LIONS & SERVICE: A PERFECT FIT

*Lion Diana Kroells
District Governor*

I must begin by thanking newsletter editor Lion Cindy for holding this release until after I returned from Las Vegas so that I could share a few of the highlights with you. It was an amazing International Convention as always and from what I understand it was probably as hot in Minnesota as it was in Vegas. Don't let anyone fool you, dry heat is still HOT especially at 109 degrees.

This convention was particularly exciting for our Multiple of MD5M as PID Brian Sheehan was elected as the 3rd Vice President of Lions International. This shows how the dedication and hard work of a small-town Lion from Bird Island can lead to being 3rd Vice President of the largest service organization in the world. I wish you could have all been there at the rally for Brian- it was spectacular-inflatable penguins & hockey sticks all over the place!!! Thank you to PDG Joan & Lion Kevin Blank for leading Team Sheehan in 5M2. A huge thank you also to IPID Bruce Beck of MD5M as he concludes his 2 year term on the International Board of Directors.

President Gudrun choose "Sailing through 2018-2019" as our theme for DGE Training sessions. Gudrun explained how her family ancestors were sea explorers and how much they depended on teamwork. Every obstacle should be looked at as a new opportunity. The success of a ship depends on the sail not the wind and we need to steer the course. With your help I will certainly try to do that. Gudrun has a beautiful theme "Beyond the Horizon" and challenged us all go out and do more for our communities and the world by finding new service projects to do and reaching further than we have ever done before in the 5 global focus areas of environment, hunger, sight, childhood cancer and especially diabetes. The first session was dedicated to PID Karla Harris who was co-chair of this DGE training until she lost her battle with cancer last November. Thanks to PID Mike Molenda for being a great instructor for my group.

Day 2 session allowed to listen to a presentation from

9 time Olympic medal winner Nadia Comaneci. Her message was to focus on what you want to achieve. This is so true in Lions work and everyday life. Find your passion, Overcome obstacles, Courage to do more, Utilize your resources and your team & Share your knowledge & successes. Nadia credited her success as a gymnast to staying focused on what she really wanted.

Day 3 session gave us information on the new Campaign 100 LCIF Empowering Service campaign. I know you will be hearing lots of information about this from our District LCIF coordinator PID Debra Wasserman. Please invite her to your club so that she can share exciting information with you.

A NEW LIONS YEAR: NOT THE WAY WE HAVE ALWAYS DONE IT!

*Lion Brian Thies
1st Vice District Governor*

July, the official month of summer, hot weather and family vacations, but also the start of a New Lion's Year. A time for new club officers to start working toward strengthening their clubs, setting goals and recruiting and retaining quality members.

Lion Rose and I had the wonderful opportunity to attend the 101st International Convention that was recently held in Las Vegas. We were able to watch as history was made with the first female, Gudrun Yngvadottir from Iceland was elected as our International President as well as our own IPD Brian Sheehan and Lion Lori were elected as 3rd International Vice President. Not bad for the youngest of eight children from the small town of Bird Island, Minnesota.

Once again we can take great pride in our Multiple District 5M lions. The campaign committee for 3rd International Vice President Brian was impressive and well organized. You would not believe how many times we heard compliments from around the world about how impressed they were by Brian's

campaign.

We can also be proud of the fact that the band that we sponsored, the Dassel Cokato High School Marching Band not only marched for our delegation but also for the India delegation in 105 degree heat in full uniforms. Not only did they march in the heat, but they also won the best marching band in both divisions. Congratulations Chargers!

Incoming International President Gudrun acceptance speech was all about embracing change and setting a course beyond the horizon and charting a new course for the future. The future holds a new global focus on Diabetes. She also mentioned that we need to retain and recruit quality members. She has a personal goal of 2002 new clubs in the 2018-2019. She also stressed that we as Lions need to provide opportunities for advancement within our organization. Her main goal was to explore new ideas and activities for new members, to involve Leos. Finally she encouraged us all to try something new. It will be ok if our course has to be recalculated like Siri says.

Like the heat of July, let's fire up and ask someone to become a member, start a new project and try not to say "That's the way we have always done it".

5M2 ELECTS A 2ND VDG

CONGRATULATIONS: LION ANNA WICKENHAUSER!

At the close of the 2018 Midwinter Convention, District 5M2 did not have a qualified Lion step forward for the position of 2nd Vice District Governor for 2018-2019. Following Lions Clubs International guidance, as well as our district Constitution and By-Laws, the District Governor team drafted a letter requesting Lions names who might be interested in serving in this capacity but had not yet been a Region or Zone chair but did meet the qualifications set forth in our By-Laws for a vacancy. This letter was emailed to all club presidents, secretaries, Cabinet members and Past District Governors at the beginning of May. The Cologne Lions Club submitted the name of Lion Anna Wickenhauser. On Sunday, June 24, 2018, the District 5M2 Cabinet met for a Special Meeting to appoint Lion Anna as our 2nd VDG for year 2018-2019.

Join me in congratulating Lion Anna! Anna - You have begun a journey that will be a once in a lifetime experience! Enjoy!!

GREETINGS - GET YOUR LION ON!

*Lion Anna Wickenhauser
2nd Vice District Governor*

Let me introduce myself. I was born in....Just kidding. For those of you that already know me I LOVE to talk. I really like to meet new people and hear their stories. I will give you a brief overview of my family. I have been married to my husband Lion Don (Monkey) for 25 years. We have 3 children (Hilary, Jack, and Vinnie) that we can claim for tax purposes and other numerous kids around the world that call us "Mom and Dad". The popular phrase is "Our dinner table resembles the United Nations". We have on any given day several pets. Lion Don always says that "His wife collects kids and pets". As you have probably have already guessed- he is a very tolerant man:) We are the owners of Wickenhauser Excavating and it has been in the family since 1974.

I became a Cologne Lion in 2007. For years I was always the Lion spouse-that meant in our club you had to help with the big events and fundraisers. I was often asked "Why don't you join". So I responded "Why would I pay to volunteer? I am already involved". Fast forward to a few years-My

dad had just retired and we had small children at home. Our club needed a caterer- So I did it for some extra money while my dad watched the kids. Then a sad thing happened-one of our Charter Members died unexpectedly-as the Lions we asked to be part of the funeral I sat back and watched. The sense of "family" was overwhelming and humbling. I decided then and there I wanted to be a part of that. I joined the Cologne Lions and have never looked back. But that is not where "I got my Lion On". That will be the next newsletter.

Right now I am flying somewhere over Colorado heading to Las Vegas to join in the Celebration of our International Convention and musing about things. I would like to thank the many people who have supported me in getting to this point in my Lions career. Also for the effort made by the Lions Leadership in making this "Special Election" happen and for being so thorough. I realize it has been a lot of research and work on your part. Also for helping create a procedure and implementing it in the Bylaws in case this happens again.

I am very excited and honored to be your Second Vice District Governor.

NICOLLET LIONS: 100 TREES FOR 100 YEARS

Lions Club International challenged Lions Clubs around the world to complete a Centennial Legacy Project celebrating 100 years of Lionism. For the Nicollet Lions Legacy project, the Club planted 13 trees along the Nicollet Public School boulevard. The trees included maples and elms. With this planting the Nicollet Lions have now planted over 100 trees in the community.

WHAT HAPPENS IN VEGAS DOES NOT STAY IN VEGAS!!

PDG Joan Blank

Great things happened in Las Vegas at the 101 International Convention, the #1 event being PID Brian Sheehan voted in as 3rd Vice President!! This was due in part to the huge support 3rd Intl VP Brian and his wife, Lion Lori, received from the Lions in our district of 5M2. Third Intl VP Brian and Lori cannot thank the Lions enough from both our district and the multiple district MD5M for their continued support throughout the last year. Lion Brian has told us over and over again how humbled he is with what the Lions in his multiple district have done to help him make this journey of getting elected as 3rd International Vice President. Lions Brian and Lori could not make us prouder!!

Lions Kevin and I would personally like to thank all the Lions and Clubs that financially supported Lions Brian's campaign. Over half of the clubs in 5M2 donated to the campaign. Then we were hoping to raise additional funds by selling penguin hats and we sold 250 hats thanks to the individual Lions who purchased one for the Waddle Walk, the Polar Plunge and at Zone Meetings. At the end of the Zone Meet-

Lions Mike and Sue Vos helping distribute campaign material at the 1st plenary session and rally for Lion Brian Sheehan.

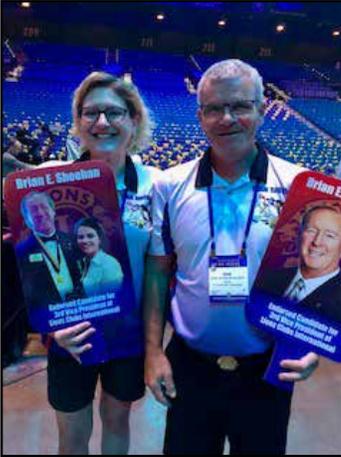

Lions Christy Trutnau, Joan Blank and Kathleen Bleeckberg having fun at the rally.

ings we still had 30 hats left and the Shakopee Lions stepped up to the plate and purchased all of them! Thank you so much!! Our total financial contribution to the PID Brian Sheehan Campaign totaled over \$9,000. Your overwhelming support has not gone unnoticed by the Sheehans. You can bet great things will happen at Lions International when 3rd Intl VP Brian becomes president in three years. Again, Lion Kevin and I are sincerely grateful for the awesome support of the Lions in 5M2.

Below: Getting ready for the parade – standing in what shade could be found as it was 107 degrees out!! Back row: Lions Kevin Blank, Don Wickenhauser, Duane Kroells and Amber Mathwig. Front row: Christy Trutnau, PDG Nancy Mathwig, DG Diana Kroells and PDG Joan Blank.

Viewing Forward

MN Lions Vision Foundation

And sometimes the road is winding! The year 2017-2018 was full of adventure. Not only did the Vision Foundation conduct business as usual but we also established our new logo and renamed our eye bank Lions Gift of Sight (LGS). Plus you have all become familiar with the acronym LEI - Lions Eye Institute.

But now, we tell you about a significant bend in the road. In January 2018, the U of M Department of Ophthalmology and the Minnesota Lions Vision Foundation learned that Life Source established a relationship with another eye bank - SightLife based in Seattle, WA.

Life Source is the Upper Midwest's tissue procurement organization. A contract still exists with Life Source but it is revised. SightLife has established relationships with some Minnesota hospitals. Our Lions Gift of Sight has maintained relationships with many Minnesota hospitals and some in bordering North Dakota. This, of course, affects the volume of activity done by Lions Gift of Sight.

Because of this, the last several months have been a flurry of activity handling the situation

and establishing avenues of action. As directors of MLVF, we are amazed and proud of the strenuous and grave work being done to keep LGS in the forefront. Lions Gift of Sight is one of the eight largest eye banks in our country. LGS is proud of our heritage - 58 years of serving together. The road has been a journey of pride and quality, but this is a pretty darn big bump in the road. But, as Minnesotans, we all understand road construction, don't we?

As a result, LEI is not on schedule. On Saturday, June 9, DGE Diana and PDG Mary attended a special meeting bringing us up to speed on all actions being pursued by the University and LGS to maintain the status of LGS as the premier, sizable eye bank it is. We are a non-profit organization keeping donated eyes local. Absolutely critical not only for corneal transplants but for research, too. Our capacity for research must be maintained - we are the best!

So wishes and thoughts...As directors, we continue to View Forward. Our legacy is great and our goals will continue to be met. Now, in this new year, Lion Christy Trutnau and Lion Mary Spille will be your directors ready to serve. Reminding you again that now is time to plan your club visits for the coming year. Please, please give us a shout - maryspille@gmail.com or christy1135@gmail.com Together, "WE SERVE" continues.

LIONS RECOGNIZED FOR OUTSTANDING SERVICE

At the Centennial Celebration held on June 3rd at the Anoka Fairgrounds, a few special Lions were honored. From our own district of 5M2 Lion Cindy Walters (Chaska Lions) was awarded a "Certificate of Appreciation" from the multiple MD5M for her outstanding leadership in the Youth Exchange Program.

Presenting her the certificate are (from left to right) Council Chair Elect Jack Breikretz, Council Chair Dennis Heinen and International Director Bruce Beck. Lion Cindy and her husband, Lion Jim, have been instrumental in hosting 46 exchange students over the past 19 years, along with organizing the Youth Exchange Program for the last 10 years. Congratulations Lion Cindy!

A PERFECT FIT CONTINUED FROM PAGE 1

At the first plenary session Immediate Past President Aggarwal reminded us that 2017-2018 year was not only the 101st anniversary of Lions but also 50th anniversary of Lion International Foundation, 60th Anniversary of LEOs and 30th anniversary of women in Lions. As of July 1, 2018 you can consider yourself 1 of 1,453,236 Lions dedicated to serving others. The diabetes epidemic was the focal point of the key note speaker, Dr. Sanjay Gupta, chief medical correspondent for CNN. The statistics are staggering and the Lions will be making diabetes their primary focus for 2018-2019. Please invite your 5M2 Diabetes Foundation Directors Lions Wanda Breimhorst or Brian Rykus to speak to your club and consider doing a service project to educate people about diabetes.

Security got pretty tight at the second plenary session as our speakers was former president George W Bush. It was an amazing experience for me to see a former president of the U.S. His presentation was done "interview style" with questions being asked by his press secretary. They touched on a lot of the issues prevalent during his term in office. We saw his humorous side but also his compassionate side and he reference the work Lions do numerous times and told us that he is an honorary Lions member.

Of course plenary session 3 was the one I waited for- being installed as your District Governor on my birthday made it extra special. I am so honored to be able to serve 5M2 and from what I am told it will be

one of the best years of my life. Having IPDG Nancy pull my ribbon made it special as she has helped prepare me for this year and I know she will continue to help me get through it. I am looking forward to traveling to each club in the District to meet new Lions and share in your enthusiasm for the important service projects that you do and I cannot wait to learn about every club and what you do for your communities. Thank you also to Lion Duane as he stands by my side during this adventure because I know I could not do it without him. President Gudron reminded us all that we are the first DGs in the 2nd century of Lions International. Serving under our first female president brings us many new changes.

Because I love to do jig saw puzzles my pin and my theme reflect that- Lions & Service - A Perfect Fit. Just as two puzzle pieces fit together perfectly to complete a picture so do Lions and the service they do for their communities & beyond. We have to realize that each and every one of is a very important piece of the " picture of our club" and when we are not there - it is not complete. We are missed and when someone else is missing- let them know they are missed too. This is an excellent way to retain those members who may be thinking they do not matter to the club and may drop out. We would not let a family member leave so don't let a Lions family member leave either.

Congratulations to Lion Brian Thies as he moves into the position of 1st Vice District Governor and Lion Anna Wickenhauser as she moves into the position of 2nd Vice District Governor. I look forward to working with them as part of my team.

A very sincere thank you to IPDG Nancy for leading us into the next century of service as Lions. Everyone in the District is so proud of her and the work that she did for all of us. Nancy will be taking on the role of Global Leadership Team coordinator this coming year.

I will leave you with this saying which is popular in Iceland, the home of President Gudrun Yngvadotter, "Thedda Reddast" it means that everything will work out, somehow, no matter how large the problem may be, through hard work, trust and community.

HEARING FOUNDATION NEWS

Last month I wrote I would try to have some numbers from the D Feet Walk. All the numbers are not in yet, so next month I will have a better message. I

do know that the donated money at this time is over \$110,000.

Success story: A call from Chaska Middle school social worker to the Chaska Lions President, started a series of phone calls to audiologists to find one that would work with the Hearing Foundation and Lions. After many calls, an audiologist agreed to help the student get hearing aids. The school had hearing aids she could use at school but nothing for at home or away from school. This request was worked thru the affordable Hearing Request Program. The family qualified for assistance to get hearing aids.

From the thank you note I received: "It is nice to be able to have hearing aids outside of school. I like

to have them with my family and friends. They are lighter weight than my old ones and more comfortable. I can hear much better. I have the option of using my phone to adjust the volume. Along with my hearing aids, I received a personal microphone. I give it to my teachers and it goes directly into my hearing aids, and gets rid of background noises. I can use it to hook up to my school computer to listen to videos. An audio cord attaches and lets me use my hearing aids like ear buds. I will always remember your generosity and really appreciate the gift you've given me which allows me to hear better."

I thank the audiologist and the hearing aid company for their cooperation in this project.

Hearing Foundation Trustees: PDG Marvin Grimm & Lion Jeff Williams.

ZONE 9 LION OF THE YEAR

1st VDG Brian presented Zone 9 Lion of the Year to Maxine Daly, Minnesota Lake Lions.

This is Lion Vern Breamer from Minnesota Lake Lions. On June 2, 2018 at the D Feet Walk Lion Vern received the Lion Bob Harms Award in recognition of his service, dedication and passion for the 5M Hearing Foundation. For over 20 years, Lion Vern has made small wooden cars to distribute to the children at the Lions Children's Hearing Clinic at the University of Minnesota.

LIONS' CLUBS NEWS AND ACTIVITIES

5M2 Lions

I know its hard to think about golfing, let alone being outside on grass, with Mother Nature holding onto winter as she has. Despite Mother Nature's spite we do have several clubs planning on golf tournaments. Since getting approval from 5M2 Board, a trophy has been up for grabs to all the clubs in 5M2. For a quick reminder here is how your club earns points:

1. 50 points for each member attending a 5M2 Club tournament.
2. If more than one 5M2 Lion Club participates in a 5M2 Club tournament there will be a tourney inside the tourney and a chance for more points.
 - a. Top Finishing 5M2 Club team will be awarded 50 points
 - b. Second best 5M2 Club team will be awarded 40 points
 - c. Third best 5M2 Club team will be awarded 35 points
 - d. Fourth best 5M2 Club will be awarded 25 points
3. If less than four 5M2 Clubs play then the only those spots will be awarded points. No points will be awarded if there is only one 5M2 Club in the tournament.
4. A qualifying 5M2 Club for the tourney inside tourney must have at least three members from a particular Club.
5. Any 5M2 Lions Club that hosting a tournament will be awarded 300 points and does not get additional points for members playing in their tournament.
6. Participation in Jungle Days will result in all points listed above being doubled.

5M2 Clubs that will be hosting a golf tournament are listed below with dates too. As I write this, I still have a few clubs that have not notified me of date and time of their tourney. Check the website for updates as I get them and the newsletters for their fliers.

- Hamburg Lions – 5/19 – Glencoe Country Club – 8 am shotgun start
- Victoria Lions – 8/27 – Deer Run – Noon shotgun start
- Chanhassen Lions – 7/16 – Island View – Noon shotgun start
- Plato Lions – TBD
- Le Sueur Lions – 6/11 – Le Sueur Country Club – Noon shotgun start
- Jungle Days – 8/6 – Hutchison Lions – Oakdale Golf Club
- N.E.W Lions – TBD
- Northfield Lions – TBD

Best of luck to all 5M2 Lion clubs and please, please, please don't let the Hamburg Lions win again!

GIBBON LIONS

The Gibbon Lions Club had their annual "Fun" night on June 11th at Hahn's Dining in Winthrop.

Our speakers this year were Maureen and Paul Pranghoffer, and their dog "Walter". They spoke about how Can Do Canines have enriched their lives. Maureen has written a children's book about a service dog, entitled Ally's Busy Day.

After our wonderful meal and our interesting, humorous speakers, we had a drawing in which the grand prize was \$400.

Gibbon Lions Fun Night is a wonderful way to connect with old friends and great time is had by all the 200 community members who attended.
