## DG MARVIN'S WOOD CUTS

As I write this May newsletter article, I am looking out the window and wish I was out working in the yard & garden. We are having an unbelievable stretch of weather. It is very dry here in Carver and we could use a good soft rain. Some of the garden is planted with some radish and beets poking out. The garden and yard work are a good relaxing

therapy for me.

The Journey for Service is over. It was a busy tow and one half days. 700 miles, all 64 clubs with some Leo's clubs also. Not all clubs were ready for us, but were told "the checks in the mail". Hopefully all clubs will respond for 100% Journey for Service giving. Thanks to the clubs that provided food and special treats along the way.

Congratulations to the "Zone Lions of the Year" awards. This is a special honor to be chosen and you all deserve the honor. For Lions not chosen, clubs, you can honor them with the "Club Lions of the Year". Show your appreciation for what these Lions do.

Included in this newsletter will be a form for the Club Secretary award and also Club Excellence award. Go over these form and see if you can qualify. Check the due date and get them filled out and sent.

It is not too late to register for the USA/Canada Lions Leadership Forum. The 2016 date is September 15-17 and the Forum is in Omaha, Nebraska. Omaha is not too far from our District, so give some serious thought to attend. The forum has a great list of seminars, great speakers, entertainment and fellowship with Lions from USA and Canada. A great opportunity to become better informed as a Lion and meet new Lions. For more details and registration visit: [www.lionsforum.org](http://www.lionsforum.org)

You will not be sorry for attending this event.

### PENULTIMATE POINTS

DGE Steve Wasserman

#### Zone Lion of the Year

First off, I want to congratulate all of the Zone Lions of the Year. Every one of them is truly dedicated to our Lions' Motto "We Serve!" and to our Centennial Motto "Where There's a Need, There's

a Lion". It has been a great honor and privilege to choose and present the awards (Full disclosure: 1st VDGE Nancy Mathwig judged the Zone 6 entries for me, as that is my zone). I hope that you take the opportunity to congratulate these Lions and thank them for all they do for their community:

- Zone 1: Ken Merrill, Silver Lake Lions
- Zone 2: Jay Molnau, Chaska Lions
- Zone 3: Wendy Goldsmith, Veseli Lions
- Zone 4: Kevin Blank, Nicollet Lions
- Zone 5: Kim Schwich, Green Isle Lions
- Zone 6: Norma Musel, Faribault Lions
- Zone 7: Ann Coleman, Mankato Sunrise Lions
- Zone 8: Andy Lerberg, Ellendale Lions
- Zone 9: Lioba Forman, Albert Lea Lakeview Lions

#### Club Officer Training

I am really looking forward to the upcoming Club Officer Training being offered on May 22. We will once again be holding the training at Bethany College in Mankato. That means that we will be able to offer real time, hands on training to club secretaries in the computer lab.

I will be leading the training for club presidents, vice presidents and board members this year. I am excited about the opportunity to present details of incoming International President Bob Corlew's theme as well as my own goals and plans for next year. I will also be announcing several new district programs that we will undertake next year. These new programs will provide some specific steps that we can take in our clubs to help achieve our goals of growing our clubs and providing more service.

District GLT Coordinator PID Debra and I have set a goal to have 100% of the clubs in the district participate in Officer Training. Help us meet that goal!

#### REMINDER – CLUB SECRETARIES!

Once your annual election of officers is held, you will need to complete the PU 101 form for both Lions Club International and for District Governor Marv. You can complete the form one of two ways:

- Following your elections, go to LCI and log in to My LCI. Under My Lions Club, Officers, Select term – next year and add your new officers. Then go to Reports, Lions Club Officer Report for Next Year, print and either email or hard copy mail to DG Marv Grimm at 523 Skyview Ln, Carver, MN 55315. District Governor Marv needs to have the form no later than May 1st in order to forward it to the multiple Executive Secretary for the Multiple Directory.
- The second way you can complete the PU 101 is to fill in a hard copy form and mail that form to DG Marv. A downloadable copy of the PU 101 form can be found on the district website under Forms and Award Applications.

Cheers to the committee and workers to make a successful Multiple convention.

Cheers to all the new members that have been inducted into Lions in the 5M2 District.

Cheers to all the spring projects, pancakes, bingo, etc. that the Lions worked at.

Cheer to the members who stepped up to be officers for 2016-17.

Cheers to all the Lions who attended their Zone meetings.

Cheers to Amboy Lions Auction where home-made pecan pie sold for \$85.

Cheers to all the Lions who were on time and at the right place to meet the Governor for Journey for Service.

Cheers to Gordy Affield for driving for 2 1/2 days for the Journey for Service.

Cheers to Mankato Sunrise for being the first club to get their PU101 Officers report to DG Marvin.

Where has our Lions' year gone? By the time you read this article, all spring zone meetings will have been completed and the Multiple Convention, hosted by District 5M-2 will be part of history and I'm sure a big success! A huge thank you goes to everyone in 5M-2 who helped in any way

with the Multiple Convention - from donations of money or raffle items to your time at the convention or before the convention to your attendance at the convention to support the district. Many hours have been spent by our awesome Convention Planning committee to continue 5M-2's reputation for a fun and exciting convention!

As we look to our final two months of the Lions year, think about how your club is participating in the 100 year celebration of Lions Club International. Have you planned a Legacy project? Are you remembering to document your club projects that fall into the four Centennial Service project areas on your monthly report to LCI? Is your community aware of that Lions Club International is celebrating 100 years of service in your community and around the world? Check out the many ideas and information that LCI has available on their website under [www.lionsclubs.org](http://www.lionsclubs.org), Lions100.

### MN Lions Vision Foundation

Time flew by this month - my excuse for an extra short message. No worries though! Check out all the information you want about MN Lions Vision Foundation. Our new website (thanks to Lion Jennifer Marshall and staff) is a wealth of interesting information. Check out [www.mlvf@mnlionsvisionfoundation.org](http://www.mlvf@mnlionsvisionfoundation.org). History and background information, projects, current directors: it is all there! A website well worth the surfing.

Fun project to consider: State Fair season brings opportunity for MLVF and MLHF to sponsor a booth in the Education Building. 5M2 is responsible for staffing on Friday, August 26. Two hour

shifts to greet fair goers and to share your enthusiasm for Lionism. If you are interested, give Lions Diana and Mary (vision directors) or Lions Arline and Jeff (hearing directors) a shout. Volunteers most welcome!

Next month we will share with you the financial results of the Raffle/Silent Auction at Multiple sponsored by MLVF and Camp Confidence. Districts, clubs and individuals have given generously to our efforts.

Together "WE SERVE" continues. Remember that Lions Diana and Mary are your Vision Foundation reps willing to visit your clubs - [dianakroells@embarqmail.com](mailto:dianakroells@embarqmail.com) or [mkspille@embarqmail.com](mailto:mkspille@embarqmail.com).

**Celebrating  
Riding**

**years of service  
miles for those  
who served**

Are you ready to have some fun? Are you ready for the Dist. 5M-2 Bike-a-Thon? Are you ready to support Project New Hope and help our Combat Veterans? ARE YOU READY TO RIDE?

Why not answer all of these questions with a resounding YES! Make plans now to ride in the 100-mile Bike-a-Thon that will be held this fall on Sept. 24th. The Bike-a-Thon is being hosted/planned by the Waterville Lions Club, and the 100-mile trek will take place on the Sakatah Singing Hills Trail, that stretches from Faribault to Mankato in beautiful southern Minnesota. All of the funds raised by this Bike-a-Thon will go towards the Lions Project New Hope, which has set up several Veterans Retreat Camps around the State of Minnesota. Our goal is to assist our returned Combat Veterans to adjust back into civilian life after putting their lives on the line for US as they have served our country. These week end Retreat Camps are FREE to our Combat Veterans and their families, with counseling available if desired. We, as Lions, can lead the way in helping them to re-adjust to civilian life!

It is expected to get the Bike-a-Thon underway at approximately 6:15 a.m. on Saturday, Sept. 24 (depending on the weather of course). With decent weather the early start will enable us to complete the Bike-a-Thon by 6 p.m. or thereabouts that evening. We will have at least one 'sag wagon' traveling along the route to haul any bikes and/or bikers as they need a break, we will have 'Host Lions' at several stops along the way with cold water, refreshments, advice and encouragement. Lion Lori Klein, a member of the Faribault Lions, has agreed to act as 'Head Information Lion', working out of a vehicle at the starting point in Waterville. All riders will sign in with her, she will be the collection point for all funds donated to the project, and will know the approximate location of the main group of riders at all times and the approximate time that the group will arrive at various points along the route. Her 'office' will be located at the starting/finishing point of the Bike-a-Thon--the parking lot south of the Waterville School.

Remember, this is a 100-mile Bike-a-Thon. It is not a race, it is not a 'must ride all the 100 mile' route and it is not expected that all riders will stay in a 'group'. Riders will proceed at their own pace, they can start riding and cease riding at any point along the route. We would like 100% participation (but it is up to the individual clubs) of the Lions Clubs in District 5M-2. It is planned to be a day of Good Exercise, a day of Great Fellowship, a day of fresh air and a very good time --- and all for a Very Good Cause! Come ride with us on Saturday, Sept 24th . . .

There will be attractive yellow t-shirts available at a cost of only \$10.00. Future issues of this Newsletter will give you the following information:

- Alternate Date (due to weather) is Sunday, Sept. 25.
- Map of Trail w/ mileage between various points along the trail and specific route for 100 miles.
- See Bike-a-Thon poster among advertisements in back pages of this Newsletter.

## CAN DO CANINES

Thanks to the support of Lions Clubs across 5M, Can Do Canines continues to train specially trained dogs for people with disabilities and provide them free of charge to those in need.

One recent recipient of a Can Do Canines assistance dog is Kelli Heimerl. Kelli now has a greater sense of freedom, independence and peace of mind thanks to Mobility Assist Dog Justeen. Read their story below.

### KELLI HEIMERL & MOBILITY ASSIST DOG JUSTEEN

Kelli Heimerl of Chaska, Minn. had been searching for the official diagnosis to her symptoms for a long time. It began when she simply felt a "little off" in various ways, but she couldn't quite put the pieces together. After consulting with various doctors, an official diagnosis was finally reached – Parkinson's disease.

Kelli struggles with balance and muscles contortions, and sometimes, she has trouble getting all the words out which she means to say. "I can spell the word, I can see the word, but I can't exactly speak the word," Kelli says. "Pretty much if it's a symptom of Parkinson's, I've been blessed with it."

So to help with her many issues she applied to Can Do Canines and was paired with a two year-old black goldador (a golden retriever/Labrador retriever mix) named Justeen. The ability for Justeen to hand her items has been an incredible gift.

"Justeen is constantly picking things up off of the

floor for me, because I'm always dropping them," Kelli explains.

In addition to picking up dropped items and helping to unload the groceries at home, Justeen also helps Kelli feel more comfortable in public. Now that she has an assistance dog, she says she receives immediate assistance.

"They can see that I'm shaking, and for some people, seeing Justeen validates that I have an illness," Kelli says. "Very few people know what Parkinson's is, so she's become an incredible ambassador for me."

Kelli is overwhelmed with thanks to everyone who helped raise, train, and eventually bring the two of them together.

"I appreciate every moment of the last one year, ten months and twenty eight days Can Do Canines gave me," she says. "Justeen is the most kind, patient, and loving dog."

Timothy James Lindbo (Timmy), age 37, of Prior Lake passed away Friday, April 15, 2016, surrounded by his family. A memorial service will be held Monday April 25, 2016 at 11:00 with visitation starting at 10:00. Services will be held at St. James Lutheran Church, 3650 Williams Drive, Burnsville, MN. Pastor Walt Lichtenberger will preside. On May 16, 1978 Tim and Jill Lindbo celebrated the birth of their son, Timothy James Lindbo. He was the third of four children. From a young age, Timmy loved exploring the outdoors with his brother and sisters. They spent countless hours at the family's cabin in Alexandria. During the summer months, the children would fish and swim. In the winter, they could be found snowmobiling on the lake. Often his grandparents Jackie and Jim Miller would spend months at a time with the family at the cabin. Timmy's grandpa Jim encouraged his interest in carpentry and woodworking. Over the years these skills were used by Timmy to help his family with many home projects. Timmy attended the Minnesota Academy for the Blind in Faribault where he graduated in 1997. He continued his education at both Hennepin Technical College and Dakota County Technical College. He received an associate's degree in Retail Management.

Timmy was a proud member of the Prior Lake Lion's Club, where he recently served as president. He enjoyed the special camaraderie the organization offered. An annual highlight was the Mid Winter Convention. Timmy was fortunate to always have his family, and friends, especially Scott and Randy to share his passion of the outdoors with. Some of the activities he enjoyed the most included ice fishing, spring turkey hunting, the annual fishing trip to Lake of the Woods, summer fishing at Leech Lake, the fall pheasant and duck hunts with Capable Partners and most of all deer hunting on his land. In 2002 Timmy purchased land in Hill City and began to build his cabin combining his love of the outdoors and building. With the help of his brother Matt, his father and their close friend Randy the cabin was soon completed. Timmy and his dogs, Casey and Remer proudly hosted family gatherings. Every fall he invited family together for a 4-wheeling weekend. Family was everything to Timmy, especially when it came to his nieces and nephews. In 2014 the entire family took a trip to Mexico where they went swimming with dolphins, deep-sea fishing, and enjoyed time as a family.

## Lions District 5M-2 BIKE-A-THON

Are you ready to ride?

Are you ready to have some fun? Are you ready for the District 5M-2 Bike-a-thon? Are you ready to help our Combat Veterans adjust back to Civilian Life? Why not answer all these questions with a resounding YES and make plans to ride in the 100-mile Bike-a-Thon that will be held this fall, **Saturday, Sept. 24**. All proceeds and funds raised will go towards our Lions' Project New Hope, which has set up veteran retreat camps around the State of Minnesota.

Celebrating 100 years of service.  
Riding 100 miles for those who served.

The Bike-a-Thon is being hosted/planned by the Waterville Lions Club, and the 100-mile trek will take place on the scenic Sakatah Singing Hills State Trail. Depending on the weather, riders will be heading out about 6:30 a.m., thus allowing to be completed by 5:30 p.m. or 6 p.m. that evening. There will be "sag wagons" for relief if needed, fresh water along the way. A lot of Bike-a-Thons require prior registration—we DO NOT. Often there is a registration fee for participants in marathons—there WILL NOT be a "fee" for ours. Quite often a goodly portion of funds collected go towards administration and / or expenses—NOT OURS as at least 95% of the funds collected will go to help our Veterans via Project New Hope!

For good exercise, a very good time, good fellowship and a lot of fresh air—get that bike out of the basement, garage or storage area and come join us for a Great Time and a Great Cause.

Our Combat Veterans put their lives on the line for us every day. We, as Lions, can lead the way in helping them to readjust to civilian life.

## Support Project New Hope!

Proceeds will provide FREE weekend retreats for veterans & their families to aid in rehabilitation to civilian life. Counseling is available.
