<u>Establishing Protocol</u>: DG Brian Thies established protocol.

Welcome: DG Brian Thies welcomed everyone.

Roll Call: Taken by Lion Cindy Walters, showing 36 in attendance, 19 absent, 5 guests.

<u>Introduction of Guests</u>: DG Brian Thies introduced guests: Lion Don Wickenhauser, Lion Lisa Kaufmann, Lion Evelyn Grimm, Lion Darlene Breamer and Patti McCarthy.

<u>Adoption of the Agenda</u>: Additions to the agenda under Old Business - Policy change to Leos reimbursement and New Business - MyLion. Motion to approve agenda Lion Dave Sebesta; seconded by PDG; **MC**.

<u>Treasurer's Report</u>: Lion Sue Vos sent her report. Motion by PDG Marvin Grimm and seconded by Lion Emmy Koch to accept the Treasurer's Report., **MC**. Copy is attached at the end of this report.

Council of Governor's Report and Comments: DG Brian reported that Bert Nelson threw his hat in to become an International Director. That will move forward unless someone from Manitoba wants to throw their hat in. Good time was had at the Council of Governor's meeting. Multiple District 5M has started a GAT meeting prior to the Council of Governor's meeting where all DGs have to report on their activities and movement toward the set goals. Everyone and club should have a MyLion account. All activities should be reported on the MyLion site. The DG is being held accountable for these goals which then causes the Cabinet to be held accountable as well. There are clubs that still do not have a MyLion account. Still working on the privacy policy at the Multiple Level. MD5M recently created a New Voices cabinet position and are looking for applicants. The New Voices also works on Leo to Lion transitions. There will be a large change upcoming in the Constitution and By-Laws at the mid-winter convention also to ensure alignment.

<u>Comments</u>: DG Brian Thies – USA/Canada Forum was a good conference. NAMI is still a work in progress, however. DG Brian also attending the Leo Leadership Camp where he observed students on the ropes course and participated in an Escape Room. DG Brian has been very busy with Club Visits and Zone meetings. He attended Thanksgiving for Vision yesterday and gave a report about what he learned. The DGs bought the pumpkin and donated it back to the hospital for the kids to see.

Communications: Nothing

Old Business:

- **Update on LCIF Grant for Camp Sweet Life:** It has been processed, the bank account has been set up. Waiting on funds from René to obtain the matching funds.
- 2019-2020 Budget: Lion Sue Vos Copy of the budget is located at the end of this report. Motion to adopt the budget made by Lion Kathleen Bleckeberg, seconded by PDG Eunice Rucks. MC.

- Updates to 5M2 Policy Manual/Privacy Policy: PDG Steve Wasserman He thanked his committee
 for their work on the recommended policy. Recommended policy in its entirety is located at the end of
 these minutes. The main difference between our recommended policy and the MD5M policy is that our
 policy ia an opt out policy and not an opt in policy. PDG Steve made a motion to adopt the policy as
 written and add to 5M policy manual, seconded by Lion Gary Koch. Discussion followed. MC. DG Brian
 Thies asked PDG Steve Wasserman to come back to the Mid-Winter Cabinet Meeting with the needed
 policy manual changes.
- 2021 MD5M Multiple Convention Report: PDG Nancy Mathwig and PDG Mike Vos The 2021 MD5M Host Convention committee met on August 28, 2019. Continued discussion from the previous meeting was held regarding the possibility of service projects during or before the convention.

Questions regarding the hotel contracts were sent back to the three hotels. Answers with adjustments to the contract have been received from the Hilton Garden Inn. That contract is now ready to forward to MD5M legal consultant for final review before signing. Continue to work with the other 2 hotels on adjustments to their contracts.

A theme for the convention was decided and will be rolled out at the 2020 MD5M Convention in Rochester during pre-registration. Members continue to work on the registration process – both online and traditional hard copy with the goal of having pre-registration available at the 2020 MD5M Convention in Rochester.

Our biggest disappointment since the last Council of Governors meeting was the news that then International President Judge Haynes Townsend will not be our International guest for the weekend. It is our understanding at this time that we will have PIP Frank Moore and his wife, Rita, as our International guests for the MD5M Convention in Mankato. Frank was President in 2001-02, but has been our current LCI Executive Administrator and Secretary in Oakbrook for the past numerous years. Lion Frank is current on what is happening with all divisions in LCI and is able to speak on where LCI is headed in the future. I believe PIP Frank was our International guest for the 2001 MD5M Convention in Duluth when he was 1st International Vice President.

We also discussed again having a silent auction/raffle room as has been traditional the past several conventions. For the past 5 years, the Host Convention Committee has chosen the Foundation/project that will set-up and receive the proceeds from the "raffle room" each year. The Host Committee only provided an area/room for the auction. We suggested at the October Council of Governors meeting that the COG discuss a means of rotation for the raffle rooms that would give all MD5M Foundations, and/or approved projects, equal opportunity to participate. The proposal has been directed to the MD5M DG Convention Committee for discussion, which will be brought back to the March COG meeting. To date since the set-up and running of the raffle/silent auction room has been independent of the Convention Host Committee, the following groups have hosted the raffle rooms:

- ➤ 2015, Bloomington MD5M Lions Hearing Foundation & Camps
- ➤ 2016, Mankato MN Lions Vision Foundation & Camp Confidence
- ➤ 2017, Bemidji ? Camp Confidence
- ➤ 2018, Winnipeg ? Canadian Foundations
- ➤ 2019, Mahnomen MN Lions Vision Foundation

There have also been raffles, either in a hospitality room, or a separate raffle room, for International Director and/or International Vice President.

To date:

- o Convention will be April 30, May 1 & 2, 2021
- o Hotels will be Hilton Garden Inn (Headquarters Hotel), City Center Hotel and Courtyard by Marriott.
- Venue location will be the Mankato Civic Center.
- Update on Jungle Days Task Force: PDG Nancy Mathwig and Lion Dave Sebesta Committee met via go to meeting on Sunday, October 6th with DG Brian Thies, 1st VDG Anna Wickenhauser, PDG Nancy Mathwig, Lion Dave Sebesta, and Lion Julie Beckius participating. Absent: Lion Chris Lund and

2nd VDG Glenn Kaufmann. There was lengthy discussion on the viability of Jungle Days and the reasons attendance is down (only 14 teams in 2019 and several of those were non-Lions). Reasons discussed were: increased number of clubs having individual golf tournaments, location of Jungle Days, not as many members who are golfers, day of week and need to take off work. Conclusions were:

- 1. The 2020 Jungle Days tournament was voted on at the 2019 Midwinter Convention by the voting delegates and awarded to the Hamburg Lions. Jungle Days has always been a golf tournament and the vote taken at Midwinter was assumed to be for a golf tournament. DG Brian stated any change to that vote would need to be done at Midwinter this year (2/2020) and made by the delegates at that convention.
 - o Also, the final decision on Jungle Days, as currently held, would be made at Midwinter also.
- 2. Going forward the task force recommends we look at other options for a District 5M2 SOCIAL/FUN event, maybe during the summer. The idea behind the event was a way for Lions in 5M2 to gather together for an outing and to meet other Lions in the district. Jungle Days was a carry-over event with the redistricting of 5M5 and 5M6 in 1978. The first District 5M2 Jungle Days, was held on August 6, 1979 (40 years ago) and hosted by the Faribault Lions Club, at the Faribault Golf & Country Club. The Task Force felt it should remain a Lions event, not advised to the general public or as a fund raiser, although family members would be welcomed.

Lion Dave Sebesta made a motion to discontinue Jungle days in 2021, seconded by PDG Mary Spille. **MC.** In regard to 2020 Jungle Days it would continue in Hamburg unless they ask to be on the Midwinter Agenda to rescind their bid. If they withdraw their bid, the Jungle Days would be cancelled due to having no bid. PDG Diana Kroells will talk with the Hamburg Club at their upcoming Board meeting.

• 2020 5M2 Midwinter Convention: Lion Brian Rykhus – The clubs in Zone 5 are busy planning a fun and informative convention. Plan to spend time with your Lion's family to celebrate Valentines Weekend at the City Center Hotel in Mankato. The convention theme is "Driven to Serve.....Loads of Fun". Their recommendation was for host families to receive \$200 per student hosted in the family. If YE fund goes too low the situation will be revisited. PDG Diana Kroells made a motion for this to occur and be retroactive to July 1, 2019. Lion Wanda Breimhorst seconded the motion. Discussion followed. MC.

• Changes in the Policy Manual – PDG Nancy Mathwig; PDG Nancy handed out the changes that were missing from the Policy Manual from April 2018. There are some changes that didn't make it into the Manual due to a computer crash and incomplete minutes. Need to make sure the changes get entered into the Policy Manual this year. The Changes that were to be made are in red at the end of these minutes. Lion Kathleen Bleckeberg made a motion to make the changes that are in red on the Policy Manual at the end of the minutes to include the correct Liberty day amount, seconded by Wanda Breimhorst. MC.

New Business:

- Parade of Green: Quest Question Could we drop Quest from Parade of Green right now since there is \$44,000 in Quest budget right now. PDG Steve Wasserman made a motion to suspend Quest from the Parade of Green at the present time; seconded by Lion Kathleen Bleckeberg. Discussion followed. There was a training done recently. It is a great program but the dollars have not been utilized. MC.
- **District Bird Pin:** There has been discussion as to the future of the District Bird Pin. Lion Sandy Schneider made a motion to discontinue the District Bird Pin, seconded by Lion Deb Koehnen. Discussion followed. Lion Kathleen Bleckeberg made a motion to table this motion, seconded by Lion Rose Theis. **MC. Motion was tabled until next meeting.**
- **MyLion:** Districts can have an administrator to oversee the MyLion accounts in the District. DG Brian has the authority to appoint a District Administrator to take care of MyLion. DG Brian is appointing 2nd VDG Glenn Kaufmann as the District Administrator. District Goal for MyLion is 100% club participation and compliance. Questions arose regarding how to estimate number of people impacted by projects and donations. Use your best judgement.

GLT Orientation: PDG Joan Blank Lion Christy Trutnau – "The Magic of Service" will be a new orientation session at DG Brian's Mid-Winter Convention. It will be offered at 8:00 AM on Saturday morning, February 15th. Lion Christy Trutnau and PDG Joan will be presenting an event offered to newer Lions members and their sponsors, along with any Lion who may want to know more about the workings of Lions. Lion Christy and PDG Joan have been attending the zone meetings, putting on a little "magic" show to market this new session. They promote our session as "hearing magic moments and magic facts about Lionism that will leave you feeling inspired to help make magic within your own Lions Club and District". The session is limited to the first 50 Lions that register (we are hoping this will entice Lions to register early).

They have super drawings – gift cards, Twins tickets and Wild Tickets to help encourage Lions to attend. Lion Christy and I have 3 more zone meetings to attend and promote the event. After that, we will work on a mass email to all club presidents and secretaries.

PDG Joan is still presenting orientation Jeopardy or a more basic orientation slideshow. Lions Christy, Kevin Blank and PDG Joan presented Jeopardy to a fun crowd at the Chanhassen Lions on September 23rd and she will be presenting the orientation slideshow to the Arlington Lions on Thursday, November 7th.

GMT: PDG Marvin Grimm – He has sent letters to the 5M2 clubs with less than 20 members to encourage them to try to add new members. He would be willing to visit with these clubs to help them increase membership. He has visited some area towns without Lions Clubs to see if there is some interest in starting new clubs. This is an on-going process.

<u>GST</u>: Lion Dar Mondor – Date to remember for our great opportunity to help feed many, many people – <u>Feed My Starving Children (FMSC) date is April 20, 2020</u>. Information to register for any of the three sessions either individually or as a club was listed in the October newsletter. If any of your clubs need this information, please have them contact her.

Lion Dar is working with a school nurse from another Lions club, who worked with their local Lions club to create and put together Diabetes Kits for each classroom and bus in their school district. Once she gets all the details and the cost of these kits, which appears to be about \$6.00 per kit, she will be sharing this information with her personal club first and then with all the Lions club in our district. Recently she received a spreadsheet of activities in our district, which showed NO Diabetes activities. If you are having problems recording your activities on MyLion there is a U-tube program that shows you step by step instructions and she is also getting a Power Point program that is helpful.

Also met the SW Metro Coordinator and found out that there could be some great service opportunities for our Lions clubs. Once she gets more details on these projects or things that need help or to get done, she will also share that with all the clubs.

It was really stressed that we need to tell the stories of the lives we have changed as Lions. This will show people what we do for others and they will want to be a part of this great organization.

Historian: DG Nancy Mathwig – Nothing new to report this month.

<u>Journey for Service</u>: PDG Mike Vos – Looking forward to another successful journey on April 1-3, 2020.

Have membership applications available. Show them you have fun. Try to make this a yearly event. Have current members critique what you did that night. Help your Membership Chair make it a success.

Mid-Winter Convention: Lion Brian Rykus and Lion Lori Klein – Report located under new business.

MN Lions Diabetes Foundation: Lion Brian Rykus and Lion Wanda Breimhorst – MLDF participated in the State Fair Booth along with the Vision and Hearing Foundations.

Lion Wanda and Lion Brian attended the quarterly Trustees' meeting October 5 in St. Cloud, MN. The new MN Director of American Diabetes Association addressed the Trustees, providing information about some restructuring of their leadership and providing assurance that steps are being taken to address the issues related to their Walmart Wellness Days. The Foundation is taking steps to have another raffle fundraiser this Lions year, with the drawings to be held at the MD5M Convention in Rochester.

Lions Wanda and Brian are trying to schedule at least one 5M2 Trustee to attend each Fall Zone Meeting. They attended the Mankato Area Lions Diabetes Rally at the Wow Zone Oct. 5. While it was a cool morning the event was very successful.

MD5M Lions KidSight Foundation: PDG Harry Klenke and Lion Pam Koehnen reported: KidSight is starting to pick up now as kids are back in school and day cares are more settled in. With Plusoptics help we have completed the new update, not as big a change as last time. But the big news is that we have now printers that will print out the 8 ½ by 11 sheets that we printed off our home computers. PDG Lion Dennis Kelly purchased them for us through are KidSight Foundation money. We needed help from our fellow KidSight Board member from 5M6. We had to add another file on the SD Card to get it in our camera's. Not a hard process when you have someone who knows what they are doing explaining it to us. We had to rewrite the screening guidelines adding the new printing guidelines. These will be in the camera bags as before. We also purchased Laptop bags to transport the printers in. We set all the bags up the same even for N.E.W. and Chaska who purchased their own cameras. We will have to give a lesson to everyone on how to connect the printers to the camera. We are hoping to get another training session set in the southern part of the District to get more clubs involved and to show people the new printers. Lion Harry is available to help get clubs started. We need to get our paperwork to Lion Harry so it can be sent off to Multiple District coordinator Lion Dennis Kelly.

We had a very successful time at the State Fair. Over 3000 kids were screened during the 12 days. Thanks to everyone from our District that helped- out on our day at the fair. Lion Dennis was really impressed with how well our people took to the task and worked together even though many of them were meeting each other for the first time. That shows we have many great Lions in our District. We will put our name on a date again next year.

MN Lions Childhood Cancer Foundation, Inc.: Lion Tom McCarthy and Lion Sandy Schneider—From our incorporation in January 2019, through June 30, the Foundation has received over \$40,000 in donations! District 5M2 has stepped up with over \$8300 in donations! Thank you to all the clubs and members who have been so generous.

The Foundation has adopted a logo, Plans are underway to use this logo on lapel pins, awards, etc.

Co-chairs have visited several clubs, and are looking for more invitations to present. Also have or will visit most Zone Meetings.

Our matching grant campaign continues in full force. Each of the University of Minnesota Foundation and the Children's Cancer Research Fund have pledged to match our contributions, dollar for dollar, up to \$100,000 to benefit the University of Minnesota Masonic Children's Hospital program for services to childhood cancer survivors. That means the \$100,000 we will raise this Lions year will turn into \$300,000 for this terrific program. We are more than 40% toward our goal! Again, thank you for your support!

The Green Isle Lions Club has donated a beautiful quilt as a fundraiser for the Childhood Cancer Foundation. We are trying to come up with a plan to raise some serious money with this generous gift, made with the five colors representing the most common childhood cancers.

Be sure to check out the Childhood Cancer Foundation Facebook page: https://www.facebook.com/MN-Lions-Childhood-Cancer-Foundation-106271427419671/?modal=admin_todo_tour_ Let us know of any club activities involving childhood cancer, with photos, if you have them. We'd love to include them on the FB page!

The Foundation does not yet have a 501(c)(3) designation, so if that is necessary for your donation (charitable gambling...), contact Tom for a memo on the proper procedure to make the donation and get credit toward your Lions donation. (Several copies will be available at the Cabinet meeting.)

After the Foundation board's last meeting, the directors toured Crescent Cove, one of only three children's hospice programs in the nation. It is very likely the Foundation will be supporting this great program once our commitment to the University of Minnesota Masonic Children's Hospital has been fulfilled.

We are looking for comments and suggestions, so if you have any, please do not hesitate to contact either of us.

<u>MN Lions Hearing Foundation</u>: Lion Vern Breamer, PDG Marvin Grimm: At the October 5th Foundation meeting, the trustees approved \$107,000 for several research project at the university of MN Hearing center. The Trustees want to encourage 100% of the Clubs to give to the parade of Green. Your trustees plan to attend all Fall Zone meetings as well as club visits when invited. Remember the name change. Checks should be made out to <u>Minnesota Lions Hearing Foundation</u>. Not the old name of MD5M Lions Hearing Foundation.

MN Lions Vision Foundation: PDG Mary Spille and Lion Christy Trutnau - Lions Mary and Christy

attended the quarterly fall board meeting in St Cloud on October 5th, 2019. Meeting information highlights:

- Two new foundation members were introduced at this meeting one from 5M11 and one from 5M3. We are still down one foundation member from 5M1.
- Usual reports were given by Dr. Van Kuijk, other members of the Department of Ophthalmology and Neurosciences, and staff of Lions Gift of Sight.
- We continue to work hard with MN Legislators.
- Reports were given by the Finance, Legal, Public Relations, and Long Range Planning committees.
- Lions Gift of Sight has been able to expand tissue collection efforts in parts of ND and Galveston, TX.
- We are now close to expanding into parts of Montana as well!
- Clubs should have received a letter sign by Lion Lyle Goff Board Chair of MLVF, this letter is to let
 clubs know what their donations have been used for and also to let know what we are still in need of
 so when they are planning for Parade of Green or if they are thinking of donating to the MLVF they
 can earmark it to something one of those items if they so choose.
- MLVF sponsored an Eye Ball Gala on Friday evening, October 25. The night before Thanksgiving for Vision at Earle Brown Center. MLVF is hoping to make this an annual event.
- Thanksgiving for Vision was held on October 26, 2019, same location and format. Each district provided two silent auction items.
- Looking into doing a Spring Tour this year, more to come on this.
- Please like us on Facebook Minnesota Lions Vision Foundation
- Lion Mary and Lion Christy have been attending Fall Zone meetings.
- Next quarterly meeting set for February 1st, 2019 East Side VFW, St Cloud.

Newsletter Editor: Lion Cindy Walters reported that the newsletter has been out on time each month. Keep the information coming. Please direct any feedback pro or con to her directly. Thank you.

<u>Project New Hope</u>: Chair Lion Darlene Wondra reported that Project New Hope sponsored a Family Day at the Hastings Veterans Home Friday August 9th in the afternoon, about 60 family members attended. The retreat in Ironwood Springs - Stewartville, was well attended. It is always good to hear the attendees get a lot out of our retreats just by talking to other attendees. They don't feel so alone knowing others are going through the same as themselves.

They are always looking for new places to host retreat. We have a retreat coming up in December in Inspiration Point, Clitheral, MN.

<u>Protocol</u>: PDGs Tom and Mary Ferleman - Look for "PROTOCOL PLEASE!!" each month in the 5M2 Newsletter. They advised Zone Chairs on the difference between "Introductions" and "Official Protocol" before the Fall round of Zone Meetings. They are always available to answer questions about protocol for Lions & Clubs.

<u>Public Relations</u>: PDGs Tom & Mary Ferleman and Lion Troy Feltmann sent the schedule of when the kits are scheduled to be used. It is located at the end of these minutes.

<u>Special Olympics</u>: PDG Joan Blank, Lion Doni McQuiston, Lion Elizabeth Truman - It is that time of year where DG Joan has been attending zone meetings encouraging Lions to join the 5M2 District Team for the Special Olympics Polar Plunge on: Saturday, February 1st; Time: 1:00; Place: Hallet's Pond – St. Peter

This will be the 5th year of plunging as a 5M2 District Team so they are hoping for 50 participants. Last year we raised over \$8,000 and this year we will try to exceed that amount.

PDG Joan will also be volunteering at Special Olympics Bowling Tournament in Mankato on Sunday, November 24th.

The Co-Chairs have not met to discuss any other strategies. Hopefully we can do this before the end of the year.

<u>Technology</u>: PDG Steve Wasserman – **Activities since the last Cabinet Meeting**:

- District Laptop:
 - Upgraded the old district laptop to Windows 10, delaying the need to purchase a new laptop.
 While the laptop is by no means very fast, it is adequate for using PowerPoint, and has VGA and HDMI ports making it quite sufficient for doing presentations.
 - Updated Windows 10 to latest version and set active hours to prevent downloading updates when people are likely to be doing presentations.
 - Installed Norton Security Premium including "Safe Web" that provides some protection against phishing and other malware infected websites.
 - o Installed TeamViewer 14 to enable remote troubleshooting.
- District Communications
 - Posted Newsletter on the 5M2 Website each month.
 - Emailed District Newsletter to my distribution list including at least one member of each club and the District Cabinet.
 - o Emailed other communications as requested by cabinet members. Email's now are configured with the sender's name and email address as the "reply to" address.
 - o Wrote two articles on cybersecurity for the District Newsletter.
- Privacy Policy
 - Worked with the ad-hoc committee on Privacy Policy to develop a policy to present to the District Cabinet at this meeting for approval and inclusion into the Policy Manual.

<u>Write Off</u>: Lion Deb Koehnen – This year's theme is "We Serve through Diversity." Zone chairs and club presidents received the information regarding the contest in August. Entries for each club are due to zone chairs by 11//10/2019 and a winner selected from each zone by 11/20. Winning zone entries are to be sent to district chair by Dec 5 and will be judged by Dec 20. The top 3 entries from the district will be invited to the Mid-winter convention.

<u>Youth Exchange/Youth Camp</u>: Lion Jim Walters reported that Lion Cindy presented at the recent Leo conference about the incoming and outgoing program for Youth Exchange. There seemed to be quite a bit of interest which was encouraging. Plans are underway for this year's exchange. As always there is a need for host families and monetary contributions! Thank you.

<u>Youth Outreach, LCI Essay Contest</u>: PID Debra Wasserman reported the contest is currently in progress and she is hopeful essays will be submitted later this week. The Council Chair asked every Multiple District program Chair to submit goals for the year. Below is a report on progress toward my goals.

Goal 1: Place a notice about the LCI Essay Contest on the ListServe for teachers of the blind and visually impaired, by September 1, 2019.

Goal 2: Email a notice about the LCI Essay Contest to State Services for the Blind for distribution to stakeholders, by September 1, 2019.

This goal was completed and verified by an email on August 18, 2019 from the Outreach Coordinator at State Services for the Blind.

Goal 3: To have an article about the LCI Essay Contest available for District Newsletters by August 15, 2019.

An article was emailed to every District Governor on August 16, as verified by an email in my "sent items" folder. They were asked to forward the article to their newsletter editor. I sent the article directly to Lion Cindy since I have her contact information.
