

5M-2 DISTRICT

Lion Christy Trutnau -District Governor

Happy Spring everyone, I think mother nature is getting our season confused this year!

With Spring comes club officer elections, make sure to hold your elections in your club in April and get them put into MyLCI as soon as possible especially with the new Lions portal coming out.

Speaking of the new Lions portal, there have been many rumbling of this portal coming out thought-out the year and we received word its finally launching in April (subject to change of course) and some of the capabilities will be limited so make sure to get you information in there quickly. If you need assistance, please reach out to 1VDGE Shermayne for assistance. Also please make sure to your information is correct, such as you name, phone, address and dob as once its in the new Lions portal it will be harder to fix. If you know something needs to be updated, contact your club secretary to get this updated.

With elections hopefully comes new officers, please make sure to attend the officers training held on May 4th at Bethany College in Mankato. You are guaranteed to learn something new at this session. Remember to RSVP to PCC Glenn Kaufmann at glenny98@hotmail.com.

Remember our International Presidents global cause this year is Environment and what better month do an environmental project then April. The is district also requested that each club plant at least 10 trees as part of the MD5M and GST challenge environmental service project. When you are planting your trees or doing your environmental project, please remember to use the hashtag #lionsgogreen on your social media page so that everyone can see all the wonderful environmental projects you are doing, and most important please do not forget to enter it in to MYLCI so that we can get credit for this.

Get ready for the Lion Portal

Phased rollout for Lion Account Users

Our target launch window is April 15 – May 13*. During this time, all current Lion Account users will receive an email inviting them to access the new Lion Portal**. We're doing this phased rollout to ensure staff are available to provide the best support possible and offer you a positive introductory experience.

- Now – April 11: MyLion, MyLCI and Insights will continue to function as normal.
- April 12 and beyond: MyLion, MyLCI and Insights are no longer available.
- April 15 – May 13: Invitations to access the new Lion Portal sent via email on a rolling basis to existing Lion Account users.

Please note: User permissions will not change. In other words, those who can report service, access member data and other key functions remain the same.

- May 13 and beyond: All visitors attempting to access the previous digital tools will be automatically redirected to the new Lion Portal.

*Dates are subject to change. Our number one goal is to create a positive experience for Lions and Leos. If determined more time is required to ensure the product is in an optimal state, the dates may be adjusted accordingly.

**If you don't see the email in your everyday inbox, please check all spam and junk folders for it first before contacting Member Support.

Note that the new Lion Portal will require a unique, unshared email, and phone numbers will no longer be supported as a login credential.

Information and resources

Be sure to visit lionsclubs.org/portal-updates for the latest information and resources, which includes handy how-to videos for help accessing the new portal once you've received your Lion Portal invitation email.

Spring is coming

Lisa Kaufmann
District Governor Elect

April flowers bring May flowers and new club officers! This is the time of year our clubs are selecting their club officers for the Lions year 2024 - 2025. Working with our Global Leadership Chair PCC Glenn Kaufmann (and my better half) we have an exciting agenda planned. One of the new things is a speed "dating" session with our foundations.

This will provide an opportunity for you to learn more and to schedule one of the trustees to come to your club to present. In addition, there will be an update on the district goals, LCIF contributions, Lions portal and membership goals. We tried to schedule this prior to summer kicking off and everyone's calendars getting busy. At this time, we are not offering a virtual option due to logistics. Once the Lions portal is live, we will be scheduling additional training. I ask for your patience as we all work to adopt the new process. Rise to the Pride and attend new officer orientation, there is a flyer in this newsletter with all the details.

Speaking of preparing for Lions year 2024 - 2025 there is a focus on new members. Lions in the U.S. have had decreasing membership for some time. In 5M-2 we are close to a +1 in membership, the dreaded June drops are coming up. The five-year average June drops for 5M-2 is 51. Does your club have a plan in place to reduce June drops? Many people just want to be invited to participate. Here are some ideas: have the Lion's sponsor reach out and invite the Lion to a service activity or club meeting. Have you conducted new member orientation? If not, make this a priority and invite your new Lions to attend. Ask the new Lion what their passion is and assign them to a project or create one - try new things!

Many of our communities do not realize the work Lions do. As a way to increase awareness of what your club is doing are you utilizing social media, newspapers, and email? If you want something posted on the 5M-2 Facebook page, please contact a member of the DG team and we can make it happen. Please advertise your club events in our district newsletter, this is how many find out your club has an activity. You can take another step and invite Lions via the MyLion App.

We want to finish strong and help DG Christy meet the district goals. Please reach out to any member of the DG team and cabinet with ideas or questions.

We are Lions, we are family, and WE SERVE!

April is Volunteer Month

April is designated as National/Global Volunteer Month. Who does the job of volunteering year-round better than a Lion and the Club they belong to. Community service is both powerful, personal and makes a huge difference in your community and beyond. During this fiscal year (July

1-March 15) the members of 5M-2 have served 241,335 people in 1,213 activities. Volunteer hours were clocked at 30,753. Now, I know that most clubs (80) percent have reported at least one activity on MyLion. Just imagine the added hours and activities 5M-2 would have if every club reported every activity their club does. I am sure the numbers would be staggering. I am so grateful and proud of the work that each member and club does in our District. THANK YOU. Take some time at your April meeting to make a list of everyone's favorite activity and CELEBRATE them. (PS-you now have a wonderful marketing tool to share with your community on all the marvelous/ magnificent/superb/fun things Lions do!).

Spring Zone Meetings started in March and will continue through April. Each zone is deciding their own format, speakers or activities. Zone Lion of the Year will be awarded also. Everyone is invited to attend. The Multiple Convention will be held in Winnipeg on April 19-21. May 4th at Bethany College in Mankato is officer training along with new member orientation. More information is in this newsletter. Hope to see many of you at one or all events.

Lions Clubs International – Marketing matters!

“The Lions are the best kept secret in our community.”

How many times have you heard this comment? Did you hear it from your fellow Lions club members? How about from your family or friends? Your Co-workers? Local Business and community leaders? Have you ever uttered this statement yourself?

Marketing can help you raise the visibility of your club and achieve better outcomes for the great things you're already doing. So, whether you're recruiting new members, promoting a project or a fundraiser, or even just sharing your club's incredible service stories, marketing can help you shine a light on your club and your service.

Your club needs to have an active marketing team. Teams should consist of multiple members, each assigned to a specific assignment or task. These assignments/task should cover the following forms of marketing:

- Print (Newsletters, event flyers, banners, signage)**
- Social Media (Website, Facebook, X (formerly Twitter), Instagram, Threads)**
- Media (newspapers, billboards, radio, television, internet advertising)**

Your club should search for club members with some working knowledge in these marketing areas. If the club member with this knowledge is unwilling to be a part of the marketing team, see if they can be a resource or advisor for your team. You can also reach out to your district to see if there are Lions with connections to promotional items manufacturing, public relations firms, social media outlets, and other companies affiliated with advertising & promotions.

Your marketing team should be engaging with your membership, project, and fundraising chairs. By being involved with your club events & activity planning, the marketing team can help make the public aware of what your club is doing in those areas. Nobody is going to do a better job talking about what your club is doing than your own marketing team.

Lions Clubs International has wonderful resources for your marketing team to utilize. Templates, boiler plates, social media kits, and many other items are all just a simple click away. Your link to the LCI club marketing center is below:

<https://www.lionsclubs.org/en/resources-for-members/resource-center/club-marketing>

Make sure to include your Lions' zone & region clubs, and your district secretary, newsletter, Facebook, and website chairs when sending out your events & activity announcements. Letting other Lions clubs know about your fundraisers and projects will give them an opportunity to help you promote the event, plus a chance to have your fellow Lions attend.

Please contact me with your questions and please also speak with your district marketing team about how they can help your club stop being an unknown community asset.

Yours in Lionism,

Lion Lyle Goff
MD5M Marketing & Lions Information Chair

Lions Clubs International – Branding matters!

Marketing your club and its projects or events is crucial for gaining public support for your activities and for growing club membership. In doing so, it's important to remain consistent with Lions Clubs International branded materials to maintain the brand equity our organization has built over the last century.

Lions' clubs are completely autonomous. However, one of the reasons that members choose to join a club is because they identify with what our association stands for. Correctly using the graphic elements, verbal tone and personality developed by Lions Clubs International will ensure that all clubs are communicating clearly and effectively with a unified voice.

The link below takes you to the LCI website page that features all the tools you need to publicize your club's events, updates, recruitment and more while staying true to the Lions International brand.

<https://www.lionsclubs.org/en/resources-for-members/brand-guidelines>

On this webpage you can find items you need to successfully market your club — from photos and videos for digital communications to Lions emblems, service icons, Leo logos and more. Your club can utilize the resources, templates, and everything else found there to help you jumpstart your club marketing. From service event promotions to new member engagement, use these tools to elevate your club marketing efforts.

Included on this webpage is a branding guideline manual that you can read or download. Please use this reference guide to ensure that your club is properly using all the Lions logos and other branding. The guidelines found in this manual should be used in everything you do for promotion and marketing, whether it is printed materials like brochures, signs, and flyers, or websites & social media posts.

One very important item that your club can do to immediately assist in your Lions branding is to use the proper Lions logo. Many clubs have not replaced the former logo with the current logo that was implemented many years ago. Below is a side-by-side comparison of the former and current Lions logos:

Usage of the correct Lions logo is important. A few of the easiest ways to recognize the correct logo branding requirements are:

- a) if the logo has a red tongue, it is the wrong logo,
- b) if the logo is multi-colored and not the two-colored version, it is the wrong logo,
- c) if the logo is not smooth across the top, it is the wrong logo, and
- d) if the *I* and the *L* in the word *International* are illegible, it is the wrong logo.

If any of your printed materials, advertisements, webpages, or social media sites are using the wrong logo, please change them to the current logo at your earliest convenience.

Yours in Lionism,

Lion Lyle Goff
 MD5M Marketing & Lions Information Chair

PDG Dennis Kelly III for International Director

It's not about how long you've been a Lion. (28 years, but who's counting?) It's not about how many offices or positions you've held. It's not about how many awards, medals, or certificates you've received.

It's about your impact.

KidSight, a new program since 2016. Leading a team of Lions. Over 180,000 kids have had their vision checked. Over 22,000 have seen an eye doctor changing their lives. Changing the lives of hundreds of Lions.

MD5M GLT since 2019. Leading teams that have resulted in more training being done at the club and district level. Two leadership institutes happening every year rather than one institute every other year. The least number of vacancies in the District Governor, 1st VDG and 2nd VDG leadership position, only three, in the last five years.

That is my impact.

We are asking for your vote.

Please vote for the Lion who has made an impact on our Multiple District and the lives of thousand of Kids and Lions through KidSight.

Please vote for the Lion who has made an impact on leadership development both in our multiple district and Internationally.

Your vote for will allow me to continue to make an impact in our multiple district and on the International level.

Please allow me to represent you and be your voice.

Please vote for PDG Dennis Kelly III for International Director.

We appreciate you and thank you for your support and your vote.

Amboy Lions
