Aim High To Serve!

Lion Glenn Kaufmann
District Governor

Hi Lions. The 2021-22 Lion Year is halfway through and like it or not, the calendar is flipping over to 2022. Each new year brings hope and an anticipation of what the year might bring. Last year Lions started getting their feet under them again,

but this is the year our clubs look past what held us back for the last 20+ months and dive deeper into our list of 2022 service projects sitting on the shelf!!!

2022 IS A BLANK SLATE 2022 CALENDAR

HOW MANY SERVICE PROJECTS CAN WE SQUEEZE IN?

Countless 2021 Lions Club Service Projects took a back seat. Service projects and fundraising is down for many clubs, across the board. Many Lions were caught off guard on how to proceed with our projects, but we are now better prepared. Instead of waiting to get back into a normal swing of things, are there projects we can do now? This might be the best opportunity for our clubs to start something new.

"Hey Glenn, we have a lot of ideas, but we're not exactly sure how to implement them? Where do we start?"

Did you know you can find step-by-step directions for many different of service projects? Head to Lionsclubs.org and search for PROJECT PLANNERS. What will you find?

DIABETES PLANNERS

- Strides Walk to raise awareness
- Half-Day Diabetes Family Event
- Diabetes Support Group
- Healthy Eating and Healthy Living events
- Type 2 Diabetes Screening Event

VISION PLANNERS

- Family Fitness Walk
- Vision Screening for Adults and/or Children
- Vision Support Group

HUNGER PLANNERS

- Children's Nutritional Breakfast
- Direct Food Service
- Food Collection Initiative

ENVIRONMENT PLANNERS

- Tree Planting
- School Tree Planting
- Young Tree Care

CHILDHOOD CANCER PLANNERS

- Childhood Cancer Support Group
- Survivor Network Event
- Half-Day Family Camp

The ideas above are just the beginning; solutions to community needs are out there. If none of the available planners do it for you, use them as a springboard to develop your own. Don't forget to CELEBRATE too.

Did You Know?

*Lion Kathleen Bleckeberg
1st Vice District Governor*

I have been struggling with trying to come up with something to write about for this month's article. My mind tends to wander from one thing to the next. So here it goes.

December has been a whirlwind, I finished school for good on December 15th and have been trying to

play catch up with everything and get ready for Christmas. The one thing that keeps coming to my mind is change is a fluid thing.

Just over a year ago I made the decided to make a change in my life, quit a job I like and started school to learn more about accounting, which I love. What I didn't realize was the all-consuming time it took to keep up with the schedule and keep my grades up. Most everything else in my life was put on hold or I squeezed it in whenever I could make the time. LIONS, the garden, cooking, family time.

Since school has been done, I've been able to reconnect with family and friends. Have been able to do things that I have had time to do. Christmas was so much fun. Seeing family, I haven't seen in a few months. The subtle changes were more noticeable to me. Nieces and nephews are little, taller, and more mature. Siblings have gotten older, but it was a like we didn't miss a beat. And Mom as slowed down a little.

I feel this is what Mid-Winter 2022 is going to be like Christmas. We haven't seen many of our LIONS family in quite a long time. I am looking forward to seeing so many friends. I know it will be like no time has passed. I know I will notice subtle changes in this family. But to have the time to reconnect and catch up with each other is going to be so much fun. Looking forward to seeing everyone!

I hope everyone had a very Merry Christmas!

Wishing you all a Happy New Year

P.S. Just a friendly reminder to get your clubs Zone person of the year nomination form into me by the end of January.

THE PLUNGE IS COMING!!

Lions and Leos from 5M2 will be jumping into freezing cold water to support Special Olympics Minnesota. By Plunging, they help bring opportunity and inclusion to over 8,100 Special Olympics athletes across the entire state of Minnesota. Past years have had over 50 Lions from 5M2!

Leos and friends have participated in the previous Polar Plunges, raising almost \$10,000. That is fantastic! 5M2 would like to boast once again about having a super fun and large Lions/Leos delegation jump in 2022 at Hallet's Pond, St. Peter on Saturday, February 5th. There is a 5M2 Lions team registered at <https://reg.plungemn.org/team/5m2lions>

Just register under the team and you are set to go! Are you ready to do something wild for something good? Every dollar you raise supports Special Olympics Minnesota. You got this!

Any questions, please contact **Lion Tom Coleman** at tscole2@comcast.net or call/text (612) 357-1063.

GO 5M2 PLUNGERS! LET'S FREEZE OUR PAWS OFF TOGETHER!

Hello Lions...

*Lion Christy Trutnau
2nd Vice District Governor*

It's hard to believe 2021 is already over, where did the time go? I hope that everyone had a wonderful holiday season and you were able to spend some time with your family and friends and create new memories! My holiday was both sad and happy, of course as most of you know my youngest son was murdered right before Christmas last year so this was our 2nd Christmas without him. My oldest daughter was recently engaged, she announced her wedding date and venue, she will be getting married 11/26/2022 at the 310 in Fari-bault. So, this is exciting for us and a nice distraction.

January brings on new beginnings for everyone. I say take this opportunity to make a new challenge in your club or restart an old challenge or try that idea you have been wanting to try and have been afraid to, the ideas are endless. There is no time like the present.

2022 is sure to bring lots of new learning and training opportunities, consider attending the upcoming events: 5M2's Mid-Winter Convention; Northern Pride Leadership Forum, MD5M's Multiple Convention and International

Convention. Watch for other exciting learning and training opportunities to come.

If any club needs help entering their service projects/ fundraisers, club officers/members or logging your club's attendance into LCI please me know, I would be happy to help!

Have a Happy New Year!

You can contact me at: 952-261-8581- phone or Christy1135@gmail.com

Aim High to Serve continued from Page 1

Once you've completed your service project, enter the details into MyLion and share your success in the district newsletter and on social media. Service Reporting helps us all to effectively tell our story, measure our impact, and grow membership.

As new Lions, we joined our club to get involved in our communities, to help fill a need. Club members are clamoring for ways to better serve their communities. One way to get an idea where your club members are interested in serving, is by just asking them. Do a quick survey or questionnaire at an upcoming meeting. Engaged members are members who stick around.

Much like the Kool-Aid Man, once your club gets excited about a project, just get out of the way, because there's no stopping them after that.

To date, 5M2 has completed 647 activities, served almost 126,000 people in our communities, with almost 20,000 volunteer hours in the books. That's with only 70% of our clubs using MyLion to report service hours. Imagine the reach we'd show everyone if we all started using MyLion?!? Need assistance in reporting service activities in MyLion? You can contact MyLion Support at (630)468-7000. 2VDG Christy can also lend a hand.

Interested in Bussing to International Convention?

Good afternoon District Governors,

I am in the process of organizing a bus to the International Convention in Montreal - if there is interest. Would you please have this survey sent out to the members in your District? We would like to see a large MD5M crowd there as VP Brian comes in as International President.

I would appreciate this help as we plan for International. I will leave the survey open until Friday, January 8th. This survey is for those Districts who would board in the MPLS/ St. Paul metro - Rochester or Winona area.

Lions Clubs International
FOUNDATION

Lion Debra Wasserman, 5M2 LCIF Coordinator

Fellow 5M2Lions,

Heartbreaking events remind us of the impact we Lions can have when we join together to provide help. We are the first to arrive and the last to leave.

LCIF Chairperson Dr. Choi sent the below on Sunday December 12, just 2 days after the tornado devastation in Kentucky, Tennessee, and four other states:

On Friday, December 10, a rare, late-season series of tornadoes battered portions of the Southern and Midwestern United States, leaving dozens dead, many others injured, and major devastation in countless communities.

When a humanitarian crisis of this magnitude strikes, we, as Lions, are ready to help. Right beside us is Lions Clubs International Foundation (LCIF), our global foundation. LCIF quickly responded and awarded Emergency grant funding to allow Lions in the affected communities to respond to urgent needs of the victims.

You can help. Your generous donation to LCIF's disaster relief fund will help deliver further funds to families impacted by the devastation.

The MidWinter Convention is coming up, including the Parade of Green. I would respectfully ask every club to please make a donation to LCIF. If you have questions about making a donation or anything else LCIF related, please call or email me.

From Your GLT...

PDG Anna Wickenhauser

I want to encourage every individual who reads this article to make it your new year's resolution to truly consider these questions, "Would I like to run for a club office?" "Would I want to be a Zone Chair?" and "What does it take to be in the district cabinet?" The answer to all of these questions is simple at its core. If you are passionate about serving others, have a warm body, giving heart, and a tiny bit of spare time, odds are you are qualified for any position you find yourself leaning into. As we enter this new year filled with new opportunities and fresh minds, I would like to challenge each and every one of us to do something that puts us outside our comfort zone. For some of us, this may be proposing a new service activity for your club, for others it may be chairing a club project or committee, and for others still it may be contacting me, GLT Lion Anna lionannaw@gmail.com, to have the conversation to help you move forward on your leadership path.

The best leaders I have discovered on my Lions journey are not always the Lions who are first to speak at club meetings, are not always the loudest or most obvious people in the room, and are instead the ones who inspire others, volunteer without expecting or looking for a thank you, and spend more time supporting all those around them, rather than focusing on themselves. A true leader is someone who inspires those around them to lead and step up, and if that sounds like you, don't be afraid- jump in!

Voice of the Leader Dog Community: Brooke Coleman

My name is Brooke Coleman and I'm a freshman at Christopher Newport University in Newport News, VA. I've been working with my best friend, Leader Dog Sampson, for a year now with our anniversary being on Halloween, but guide dog training wasn't my first experience with Leader Dogs for the Blind. I've been a part of the Leader Dog family since I participated in their 2019 Summer Experience Camp and have been in love with the community ever since. I hope to give you all insight into what it's like living with a visual impairment and what it's like working with Leader Dogs for the Blind.

At Christopher Newport University, I am majoring in political science and double minoring in leadership and human rights. After I graduate from undergrad, I hope to be accepted into law school. My goal right now is to become a human rights researcher with a focus in disability rights. This would mean that I would have the opportunity to interview other disabled people and write about the struggles they face.

When I found out about my vision impairment, I was seven years old and I was diagnosed with retinitis pigmentosa, meaning I am night blind and have lost most of my peripheral vision. I was in first grade at the time and, as any seven-year-old would, I forgot about it until I moved up to second grade when I had to start orientation and mobility training with my long cane. That was the first time I realized how much this would impact my life. When I first started walking around with my cane, it didn't take long for me to realize how many people would stare at me. Of course, I know now that it was out of curiosity because how often do you see a blind seven-year-old? At the time, though, all I knew was that it made me different from my peers, and I hated it. Naturally, I grew to hate my cane, as so many other blind and visually impaired people do. I refused to use it unless I was forced to by my orientation and mobility instructor.

This put me in a lot of dangerous situations. I was completely dependent on my mom, sister, and the little vision I had left. If neither my sister nor my mom was there to provide sighted guide, I was constantly tripping over something or running into someone. As you can imagine, it didn't work out well. This continued until I was sixteen, when my orientation and mobility teacher came to me with the proposal of going to Leader Dog's summer experience camp. I still remember when my orientation and mobility instructor came in and told me about Leader Dogs for the Blind and their summer experience camp.

I was sixteen and looking for guide dog schools. My instructor knew this and was helping me with the process and came across Leader Dog's week-long summer experience camp. We looked at the activities they had, and I immediately knew I wanted to go. I filled out the application, mailed it in, and anxiously awaited their response. When I heard back saying I was accepted, I was ecstatic. A couple months later, I was on a plane to Michigan for the best and busiest week of my life.

A couple months later, I was on a plane to Michigan for the best and busiest week of my life. As soon as I got there, I knew I was going to have an amazing time. I had the opportunity to experience so many things I never would have had the opportunity to had it not been for Leader Dog. They had tandem biking, ziplining, rockwall climbing, beep kickball, scavenger hunts, game nights, driving simulators, and so much more. The best part, though, was that I got to experience all these activities with other blind and visually impaired teens. I made so many friends that week, and to this day, three years later, I consider some of those people some of my best friends.

A couple months later, I was on a plane to Michigan for the best and busiest week of my life. Ever since I was diagnosed with retinitis pigmentosa, I knew I wanted a guide dog, but that day was what really sold it for me. As soon as I grabbed onto that golden retriever's handle, I knew for sure that this was my next step in life, and as soon as I got home, I filled out the application for a guide dog.

A couple weeks after I came back from Leader Dog's summer experience camp, I got an email asking if I was interested in returning for their orientation and mobility (O&M) training. I knew that if I wanted a dog, I would have to improve my O&M skills, so I signed up for the next available week. After that week, I realized I didn't have to be embarrassed or ashamed of my cane. I learned how to be proud of my disability and the tools that I can use.

Leader Dog continued on next page.

Remember to make the checks out to: Minnesota Lions Hearing Foundation. Thank you for what your club can do.

Your trustees track your clubs donated dollars so your club can give Hearing Foundation Awards for each \$1000 donated.

Continue to collect hearing aids and bring or send them to Mid Winter Convention. We have a good total of credit with Starkey now, so if a low income person needs aids, possibly your Trustees can help with the process to get aids to this person. Contact a Trustee if you have questions.

Your Trustees are available and willing to come to your club and give some history and recent happenings in the MN Lions Hearing Foundation.

Leader Dog Continued from page 10

I stopped letting fear prevent me from being independent, and I started using my cane more often rather than relying on my mom or sister to help me navigate the world.

Like I said before, as soon as I got back from Summer Experience Camp in 2019, I applied for a guide dog. A couple months later, a week before my birthday, I found out I was accepted, and they were waiting to find the perfect match for me. Unfortunately, due to COVID, that process took a little longer than usual, but a couple days before my eighteenth birthday, I got the call saying they found a match for me, and on Halloween, I was introduced to my new best friend, Sampson. I still remember that day as if it were yesterday. The entire day I could barely sit still, knowing my dream would soon come true. Finally, around 6:00 pm, I got the text from my instructor saying they were about ten minutes out. My mom and I stood in the driveway, and as soon as I saw the blue and white Leader Dog van turn into our neighborhood, I immediately started crying. Sue, the instructor, brought Sampson around to me, and I knew we were meant to be.

Ever since I got Sampson, I've been so much more independent. Before I had him, I used to dread grocery shopping, just like any sane person does, but afterwards, I would volunteer to go, just so I could work with Sampson

more. Having him in my life has been like a breath of fresh air. He is my best friend, and I love him with everything I have.

For my last post, I would just like to say thank you to everyone who is involved with Leader Dogs for the Blind. None of this could have been possible without the trainers, the donors, the puppy raisers, and everyone else. There aren't enough words in the English dictionary to express how grateful I am to have the Leader Dog family in my life. From the bottom of my heart, thank you for all that you have done for myself and everyone else.

We know this article was long. But I did edit it down some but was difficult due to Brooke's enthusiasm and being so grateful for receiving Sampson. Thanks, to all the Lions who took time to read Brooke's article edited by Lion Loretta. I felt this article was worthy of being told and how life changing a dog can be in one's life. Now to all the Clubs in 5M2, please considering giving to Leader Dog for the Blind. It is a 501c3, so gambling funds can be used for your club's donation. As you can see by the above article Leader Dog has many programs that Brooke managed to access prior to receiving Sampson. Lion Loretta and Lion Emmy thank you for any donation large or small to the Leader Dog for the Blind at the Midwinter this February.

What is an endowed chair or professorship?

It is the highest academic award that a university can bestow on a faculty member, and it lasts as long as the University exists. It is one of the most prestigious academic positions a professor can achieve.

Thus, it is both an **HONOR** to the named holder of the appointment and an **enduring tribute** to the **MINNESOTA LIONS HEARING FOUNDATION.**

In 2011, the Hearing Foundation pledged \$1 million to the establishment of the endowed chair at the University of Minnesota and in 2021 completed the funding. We are now waiting to share the name of the professor of the Otolaryngology department who will be the first one to hold the chair.

Endowed faculty chairs are crucial for recruiting and retaining the highest-quality faculty. The greatest institutions have the **best minds**, the **most-creative researchers** and the **most-engaged teachers**, which attracts the **brightest students**. Having endowed faculty means students get to rub elbows with the most talented scholars in the world.

For **the Minnesota Lions**, this means that any time the professor speaks, presents a research paper, or receives an award, **our name** will be included, sharing in the prestige and the acknowledgement.

The perspective candidate for this position has been doing research and clinical trials that show that combining sound and electrical stimulation of the tongue can significantly reduce **TINNITUS**, commonly described as "ringing in the ears." They also found that therapeutic effects can be sustained for up to 12 months post-treatment.

We hope to announce the candidate soon. Stay tuned for more!

Parade of Green

One of the greatest service traditions of our Midwinter is the Parade of Green. Our "aged" Lions know this but sometimes we neglect to inform our newer members of how extensive the Lions values are. We know how valuable we are to our immediate villages but our care goes so much farther. Review last month's newsletter for a complete list of all the foundations existing in 5M and beyond. We have done and should continue to do so much.

One little example. Years ago local Lions partnered with the MN State Patrol and the Vision Foundation to transport eye donations for surgeries and research. This was when preservative solutions has a short life. So local Lions worked with state troopers to make it possible for University surgeons to work their magic. Thinking every foundation could share a grassroots story like this.

And this happens why? Because our community clubs fundraise so that we can provide. From your town to 5M2 to Minnesota/Manitoba to our nations to the world. As is said, "it takes a village". You are urged (and pleaded – smile) to be part of the greater village. No matter how little or how much your club can do, we need to be involved. Our foundations are challenged to maintain their quality and to expand research wise, now more than ever.

LCIF, Vision Foundation, Hearing Foundation, Diabetes Foundation, Childhood Cancer Foundation, Kidsight, Can Do Canines, Leader Dogs, Project New Hope, Youth Programs. We do so much via our proud tradition – **Parade of Green**.

We can make this the best **Parade of Green** ever. Let's make DG Glenn and the convention committee proud of our Global Service. **We Serve**.

PDG Dinner

PDG Anna Wickenhauser

Hello Lions!

I hope everyone had a wonderful holiday season and happy 2022!

I had the unique opportunity to plan the PDG holiday party this past December 5th at Little Dandy bar & Grill in Le Center, where there were a total of 28 guests in attendance of PDGs, their partners, and this year's DG Glenn and the lovely Lion Lisa. This was a very interesting challenge for me to arrange this party, since I have never had the opportunity to attend one before- damn Covid! Traditionally, the Past District Governors have a holiday party the 1st weekend in December, where all 5M2 PDGs, their partners, and the current DG is invited to reconnect and spread some holiday cheer! I need to send a huge thank

you to IPCC Brian Thies, who was gracious enough to co-chair this with me, and Lion Rose (who did most of the work for Brian) for all their support and guidance, and my partner Lion Monkey for helping me pull this off. Also a huge thank you to the elves who supplied the bingo game and the clever gifts for everyone. It was a wonderful gathering with everyone there in high spirits, lots of laughter, and even nice weather! It definitely took some elves and Christmas magic to pull this off, and it was truly a Christmas blessing to be able to see everyone in person, and return to some normalcy! All of those who were unable to attend due to previous commitments were greatly missed, and I look forward to seeing all of the PDGS again at this party next year- especially since it will be Lion Glenn's responsibility to host, and I will be able to just enjoy in the merriment with no extra stress!

Lions', Leos' Clubs News and Activities Jordaness Lions

The Jordaness Lions completed our annual World Service Day project this week. We filled and delivered goodie bags to all of the residents at the senior living buildings in our community (Oak Terrace, Schule Haus, Valley View, Brentwood Court, Brentwood Terrace). We have a lot of fun with this project (see the big smiles on the Lions faces in the picture below) and hope that this small gesture also brings a smile to the faces of the residents!

The Jordaness Lions just completed our annual Toy Project; a project that puts toys, books, and stuffed animals into the hands of deserving children in the community, and in the greater Minnesota area.

The Toy Project started 15+ years ago because of a good friendship between Lion Hedy Joachim and her friend Mary Brown. Mary sadly died from brain cancer at the age of 59 and this project is done in Mary's memory each year.

Every year our club receives 1500 – 2000 items including toys, books, beanie babies, wooden cars, trains, and helicopters, crayons, puzzles, small games, and much more. A committee of Jordaness Lions work to sort and distribute these items to organizations in and around the Jordan area (even extending to children's hospitals in

Mpls/St. Paul) that serve children in some capacity.

Jordaness Lions... continued

The Jordaness Lions club lit up the night at the recent Jordan Dazzle parade. Dressed as aviators, club members entertained the crowd and handed out candy, while Lion Linnea Schansberg "piloted" a plane through the clouds. The float honored DG Glenn's quest to "Aim High to Serve."

The Jordaness Lions were thrilled to host their 32nd annual Holiday Fashion Show at the Ridges at Sand Creek in Jordan. Two hundred tickets were sold for the event, which is one of the club's largest fundraisers. The show included a luncheon, raffles, a silent auction, and a fashion presentation that featured local (and Lion) celebrities! The show would not have been complete without a photo booth, and fun entertainment provided by club members.

New twists added to Lafayette Lions Santa Day

With the encouragement and assistance of the Lafayette City Council, the annual Lions Santa Day at Lafayette took on a new look Tuesday, December 14. The Lions partnered with community organizations and businesses to make the day extra special.

As usual, Santa arrived on a fire truck and sat down to visit with one of the largest groups ever—nearly 140 kids—and gave them treat bags packed by the Lions the day before.

New twists to the 2021 event were horse-drawn wagon rides provided by Lafayette native Tom Maidl of Country

Classic Clydesdales, a hotdog lunch served by the Fields of Grace Lutheran Parish youth group, and a hot chocolate bar put on by the Lafayette Charter School. Bernadotte 4-H provided an extra goodie bag and Citizens Bank Minnesota, Lafayette served cookies and milk.

The evening concluded with the lighting of the city's first Christmas tree in quite a few years. Santa and the city mayor, Sandie Peterson, did the honors. The tree and accompanying decorations are displayed in the band shell in Lafayette's Mini-Park. It's been many years since Lafayette had a city tree and this was a welcome addition to Main Street.

The weather was unseasonably warm, making for a pleasant evening for all the activities which were based in the Lafayette Community Center and adjacent Mini-Park.

The Lions were busy again, later in the week, when they selected the winners of the home lighting contest. A group of Lions met to drive around town to pick the winners of the contest. Instead of naming first, second, and third place winners—as had been done for many years—the ten best-decorated homes were named co-winners, with each receiving a \$25 prize. Many homes in the community were decorated—making the town very festive for the holidays.

Jordan Lions

Here are a few photos from the Jordan Lions "float" for the Jordan Dazzle parade that was held on Saturday, December 4. We decorated one of our Lions members' 1927 Model T Truck and had the Grinch ride in the back waving to the crowd. We also had a complimentary coffee and hot chocolate booth at the parade. We raised over \$500 in tips from the booth that helped support our Food Basket program. There is also a photo of several of our Lions loading a vehicle to deliver baskets to needy families in the Jordan area. We did this on Tuesday, December 14.

Albert Lea LakeView Lions

The Albert Lea LakeView Lions club would like to extend Congratulations to Lion Jan Drews and Lion Sue Tripp! These two lions were presented with the 2020Hearing Research Fellow Awards at the October Lions meeting.

Prior Lake Lions

Prior Lake Lions Senior Christmas Luncheon 2021 is in the books, on Monday December 13th, 200 meals were packed and picked up by Seniors in about a 45 minute time span, special thank-you to our venue host

Prior Lake VFW, Mgr Sue and Chef Tim.

Additionally, the 124 lbs of non-perishable food/toiletries and \$141 dollars cash monetary donations that were dropped off curbside will benefit the CAP Agency - Community Action Partnership of Scott Carver & Dakota Counties this Christmas. *Collage of Photos below.*

The Prior Lake Lions 'roared' with holiday joy on Sat. 12.04.2021. Santa and Mrs. Claus stopped in and gave a Christmas stocking filled with candy to the kids during breakfast! Santa surely can engage the imagination and engender a sense of wonderful expressions and spread the message of generosity.

We thank those who attended by supporting the breakfast and those who volunteered their time at our Project Annual Santa Pancake Breakfast including our local scout troops we sponsor.

We continue to work alongside the Prior Lake VFW Post 6208 and are appreciative of the venue/partnership they supply.

Prior Lake Lion's Peace Poster 2021 Winners

Each Year the Prior Lake Lion's approach Prior Lake Schools to participate in the Peace Poster contest. The Peace Poster Contest was initiated in 1988 to expand our youth programs at international levels. Since the Peace Poster inception over 800 million youth have competed from 100 countries. Many times, youth have a difficulty in expressing their thoughts in words but find art as an easier manner to express how they feel. Each year a theme is chosen around the concept of peace. This year's theme was "We Are All Connected". Eleven, twelve and thirteen-year-olds qualify, so we often reach out to middle schools with 6th, 7th, and 8th graders. Our club had three schools willing to participate, but Madison Leslie the art teacher at Aspen Academy was unable to compete due to time restraints. We would like to thank her for her efforts and hope she will continue to show interest in years to come. Julie Pyle, art teacher at Hidden Oaks Middle School did a great job in promoting the program in her school and the Prior Lake Lions are grateful for her continued support of this program. Due to Covid restrictions and guidelines, photos of Hidden Oaks winning students were taken individually. The winning posters are sent on to higher competitions.

Several MN Lions Clubs have been ardent supporters of Minnesota Connect Aphasia Now (MnCAN), as it has affected some members significantly. Learn more about aphasia here:

What is Aphasia?

- Aphasia is a condition that robs you of the ability to communicate. It can affect your ability to speak, write and understand language, both verbal and written. It typically occurs suddenly after a stroke or head injury.
- Aphasia affects an estimated 2 million people in the United States and is most commonly caused by strokes. Other causes include brain tumors, head injuries, infections, and neurological conditions. There is also a progressive neurological form of aphasia called Primary Progressive Aphasia.
- More than 200,000 Americans acquire aphasia each year. Only 8.5% of Americans have heard of aphasia.

How MnCAN Programs Make a Difference to the Aphasia Community

The mission of Minnesota Connect Aphasia Now (MnCAN) is to improve the life participation of individuals impacted by aphasia through comprehensive programs, education,

peer connections and community support.

- MnCAN serves over 130 people with aphasia and their families in MN every year. We started with community conversation groups in the Twin Cities, Rochester and out state areas. We currently operate 10 community-based conversation groups, several different support groups, a Coffee Club, Gavel Toastmasters group for people with aphasia, mental health support, and a drama club focusing on an arts outlet for people with aphasia and more opportunities for people with severe aphasia.
- These were all provided virtually to accommodate safety concerns with the pandemic and keep people connected.

Next Month: Learn about one person's journey with aphasia and how MnCAN has made a difference in her life.

If you'd like more information about MnCAN or about aphasia, please contact:
