Driven to Serve

Lion Brian Thies, District Governor

March came in like a Lion, but certainly has gone out with the Coronavirus or COVID-19. Shelter in place, closings, cancellations, postponements, social distancing, no hugs, no handshakes, hoarding of toilet paper. THIS IS NOT WHAT LIONS DO. We find opportunities to serve our communities instead of obstacles. I hope our members have been

reaching out to our elderly, those living alone and those in assisted living and nursing homes to see how we can help. Can we pick up their groceries, their prescriptions, their mail? Can we just pick up the phone and make a call just to chat.

As Lions, we ADAPT and do what we CAN DO. Take the Victoria Lions for instance. They showed their flexibility and adaptability, by going to a Drive-Up Only service for their fish fry literally only a couple of hours before their fish fry was scheduled to begin. Good Job. Lion Rose and I would have loved to get out and chat, but we adapted too and brought our fish home to enjoy.

One of things you can do while you are sheltering in place is to use technology to its fullest advantage. Have a virtual meeting with Zoom or Google Hangouts or one on one with Facebook Messenger video chat. Skype, Go To Meeting, or House Party are some other options as well. Take this uninterrupted time to update your club contact list. Make the phone call to see if the numbers are still accurate, send a quick email to check on your club member. Another fun way to make lemonade out of the lemons COVID gave us, is to collect all the change or money that you would have used for your Starbucks, Caribou or Dunkin Doughnuts and put it in a piggy bank for LCIF. Tornadoes don't stop just because of the Coronavirus. Just look to our Lion Families in Tennessee and Arkansas.

Your local Lions Clubs can still make donations to your local food shelves, send thinking of you cards to your local assisted living centers as well as nursing homes. Pay it Forward and have some snacks delivered to your local hospital, clinics, fire stations, etc. Those workers who are giving everything so we can stay healthy while taking care of those that aren't as fortunate as us.

With the cancellation of the Northern Pride, Multiple Convention and International Convention not being held in Singapore, we all need to be flexible. Several clubs have been forced to cancel their normal meetings as well as zone meetings have also been cancelled. The Journey for Service has been postponed possibly until June. STAY TUNED--this is constantly changing.

ELECTIONS. One of the biggest questions that I have been asked is what about Elections both on the local level as well as at International. At this time we have been informed that all Current International Directors and International Officers

will stay in place in their current office until the next International Convention in Montreal. This is due to the fact that we can not have international elections because the voting must be done at the International Convention only.

This means that IVP Brian and Lion Lori Sheehan will not become IP until the International Convention in New Delhi in 2022.

We are fortunate to have had our elections completed at the Mid Winter Convention in Mankato this past February. This means that DGE Anna Wickenhauser, 1VDGE Glenn Kaufmann, and 2VDGE Kathleen Bleckeberg will all move up in July to their respective offices. They were duly elected and ready to serve 5M2. I wish them well as they are going to be faced with challenges and opportunities never seen before.

PLEASE conduct your club's elections in April. Review your club's Constitution and By-Laws as to how you can conduct your elections. Some options you may be able to pursue are elections by US Mail, email, or telephone. Please enter these new officers into MyLCI by May 1st. Our work must go on albeit it may go on in a different manner than before.

As for our travels and other scheduled events, PLEASE STAY TUNED. This is constantly changing.

Keep our health care workers, food chain supply workers, truck drivers and all essential workers in your prayers. To-

Get Your Lion On!

*Lion Anna Wickenhauser
District Governor Elect*

LIONS STRONG

I don't really know what to say in this Newsletter? I know-unbelievable right?? I personally have gone through throwing myself some pity parties lately.

Multiple Convention-Canceled-which means it would have been the 1st time I would get to wear my Navy Blazer and sit at the table with the DGs.

International Convention in Singapore-Canceled-I don't even want to go into that:(

Zone Meetings, Club Meetings, District Wide Events-postponed or canceled or still "Pending". That's just in my Lions world. I know many of you had to cancel vacations, family celebrations-maybe you are feeling trapped in the house with your 12 year old? Trying to keep him from Gaming all day and trying to navigate the e-learning/Google Classroom that is being instituted. Whoops-enough about me;)

I know LCI is working out ways to help us in the coming months. Be patient-they are doing the best they can. So that brings me to another subject. In District 5M2 we are "Thinking outside of the box" in ways to stay connected with you and to keep everything moving. This is also a rapidly evolving process while we work out the kinks-mistakes are a given-so practice Kindness when you express feedback. We are open to constructive comments. Some of our Zone Chairs are going to be trying an online platform Zone Meeting. I am trying out different platforms to

host online meetings with a subcommittee to report back to LCI. LCI has been reaching out to a few of these providers to see if we can get our own rate? Like I said, everyone is thinking outside the box.

I am also working with several others to find an email provider service like MailChimp or Constant Contact that would bring us into technology with several features that would be a Bonus for us and make it more user friendly with the Data Privacy etc. For example-every member that has a valid email address in the LCI database could be in this system. You would get the Newsletter sent directly to your email address-no waiting for the Club President or Secretary to forward them out. Of course you also would have the ability to "Opt In or Opt Out" of the Newsletter-but why would you??? That's one of the things it could do for us as a District, of course these are a paid subscription. That's the dilemma. I am going to send this Newsletter out to several people in the district to see really how it works. I will post my findings next month.

But with all of the unsure, negative ramifications going along with this Virus, I am so humbled and proud of everyone's spirit in staying positive. Clubs are reaching out to their communities making masks for anyone who needs them, bringing groceries to the homebound, sending them letters, pictures to brighten their day. Helping the people that are experiencing food insecurity at this time and just basic necessities the list goes on and on...How are You Serving the Community at this time? It doesn't have to be a Lions sponsored event. Send me friend requests on Facebook, shoot me an email or pop it in the mailbox. Would LOVE to hear from you.

Get Your Lion On and Be Healthy

Rochester, MN...
...Our Vision is 20/20

Given the rapidly evolving impact of the coronavirus, the MD5M is canceled.

MD5M sincerely thanks you for your support and understanding. In light of the potential risk to our community's public health, MD5M feels this was a prudent and responsible decision.

The hotel room block/reservation canceled. Attendees might receive an email that says, "we are looking forward to your stay." Automatic emails continue even though the reservations are canceled. We are working on how to resolve; attendees will not be charged.

Sorry for the inconvenience. MD5M will be in touch soon regarding convention registration fees. If you have any questions, please email Nadeen Lunde malunde@bevcomm.net

Did You Know...

Lion Glenn Kaufmann
1st Vice District Governor Elect

Just like all of you, Lion Lisa and I are cooped up in the house trying to stay safe, while not losing our minds going stir crazy. It's times like these I wish I still had my Evel Knievel toy motorcycle. The things I would make it jump included my sister's Holly Hobbie and Mrs. Beasley dolls! I

would crank the handle on the cycle-launcher as fast as my ten-year-old arms would go, building up tons of energy, finally releasing the handle and watching the stunt magician execute his undertaking.

Friends, consider this cooped-up time as a chance to build up tons of energy and knowledge. When we get released back to our normal way of life, we will all have an opportunity to go out and either work on strengthening our clubs, adding a few tricks to our own Lions tool bags, or a unique way to make our communities even better through a new-fangled service project.

Did you know there are many, many different ways to learn more about Lionism? We only need to seek them out, and I hope the list below will offer you a few ideas of where to look.

A great place to start is the MyLion Suite (<https://myapps.lionsclubs.org/>)

From the Learn "Go" button, you can find choices to take free online courses and ways to encourage your personal growth.

- Are you a current or incoming Club President, Secretary, or Treasurer? Start the Club President (Secretary/Treasurer) Learning Path, to include [Club Officer Training and Club President \(Secretary/Treasurer\) Responsibilities.](#)
- Are you looking for ways to improve your club's meetings and interaction? Take a course on [Delegation, Effective Teams, Goal Setting, Conflict Resolution, or Meeting Management.](#)
- Courses that work on individual skills are: [Time Management, Team Motivation, Coaching, and Effective Listening.](#)

"Hey, Glenn. I'm not a club officer. What about me?" Glad you asked. Many of the above courses work for every member of both the club and district, no matter our role. We all have gaps we can fill.

Other ways to improve are innovative sessions that DG Brian, DGE Anna, and PDG Nancy are planning. Whether in-person or through on-line sessions, Zone Chairs and Club Officers will receive training and be set up for success for the 2020-21 Lion Year!!!

I encourage all of us to take our new-found alone time and get prepared to get back out there and Aim High, just like Evel did (minus all of the broken bones and crashes).

Lion Debra Wasserman, 5M2 LCIF Coordinator

Fellow Lions,

I am writing this on St. Patrick's Day. It puts me in mind of my dad who was Irish and also a Lion. He loved this day and could do a great Irish accent. Soda bread, corned beef and cabbage were often eaten. Green was the color of the day, actually the month. I carry on that tradition (have you seen my bright green purse?) Today is also a day when turning on the TV or checking our phones we find news of more people having COVID-19, new guidelines regarding the number of people who can gather, closings of our favorite restaurants, health clubs, theatres and more. The feeling of uncertainty seems so pervasive.

Here's what I know for sure.

People in our own communities and around the world are in need right now.

Quoting Dr. Jung-Yul Choi our International President

"Lions have served for more than one hundred years. We have been there for our communities during countless challenges to the world. Let's consider ways we can safely help, such as providing meals to low-income students whose schools are closing due to the virus. Let's check in on family, friends and neighbors. Let's continue to put our kindness in action while keeping health and safety in mind."

Again, President Choi reminds, "Now more than ever, it is important that we stand together as local communities, as a global community, and as Lions. Thank you for serving your community and the world."

The Board of Directors of the MD5M Lions KidSight Foundation, Inc has voted to suspend all KidSight vision screening activities until further notice.

This action is being taken due to the impact of Covid-19 on the normal ability of Lions to provide screening in a safe environment. We must ensure the safety of our Lions as well as the children and educational professionals that they would interact with.

Hopefully, this suspension will be of short duration and we can once again provide needed vision screening to our communities.

Please forward this message to your District leadership team and notify all of your clubs of this suspension.

Please let me know if you have any questions and thank you for your understanding and cooperation.

We were hoping to get a Kidsight Training date scheduled, but due to the Covid-19 precautions we will delay scheduling a date. Hope to be able to get a date by June. Keep safe, and time will resolve this medical issue.

LIONS DAY

AT

FEED MY STARVING CHILDREN

MONDAY, APRIL 20, 2020

STAY TUNED FOR FURTHER DETAILS...BELOW IS AN UPDATE FROM FMSC

Dear Friend of FMSC,

Feed My Starving Children continues to closely monitor the ongoing COVID-19 outbreak and respond in step with the recommendations of federal and state authorities. As announced previously, we have taken the unprecedented step of pausing our normal meal packing activities at our permanent sites.

As of today, March 16, we are closing all packing sites through Sunday, April 12. This extends the previously announced 3-day closure. All MobilePackT events scheduled for March 16 through April 12 remain postponed. This will give us additional time to evaluate our options and to monitor and adapt to the ever-evolving situation.

We recognize gravity of this situation for those who rely on FMSC meals and we lift up those children and their families in prayer. We ask for God's help and wisdom in this global health crisis.

What can you do to help?

Pray. We ask you to join us in prayer for the health of FMSC's volunteers, supporters, staff, partners and most importantly those who rely on FMSC meals.

Give. Please consider donating. We cannot pack meals right now, but you can help fund them so they can be packed at a later date. [Give now »](#)

Shop MarketPlace online. You can shop FMSC MarketPlaceT from wherever you are, and you'll support artisans while funding meals at the same time. [Shop now »](#)

As always, you can find the latest at fmsc.org/COVID-19 and if you have questions, please email us at info@fmsc.org.

We are grateful for your support to feed God's kids. We lift each of you and your families up in prayer.

God bless,

Your FMSC family

WE SERVE!! TURN HUNGER INTO HOPE WITH YOUR OWN TWO HANDS!!

MN Lions Childhood Cancer Foundation Report

Since our matching funds fundraising campaign started, District 5M2 has raised over \$21,000 toward our \$100,000 goal! With the match, that means our District has accounted for over \$63,000 to be donated to the University of Minnesota Masonic Children's Hospital for research and services for survivors of childhood cancer and the continuing health issues they face as they become adults.

Our goal of \$100,000 has ALMOST been reached. We do not expect any problem in reaching our goal by June 30!

Lion Sandy Schneider has resigned as a director of the MN Lions Childhood Cancer Foundation. I want to express my appreciation for her dedication to this important project – especially in selling out our lapel pins at the Midwinter Convention! DGE Anna has found two wonderful people to represent 5M2 for next year! (I also will step down at the end of June.)

Speaking of lapel pins, they have been reordered, but are manufactured in China! The factory was shut down for at least a couple of weeks due to the Coronavirus outbreak. We understand that the factory is now running again, and

the latest we have heard is delivery of the pins in early April.

Be sure to check out the Childhood Cancer Foundation Facebook page: https://www.facebook.com/MN-Lions-Childhood-Cancer-Foundation-106271427419671/?modal=admin_todo_tour Let us know of any club activities involving childhood cancer, with photos, if you have them. We'd love to include them on the FB page!

The Internal Revenue Service has received the Foundation's application for a 501(c)(3) designation. We expect (read, hope) that a decision will be made before the end of 2020. The University of Minnesota Foundation has provided a workaround - contact Tom for a memo on the proper procedure to make the donation and get credit toward your Lions donation.

We are looking for comments and suggestions, so if you have any, please do not hesitate to contact either of us.

PROTOCOL PLEASE!!!

The following is found in the 5M2 Protocol Manual (see the 5M2 website):

"Protocol is an official expression of good manners. The courtesy we show each other in our everyday lives affects our attitudes, our efforts, and in turn, how we view ourselves as human beings."

Good to remember and use during this difficult time! Stay home, stay safe, and wash those hands!!

Viewing Forward

MN Lions Vision Foundation

Again our challenge to be nights of the Blind. And this challenge was met superbly at Midwinter. Your financial commitment via Parade of Green totaled \$16,015.00. Fantastic! We are so grateful and proud of all that our clubs do to collect this sum. Our mission is multi-fold (Gift of Sight, Research Department, Children's Eye Clinic, Surgery Center, and Eyeglasses collection); the needs are great. The Foundation truly appreciates all that can be given (so, remember to award your Helen Kellers!)

Also thanks to the very many of you who sorted the very large collection of eyewear and hearing aids on Saturday afternoon. Many hands made the work fun! In an article soon, we will remind you of the sorting prep that can be done as you gather your treasures for the future. Remember Christy and Mary can take your glasses throughout the year, balancing delivery to MLERC.

Also thanks to Gift of Sight for the wonderful seminar

presented to us on Saturday morning. What a trio of excellent speakers covering our history and future goals! So much to be proud of. Happy 60th Anniversary, Lions Gift of Sight!

NEW TOPIC – Spring Tour is back. Mark your calendars for Saturday, May 16, 10:00 AM tour sponsored by MN Lions Vision Foundation and MN Lions Hearing Foundation and done via the service our UoM Departments. Lunch included for the nominal registration fee of \$5.00. A great way to learn more and also to introduce newer members of our service. You have received invitations via mail so please consider the visit – so worth your time.

Lives are changed by every little something we do. Lions Christy and Mary are anxious to visit your clubs and share the passion of Lions' original mission. As directors, we continue to View Forward. Our past is great and our goals will continue to be met. We are your directors ready to serve. Give us a shout – maryspille@gmail.com or christy1135@gmail.com. Together, "WE SERVE" continues.

Minnesota Lions Hearing Foundation News

The 2020 9th Annual D Feet Walk is just 2 months away. Has your club registered yet? The event is held in 5M2 at the Mn Landscape Arboretum. For a \$25 donation to the MN Lions Hearing Foundation, you get free

admission to the Arboretum (normally \$15 per person), lunch, hiking and touring the gardens, 3 mile drive, Bog Walk, exhibits, plus meeting Lions from all of Minnesota. A \$100 club donation allows 4 walkers, a \$1000 club donation gives your club 40 walkers plus your clubs name on the free t-shirt. I invite your families and friends for a day of fun and being at the Best Awarded Arboretum. District 5M2 is a leader in clubs attending and the most attendees. Can we do better in 2020? This is the MN Hearing Foundations largest fund raiser.

Thank you for your donations to the parade of Green. \$12,165 was given to date from 62 clubs. 3 clubs did not participate at this date. Two Leo clubs also donated. Great job collecting Hearing Aids and bringing them to the Mid Winter. A total of 282 hearing aids were collected.

One of your trustees will visit your Zone meeting if possible. We are also available to visit your club and give up dates and some history of the Hearing Foundation.
