### I AM NOT SUPERMAN

The title of this article may seem self-evident, but in certain respects I think we all tend to overestimate our ability. I certainly have done so on occasion.

I was diagnosed with Chronic Lymphocytic Leukemia (CLL) in 2003. Fourteen tubes of "venous specimen collection" and a FISH test at the Mayo Clinic confirmed the diagnosis, and established that I had some favorable genetic markers and some not so favorable. While I was initially quite worried, a visit with my oncologist and some research on the internet convinced me that it was not quite time yet to get my affairs in order. My doctor put it thusly: "You will probably live into your 70's and die of something else". No treatment was necessary, and so began 13 years of what they call "Watch and Wait", making it easy to pretend to be superman.

The consequences of Leukemia include a buildup of old White Blood Cells, resulting in enlargement of Lymph Nodes and Spleen, and a decrease in red blood cells and platelets due to the overcrowding of the blood with white cells. The primary symptoms that I experienced were susceptibility to infection due to my white cells being many but dysfunctional, and frequent fatigue due to anemia caused by the decrease in red cells. Still pretty easy to play superman most of the time.

Chronic Leukemia doesn't go away, and it doesn't get better. It gets worse until you find what you were watching and waiting for. My white count topped 250,000 (it's supposed to be 8,000-11,000) and my hemoglobin dipped below 10 (it's supposed to be 12 - 15). My spleen more than doubled in size, and many of my lymph nodes were significantly swollen. I had a harder and harder time fighting off my increasingly frequent infections and allergies, I couldn't eat much without experiencing gastric reflux due to my swollen spleen and lymph nodes, and I felt fatigued even when well-rested. It was definitely getting tougher to be superman.

On November 30th, I had my first chemotherapy session to treat my leukemia. I am just home from

my 4th treatment as I write this today on December 14. The results have been extraordinary: my white count is now down to 1,600 (which is way too low, but should start increasing) and my red count is on the way back up towards 10. The side effects of my chemotherapy have been relatively mild so far, and hopefully will continue so. I experience significant fatigue, especially 2-4 days after the chemo; and I am now extremely susceptible to infection and am advised to be very careful around people. No nausea, no hair loss, no significant pain. I have discovered, though, that I am definitely not superman. I have had to postpone some scheduled club visits, and will likely have to reschedule others, as I will be having chemotherapy every two weeks for about the next 6 months.

### MOVING FORWARD...AND LOOKING BACK

*Nancy Mathwig  
1st Vice District Governor*

Wow! January! Do you realize half our Lions' year has passed? Did you set goals, either individually or as a club, for the year 2016-2017? How are you doing on those goals? At the beginning of this Lions year, District Governor Steve asked his Cabinet to set goals for the year. I set five (5) goals for myself and have been meeting three of them, close to meeting the fourth, and not doing well at all on the number five.

As we begin 2017, we need to consider a goal for our clubs and that is how we are marketing our Lions Club to our communities. In my every day work life, I continue to be surprised at the lack of knowledge that people I meet have about Lions. They know about Rotary as a service organization, but not Lions. Is your club known for its service to the community, such as a school backpack program or delivering fruit to residents of the Long Term Care facility? Or does your community only identify you as a fund-raising organization with the annual pancake breakfast or the annual fish fry?

During our Centennial year, we need to strive to make our communities and our clubs aware of the true mission of Lions - We Serve. On June 7, 1917, an organizational meeting of businessmen was held in Chicago, IL and the name "Association of Lions Clubs" was adopted with a goal to better their communities and the world. In 1920, Lions Clubs became international with the chartering of a club in Windsor, Ontario, Canada and today, Lions Clubs are located in more than 200 countries and geographical areas around the world with over 1.4 million members.

In 1925, Helen Keller addressed the international convention and challenged Lions to become "knights of the blind in the crusade against darkness". Today, Lions Clubs International is a leader in Sight around the world. Here in Multiple District 5M/MN districts, Lions work through the MN Lions Vision Foundation helping the blind and visually impaired by supporting the MN Lions Eye Bank, working with the University of MN Ophthalmology Department and collecting used eyeglasses. Lions in MD5M/MN also support Leader Dogs for the Blind, a guide dog program to assist blind and visually impaired persons.

In addition to Sight, Lions in MD5M, focus on Hearing through the MD5M Hearing Foundation, Diabetes through the MN Lions Diabetes Foundation, our veterans through Project New Hope, persons with

intellectual disabilities through Special Olympics, persons with disabilities through Can Do Canines, and youth through our many programs - Youth Exchange, Leos, Peace Poster and Essay Contest, Lions Quest, and Liberty Day program. District 5M-2 also has the Write Off Contest for youth.

2017 is a great time to get the word out into our communities about the wonderful things we do in addition to the pancake breakfasts or fish fry dinners. I challenge you to find at least one new way to make your club known in your community for its true service!

To close, the following clubs will be celebrating anniversaries during the month of January:

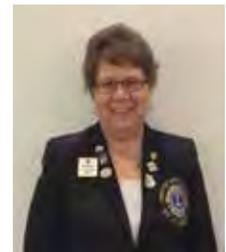

- o Amboy Lions                    36 years
- o Plato Lions                      34 years

Congratulations to these two clubs for their combined 70 years of service to their communities and the world!!!

BITS AND PIECES

Diana Kroells
2nd Vice District Governor

After an extremely busy fall the month of December seemed to slow down a bit- as far as Lions activities anyway. I am not a "winter person" so good thing I don't have to go out much in the bitter cold except to work and if you ask me- I say we have enough snow for the rest of the winter. I say that because I'll be doing the snow shoveling for a while since my husband Lion Duane had a knee replaced December 20.

Where in the world did 2016 go? Well- it is just another page in history now and we must face 2017 with optimism that it will be a great year to be a Lion!! How exciting to be 100 years old. Lions International has seen many changes in the 100 years of existence but one things has not changed- our dedication to serving the needs of others.

Please be sure to let PID Debra know if you have completed 6 of the 7 listed activities on the District 5M2 Mentorship Program and you could be eligible for a certificate & pin at the Mid- Winter Convention. The Mentorship Program is an agreement between an experienced Lion and a new Lion working together to complete the program by attending various activities together such as 4 club meetings, a service activity, a fundraising activity and 2 district meetings such as Zone or Region meetings or Convention. You must also review the New Member Information together or invite a non- Lion to a meeting. I hope

we have some Lions receiving the certificate & pin at the convention. If you are bringing a new Lion to the convention, be sure to let them know all about the Fist Timers Program - a fun way for them to meet new Lion friends.

Until recently Legacy is a word I have never given much thought to- probably never used it in my daily conversations with anyone. In fact- I never really paid much attention to the word at all but in the past 6 months we have it heard it used countless times by our DG and have seen it printed numerous times in our District newsletter and my awareness to the word has increased dramatically. Did you know that the work "Legacy" was used 43 times in the November newsletter and 25 times in December newsletter? It seems that every magazine I pick up or newspaper I read I see the word Legacy. I hear it on the radio, see it on a billboard and yes there is even a Legacy Wine & Liquor in Waconia. It has probably been there for years but I never paid attention to it. One thing is for certain- every time I see or hear the word Legacy, my mind immediately says "Lions". I hope your club has planned their Legacy project and decided how they will leave a lasting gift to your community.

As soon as I get a few things put away from Christmas, I hope to start my new puzzle. As I put the puzzle together, I will be reminded of how important each piece is and hoping that when I am done I am not missing any. Please don't be that "missing piece" in your Lions club. You are important and are missed when you are not at meetings or events.

I wish you all a great 2017!

I'M NOT SUPERMAN

I write this not to ask for sympathy or even understanding. Everyone has been more than understanding when I've told them why I am unable to keep a commitment I have made. I write this for two reasons. First, so that everyone can know the full story. Second, because for me, breaking this ice is the most stressful part of the whole situation. I don't mind talking about it once people have the basics, but it's hard for me to tell people that I have had CLL for 13 years and now need treatment. It is easy to tell my fellow Lions that that their health and family come before Lions. It hasn't been as easy for me to tell myself that my health should come first. But tell myself I must, because I am NOT superman.

# Centennial Update

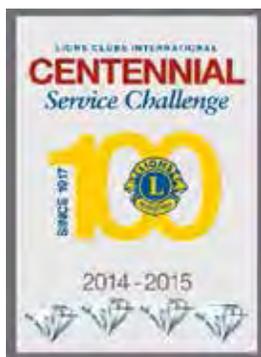

By DG Steve Wasserman, 5M2 Centennial Coordinator

## Centennial Service Challenge:

Worldwide, Lions are getting very close to achieving the 25,000 people served goal in each of the Centennial Service Challenge Areas.

48 Clubs in District 5M2 have now reported on projects in at least one of the Centennial Service Challenge areas, serving a total of 39,573 people. 32 Clubs (50%) have reported projects in at least two areas of the challenge. Last year, at this point, we had only 42 clubs reporting.

We now have six clubs that have reported on projects in all four areas of the Centennial Service Challenge and have qualified for their "Four Diamond" Centennial Service Challenge Banner Patch for the 2016-2017 year. The **Glencoe Lions, Hamburg Lions, and Lake Crystal Lions** have joined the **Chaska Lions, Victoria Lions, and Courtland Lions**. 10 other clubs have reported on projects in three areas. **Who will be next to earn their Four Diamond Patch???**

## "Where There's a Need, There's a Lion!"

# Centennial Community Legacy Projects

By DG Steve Wasserman, 5M2 Centennial Coordinator

Our International President Bob Corlew's goal is to have 20,000 clubs do Centennial Community Legacy Projects. Our District goal is to have 50% of clubs in the district report on Centennial Legacy Projects. So far, we have ten clubs who have reported Centennial Legacy Projects, and I have heard about quite a few more in the planning stages.

## Level 1 Projects:

- The **Amboy Lions** spent 9 hours picking up debris in major road ditches.
- The **Ellendale Lions** held a picnic in the park on national Night Out.
- The **Glencoe Lions** purchased new handicap friendly picnic tables to be placed at the local community pool.
- The **Lake Crystal Lions** walked three miles of roadside picking up trash.
- The **Montgomery Lions** Donated money to fund the building of a shed at the horse shoe court at the city park in Montgomery for storage of all their equipment and tools.
- The **Norwood Young America West Carver Lions** purchased a bench to be installed in the Wilkomen park.
- The **Shakopee Lions** provided fishing equipment to youth participants in the OHEC Fishing Event.

## Level 2 Projects:

- The **Hamburg Lions** raised funds so we could have the community hall painted. We presented to the city a certificate of cooperation appreciation, and a plaque put up in the hall.
- The **Hamburg Lions** purchased a Vision Screener for the assisted living/elderly care complex in town.
- The **Lake Crystal Lions**
- The **Norwood Young America West Carver Lions** purchased a Vision Screener for the assisted living/elderly care complex in town.
- The **Shakopee Lions** committed a significant amount of money towards the planned "Fun For All Park" improvements at Lions Park.

## Level 3 Projects:

- The **Jordan Lions** donated \$20,000 to City of Jordan to spearhead the building of a new community shelter at Lagoon Park
- The **Norwood Young America West Carver Lions** purchased and delivered 95 poinsettias to elderly residents at Peace Villa, The Harbor and The Haven for Christmas (note: This project is recorded as a Level 3 Project, but likely should be a Level 1)

# Build Your Lion

# Legacy!

Connect with your community by planning a **Centennial Community Legacy Project** during our Centennial Celebration. Legacy Projects are visible gifts to your community that commemorate our Centennial and create a lasting legacy of your service contributions.

## Plan Your Legacy Project

All Lions clubs around the world are encouraged to complete a Legacy Project by June 30, 2018. With three levels of participation, there's an opportunity for every club to get involved.

## Promote Your Legacy Project

Your Legacy Project is an opportunity to showcase your project and club to the community. These tips can help you maximize this great PR opportunity:

- **Dedication Ceremony** – Host a dedication or ribbon-cutting ceremony and invite your community and media to attend.

- **Local Media** – Send out a press release or ask a reporter to help tell your story.

## Report Your Legacy Project

Be sure to report your Legacy Project using the MyLCI Service Activity Report, under the *Community and Culture* activity type. Clubs can earn a special banner patch, and select projects will be featured on the LCI website, social media and LION Magazine.

## HAPPY LIONS CENTENNIAL 2017!

*Lion Debra Wasserman  
District 5M2 GLT Coordinator*

We have finally reached the calendar year signifying the 100th anniversary of the founding of Lions. This newsletter contains numerous articles detailing service projects, events and opportunities, and information about what clubs have been doing and are planning to do over the next 6 months as part of our ongoing celebration of service through Lionism.

It takes willing, committed and well prepared leaders in our clubs and District to organize, motivate and inspire us to greater service and celebration. To that end, I want to encourage every club to establish a nominating committee and begin the process of recruiting officers for the 2017-2018 Lion year. In order for clubs to have officers ready to attend training in early May, elections should be held in March or April. Completing the officer registration on the MyLCI website is also necessary so club officers can be well informed about District events.

I know it may seem early to start thinking about this, but as we all know the months fly by with everything our clubs are doing to make a difference in our communities. Recruiting, electing, preparing and celebrating those who will lead our clubs is important to a healthy and active club and community.

## WHAT DON'T YOU KNOW ABOUT LIONS?

Do you know who the first woman president of Lions International will be?

Do you know what L.E.O stands for?

Do you know a Past International Director from Bird Island who will be running for 3rd Vice President at the International Convention in Las Vegas in 2018?

If you and your club would like to know the answers to these questions and learn more fun facts about Lions near and far in an entertaining way, we have just the orientation piece you are looking for. It is DG Steve's wish to have all clubs in 5M2 ask someone from the GLT Orientation Team to come visit your club for either an informative and fun power point presentation or challenge your club to play the Orientation Jeopardy game (which does get a little competitive!). I can guarantee that you will learn something you didn't know before about Lions.

Please contact one of these presenters to enlighten you at one of your club meetings: Lions Joan Blank, Anna Wickenhauser, Wanda Briemhorst and Mike Vos. Any questions, please contact PID Debra Wasserman or Joan Blank.

## Viewing Forward

*MN Lions Vision Foundation*

"Welcome, 2017!" As I write this in mid December (with a new blanket of white covering 5M2), it seems premature to think about the new calendar year. But maybe not. Each season of memories seems to come and go so quickly, and, looking back, we remember that much happens and is accomplished.

This month may be your club's time to consider your Parade of Green decisions. You have always been most generous to MLVF and you are so appreciated! As you know, we are in the midst of our four million dollar pledge (over 8 years) to equip two surgery rooms for the on-campus surgery center - new building site still in planning stages. This is in addition to our usual causes - Eye Bank, Research Building, Children's Eye Clinic, MAC Center, and Eyeglasses collection.

Remembering that, as Lions, we pledged to be Knights of the Blind as our first great mission, we know that you will be supportive as always!

Along that line, you might want to check your club's availability to award Helen Kellers. Check your balances with us or just pull the application from the district website.

For over 50 years, Minnesota Lions have been a partner critical to the great reputation of the University's Department of Ophthalmology and we want to continue our legacy. MLVF has a wonderful site, [www.mnlionsvisionfoundation.org](http://www.mnlionsvisionfoundation.org), which you will want to visit. Lots of good info. You may even want to invite your Facebook friends to "like" our site.

Together, "WE SERVE" continues. Remember that Lions Diana and Mary are your Vision Foundation reps willing to visit your clubs - [dianakroells@embarqmail.com](mailto:dianakroells@embarqmail.com) or [maryspille@gmail.com](mailto:maryspille@gmail.com) (note new address).

## SPECIAL OLYMPICS POLAR PLUNGE 2017

Lions - want to do something that's very COOL?

Now is the time to sign up for the annual POLAR PLUNGE for Special Olympics. The 5M2 District is looking for a team of 25 hardy Lions who think jumping into a frozen pond is the best way to get rid of the winter blues! If you have not jumped before, I can tell you from experience that you will have many laughs and only be cold for a few quick minutes. It is super fast to sign up on the Special Olympics website and fundraising is easy with the tools also provided on the website.

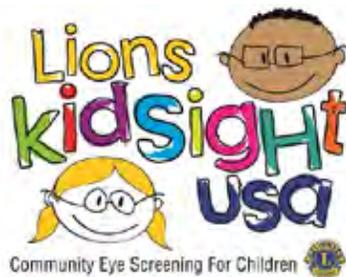

The Plunge takes place on February 4th at Hallett's Pond in St. Peter. The plunge starts @ 1:00, but we will gather beforehand for a little tailgating and picture taking. If you would like more information,

go to <http://www.plungemn.org/events/st-peter/> and this is the link to sign up also.

Please think about joining a great group of Lions who are jumping to make a difference in the life of a person who is intellectually disabled but would love the chance to join Special Olympics. For questions please contact Lion Hilary Wickenhauser (hwick97@gmail.com) or Lion Joan Blank (lionjoanblank@gmail.com). Be ready to have a blast!

## LIONS KIDSIGHT UPDATE

Merry Christmas and Happy New Year to all Lions,

I thought I should give the clubs an update on the KidSight project.

After some setbacks, it looks like all systems

are go for the end of January or at the latest, early February.

Our LCIF grant should be approved in January for \$100,000.00 and then the grant from the Minnesota Lions Vision Foundation for \$100,000.00 will be the start up funding and will be divided up between out Multiple Districts. This will enable us to buy our 3 PlusOptix screeners (one for each Region in 5M2) and have a reserve of money for operating.

We have been working with MN. Child Care Association which a lot of metro childcares are members of. We will work with them and their local Lions club to set up screenings. What we are in need of, are the more rural childcare business' and their local Lions clubs to see if we can provide this vision screening service.

There should be minimal cost to any club providing this service, and we have all the notification, consent,

approval, or referral forms for their contacts.

This is a GREAT community service project and is recommended to become a yearly project.

We need one person that will act as the chair person from each club that wants to participate. This person will be the contact and guide for the screening process. The Region chair will have the screener and will instruct your volunteers on procedures of screening.

The Mid-Winter convention is planning on having a PlusOptix representative there for a seminar and a training session for all prospective clubs.

This is the newest LCI approved project and has been active for the last year or two. We are just starting this project in 5M2 and hope it is as huge of a success here as it is all over the country.

Please contact me if your club would like to participate.

#### World Diabetes Day is November 14<sup>th</sup>

World Diabetes Day was first introduced in 1991, and founded by both the International Diabetes Federation and the World Health Organization. In reaction to the rise in cases of Diabetes worldwide, it was decided to choose a day of the year to raise awareness to Diabetes and related causes. The day chosen was the birthday of Sir Frederick Banting, a medical scientist who co-discovered insulin and was the first person to use it on humans. World Diabetes Day is internationally recognized and is an official United Nations Day. The theme of World Diabetes Day regularly changes. For 2016 it is "Eyes on Diabetes". Over the years the themes have focused on education and prevention. Past themes have included things such as human rights, lifestyle, obesity, the disadvantaged and vulnerable, and children/teenagers. Various events around the world mark the day including raising awareness in the media,

lectures and conferences, sporting events, and leaflet/poster campaigning. "Going blue" is another global event to mark the day, where people wear blue and landmark buildings and monuments around the world are lit up in blue, to help spread awareness of the day.

## “ UPDATE ON TRAIN” ALL ABOARD FOR THE 2017 LCI INTERNATIONAL CONVENTION

As you know we were trying to work something out with Amtrak as to having a train car for Lions to go to Chicago for the 2017 Convention.

As of this update we have filled the dedicated Lions Car on the train. However if anyone is still interested in riding the train you can go out on line to the Amtrak web at: [www.amtrak.com/tickets-reservations](http://www.amtrak.com/tickets-reservations) and sign up. The train number we are taking is 8/28 leaving at 8:00AM on Thursday June, 29, 2017 and

we will be returning from Chicago on train 7, leaving at 2:15PM on Wednesday July 5, 2017. For some of you this may be a good opportunity for you to get on the train at a location more convenient to your home location. Unfortunately those that signed up to ride in the Lions Car must come to the St. Paul Amtrak Station to get onto the train as Amtrak was not willing to pick up a large group other than at one stop.

We hope that those of you that may have been thinking about the train will do so fairly soon as we think the train may fill up fairly quick as for other Lions to the West and North of us may see this as a viable and reasonable way to get to Chicago for our Lions Centennial Celebration.

If anyone has any questions please feel free to contact me.

### PROJECT NEW HOPE BIKE-A-THON SURPASSES GOAL OF \$10,000

With the Bike-a-Thon two months in the past and having received no checks/contributions for two weeks I think the final tally for the Project New Hope fundraiser can be considered complete. Our goal was to reach \$10,000 in observance of the 100th anniversary of Lion International. In spite of several interruptions and a one-week delay the Bike-a-Thon went off with no casualties (other than a few sore knees and other various parts of the anatomy) and has to be considered a success as we not only reached our goal but surpassed it! The final tally stands at just a few dollars over the \$11,000 mark!

If there should happen to be any more contributions

out there, please send them to our District Treasurer Lion Sue Vos, or to myself. I want to thank each and every one of you who supported me in this project to give aid and support to our returning Combat Veterans. Now that we have collected the monies, our next need is to make sure that all of our Combat Veterans are aware of our week end Retreat Camps set up around the state to give them help and support. Please ask your local VFW and American Legion Clubs to pass the word to their members.

Again, thank you for your support in this project . . .

Lion Jack Webster

## LITPC YOUTH SCHOLARSHIPS

I am happy to say that this past June, one of the 2 Youth Scholarship winners was from Minnesota!! She received a \$2,500 scholarship!! This was the 5th year that scholarships were given from the LITPC.

The most important aspect of the Youth Scholarship is to help a young person pursue his/her education and follow their dreams!!

The LITPC (Lions International Trading Pin Club) takes great pride in fulfilling the motto of Lions Clubs International "WE SERVE". During the SightFirst II Campaign, the Pin Traders contributed US \$144,000 to LCIF.

The Youth Scholarship Program is another example of the Pin Trader's slogan, "Lions First". The 5M Pin Traders Club along with 13 other Pin Trader Clubs from across the USA support the LITPC Scholarship Program.

Selection of a scholarship recipient is based on academic achievement, an essay stating the student's goals, a statement of reason(s) for applying and an overview of work, community and school service,

and letters of recommendation. Applications and supporting documentation are to be completed and submitted to the pin trading club scholarship chairman named below by March 1, 2017.

ALL graduating seniors who are the children/grandchildren of Lions, Lioness, or members of Leos Clubs are encouraged to participate in the Scholarship program. This does include students from Canada.

To apply for a LITPC Youth Scholarship:

1. Go to the LITPC Website address - [www.litpc.org](http://www.litpc.org)
2. Click on right column LITPC Scholarship information

## RECYCLE YOUR HOLIDAYS

Once the holiday season has come and gone, what are you to do with those old lights? Don't just throw them away, recycle them! Recycle Your Holidays is a Minnesota specific program through the Recycling Association of Minnesota (RAM) that works to keep old holiday lights out of landfills. Since the beginning of the program over 840,000 pounds of holiday lights have been recycled. ([HTTP://RECYCLEMINNESOTA.ORG/RECYCLE-YOUR-HOLIDAYS/](http://RECYCLEMINNESOTA.ORG/RECYCLE-YOUR-HOLIDAYS/))

1. **ORGANIZE A LIGHT DRIVE IN YOUR CLUB AND COMMUNITY:** spread the word in your club, community, place of work, etc about a light recycle drive! Organize a time and place for people to bring in old lights for the club to drop at a recycling point if your community does not have a local drop spot or circulate information about local recycling locations for people to visit on their own
2. **LEARN ABOUT SWITCHING TO LED LIGHTING:** the average Minnesotan home can save between \$10 to \$250 each holiday season by switching to LED holiday lighting! Recycle Your Holidays is a great opportunity to get rid of old holiday lights safely to make room for energy efficient lighting in the years to come! ([HTTP://WWW.CLEANENERGYRESOURCE TEAMS.ORG/RYH](http://WWW.CLEANENERGYRESOURCE TEAMS.ORG/RYH))
3. **FIND YOUR LOCAL DROP SITE:** there are MANY light drop off sites throughout the state to make recycling your lights convenient

## CAN DO CANINES

Thanks to the support of Lions Clubs across 5M, Can Do Canines continues to train specially trained for people with disabilities and provide them to those in need, free of charge.

One recipient of a Can Do Canines assistance dog is Braxton Wiebusch. Braxton now has a greater sense of freedom, independence and peace of mind since thanks to Mobility Assist Dog Blue. Read their story below.

### BRAXTON WIEBUSCH & MOBILITY ASSIST DOG BLUE

ground like his keys or the remote, and providing comfort to Braxton while staying in his room at night.

Braxton found out about Can Do Canines while he was attending the Muscular Dystrophy Association Summer Camp. He chatted with a few of the other campers about their dogs and decided that he should follow through with their suggestions to apply. Braxton was on the waiting list for two years until Blue was ready to train and begin the bonding process. Braxton noted, "Being on the waitlist for a Poodle was well worth the wait. While they can be a little more challenging to train than a lab, they're very smart animals and are completely worth it!"

It takes a village to raise, train and partner an assistance dog for clients like Braxton. With your help, Blue was given to the Wiebusch family free of charge. Braxton is very grateful for your support so that he can live a more independent life. He exclaims, "Your donations really help! The assistance dogs help people even when you may not see that. They help keep morale up and they offset the daily stressors that people have."

### LIONS, THE 5M2 INTERNATIONAL YOUTH EXCHANGE PROGRAM NEEDS YOU!

Host Families are needed for this summer's exchange program. Youth 15-19 years of age from over 18 countries are coming to MD5M for 3-6 weeks this July.

Youth come with their own spending money and a desire to learn about you and your family as well as Minnesota. One week of their stay involves a camp where all of the students come together.

You do not need to be a Lion to host, only have a desire to serve and meet some young international travelers. Download a host family application from [www.lionsclubs.org](http://www.lionsclubs.org), fill it out and send it to:

**Lion Jim Walters -

Call 952-239-2559 with questions and for more information.

Braxton Wiebusch from Sartell, Minn. enjoys hunting, fishing, camping and competing in wheel chair hockey. He's a 20-year-old college student with Duchenne Muscular Dystrophy (DMD), a degenerative muscle disease that affects every muscle in Braxton's body. Braxton and his family all wanted an assistance dog, but they were uncertain about this decision because of the fur allergies they collectively deal with.

Enter the playful and sweet canine, Blue. Blue is a handsome two-and-a-half-year-old Poodle who sports a white and brown coat. Not only is Blue specially trained as a Mobility Assist Dog because of his temperament and abilities, but he also rarely sheds due to his unique hair. All of those things made Blue a perfect fit for Braxton and the Wiebusch family. Blue loves helping Braxton with things like opening and closing doors, picking things up from off the

Mid-Winter Convention will be here before you know it, and we will be **“Celebrating the Legacy”**. Part of the **“Legacy of Service”** of District 5M2 is how we support our District, Multiple District, and International projects through our participation in the **“Parade of Green”**. Every penny of every dollar your club donates to these projects goes to help people in need. Let’s **“Enhance the Legacy”** by having all clubs donate to all areas of the **“Parade of Green”** and exceed \$100,000 in honor of 100 years of Lions Service!

Please note that not all projects have 501(c)(3) status, which is needed for gambling funds donations. To avoid problems during an audit, gambling clubs should have checks written out exactly as noted below.

## District 5M2 Zone Lion of the Year

Zone Lion of the Year is a project unique to District 5M2. It gives the District the opportunity to bestow well-deserved recognition on one Lion in each Zone who exemplifies our Centennial motto “Where There’s a Need, There’s a Lion”.

Each club is asked to nominate a Lion who is **not** a major officer in the club, but has earned the respect of his/her peers and community.

The Zone Lion of the Year presentations will be made during the 2017 spring Zone meetings. The club president or person designated by the president is asked to complete this application and return it to 1<sup>st</sup> VDG Nancy Mathwig by February 22, 2017.

Send to: 1<sup>st</sup> VDG Nancy Mathwig  
 PO Box 944

## LIONS' CLUBS NEWS AND ACTIVITIES

### LAFAYETTE LIONS SPONSOR SANTA DAY AND HOME LIGHTING CONTEST

The Lafayette Area Lions Club worked with two other community organizations to put on the annual Lafayette Santa Day Tuesday, December 13. The Lions organized and sponsored the event, with the Bernadotte 4-H providing craft activities and Citizens Bank Minnesota, Lafayette furnishing donuts and milk.

Lions members gathered a day ahead of time to make goodie bags for the children and to decorate the hall, using four artificial Christmas trees.

A total of 117 children visited with Santa and went home with the bags that contained candy, juice, and a Beanie Baby donated by a club member.

Although most of the kids didn't know it, Santa is Lafayette Lion Joe Maidl. He's an exceptional Santa in that he knows virtually every kid in the area, calls them by name, and even knows what color (kind) of tractors their dads drive! With Santa knowing so

much about them, there were many wide-eyed kids.

The Lions also sponsored the annual Home Lighting Contest that encourages residents in town and in the rural area to decorate their homes. Cash prizes of \$100, \$75, and \$50 were awarded to the three best-decorated homes, with two honorable mentions also being named.

*(Above) Lions Laurie Trebellhorn and Arden and Marilyn DeBoer were three of six Lions preparing goodie bags for Santa Day.*

*(Left) Lions Brad DeBoer and Joe Maidl put a string of tractor lights on one of the Christmas trees. Joe returned the next day, as Santa Claus.*

COURTLAND LIONS HOST A "MORNING WITH SANTA.

In addition to Santa, we have live music, miniature pony, prizes, and horse drawn wagon rides. Donuts, hot chocolate, apple cider, and milk were served.

This event tied in with the Lions Club International 100<sup>th</sup> Anniversary as well as the Courtland Lions 35<sup>th</sup> year as a club. The Courtland Lions were chartered in December of 1981.

### Improving Oral Health Knowledge

Improve the oral health of your child.

Ask your child's dentist, doctor, nurse practitioner, or public health nurse to tell you about:

- 1) Early signs of tooth decay (the white spot).
- 2) Fluoride – what it is and how it prevents cavities.
- 3) The importance of fluoridated tap water and how to learn if your tap water has fluoride.
- 4) The value of fluoride varnish.
- 5) The value of dental sealants -what they are and how to get them. Sealants are different from but just as important as fluoride varnish.
- 6) The importance of brushing twice daily with a smear of fluoridated toothpaste.
- 7) Why baby teeth are important even though they fall out.

Learn how you can help your child avoid cavities by visiting the Minnesota Oral Health

Project website [minnesotaoralhealthproject.com](http://minnesotaoralhealthproject.com) and liking us on Facebook.
