Get Your Lion On!!

Lion Anna Wickenhauser
District Governor

It's a FANTABULOUS time to be a LION!!! I know you may be thinking I have drunk too much coffee today... probably. I have witnessed clubs adapting and embracing new ideas. "Thinking outside of the Box" really brings on new meaning during this

time of not knowing what the day might bring. Clubs are getting creative with serving their communities, fundraising and grudgingly adapting to virtual meetings. We are gaining new members, have found new ways to safely connect and still are able to HAVE FUN!!!

I personally want to thank the clubs who have had me pop on by for a club visit. I have done visits in parks and was able to enjoy the Faribault Lions via a Zoom Meeting. Many of my fellow District Governors have not had the pleasure of doing these things.

We had our first ever DG Happy Hour formally known as the Club President/Secretary meeting. I shared our District Goals and 1VDG Glenn and 2VDG Kathleen explained more about the North American Membership Initiative (NAMI) and what that means for our district and what we hope to accomplish with. We talked about the status of our clubs and tossed around some ideas. Overall, I think it was a positive experience and I appreciate you for taking the time to join me. Zone meetings are right around the corner-ALL members are encouraged to attend! Your Zone Chairs will be getting the word out to you on whether or not it is going to be virtual or an in-person event.

I have been asked a lot about our District Convention. As of this newsletter we are still planning on having it-BUT, that can all change-Stay Tuned. It will be held at the Mankato Civic Center. We have been communicating with them on how to do it safely during COVID. They have all the safety protocols in place. It would be done very differently than it has been done in the past. Alas, Lions are huggers...we are not going to be policing but we will be strongly discouraging that kind of greeting. There will be masks, hand sanitizers and distancing. And of course, there will be DANCING. There will not be Hospitality Rooms. But we think we have enough room for Program Chairs to have their Display Tables and possibly a Silent Auction? More to come...

And I would like to acknowledge the work of our NAMI Team. We meet monthly to brainstorm ideas to help clubs out. We have had "Special Presentations" from Lions with-

in the United States on specific topics about Club Branches, Cyber Clubs, Specialty Clubs etc. We have people working to give our website a more customized approach. We have pulled in members from different clubs to help a struggling club out. We have people reaching out and introducing a different way to reenergize their clubs and hopefully generate some new members. And for those of you that have read all the way to the bottom of my article...I will give you some exciting news.... OUR DISTRICT IS EXPECTING!!!! That's right-there is a new club forming.... But it's a SECRET-SHHHHH. Our Charter Paperwork has not been sent in yet. Hopefully be next month's article I can officially share the name of the Club.

Stay Healthy and BEE Kind...

Did You Know?

Lion Glenn Kaufmann
1st Vice District Governor

Hi Lions. Lion Lisa and I had a chance to hang out with a few of our nieces and nephews a few weeks ago. Since we have no kids of our own, we try to share a few stories/jokes/myths of our ancestors. We also try to pass along some of the hard-earned lessons we learned along the way. They will have

to learn them for themselves, but we try to leave a small imprint with them. Someday down the road, maybe they will remember the conversation and get a little chuckle. Everyone wants the next generation to succeed.

It's the same in our clubs. Who will carry your club's banner in 2050? Not to be overly dramatic, but if we aren't looking for the next generation of Lions to come in behind us, who will?

- Did you know recruiting young Lions can:
- Ensure your club will exist in 40 years
- Increase hands to do more service
- Gain fresh ideas
- Bring in new energy and diverse skills
- Promote membership that reflects the community

I often hear fellow Lions stress to me we should be concentrating on keeping the Lions we have in place and worry less about Millennials. My answer is, why does it have to be one or the other? Our clubs have the capacity to work to keep our current Lions engaged AND look to the future with new, younger members. Did you know folks under 40 are just as likely to volunteer as their more "mature" counterparts?

While it does happen, very rare is the day where a potential Lion reaches out to us. We have to go looking for great Lions. LCI suggests trying the following approaches to recruiting younger members:

- Ask current members to recruit within their family. Children and grandchildren are a great source for membership.

- Visit local colleges and universities. Students are a good resource for your club and many educational institutions require volunteer hours for graduation.
- Attend a local Leo club and find out if Alpha Leo's graduating high school or Omega Leo's turning 30 are interested in becoming a Lion.
- Call or email area businesses and ask if you can post flyers or set up a booth in their lunchroom for a day.
- Partner with a youth group or secondary school to implement a joint service project. Many participants will soon reach the age of legal majority. This will give your club contact with future prospective members.
- Encourage the young adults you are recruiting to invite their spouse, friends and family members to attend a meeting. Young adults enjoy doing activities in a group and will feel more comfortable if they bring others along with them.
- Consider avoiding your vest when recruiting. Wearing a Lions polo shirt or a plain casual shirt, khaki pants, dress shoes and a Lions pin is most often the best way to dress.

Follow-up is essential whether a young adult initially accepts or declines an invitation to join Lions. Young adults may be hesitant at first, especially if they are not familiar with LCI and don't know anyone in your club. Give them time. Even if a young adult is interested, they are not likely to accept your invitation before they do research or discuss joining with friends and family.

From My Garden...

*Lion Kathleen Bleckeberg
2nd Vice District Governor
Where has this year gone?*

I swear (do not tell my Mom) it was March last week and April is MIA in my mind.

Now it is the beginning of October, the garden is almost done producing its bounty and I have been married to Mister wonderful for 16 years.

Once again, I have been in the garden thinking (dangerous past time, I know).

Here is what I came up with; We have new Lions joining our clubs and we have seasoned Lions that have been Lions for many years. And if any of you are like me, I forget stuff as time passes.

In my ponderings I ask myself (and yes, I answer) how can new Lions and seasoned Lions learn more about Lions and get the answers they may have. So, as I pick another Jalapeno, AREKA!!! Lions University pops into my head.

For me Lions University has been a great wealth of Lions information and learning. The side benefit is you can earn your Lions Bachelors, Master and Doctorate Degrees in the process of learning about Lions.

And wait! There's MORE, you can even learn more by attending a US/Canada Forum.

I attended my 1st US/Canada Forum in 2019 in Spokane

Washington. I had a blast; I received my bachelor's degree. Attended multiple seminars a day. The very best part is I was able to meet up with my Lions friends and met new ones.

Sadly, this year the in-person US/Canada Forum was cancelled. I was so looking forward to the Mint Julips', Bourbon, seminars, new friends' old friends, the whole US/Canada Forum experience. BUT wait! There is next year in Des Moines, IA (ROAD TRIP!!!).

How can you get in on this great experience, you ask? Just log on to lionsuniversity.org, scroll down to Register.

Enter your Name, create a username, enter your email address, create a password, and enter or you can contact me, and I can walk you thru it.

Easy Peasy lemon squeeze, you are now on your way to learning more about LIONS without leaving your home!!!

Until November

Safe Harvest & Happy Halloween

Lions Clubs International
FOUNDATION

Lion Debra Wasserman, 5M2 LCIF Coordinator

Fellow 5M2 Lions,

By the time you read this article, we will officially be in the Fall season. Leaves and Sumac are turning. Orchards selling tasty apples and treats, the Twins making a run in the play-offs, and don't forget Pumpkin Pie Blizzards at Dairy Queen!

This is usually the time many clubs go back to regularly scheduled meetings. Plans for important service projects, pancake breakfasts and other fundraisers kick into high gear. This Fall we are trying to figure out how to safely do these things and also be aware of new needs in our communities that Lions can meet.

LCIF is working around the world to support clubs in these evolving times. Check out this link to see how our dollars are supporting Lions' service.

<https://www.lionsclubs.org/en/discover-our-foundation/mission>

As I've written and said often over the past years, LCIF welcomes personal donations from Lions or non-Lions. Here's a new idea I just heard about.

Credit card donation: A win, win!

Many people have credit cards that when used earn points. You can make a donation to LCIF using your credit card. You win by earning your points and also by being able to pay the credit card off over time or at the end of the month. LCIF and Lions around the world win by receiving your donation immediately. You can make your donation by going to the LCIF webpage using the link above and click on the button that says "Donate".

LION'S DAY

AT

FEED MY STARVING CHILDREN

TUESDAY, OCTOBER 20, 2020

Districts 5M2, 5M5, 5M6 and 5M7 will join together at the 3 FMSC facilities in the Twin Cities Metro area. Our Mission is to pack food for the malnourished children of the World! The approach is simple: we hand-pack meals specifically formulated for undernourished children. FMSC meals are donated to partners worldwide and distributed every day in schools, orphanages, clinics and feeding programs to deliver hope!!

This packing experience will be a little different because of COVID-19. ALL volunteers will be required to wear masks for the duration of your session. All volunteers will have their temperature checked and go through a verbal symptom screening upon arrival. Please read the changes on the home page at: www.fmsc.org Also, please watch "What to expect when packing at FMSC – 2020". This is on: <https://youtu.be/PQ0zdFruo0s>

Donations of any amount would be VERY much appreciated!! Because FMSC has had to rely on more costly alternative packing methods during the pandemic, the need for funding is greater than ever. You can bring your personal donation AND/OR your Club donation to one of the sites on the day of the event OR you can mail it ahead of time to Feed My Starving Children, 401 93RD Avenue NW, Coon Rapids, MN 55433. Be sure to indicate in the MEMO area – LION'S DAY 2020.

Promote this in your community as part of the Lions Clubs International Global Service Framework.

OCTOBER IS VISION AWARENESS MONTH

OCTOBER 8 WORLD SIGHT DAY!

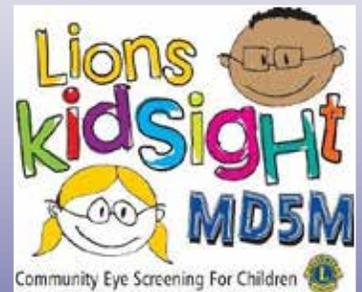

MINNESOTA LIONS VISION FOUNDATION

Due to COVID-19 and the safety for all, we have decided to cancel Thanksgiving for Vision and the MLVF Eye Ball.

Thanksgiving for Vision **EYEBall**

Even though things are limited in the world currently... the Minnesota Lions Vision Foundation and Lions Gift of Sight are up and running. MLVF Directors are available to visit your clubs (virtual or in person) to give you an update on all that is happening.

Minnesota Lions Hearing Foundation News

With six months of the Covid behind us and several more months to come, it is leaving the hearing Foundation with little activity. The trustees will meet on October 10, 2020 in St. Cloud to further discuss the 2021 D

Feet Walk and other items. The Arboretum is reserved as are some of the other parts that need to be reserved. June 5, 2021 is the date of the D Feet Walk. Planning will go forward as this is our major fundraiser. There will be a plan B if there is a need to cancel at the Arboretum.

Dr. Paparella ENT clinic has closed. It was on the same floor as the Lions Children's Hearing and ENT Clinic. M Fairview Health over sees the Lions Children's Clinic and has agreed to take over the lease on the Paparella Clinic space. The Hearing Foundations commitment to the Lions Children's Clinic has been fulfilled with the project coming in under budget by \$56,000. The Board of Trustees voted to leave the \$56,000 with the clinic to go toward further expansion and growth of the clinic. M Fairview has not committed to allowing the Lions Children's Clinic to expand into the former Paparella Clinic space. More to come on this as decisions are made for the use of the second floor of the building.

We are available for Club visits. We want to come to talk about the Hearing Foundation. Feel free to contact us.

(taken from past district newsletters)

- Did you know that Lions Clubs International was the first worldwide service organization to admit women members. Since July, 1987, every Lions club has the right to invite women into full membership.
- Did you know that with the addition of the Budapest, Hungary Lions club in February 1989, Lions Clubs International was the first service club organization in the world to have clubs in an eastern bloc country. The club was sponsored by the Helsinki Lions Club in Finland. Two additional countries were also added to the areas of Lionism:
 - Pozman Lions Club in Poland, chartered May 22, 1989 and,
 - Tollinn Lions Club in Estonia, chartered May 31, 1989
- Did you know that in 1984, Lion Orville Trettin (now PDG Orville) and his wife Elvera (PDG Elvera) started Lions 5M2 International Youth Camp (aka Camp Spicer and MD5M Youth Exchange) in Spicer, MN.

"Peace Through Service"

Has your club ordered their Peace Poster Contest kit yet from LCI? You have time up until October 1st to get the order in. This year, not knowing what the school year will look like in many of our District 5M2 schools, clubs may have to get creative in how to promote the Peace Poster Contest to local youth. Even if your local school has decided on distance learning- the teachers still have contact with the students and can you get the word out about the contest.

Now, more than ever, our youth need a chance to express themselves through art and what better way than to create a poster about achieving "Peace Through Service". The earlier that you can reach out to the students the better, as the local clubs need to submit the entries to me by November 15.

If you are looking for ideas on how to promote the Peace Poster project or your club will be new to sponsoring this project and need help, please contact me. The Peace Poster Contest has been around since the 1980's and we are not going to let Covid-19 stop us now!!

 Lions Clubs International Essay Contest,
 MD5M Chair

The LCI Essay Contest began in 2010 as a companion to the Peace Poster contest. It is directed to students who are blind or visually impaired giving them the opportunity to write on the same theme as students participating in the artistic Peace Poster contest.

The Peace Poster contest and the Essay contest give

students the chance to share their ideas and perspectives, and we adults the opportunity to learn about their view of the world and its future. The more students who are able to participate in the contests, the better for us locally and the world in general.

Teachers of the Blind/Visually Impaired receive information about the contest but reaching others who may know students is the goal of this article. If you know a student or a school district person, please share this information. Peace Poster kits contain information you can use and share with those who might know a student who would be interested in participating in the contest.

I am also available to answer any questions and share information that would help you, your club, or those working with students.

Lions', Leos' Clubs News and Activities

Victoria Lions

The 22nd annual Victoria golf tournament was a great success in spite of the Covid 19 problems.

What we want to convey is a big THANK YOU to everyone who made this year's Golf Tournament the most successful ever.

We raised nearly \$14,000 that can be used to support our charitable giving mission that is so important to our community. As you know, several of our important fund-raising activities had to be canceled this year due to the COVID-19 pandemic and resulting economic impact. The success of this golf tournament helps get us back on track, helping those who need our help.

We thank all of our sponsors who helped make this event possible and helped raise funds for the many causes we support.

The day was wonderful and the golfers plentiful. We thank 104 golfers for showing their support and showing their best and sometimes their worst swings.

And as always, the many Victoria Lions who volunteered

their time to make it happen.

As part of this year's tournament our foundation held its first ever raffle. It was a 50-50 raffle, where 50% of the total tickets sold goes to the winning ticket and 50% to the foundation. We sold 580 \$10 tickets for a total \$5800. The winner of the raffle was Tom Abts who graciously donated his \$2900 winners share to the Lions Foundation of Victoria. Talk about a generous act.

With October comes the Victoria Lions "almost world famous" annual pork chop dinner. This year the dinner is scheduled for Friday October 23.

We will have a pickup at St. Victoria Church in Victoria from 4:30 until 7:30. The cost is \$10 for 1 chop or \$12 for 2 chops. Both come with "fixins" and dessert. What a deal.

If you are so inclined you can enjoy your chops and an adult beverage in the Lions Pavilion which just across the street from the church.

Join us for good food and Lions pride as we serve it our community.

NYA West Carver Lions

The NYA West Carver Lions club sold the flower baskets this year. These are normally used at Stiftungsfest as decorations throughout the park. Due to COVID-19 this year and the celebration being cancelled, we kept our order and decided to sell them to the public.

Zone 1 News

Lion Jan Sebesta, Zone 1 Chair

Zone 1 seems to be bouncing back from the Covid intervention. From the reports I am receiving, fund raisers are being held in a "Drive Thru" fashion. While social distancing was a daunting concept at first, Lions have risen to the occasion to adjust with meetings and community activities. Donations to Community Libraries, Food Shelves, Senior Living facilities and City Summer programs have been continuing throughout our 10 clubs in Zone 1. Plato even had their Golf Tournament. Peace Poster supplies are going to schools, and Write Off info too. Zone mtg with our District Governor, Anna, is set up for September 13 on Zoom. We will miss the food, friends and fun together, but it will give us all the much needed info to keep us on task to carry our Clubs through this challenging year. We are all in this together, everyone matters, we Serve!!!

“Get Your Lion On”

Clubs of 5M2,

We are excited to introduce to you a new program called **NAMI (North American Membership Initiative)** being rolled out for 2020-21 year. The 5M2 Leadership Team has already started and when July 1st rolls around, we will be ready to hit the ground running. Basically, NAMI is a coordinated effort between the Global Membership team, Global Service Team, Global Leadership Team and the 5M2 Leadership Team (District Governor, 1st Vice District Governor, 2nd Vice District Governor, Zone Chairs and club Lions).

There are four areas that we will be concentrating on:

- 1. Rejuvenate District 5M2 with New Clubs**
- 2. Revitalize Clubs with New Members**
- 3. Re-motivate Members with New Fellowships and Exciting Service**
- 4. Support District and Club Leaders**

We are adding a new position to the district, the NAMI champion, who is PDG Joan Blank who will coordinate the efforts of all the district teams. It has been almost 40 years since we have seen a positive growth in North America. It is time to turn this around and show the world that Lions are still as important to our communities in North America as it has ever been.

Here is what we are asking you as a club to do. We would like your Leadership Team to “opt in” by signing the attached form stating you will incorporate the NAMI Initiative into your club. District goals are:

1. Each club to end the 2020-21 year with a plus membership. In July we will send you a report stating where you ended the 2019-2020 year in membership, and we want to see at least a growth of plus one member.
2. Encourage your members to step up into a leadership role in your club or district. Remember that each of us has our own personality and that Lions need to be able to do it their way. Getting new members involved as soon as possible makes them feel like they are part of the club. (Contact your GLT Coordinator or Zone Chair for Help)

As we get into the new Lions year, we will have more information for you to work with. We look forward to sharing your success stories with the District.
