## Driven to Serve

Lion Brian Thies, District Governor

Wow where did time go. District Governor Diana's journey has ended and my journey is just beginning. It seems like just yesterday I announced my running for 2nd VDG at a cabinet meeting in St. Peter. Thank you PDG Diana for your service to our wonderful district. After the year that you had, my wish is for you and Lion Duane to have some peace and quiet to enjoy family, friends and all the things you put on hold for our district.

As I begin my journey as District Governor, I feel we have an opportunity to make 2019-2020 a GREAT Lions Year. We have put together an awesome team to lead 5m2 with 1VDG Anna, 2nd VDG Glenn, our spouses, Zone Chairs, dedicated cabinet members, club officers and club members such as yourself. We will have the opportunity to share fun, laughter, smiles and even a few hugs.

I want to give a special Thank You to PDG Marvin Grim for volunteering to be the GMT Chair after the passing of PID Maynard Rucks. Once again PDG Marvin epitomizes the Lions motto we serve. When a Lion sees a need, they step up and see the opportunity for service not the challenges. PDG Marvin saw the need for someone to fill the role, stepped up and said "I can do that". PID Maynard's friendship, leadership and knowledge of Lionism will be missed for years to come. He left huge shoes to fill, but I know there are Lions ready to step up and see the opportunity of service and say "I can help with that."

I would like to introduce a summary of my goals for the coming year. During my DG training we spent many hours formulating goals for not only my personal year as District Governor as well as goals for the district. I know by working together these goals will be attainable but only with YOUR HELP.

1. All clubs will have at least 20 members by 2020.
2. Add 100 new members in the first 100 days of the Lions Year, starting July 1.
3. Host a New and not so New Member Celebration at the Mid-Winter Convention.--More details will be coming in the newsletters.
4. New Member Contest. This was announced at the Club Officer Training in Mankato. I will be awarding to the Lion who brings in the most new members between now and December a free meal package to the Mid Winter Convention in February. The club with the most new members will also receive a Free Meal Package to be given to the Lion of their choice. Now's the

time to start recruiting. Let's see how many members we can add.

Please take a few minutes at your next club meeting and set up some club goals for the upcoming year and even a 5-year goal.

Some club goals could be as follows:

- If your current membership is under 20 members, one goal for your club could be to be at 20 members in 2020.
- If you have the same slate of officers every year, get some new people to step up and fill a different role. Fresh, new eyes bring different ideas and insight to new service projects and even how we conduct old projects. Give the newcomers an opportunity.
- Set a goal of one new service project.
- Upgrade or improve upon an existing service project.
- Complete a community needs assessment. This may quite possibly open your eyes to new projects and new members.

### Get Your Lion On!

Lion Anna Wickenhauser  
1st Vice District Governor

As I think about the past Lions year, I am amazed at how fast it has gone...

The people that I have met, places that I've had the opportunity to visit and the things that I have learned along the way, all because I joined the Lions. The fact is with the flexibility of the organization you really can make it Your Club Your Way. The ability to customize your involvement, be it from working 1-2 events per year to taking it even further and maybe becoming a District Governor or going higher up the Leadership Ladder???? It all stems from what time, desires and resources are available to you as you are a member of a club. I never aspired to be in any Leadership role when I joined-just wanted to have fun while helping out when I could. I never even wanted to be in charge of anything-too much responsibility...

Well...things happen and plans change-my way of thinking changed. I have so many people to thank for their mentorship, advice and letting me make mistakes along the way.

When this newsletter comes out, I will be packing and

Don and myself will be flying off to Milan to watch DGE Brian take office. We will be celebrating our 26th Wedding Anniversary, my birthday, Don's birthday Christmas and all the other Holidays in between there...I will only hold one title 1st Vice District Governor until the Midwinter Convention. I would be remiss in not giving my heartfelt gratitude to DG Diana. She proceeded to lead our District with her soft-spoken grace and wit and I envied her the calming manner in which she always presented herself-this is something I need to learn;) I was constantly amazed by her lack of sleep! Maybe now that her year is over she can catch up on some rest..lol

I also want to thank the Cabinet for their diligent work and their support. My club for their financial support and their willingness to accept that Don and I are going to be gone a lot for the next couple of years. The Clubs that let me "practice" on them with doing their Installation of Officers-they were good sports. I look forward to working with DGE Brian and 2VDGE Glenn-and most of all I give THANKS to my family and friends for going along with me on this crazy ride...

WooHoo

- Check with churches, schools, cities, counties, hospitals and assisted living facilities. They have needs that we can meet, but we just aren't aware of them. They often won't come to us and ask, however they will tell you if YOU ASK THEM. There are many opportunities to serve people with special needs, possibly a wheelchair ramp, visual aids to help with those losing their sight, technology in the school. Many, many opportunities that are out there, we just have to ask.
- Volunteer to co-sponsor or help another service, volunteer organization in your community with a project. Serve beside them, you may find a future member and realize that our goals are not that far apart.
- Enter service/fundraiser projects in MyLion. These services numbers can be a recruiting tool. Think about the impact you can have on a new member when you say you serve over 50 people per member.

Goals are a way to measure our success and see how well we have done. Let's set a Goal to have a Great Year Together. Go Lions!

### My Introduction...

Lion Glenn Kaufmann  
2nd Vice District Governor

Hi Lions. I wanted start this first newsletter of DG Brian's year as District Governor to share a couple of things about me and why anyone should care. It's been awesome being a Lions for the last nine years, but I still have a bunch to absorb. Additionally, my club in Chanhassen (Carver County) has only been part of

5M2 for four years, so I don't have the deep relationships developed that some of the established members of the district do. I'm here to work on that.

I'm the oldest of ten children and my family moved some when I was young. My last move was to Gaylord, where my family now has pretty deep roots. I'm proud of those roots, and am proud of the 20 years I spent around the

world in the Air Force. Anytime you want to swap war stories, just ask. After I retired from the military I settled in Chanhassen where I now live with my wife, Lion Lisa. When I'm not working a Lions project, I love all things Vikings. SKOL! I also enjoy presidential history, my butterfly garden, and a good beer.

My intent is to use this newsletter to share information and tips that I wish someone had told me earlier in my Lion's adventure. For example, did you know that if you've been thinking about how to fund a club project in your city, LCIF Grants are available for some efforts? Members of the 5M2 cabinet can help you walk through the grant process, when warranted, and answer questions you may have.

I'm excited to see what the new role has in store for me, what I can learn from everyone, and what I can bring to the table for DG Brian and the rest of the 5M2 Lions.

## Lions Clubs International FOUNDATION

Lion Debra Wasserman, 5M2 LCIF Coordinator

As one Lions year ends and another begins, it's a good time to think about our SERVICE as individual Lions and within our clubs. SERVICE goals are being set for clubs, and we can do the same as Lion members. What SERVICE projects might we enhance or initiate as a club or individually? What more can each of us do to support our communities, our club and the SERVICE of Lions here and around the world?

### CHALLENGE MET

During the 2018-2019 Lion year **EVERY** club in District 5M2 donated to LCIF. Last Fall I offered a challenge to clubs to consider increasing their Parade of Green contribution by 10%. I assured you that I wasn't going to keep score or scold clubs if they didn't increase their donations...and I'm not. Parade of Green donations totaled \$18,391

At other points during the year many clubs also made donations: The Journey for Service, as memorial gifts and for other reasons. Our District's total LCIF donations for the 2018-2019 Lions year are more than \$47,624.

### NEXT CHALLENGE

Quite a few of you made personal pledges and/or donations to LCIF Campaign 100. Here's an idea for increasing the number of us who are contributing personally to LCIF. If each of us dropped a quarter in a designated container every day, and one more quarter once a week, you'd have \$100 at the end of the 2019-2020 Lion year. You could then write a check to LCIF. If you like paper money better, you could drop two \$1 bills in that container each week and get to that \$100 total. You probably have a Lion mug or glass somewhere in a cupboard just waiting to be used for change collection. Check out the pictures below. There is \$50 in quarters shown. Guess I'll have to start a second mug.

Watch for articles in future newsletters to learn about what your \$100 can do to change lives.

- Personally support LCIF with an annual donation of US\$800.00.

## Viewing Forward

### MN Lions Vision Foundation

Happy summer, everyone. Not a lot of news this month so a perfect time to talk eyeglass recycling. When autumn comes, kiddos may need new glasses. Oldsters may notice time for new prescriptions as we settle into winter reading and crafts. So recycle, please!

MN Lions Eyeglass Recycling Center (MLERC) is located in Sauk Rapids. Since 1992, this center has brought their traveling truck to Midwinters and loaded up all the supplies we bring on that date. They also come to quarterly meetings of the MN Lions Vision Foundation. This means that Lion Christy and I are able to deliver collected boxes four more times each year. This spreads processing time throughout the year for MLERC's dedicated volunteers.

The personnel at MLERC have several hints to make recycle collecting efficient so that the glasses can then be delivered to Rosholt, WI for processing and grading. So, here are great hints to prepare your deliveries. Usable glasses are those with both lenses intact and bows not broken, both plastic and metal (adult and child sizes), non prescription sunglasses (including clip-ons), readers, broken metal frames. BUT, do not

send loose lenses, broken plastic frames, and cases for glasses. There are not funds to ship the bulkiness of cases – sorry.

There is a great detailed info sheet about this need at <https://mnlrc.org> Be prepared to be amazed at the great needs that our Lions help to meet.

At any time, please give either Lion Christy or me a shout so that your treasures can be delivered to us efficiently. Remember we always have clean boxes available. AND we also collect hearing aids – we transfer those to MN Lions Hearing Foundation. We will attend our annual training and quarterly meeting on July 25 so we are ready to take any boxes now.

One way MLVF shows appreciation and recognition to you is the Helen Keller Award program. Honoring members and townspeople is a great way to say thank you. If you wish to check your club balances, give Lions Mary or Christy a shout.

We are anxious to visit your clubs and share the passion of Lions' original mission. As directors, we continue to View Forward. Our past is great and our goals will continue to be met. We are your directors ready to serve. Give us a shout – [maryspille@gmail.com](mailto:maryspille@gmail.com) or [christy1135@gmail.com](mailto:christy1135@gmail.com). Together, "WE SERVE" continues.

## Hearing Foundation News

The 2019 8th Annual D Feet Walk is over. It was a great day, good weather, our highest attendance to date and everyone was having fun and enjoying the day. Thanks to 5M2 clubs and Lions for sharing the day with the Hearing

Foundations largest fundraiser. The numbers are not all in yet, I will share more in coming news articles. It was great to see some first timers and new clubs represented. Thank you. The Trustees are already looking and planning ways to make 2020's event even better.

I am happy to announce our new Hearing Foundation Trustee for 5M2. Lion Vern Breamer from Minnesota Lake Lions Club along with Lion Darlene as his support and helper. Lion Vern has been involved with the Hearing Foundation in the past with his wooden cars that he makes and donates. Lion Vern received the Hearing Foundations Bob Harms award in 2018. So welcome to Lion Vern. Lion Vern and Lion Marvin will be sharing the trustee duties in 5M2. We will be ready to come to speak at your meetings, just email or call to schedule a time.

# BLINDNESS CHANGES EVERYTHING

For people who are blind or visually impaired, the loss of sight is only the beginning of a life-changing reality. As everyday tasks become daunting, these individuals often become depressed, anxious and isolated.

Sadly, the number of people who are blind or visually impaired grows every year.

## WORLDWIDE

285,000,000

People are visually impaired

39,000,000

People are legally blind

## UNITED STATES

1,300,000

People are legally blind

75,000

People will become blind or visually impaired this year.

### Based on those whom are Blind:

90% live-in low-income settings

60% of those who are working age are employed

43% live with depression

10% travel independently with a cane or guide dog.

These statistics makes everyday tasks difficult to complete, such as work, visiting family, connecting with friends, or even running errands.

We as Lion's can impact these statistics by directing visually impaired individuals to programs such as Leader Dog. We can educate, but we somehow need to change society to be more acceptable of people in need and become a friend to the visually impaired. With Diabetes increasing in numbers in the US these numbers will only continue to rise. We as Lion's must take on the role of "change".

On behalf of the 5M2 District, I would like to thank Lion Rick Wagoner from Waconia for his leadership the past few years and being instrumental in getting Kidsight started in our District and Multiple District. Replacing PDG Rick will be Lion Pam Koenen from the Alden Lions. Her contact information is email [pkkoenen@gmail.com](mailto:pkkoenen@gmail.com) Phone 507-383-5344 mailing address is 62702 150<sup>th</sup> Street Alden Minnesota 56009. So, after July first please contact Lions Harry Klenke or Pam.

Secondly, we had a few who could not make the training in April. We have an opportunity for "free use" of a building to present another "Kidsight Training session." Our district had to pay for the use of the Jordan site. I know summer can be busy, but with the start of the new school year, our Kidsight cameras are in constant use. This is really the only time we can do this prior to next spring. So that is why we are offering a summer training session. It will be held in Winsted Minnesota. Also, flyer elsewhere in newsletter. I will be asking Lion Steve to contact club secretaries and informing them also.

Thirdly, our District will be taking a day at the State Fair for doing Kidsight Screenings during the fair. The more Lion's who volunteer will shorten the shifts we need to schedule to fulfill our commitment to the state fair program KARE 11 highlighted our program during the State Fair Saturday broadcast this past year. The districts who participated last year did such a great job; we were asked back for this year. 5M2 did not participate last year so this will be our first year at the State Fair. Our State Fair date is Thursday August 29<sup>th</sup> at the KARE 11 Health care Building. Please contact Lion Harry with numbers, we will get free tickets from the fair, but parking is on your own. So, need RSVP's early to obtain free admission tickets. I will need shift preferred, second shift preferred, and third shift preferred. If we get enough volunteers, maybe we can get by with 2-hour shifts. We need at least 6 per shifts to allow for breaks. You DO NOT need to be trained on Kidsight camera to volunteer. RSVP early to get choice of shift. Shift times below.

## **BUG REPELLENT ALTERNATIVES**

A big part of the Minnesota environment are the unique creatures that can be found within it, and for Minnesota summer that means one overwhelming population: BUGS. Minnesotans are familiar with our summertime ‘companions’ and know all too well the burden they can cause. Common bug repellents can be an easy solution but many also try to avoid over the counter products for various reasons (use of chemicals, fragrances, or natural substances that can all cause irritation to sensitive skin and often times leave unpleasant odors, etc). For those looking to venture away from commercial products there are some DIY at-home options that can be tried:

**YOUR GARDENING SELECTION:** grow plants like lavender, thyme, mint, basil, and citronella near areas you and your family may be spending time outside. These fresh plants can make for a great repellent in a quick pinch!

- rub the flowers/leaves/oils on exposed skin (neck, underarms, behind ears)
- any member of the mint family can work to repel bugs (peppermint, spearmint, catnip, pennyroyal, etc)

**VINEGAR TICK AND INSECT REPELLENT:** (will smell when wet, generally disappears when dry)

-mix 32oz bottle apple cider vinegar, 2 TBSP each: dried sage, rosemary, lavender, thyme, and mint into a large glass jar. Let sit, sealed: shake well each day for 2-3 weeks. After 2-3 weeks strain herbs out and store liquid in spray bottles (preferably in fridge). TO USE ON SKIN: dilute to half with water

**FRESH/DRIED HERB SPRAY:** Boil 1 cup of water and add in 3-4 TBSP herbs (suggested options: peppermint, spearmint, citronella, lemongrass, catnip, lavender). Mix well, cover, cool. Strain, mix liquid with 1 cup of witch hazel OR rubbing alcohol. Store in spray bottles in cool place.

\*note: in 1998 and again in 2014 the US EPA reviewed the use of DEET and deemed it safe to use as insect repellent if used according to instructions
