over the past 3 years. It often surprised me that I could always think of something to say. Often when I was writing the articles I thought they sounded awful but when I saw it in print later- I was amazed at how good it sounded. Lion Duane always complimented me on each article because he knew how much time I spent each month trying to think of the right things to say.

During this past year since the International Con-

vention n in Las Vegas , Lion Duane & I were kept extremely busy- but in a good way. We did 62 club visits (5 clubs combined into 2 visits), visited 4 of the LEO clubs, attended 18 zone meetings, 4 cabinet meetings, 4 Council of Governors meetings, Northern Pride Forum, USA/Canada Forum, MD5M Multiple Convention and our own District 5M2 Convention. I also attended the District Conventions of 7 of my fellow District Governors. We attended the Can-do-Canines Woof-a-Roo and a graduation ceremony at Can DO Canines and attended the Thanksgiving for Vision where the 12 DG's purchase a carved pumpkin for \$1000 for the Gift of Sight. I took the required on- line courses and received my Master's Degree from Lions University and proudly accepted my certificate from International President Gudrun. We attended 2 of the organizational meetings for the new Eagle Lake Area Lions Club and also their charter night. I hit my first golf ball at Jungle Days and teamed up with Lion Tom McCarthy playing in a corn-hole tournament for the benefit of childhood cancer. We spent a fun 2 1/2 days on the road with PDG Mike & Lion Sue Vos on the Journey for Service raising \$14,400.

## MEMBERSHIP, LEADERSHIP, MENTORSHIP

*Lion Brian Thies  
District Governor Elect*

What a difference one month makes. Last month we congratulated three of our Districts' Mentors/Leaders and this month with a heavy heart we grieve for PID Maynard Rucks. Many from our district, multiple district and international organization have benefitted from

his leadership and mentorship. Rest In Peace Maynard knowing that the seeds you sowed will continue to grow and bear fruit within our Lions organization and all you touched.

My cabinet is filled! A big thank you to all who stepped forward and agreed to put up with me and accepted a position on the 2019-2020 cabinet. Working together with can accomplish great things and have FUN while doing it!

Another thank you goes out to all the members who took a Saturday out of their schedule to attend Officer Training on the 18th at Bethany College. In spite of our technology difficulties, I hope you were able to take away some information that will help you have a successful year as a club leader. This event would not have been possible without the time and energy that our GLT Chairman PID Nancy put in. I want to thank her along with the presenters of PDG Steve Wasserman, 2VDGE Glenn, Lion Dave Sebesta, Lion Rose as well as all who manned the registration table, helped carry in all the information and all who showed up. It takes a team and I feel fortunate to have you all as my teammates.

At the training, we were able to roll out our new Zone structure, Some clubs will be seeing little change while others will be in a new zone altogether. Much thought, time and energy went into this rezoning effort. The rationale behind it is to, balance our zones with the number of clubs and members and to

introduce and enhance new club relationships. Just because you aren't in the same zone, doesn't mean you have to disband long standing inner club visits. It means you get to go to a new club, meet new Lions friends and learn about different club projects.

The new My Lion app was covered. Did you know that you can set up a new service project or fundraiser and share that information with other lions clubs in your area all from your smartphone or computer? What a great way to spread the word about all the exciting things our clubs are doing. At the end of the project, your club President or Secretary can use My Lion to report the number of volunteers and people served right from their phone. Don't let My Lion intimidate you. It is fairly simple to use, and there are a number of people ready to help if you get stuck setting it up or are having trouble using it. If you have any problems, drop PID Nancy an email at nancy.mathwig@gmail.com or you can always contact me at roseco@frontiernet.net or 612.756.1315 (I might not be able to pick up your call right away, but I will call you back.)

Another item on the agenda at the training was the discussion of my goals as well as the importance of having at least 20 members in your club by 2020. When you fall beneath 20 members, it makes it more difficult to fill your leadership positions as well as staff functions. The same people are always doing the same things. Invite new members to work beside you, share the fun! We are our own best kept secret. You never feel as good as when you are helping others. I will be covering this and more of my goals next month as well as sharing with you an exciting opportunity for you to earn a Free Convention Meal Package (one for you and one for a club). Be sure to read next month's newsletter.

Safe travels as we begin the summer season and remember to take time and thank someone as you don't know if that is the last time you will see them on this earth.

## GET YOUR LION ON!

*Lion Anna Wickenhauser  
1st Vice District Governor Elect*

We just had our Officer Training in May, and already I am starting to think about training next year. So I thought I'd go out to the members and find out what you would like to see for officer training next year.

The MyLion system which is supposed to be user friendly we found out still has some bugs in the system that need to be fixed. I believe once they get the system tweaked and we become more comfortable using it, we will benefit from it. I know many people are very resistant to learning the newest technology-myself included. It all changes very quickly and we are constantly being tasked to keep up with the latest, greatest improvements to "help" make our lives more efficient, easier and more time friendly...

Alas, this is not always the case. Take for example Officer Training....Technology reared it's fickle head. The presentation that was painstakingly put together

and worked perfectly at home did not get the memo that it had to perform for the public. LCI was updating the system so we couldn't log on live and couldn't properly train the Club Secretaries in how the new way of reporting was supposed to work. Sigh...

But Lions are a flexible bunch and made do with what was presented to them. I loved going to the different sessions and hearing the great questions and comments from the group. "Technology " has nothing on human interaction...

Hats off to IPDG Nancy and DGE Brian and the team that worked to put this together. A BIG LIONS ROAR to everyone that attended the training and are taking what they learned back to their clubs.

So I am asking you....what ideas do you have or what would you like to see for next year????

Please email me with your ideas at [lionannaw@gmail.com](mailto:lionannaw@gmail.com)

### DG DIANA CONTINUED FROM PAGE 1

Looking forward to the Defeat Hearing Walk now.

We tried to attend as many Lions fundraising events as possible eating mounds of pancakes, sausages, eggs, omelets, fish, pork chops, pork burgers, corn on the cob, roast beef dinners & Belgium waffles. I won't talk about the dollars spent on raffle tickets and tail-twisting throughout the past year- because it was all for a good cause. We did win numerous prizes throughout the year.

I did not reach all of the goals that I set for myself but I did reach most of them so for that I feel like I did accomplish a lot. Unfortunately membership is down 16 members at this writing but hopefully we will pick up a few more in June. I did not quite reach my 31% women in Lions but came very close. We lost many dedicated Lions to death this year but we are so happy that they chose to give a few years of their lives to the Lions. They will be forever missed.

The best part of the entire year was all of the great people we met and the fun we had attending the club meetings. We will never forget the hospitality shown to us at the club visits. The friends that we have met on this journey we will always remember. We learned so much from all of the Lions on what their service means to their communities. You definitely would be missed in your communities & schools if you were not there to contribute so much of your time & money. I had the opportunity to induct so many new Lions into this great service organization and I know

that we have some excellent leaders stepping up in the next few years to lead the District.

Club secretaries- please remember to fill out the 100% secretary forms in this newsletter if you qualify for the award. Also club presidents- be sure to check out the qualifications for Club Excellence Award and send those to me by the date indicated on the form in this newsletter.

I want to thank everyone for their support during this past year. I have one more month left with a 2 Lion clubs & a LEO club visit to finish up. I will still be encouraging the clubs to get a few new members before the end of June and finishing up some paperwork. I wish DGE Brian & Lion Rose and all of the Lions from 5M2 that are going to Milan, Italy a great, safe trip. It has been a very rewarding experience for both Lion Duane and me.

## 2018-2019 LCIF REVIEW

As the first year of Campaign 100 draws to a close, I want to give you an update:

- 14 clubs heard a presentation from me about LCIF's history, it's impact in 5M2 and the Multiple District, and an introduction to Campaign 100. Thank you to those who invited me to speak. I appreciated being with you. DG Diana set a goal for me to present to 16 clubs, but I didn't quite accomplish this.
- Lions attending the Midwinter Convention heard a seminar presented by PCC Bert Nelson, the MD5M LCIF Coordinator. I introduced him with a bit of information about the financial differences between LCI and LCIF. PCC Bert's enthusiastic and informative presentation kicked off a great Saturday at the convention. It was great to see the LCIF category on the banner fill up as the weekend went along.
- Many clubs made LCIF donations during the Midwinter Convention with others donating prior to and since February. I am excited and appreciative to report all clubs in 5M2 have made contributions to LCIF during this Lions year. Many individuals have also donated and/or made pledges to LCIF Campaign 100. Over \$43,000 has been submitted. THANK YOU!
- Camp Sweet Life is pursuing a LCIF Diabetes grant. They have received Cabinet approval and have made the initial submission of the paperwork. Watch the newsletter for information in the coming months.

The 2019-2020 Lions year will bring more LCIF information, club presentations (I hope), anticipated approval of the Camp Sweet Life grant, new opportunities for clubs and individuals to become active participants in Campaign 100 and most importantly, Lions serving together to make a difference in our communities and around the world.

# Global Service Team

Wow Lions keep up the outstanding community service work! Thank you for all you do to enrich your communities, and your support of the Lions Forward projects. Please remember to report your service projects and the number of people served.

Hopefully your club secretary attended the May 18 training session. Information was available for the club service chairs and or the club secretaries for

reporting service activities and projects. If your club has not been reporting service activities, no worry

LCI allows you to submit information back to July, 2018.

If there are question or concerns regarding service reporting activates, please contact me at s.bowman@frontiernet.net.

## HEARING FOUNDATION NEWS

The 2019 Lions Hearing Foundation D Feet Walk is over. The MN Lions Hearing Foundation Trustees thank you for attending and for your donations.

The monies raised from your donations and sponsors donations will go to the university of Minnesota Hospitals Hearing Department for research, fellowships, equipment and to update space. This year the trustees pledged \$161,000 over the next couple years to remodel the space at the Lions Children's Hearing and ENT Clinic. This project will provide space for the Doctors to see and assess more patients. This is Lions at work with your generosity. Thank you Lions.

So far this Lions year, I have visited 8 Lions clubs to give a brief history of the Hearing Foundation and to promote the D Feet Walk, our largest fundraiser. Also gave updates on the Lions Children's Hearing and ENT Clinic. I attended 6 fall Zone meetings and 5 Spring Zone meetings and all 4 trustee meetings.

The name change to Minnesota Lions Hearing Foundation was approved at the multiple Convention in April. MD5M Lions Hearing Foundation was the previous name. The change came about because now Canada has their own Hearing Foundation.

# Viewing Forward

## MN Lions Vision Foundation

Another year of Lionism is soon to end. On so many levels, we volunteer and serve to make the world a better place. In this corner of our newsletter, we can summarize all the areas of MN Lions Vision Foundation. Our challenge is to serve as Helen Keller's "Knights of the Blind".

Areas of vision care covered by the foundation include Lions Gift of Sight, research and treatment programs at the U of MN, the MN Lions Children's Eye Clinic, the MN Lions Macular Degeneration Center, the MN Lions Surgery Center, and the MN Lions Eyeglass Recycling Center. From 1960 forward, we have grown in so many ways. This is an overwhelming legacy and it leads to a new goal of combining services in one location - Lions Eye Institute (LEI). Our dreams and responsibilities have always been huge and we have succeeded. Of course, nothing happens without a huge budget.

We look back and appreciate the great funding our clubs have provided over the decades and are thankful for the dollars our clubs and members have given this year. Fundraisers, individual donations, memorial/honor cards - every bit critical. As the year ends, we plan for next year. Is your club now budgeting for 2019-2020? Remembering our foundations is critical to serving Lionism as the number one nongovernmental organization in the world. Looking back on our legacy gives us the pride to view forward financially.

One way MLVF shows appreciation and recognition to you is the Helen Keller Award program. Honoring members and townspeople is a great way to say thank you. If you wish to check your club balances, give Lions Mary or Christy a shout.

We are anxious to visit your clubs and share the passion of Lions' original mission. As directors, we continue to View Forward. Our past is great and our goals will continue to be met. We are your directors ready to serve. Give us a shout - maryspille@gmail.com or christy1135@gmail.com. Together, "WE SERVE" continues.

## MD5M LIONS INTERNATIONAL YOUTH EXCHANGE FOUNDATION - CAMP SPICER NEEDS YOUR HELP!!!

We are in need of host families for students coming for the month of July. There is a 3 week stay with host families and the fourth week students attend Camp Spicer all together. This year there are 36 youth attending from 23 different countries. There are 23 youth still in need of a family-13 females and 10 males and they are desiring to connect and talk with their host family as soon as possible. The students range in age from 15 to 20.

Some of the students are Leos and would love to be placed in a host family with children who participate in Leos, many are not. Host families do not have to be Lions members and several families can share hosting responsibilities.

Host families need to provide a room and meals for the student at home. Youth come with spending money for incidentals and are not necessarily expecting you to take them somewhere everyday, although...they love that too. It is fun to show off our state and the amenities we take for granted to youth from around the world.

Please consider sharing your home and your family with someone from another country. If interested or for more information, call Jim Walters at 952-239-2559 or email him at golfwithjim@gmail.com.

**The purpose of youth exchange is to foster an understanding of all peoples of the world and learn from each other.**

This year's students are coming from the following countries:

# VOLUNTEERS NEEDED AT SPECIAL OLYMPICS OPENING EYES

*Special Olympics Minnesota Summer Games is at the University of St. Thomas from June 21-23.*

The University of St. Thomas will host the annual Special Olympics Minnesota Summer Games for the second year! Roughly 3,500 athletes will be competing in basketball, track and field, swimming and gymnastics throughout the weekend. Outside of competition, there will be entertainment in Victory Village, health screenings for athletes, Celebration Ceremonies, arts and crafts, bingo, evening activities, and visits from local pro-sports mascots! Summer Games is open to the public and family friendly!

The Lions have played a major part in this competition for many years, and will once again host the Opening Eyes screening. As part of the Healthy Athletes program offerings, Opening Eyes provides a vision screening, conducted by eye doctors and eye care professionals. During the Opening Eyes screening, athletes have the opportunity to receive new eye glasses, sunglasses or sports goggles, free of charge! Opening Eyes is presented by Lions Club International.

Opening Eyes in Minnesota was first undertaken by Lions Clubs of 5M5, but we need you to make this screening happen! Opening Eyes volunteers directly impact the health of SOMN Athletes! Volunteers will also have the opportunity to meet and interact with Special Olympics Minnesota Athletes, and also meet Lions from other clubs and other districts. Volunteers will receive a Summer Games Volunteer t-shirt and Volunteers working over six hours will also receive a complimentary lunch.

## Summer Games volunteer shifts available:

- Thursday, June 20, 2:30 pm - 6:00 pm (event set up)
- Friday, June 21, 8:30 am - 4:30 pm
- Saturday, June 22, Time TBD

## Lions Club volunteers are needed for a number of roles, including:

- Assisting doctors
- Conducting the screening
- Directing and escorting athletes
- Athlete registration

TO REGISTER VISIT:

**[SOMN.ORG/LIONSCLUB](http://SOMN.ORG/LIONSCLUB)**

These volunteer shifts are reserved for Lions & Friends of the Lions registration. Lions Club members, family and friends are all welcome and encouraged to volunteer!

## MATCHING FUNDS FOR LIONS CONTRIBUTIONS CHILDHOOD CANCER ADDED TO PARADE OF GREEN

The Lions Children's Cancer Foundation MN has partnered with the University of Minnesota Foundation and the Children's Cancer Research Fund to fund a groundbreaking study and provide services to survivors of childhood cancer.

Today, over 85% of children and young adults afflicted with cancer will survive more than five years. That is an incredible improvement over the survival rates of only a couple decades ago.

However, many of these childhood cancer survivors will suffer long-term effects from their treatment as children. A recurrence of their cancer, developing a different cancer, issues with growth, heart and lung functions are only some of the side effects that childhood cancer survivors may face.

The University of Minnesota Masonic Children's Hospital is a premier institution in the fight against childhood cancer and to minimize the effects of the treatment as survivors reach adulthood. Using the \$100,000 that Minnesota Lions will raise next year, matched by another \$100,000 from EACH of the University Foundation and Children's Cancer Research

Fund (a total of \$300,000!!), MMCH will develop an app for the survivor's smart phone to enable them to keep in touch with their treatment provider, and the provider to keep the survivor up to date on the latest research and treatment specific to the type of cancer they have beaten.

Children's cancer research as a whole receives very little in federal research funding, and survivor issues receive much less. The University of Minnesota is excited to partner with Minnesota Lions to further this important work. Lions should be very proud of our contribution to this important project.

Recognizing that the fight against Childhood Cancer is one of the five Global Causes of Lions International and the opportunity to turn \$100,000 into \$300,000 to address long-term effects of treatment for childhood cancer, the 5M2 Cabinet voted to add the MD5M Lions Children's Cancer Foundation of Minnesota, Inc., to the MidWinter Parade of Green!

### LAFAYETTE AREA LIONS

#### Lafayette Lions Easter Egg Hunt draws big crowd

For the first time in three years, the Lafayette Lions Easter Egg Hunt was held outdoors in 65 degree weather and with only a slight wind. Lions and teen volunteer Anna Peters arrived an hour early to scatter 2,000 brightly colored candy-filled eggs. It took the 100-plus kids less than 10 minutes to find them all! The Lions also provided a goodie bag with a chocolate bunny and a small stuffed animal. The bag also included a coloring book, crayons, chapstick, and a sticker from the Midwest Dairy Association.

Perhaps it was the weather, but this year's hunt attracted more kids than before, being the first time to go over 100 kids.

Thanks to Lafayette Charter School for letting us use the school grounds.

For the record, the 2018 and 2017 hunts were held in the gym of the Charter School due to cold/wet weather. The 2016, 2015, and 2014 were held out-

doors at the charter school, and the 2013 one on the blacktop at Lafayette Good Samaritan – when snow banks were too deep to go on the lawn!

### JORDANESS LIONS

Each year, the Jordaness club gives Norway Pine trees to the kindergarten students at Jordan Elementary School and St. John the Baptist school in Jordan. This year, the club handed out approximately 130 trees in an effort to promote environmental stewardship.

The Jordaness Club welcomed an enthusiastic crowd for its recent Bingo fundraiser! The event included 15 games of bingo, as well as 50/50 raffles and meat raffles. A great time was had by all!

**VICTORIA LIONS**

Victoria Lions recognized for years of service: Lions Ray Notermann Jr. 50 years & Joe Hulke 10 years.
