## DG MARVIN'S WOOD CUTS

What a beautiful fall we are having. At our house we have not had a killing frost yet. The middle of November and still some green plants alive and with all the moisture the lawn is green and still growing. When the other "shoe drops" are we in for a severe winter? Going to Zone Meetings and Club Visits has been nice with

the great weather. As weatherman, Paul Douglas, writes in the Star Tribune, "Winter isn't canceled, It's just running late".

Our membership is holding steady. To date at last check we have lost thru death and drops, 63 members. But on the good side, we have also gained 63 members to date. I know more new members are being added. So keep working to "Ask" prospective members to join your club. We also need to keep working on retaining our members. Keep your members involved with events and activities. Ask members not involved to become involved. Be a chair of a committee. Maybe they have an idea for a new event, but are afraid to try it because they feel it won't work. I have attended two events that were first time events for two different clubs. Both events were a big success and will be done again. As your club gains new members be sure they are mentored. Do not install them and forget them. Invite them to help with events, take a minor leadership role and make sure to make them feel welcome and a part of your club.

Last month I talked about events and speakers at the Mid-Winter Convention in Mankato. Have your registered yet? Consider doing so as I don't think you will be disappointed. This convention is for you the District 5M2 membership. There are good speakers, good entertainment and good food. Also, would like to have 100% participation in the "Parade of Green" even if you give only \$5 in each activity area. Let's be a 100% district!!

As we enter this Advent Season, Lion Evelyn and your District Governor wish you a Happy Holiday Season for you and yours. Merry Christmas.

*"Life is either a daring adventure or nothing at all."*

## PENULTIMATE POINTS

1st VDG Steve Wasserman

December is that month of the year when our thoughts often turn to giving. We want to find that perfect gift for our life partner, or our children, or our grandchildren (or maybe great grandchildren). The giving of gifts is an important cultural practice that strengthens the ties that bind us to those we love. The giving of a gift provides a joy to both the giver and receiver of the gift as both recognize the importance of each other in their lives.

In the super commercialized society in which we live, it's easy to get caught up in feeling like we have to give the latest and greatest tech gadget, the most lavish jewelry, or even the most luxurious automobile. Just watch the commercials that suddenly appear everywhere this time of year. Lions know better though. Lions have something much more valuable to give than a Lexus wrapped with a big bow.

I would like to share a quote from the Reverend Rick Warren that I believe summarizes what Lions know about giving a gift:

*"Time is your most precious gift because you only have a set amount of it. You can make more money, but you can't make more time. When you give someone your time, you are giving them a portion of your life that you'll never get back."*

*"Your time is your life. That is why the greatest gift you can give someone is your time."*

Lions don't wait until December. Lions are people who give that precious gift all year long. We give our time in every service project we do. When we give those dictionaries to third graders, we are not just giving them a book. We are giving them our time as we flip pancakes to earn the money to purchase the dictionaries. We are giving them our time as we print and apply the labels. We are giving them our time as we travel to the school to make the presentation. Those dictionaries are indeed a precious gift. The same holds true for those food baskets we deliver, those eyeglasses we collect, and those highways we clean up. They are all purchased with our most precious gift, our time.

When we give that precious gift of our time, Lions receive something just as valuable in return. That gift is the joy that comes with knowing that we are truly making a difference in people's lives. We recognize the importance of both the giver and receiver as we provide dignity through service, creating harmony with all of humanity.

**2015-16 President's Theme:  
Dignity. Harmony. Humanity**

### HOWARD HUDSON - INTERNATIONAL DIRECTOR

Howard Hudson from Santa Barbara, California was elected to serve a two-year term as a director of Lions Clubs International at the association's 98th International Convention held in Honolulu, Hawaii, Jun 26 through 30, 2015.

Director Hudson is a certified public accountant.

A member of the Santa Barbara Host Lions Club since 1981, he has held many offices within the association, including club president, club secretary, club treasurer, district governor, cabinet secretary, cabinet treasurer, and multiple district extension chairperson.

In recognition of his service to the association, he has received numerous awards, including the Lions Canine Companions for Independence Life Membership and Fellowship, Builder Key Award, the Senior Builder Key Award, five International President's Certificates of Appreciation and two International President's Awards. He is also a Progressive Melvin Jones Fellow.

In addition to his Lions activities, Director Hudson is active in numerous professional and community organizations, including Bugles Across America, Brookmore Apartment Corp., Front Porch Communities and Services, Surgical Eye Expeditions International and the First United Methodist Church of Santa Barbara.

Director Hudson and his wife, Lynn, also a Lion and Melvin Jones Fellow, have two sons and two grandsons.

## MOVING FORWARD...AND LOOKING BACK.

*2nd VDG Nancy Mathwig*

It is really hard to believe we are in the middle of November already! The weather has been wonderful; I even had my windows open over the weekend! We all need to enjoy this unseasonable weather and say a prayer of thanks for it since soon the white stuff will begin to fall. I have not

been a fan of winter for quite some time now and in years past would regularly complained about it to my husband, PDG Darwin. His response always was - "so why are you still living here". Well, the answer was obvious - family and friends. And that family includes the Lions' family.

It has been great once again attending the Fall Zone meetings and greeting the many Lions I have met over the years. The Zone meetings have affirmed how important each and every Lions club is to their community and I continue to be amazed at the wealth of projects and assistance you give. Thank you to the host clubs for the Fall Zone meetings and to the wonderful job done by the Zone chairs. For several of the Zone chairs it was their first ever Zone meeting as chair and each ran a smooth and informa-

tive meeting.

Our next big event for District 5M-2 will be the Mid-Winter Convention in Mankato, February 12-14, 2016. Did you know that this will be the 29th consecutive year that the convention is being held at the City Center (formerly Holiday Inn) hotel in Mankato? 5M-2 has been the only district convention to hold its convention at the same place every year. Some districts rotate depending on who the host club is; some districts rotate between 2, or maybe 3 locations within (or out of) the district. In the larger districts "up north", the rotation allows shorter travel distances for those clubs on the outer borders of these larger districts. Mankato has always been a fairly central location for 5M-2 with the hotel generally well-tuned to our needs. Based on information gathered by past Historian, Lion Ken Farrell, PDG Bill Curtis was District Governor (1987-1988) for the first convention held at the Holiday Inn in Mankato.

Mid-Winter Convention is one time a year to renew friendships and learn about what's going on in Lions! However, as we enter the Christmas/holiday season, let us all reflect on the good we do and what our communities would be like without a Lions club.

Merry Christmas and Happy Holidays to all!

Cheers to District 5M2, only a -4 in Membership.

Cheers to all new members joining Lions Clubs in the past month.

Cheers to Stewart Lions for serving for 50 years.

Cheers to all Lions who attended their Zone Meeting.

Cheers to the Zone Chairs for holding interesting meetings.

Cheers to all the pancake flippers, Bingo callers and all the workers to make successful events.

Cheers to Victoria Lions for a successful 1<sup>st</sup> Annual Spaghetti Dinner.

Cheers to all who volunteered for World Diabetes Day and for Kevin Blank for all he did to organize the day.

Cheers to all the children who entered the Peace Poster Contest.

Cheers to all the children who entered the Write Off Contest.

Cheers to the Jordaness Lions for a very inspirational and informational Veteran's Day Program at Jordan High School.

Cheers to all Lions for a Blessed and Safe Holiday Season.

# Centennial Update

---

By 1<sup>st</sup> VDG Steve Wasserman. 5M2 Centennial Coordinator

## *More Good News!*

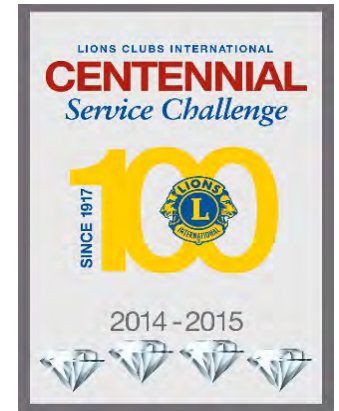

Lions of the world have now provided service to more than **57 Million** people in the four Centennial Service Challenge Areas!

Here in 5M2, the **Service** is beginning to heat up as the temperatures cool off. So far 38 clubs have reported on projects serving 81,258 people!

Special congratulations to the:

- **Chaska Lions**
- **Ellendale Lions**
- **Wells Lions**

They are our first three clubs that have reported on projects in all four areas of the challenge, and will be receiving a four diamond patch for the 2015-2016 Lions year. I'm sure that we will have many more (hopefully all) clubs earning a four diamond patch by the end of this Lions' year.

## *Save the Date!*

**June 3, 2017**

The MD5M Centennial Celebration Planning Committee is planning a **"Super Event"** for that Saturday at the Mall of America. That is also the day of the D-Feet Hearing Loss Walk, so plan to spend a full day in the metro area!

## *The 2014-2015 Banner Patches are here!*

I have been busy presenting Centennial Service Banner Patches at the Zone meetings this fall. Unfortunately, the patches did not arrive in time for the Zone 1 and Zone 9 meetings, so it may be up to the zone chairs there to make the presentation at a club visit. Be sure to get a photo of the presentation and send it to your local newspaper and put it on your club Facebook Page. You can also send your photo to me or Lion Laura Maki, and we will get it on the 5M2 Facebook Page. This is a great opportunity for publicity for your club. Be sure to mention that as Lions Clubs International approaches its 100<sup>th</sup> anniversary in 2017, the Lions of the world have been challenged to serve 100 million people in the areas of youth, vision, hunger, and the environment. It wouldn't hurt to get our Centennial Motto in there as well:

***"Where There's a Need, There's a Lion!"***

### CENTENNIAL SERVICE PATCH AWARDS

While we don't get new members in order to qualify for awards, there are a number of good reasons to bring in new members. Here are three more:

- 1. New members can increase the camaraderie in our clubs!**
- 2. New members often bring in other new members!**
- 3. New members can experience the joy of serving, and you can experience the pride of giving that joy to your new member!**

The Membership Awards are a recognition that a club is healthy and growing. They also provide us with a worthy goal. The Lions listed above have set the example for us. All of our clubs would be stronger if we set a goal to join them!

## GLOBAL LEADERSHIP TEAM - GLT

*PID Debra Wasserman*

By now you have undoubtedly seen the origami crane symbol our International President is using this year. Have you wondered why he chose it? Read the below story to learn why.

*"EVERY YEAR, thousands of small cranes cross over the Himalayas at an altitude of 8000m in V formation for their seasonal migration. They are known as demoiselle cranes and they are the smallest species in the crane family of birds. During the summer, they reside in the steppes of Mongolia. As winter approaches they form groups and begin their southward journey to India. At 8,000 meters, the temperature is minus thirty Celsius and the oxygen saturation is only one third of the terrestrial oxygen level. Those brutal conditions make their migration a life or death journey in the truest sense. This grueling route would be impossible for a small number of birds. By flying in a large V formation, each bird can make use of the backflow of air over the wings of the other birds in front of them and by doing so, reduce the total energy expended. The leading bird expends the greatest amount of energy so it is necessary to continually rotate new birds into the position. The demoiselle crane depends upon the cooperation and harmony of every other member of the flock. While each bird is small, every bird has great dignity."*

Dr. Jitsuhiro Yamada  
President, Lions Clubs International

An interesting story, don't you think? Now re-read the story considering it as a metaphor on the subject of Leadership in Lionism. Interesting, I think.

## CAN DO CANINES' LIONS: CAN DO WOOFAROO

Thanks to the support of Lions Clubs across 5M, Can Do Canines continues to train specially trained for people with disabilities and provide them to those in need, free of charge.

On September 12, 2015 you showed your support! The Can Do Woofaroo Fundraising Walk and Festival was held on September 12, 2015 at Can Do Canines facility in New Hope, MN. More than 182 walkers, 86 dogs and 90 volunteer came out to the event and raise some serious assistance dog funds.

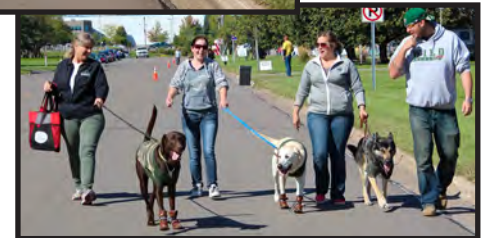

In total, we raised more than \$60,000. That's enough to fund two new assistance dog teams! Slammer's Supporters, the top fundraising team brought in \$2,218 and the top fundraising individual, Holly Fitzenberger brought in \$3,000. Wow!

Thank you to everyone who walked, pledged and volunteered. We hope to see you again next year for another great event!

In the meantime, if you haven't made it out to Can Do Canines facility (9440 Science Center Drive, New Hope, MN) consider attending an upcoming Tails to Tell Tour:

Thursday, Dec. 17, 2015, 11 a.m.  
Thursday, Jan. 14, 2016, 11 a.m.  
Saturday, February 27, 11 a.m.

Find more information about our Tails To Tell Tours at [can-do-canines.org](http://can-do-canines.org).

Congratulations to the 18 Can Do Canines teams who received diplomas on Saturday, October 24, 2015 in recognition of graduating from our assistance dog program.

### New Ulm Diabetes Walk

The Lafayette Area Lions Club from District 5M2 and the Lions Club of New Ulm from District 5M3 joined forces to hold their first annual "New Ulm Diabetes Walk" on October 10, 2015. Fifty walkers participated and over \$6,700 was raised for the Minnesota Lions Diabetes Foundation which will be used to find a CURE for diabetes.

We hope that our success encourages other Lions Clubs in Multiple District 5M to hold similar events to raise money for our very worthwhile cause.

### WORLD DIABETES DAY 2015 MN LIONS DIABETES FOUNDATION EDUCATION EVENT

## LIONS CLUBS OFFER 'PROJECT NEW HOPE' TO HELP OUR RETURNING COMBAT VETERANS

The Lions of Multiple District 5M have adopted a new project, Project New Hope. In the opinion of many Lions, this undertaking is one of the most impressive, and necessary, projects the Lions have become involved in for years. Project New Hope was founded by caring individuals right here in Minnesota. This project has established Military Family Retreats for veterans and their families. There are several such retreats around Minnesota, and are available to all U. S. Veterans and their families.

The cost of these camps is FREE to all veterans and their families, and all meals are provided at no charge. The entire family is involved, and counseling is available to all. The effects of combat service are often felt throughout a soldier's entire lifetime, and can have an impact on each family member as well, often in ways that may be quite subtle or hidden from view.

The process of healing and understanding is a vital component to a successful life after their service. All family members, including the returning soldier, deal with what has happened in their own way. This is where the Lions hope that our camps will be of help, as counseling is available to individuals or to the family as a group. The counselors are licensed by the Veterans Affairs Association, but they are volunteers and available to all who attend the camps. An added feature is that ALL of these camps and facilities are handicapped accessible.

The established camps are: Camp Friendship, Annandale; Camp Eden Wood, Eden Prairie; Camp New Hope, McGregor; Camp Courage, Maple Lake; Camp Courage North, Lake George; Camp Vanasek, Brainerd; Inspiration Point Camp, Clitheral; Ironwood Springs, Stewartville. These Camps are all located among woodlands featuring lakes, wide-open spaces,

waterfronts, hiking trails, fire pits and most have year-around recreation opportunities.

It does not matter in which era the soldier served, starting with WWII and right on through Korea, Viet Nam and the recent wars in the Middle East. All U.S. veterans and their families are welcome at our camps. As stated, all services are free and financial concerns will NEVER prevent us from offering our services to soldiers and their families. In some cases, there are gas cards available.

All of the staff members are volunteers, and there is no administrative cost. Absolutely no cost is passed on to the attendees at these camps. As an added touch families are presented with a hand-made quilt at the end of their week end. Again, volunteers have made the quilts and donated them to the camps.

Project New Hope began its journey back in 2007, and one of the driving forces behind this newest Lions project, was Lion Dale Johansen of the Underwood Lions. Lion Dale, himself a Viet Nam veteran realized that returning veterans often need help and he has worked tirelessly toward that end. At the moment there is work taking place in other states to urge them to follow Minnesota's lead and provide much-needed assistance to our returning heroes.

Project New Hope is a most deserving project and the Lions of Minnesota ask for your help in supporting returning veterans who have risked their lives on a daily basis for us here at home. Please help the Lions Clubs of Minnesota help our returning veterans. Lion Darlene Wondra, a member of the Montgomery Lions Club, is District 5M-2 chairman of Project New Hope. You can contact Lion Darlene at Montgomery or write to: Project New Hope, 21008 Co. Hwy. 35, Underwood, MN 56586.

### Viewing Forward

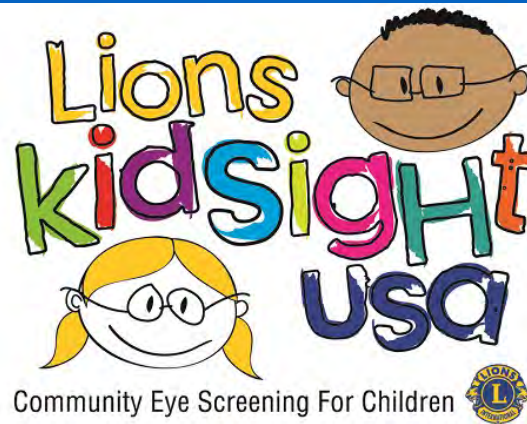

#### MN Lions Vision Foundation

Good news for the Vision Foundation! We are honored to partner with Camp Confidence in organizing the raffle, silent auction, and live auction at Multiple Convention "Canoe with 5M2" in Mankato next April. Raffle tickets are available (yes, we will find you so that you may purchase!) and now the silent auction items are being gathered.

Club presidents have received a letter suggesting that clubs or individuals might be supportive by planning a donation. Read for details. Winter is coming - might be a good time for crafters, woodworkers, needleworkers, etc. to think about a project. We will be at Midwinter to collect what you might offer. Your donation will be pure profit for

the Vision Foundation. Each district will provide the value of two "baskets" but, as hosts, it would be cool if 5M2 could add and make this a very enticing auction. You are welcome to contact either Lion Diana or Lion Mary with questions or your planned donation. Considering ongoing needs and our pledge to equip the new surgery center, your donations are so appreciated!

Observation - this fall we have received several requests for new eyeglasses collection boxes. We always have a supply on hand. Please call/email either one of us so that we can update your supply. Happy to put clean new boxes in your communities. It was fun to see so many of you at Thanksgiving for Vision. Remember that Lions Diana and Mary are your Vision Foundation reps willing to visit your clubs - dianakroells@embarqmail.com or mkspille@embarqmail.com.

If you could save a child's sight with the press of a button, wouldn't you?

That's the idea behind Lions KidSight USA, a new national initiative announced by Lions in the United States. Lions KidSight USA was launched to help ensure that children between the ages of six months and six years receive vision screening and professional follow-up care when needed.

To accomplish this, KidSight USA will work with new and existing screening programs to get more handheld screening devices into the hands of Lions—and more kids in front of them.

"KidSight USA is an important national initiative that will help families protect the eye health of their children," said International President Joe Preston. "It builds on our proud history of saving sight and our belief that all children deserve to see the world clearly. With the help of Lions, we hope they will."

Lions KidSight USA wants to reach kids early because some vision problems can become permanent by age seven. But vision issues can be easily detected with hand-held screening devices that even generate the results on-site. With only a few minutes of training, Lions and volunteers can learn to screen the vision of a child. Lions in the U.S. currently screen more than 500,000 kids per year through state and local programs often known as "KidSight." Lions KidSight USA wants to expand the number of screening programs so Lions can change the lives of even more children around the country.

I am privileged to be part of the team that is in the process of developing a comprehensive plan to bring KidSight to MD5M. Working with the Minnesota Lions Vision Foundation, we recently purchased our first optical screener from Welch Allen, and received training on its use. We will also be evaluating the latest screener from Plusoptix. We are currently exploring partnerships with Head Start and the Minnesota Child Care Association. Look for more information in the near future as this exciting Lions project makes its way to our District 5M2 and all of MD5M!

## *Calling all Courageous and Crazy Lions in 5M2*

5M2 is looking to put together a team of 10 or more Lion “Plungers” from the district who are:

Looking to have fun!

Not afraid of a little “cool” water!

Willing to tailgate!

But most importantly, willing to help MN Special Olympics to raise funds in order to support more than 8,100 Special Olympic Minnesota athletes across the state. Wouldn't that make you feel “warm” inside?

The Polar Plunge takes place Saturday, February 6<sup>th</sup>, in St. Peter at Hallett's Pond. The Lafayette Lions have taken part in this for many years and will take the 5M2 group “under their wings”. If we can put together a team (and wouldn't be awesome if we had some representation from each zone or club??), we would like to put a challenge out to the other districts in the multiple. If you would like to make a difference in the life of a Special Olympic athlete, please let me know as soon as possible so we can start planning!

## LIONS' CLUBS NEWS AND ACTIVITIES

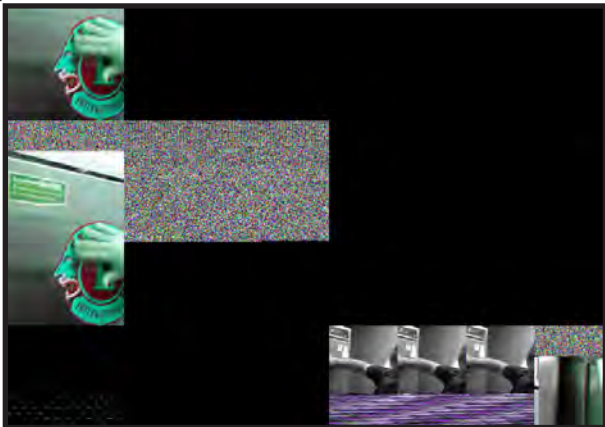

### JORDAN LIONS

We had a good year financially and have made several substantial donations to area groups, including the Boy Scouts, the Jordan Food Shelf, and the Jordan Softball Association (JSA). We provided money to the Jordan Boy Scouts to buy a new trailer to haul their gear (the Lions are their chartered organization) as they have outgrown their current trailer. We purchased a new freezer for the Jordan Area Food Shelf to replace one that had died. We donated money (and future labor) to the Jordan Softball Association to build a pair of covered dugouts for one of the softball fields in Jordan. Those will be built next Spring.

## NEW ULM DIABETES WALK

The Lafayette Area Lions Club from District 5M2 and the Lions Club of New Ulm from District 5M3 joined forces to hold their first annual "New Ulm Diabetes Walk" on October 10, 2015. Fifty walkers participated and over \$6,700 was raised for the Minnesota Lions Diabetes Foundation which will be used to find a CURE for diabetes.

We hope that our success encourages other Lions Clubs in Multiple District 5M to hold similar events to raise money for our very worthwhile cause.

*Pictured is MLDF Trustee, New Ulm Lion Bob Schirlinger, left; and Lafayette Area Lions Club President, Lion Bob Wise, right; presenting a check for \$6,685.04 to MLDF Trustee, Lion Kevin Blank, center; who is accepting the check on behalf of the MLDF.*

### JORDANESS LIONS

The Jordaness Lions hosted a Liberty Day Program on November 11th at the Jordan High School. In the celebration, support, and thanks giving to our Veterans, 40+ Veterans, Brigadier General William Lieder, Sgt. First Class (retired) Scott Adams, Senator Eric Pratt, and Representative Tony Albright were in attendance and participants in the program. JHS students and local Jordan residents attended and the JHS band and choir performed musical selections during the program. It was a beautiful program and we thank all of our Veterans for their service!

District Governor Marvin Grimm and Lion Evelyn were present for the program as well.

The Liberty Day service project is something that the Jordaness Lions do every other year and a lot of planning goes into making this a memorable program for the attendees, participants, high school students, and of course the veterans.
