DG MARVIN'S WOOD CUTS

This is the 36th edition of my writing and the last one. It has been a pleasure and an experience writing every month. I hope the articles were informative. It's amazing what one can do when you set your mind to it.

Our membership in the District was steadily growing up to a plus 27, then lately there

have been some deaths and drops of members. We are at a plus 21 as I write this. Let's keep working on gaining new members. Remember, more members means you club can do more service for your community. Also, let's retain the members we have. You work to bring in new members, don't lose them. Keep them involved in the club activities.

As of May 15th there are still 9 clubs that have not reported their officers for 2016-17. This creates a problem for LCI and the District Executive Secretary on printing a new directory. I have put out another notice to these clubs, hoping for a rapid response.

Our Journey for Service was very successful. The 5M2 clubs gave a little over \$15,000. The money has all been distributed. Two clubs did not respond, so we did not make 100%. On a more positive note, our District had 100% giving to LCIF. Only two other Districts in our Multiple accomplished this. Congratulations to the Clubs of 5M2.

I want to thank the Region Chairs, Zone Chairs and Cabinet Members for being on my "team". Your willingness to serve and do your duties makes being your District Governor a lot easier. Also a special thank you to our Newsletter editor, Cindy Walters, for an outstanding job of putting out a first class newsletter.

Lion Evelyn and I would like to thank all the Lions in 5M2 for their friendship and respect shown us these past three years. Thank you for all the meals, treats, reserved parking space, and all the extras you have given us this past year. We have enjoyed our journey and the experiences of the office of District Governor. Our Lions family has really grown. We have made

many new friends. We look forward to seeing many of you in the future.

PENULTIMATE POINTS

*Steve Wasserman
DG Elect*

Where has the year gone? It seems like only yesterday that I was struggling to write my first column as DGE. Now I am struggling to write my last.

It has been a great year of service for the Lions of District 5M-2. As I write this, 61 of our 64 clubs have recorded a total of 31,355 Lion Hours of Service on the MyLCI Website. 54 clubs have reported projects in the Centennial Service Challenge areas, reaching a total of 100,147 people. We raised over \$100,000 for the Parade of Green Projects at the Midwinter Convention, and approximately \$15,000 on the "Journey for Service".

Our membership is also very strong. We now number 2,459 members, a gain of 27 since the first of July. 48 clubs have added a total of 191 new members. 22 clubs have added at least three new members, and therefore are on track to be recognized as "Premier Centennial Lions Clubs" if the members remain with the club for at least two years.

It has indeed been a wonderful year. We have reflected International President Yamada's theme of "Dignity, Harmony, and Humanity", and District

Governor Marvin Grimm's theme of "Build Stronger Lions".

But even as I reflect on that, I am reminded of a quote from Helen Keller. You know it well: "I am only one, but still I am one, so I will not refuse to do the something I can do". Yes, "There is only one month left, but still there is one month left. Let us not refuse to do the something we can do". Let's expand our service and build our strength even more. Do one more service project. Ask one more person to join your club. Take one more step toward fulfilling our Centennial Motto of "Where There's a Need, There's a Lion!"

I want to express my personal gratitude to those Lions who accepted leadership roles for next year. To all the incoming club officers, I want to say that I am really looking forward to serving with you as Centennial Officers. It really is a special time to be a leader in this great association. To all who have accepted District Leadership Positions, I want to say "Thank You!", and promise I will do my very best as we strive together to support the clubs in our district as they provide service to those in need.

One more quote from Helen Keller: "Alone we can do so little; together we can do so much!"

DGE Steve Out!

MOVING FORWARD...AND LOOKING BACK.

Nancy Mathwig
1st VDG Elect

June - the sixth month of the year, which comes between May and July. The first month of summer and the month we celebrate Father's Day. June is also the final month of the Lions year. Is your look back a positive one? Looking back on District 5M-2 for 2015-16, I see the many, many

positive things that have happened: 64 active Lions clubs, one active Lioness club, four active Leo clubs - all serving their communities and beyond; District Governor Marv's Mid-Winter convention hosted by Zone 2. They stepped outside the box with the theme and gained recognition from other districts for the unique and fun idea. Well run and informative Region and Zone meetings and participation in activities involving the Multiple District.

A major district project this year was the MD5M convention. Our district hosted a very successful, fun-filled, educational, and service oriented Multiple District 5M convention in April. The committee has heard and received many great comments about the entire weekend! Thank you to all the clubs in 5M-2 for your support and dedication to making the convention such a success. It could not be "pulled off" without the help of the entire district! The Verizon Center enjoys having us so much that they would like to see us return every five years or so.

A few facts from the convention: we had 554 registered Lions, Lioness, Leos and guests; District 5M-2 had 58 voting delegates representing 24 of 64 clubs. We were able to participate in all four Centennial

Service projects throughout the weekend. On Friday afternoon, 21,168 meals were packaged for Food for Kidz with Sunday's tail twisting raising almost \$600.00 to support the meals packaged - Relieving the Hunger. The Northfield Leos hosted a super program on Friday with 11 WWII veterans sharing their stories - Engaging Our Youth. Sharing the Vision was met with the collection of used eyeglasses and Protecting Our Environment was accomplished by recycling paper and plastic products throughout the weekend. The seminar speakers were well received and Jerrid Sebesta, our Sunday brunch speaker, excited everyone with his message. PDG Kathy - thank you for suggesting Jerrid and Lion Dave - thank you for having such a great speaker for a son!

Let's not forget our history facts for June - The following clubs will be celebrating anniversaries during the month of June:

- ✓ Hutchinson Lions - 34 years
✓ Jordan Jordaness Lions - 34 years
✓ Montgomery Lions - 33 years
✓ New Market-Elko-Webster Lions - 43 years
✓ Waterville Lions - 71 years

Finally, it has been a pleasure serving you this past year as your 2nd Vice District Governor. I am looking forward to 2016-17 as 1st Vice District Governor and hope to meet even more of you as I travel around the district to Region and Zone meetings, or at Mid-Winter.

2016 USA-Canada Lions Leadership Forum

Omaha, Nebraska - Sept. 15-17, 2016

Leadership ? Service ? It's what Lions do !

"Leadership for Service", the theme for the 2016 Forum, reflects our goal of equipping our Lions to meet the Centennial Service challenge in performing 100 million acts of service. Saturday afternoon will have three large service projects that every attendee will be able to participate in. Corresponding seminars have been added, teaching the skills and organization needed to better prepare service projects at the Club and District level.

Opening night, Thursday brings master illusionist and motivational entertainer, Billy Riggs. On Friday, Lion Jay Blake brings his drag race car "Follow a Dream" to the Forum, along with his amazing story of overcoming a blinding accident to follow his racing dream. Saturday we look forward to the inspiring words of our then International President, Chancellor Bob Corlew. We finish the evening with Retired General Dick Abel, who after a long career of military, private sector and public leadership will be talking about the leader within each of us. Centennial Update

By DGE Steve Wasserman. 5M2 Centennial Coordinator

Centennial Service Challenge:

According to statistics posted on the LCI website, the Lions of the world have now provided service to more than **85 Million** people in the four Centennial Service Challenge Areas!

Wow!!! We are really picking up the pace in 5M2! **54 clubs** (up from 49) have now reported on projects serving **100,147 people**. We have crossed the 100,000 mark again, and are now only 1,000 people short of our last year's total. Congratulations Lions of 5M2! **35 clubs** have now reported on projects in all four areas of the challenge and have earned their **four diamond patches** for the 2015-2016 year.

CENTENNIAL CLUB OFFICER TRAINING

*PID Debra Wasserman
GLT Coordinator*

2016-2017 Club Officers received training on Sunday, May 22 at Bethany College in Mankato. 31 of

64 Lions clubs were represented by 56 attendees.

Much NEW information was presented to those in attendance including:

- NEW District and International Themes for the coming year
- NEW District-wide programs including Kid-sight and Mentoring
- Introduction to a NEW orientation program that will be available to clubs and presented by district volunteers
- A NEW emphasis on public relations, including use of social media (facebook)
- Hands-on experience with the LCI Reporting Website (MyLCI)
- Many questions were asked prompting important, informative discussion in each of the sessions.

If your club was not represented, 2016-2017 President and Secretary folders will either be delivered or are coming in the mail. As you look over the included material, please feel free to contact anyone on the

2016-17 DG Team with questions or for more information. More information will also be coming your way on these and other topics from your Region & Zone Chairs, the District Newsletter, and at other District Events.

THIS YEAR?**

Contact Lion Cindy Walters for applications and any questions.

Phone 952-484-0404 or email: cjwalters@me.com

This July, 30 youth from 18 countries are coming to MD5M. They'll stay with host families 2 to 6 weeks, with the week of July 16 at Camp Spicer. This is a mobile camp that tours places like our state capital, Can Do Canines and the Lion's Eye Bank. The students enjoy activities that include Valley Fair, the Mall of America and picnics with Lions Clubs. A highlight of the week is the International Banquet where the youth prepare a dish from their country and serve it to their host families and the Lions' Council of Governors.

THIS IS THE SUMMER TO BE A HOST FAMILY!!!!

MN Lions Vision Foundation

A most heartfelt thanks from all of us at MN Lions Vision Foundation! Support for the raffle/auctions fundraiser at Bend in the River II reaped great success for MLVF and Camp Confidence. To all of you and your clubs who purchased raffle tickets and spent dollars at our auction/bucket site, THANK YOU! \$16,120 net income to MLVF brought huge smiles to our faces.

Do you know the term MAC Center? This name was coined in the 1990s when the Vision Foundation pledged 2.5 million dollars to the University to fight Age-related Macular Degeneration, the leading cause of blindness in the developed world. That was just the beginning; treatment and

research of AMD are an integral part of what our University doctors and teams do. Just one aspect benefited by Lions serving!

Again, fun project to consider: State Fair season brings opportunity for MLVF and MLHF to sponsor a booth in the Education Building. 5M2 is responsible for staffing on Friday, August 26. Two hour shifts to greet fair goers and to share your enthusiasm for Lionism. If you are interested, give Lions Diana and Mary (vision directors) or Lions Arline and Jeff (hearing directors) a shout. Volunteers most welcome!

Together, "WE SERVE" continues. Remember that Lions Diana and Mary are your Vision Foundation reps willing to visit your clubs - dianakroells@embarqmail.com or mkspille@embarqmail.com.

7th Annual Minnesota Lions Diabetes Foundation Research Update Recap

On April 2, 2016, a blustery morning on the campus of the University of Minnesota, The Minnesota Lions Diabetes Foundation, along with fellow Lions, family and friends, once again took part in the 7th Annual Lions Diabetes Research Update.

Lions were treated to information stations showcasing some of the latest discoveries in diabetes research being conducted at the University. Each station was hosted by a researcher who has generously been supported through the Foundation's research grant.

The event included lunch and presentations by Dr. Bernhard Hering, Bradley Weegman PH.D., and Dr. Amir Moheet.

Dr. Hering shared information on the latest research being conducted in transplantation using both human and pig islets. He described how he and his team are conducting cutting edge research to make porcine islet transplants a widely available cell transplant-based cure for diabetes. Dr. Hering's team was the first to report long-term diabetes reversal after porcine islet transplantation in immunosuppressed monkeys, one step away from humans.

The next presenter, Bradley Weegman, PH.D., is a member of the Minnesota Lions Diabetes Foundation Imaging Lab. Brad described how the Lions Imaging Lab is researching and developing an artificial pancreas which would house insulin producing islet cells. The Lab is using the world's strongest magnetic resonance imaging machine to study oxygen levels needed by the islet cells to survive.

The final presenter was Endocrinologist Dr. Amir Moheet. Dr. Moheet described how both type 1 and type 2 diabetes have been associated with reduced performance on multiple domains of cognitive function including memory. He and his colleagues are using the imaging techniques of the Minnesota Lions Diabetes Imaging Lab to study structural abnormalities in the brains of both type 1 and type 2 diabetic patients. The long term goal is

to determine the impact of diabetes on the brain's structure and function in middle-aged adults.

Grants

The MLDF approved and presented three new grants at \$25,000 each at the Diabetes Research Update. Hearing from the doctors about the progress they are making on many levels, gives us hope.

MLDF Chair PCC Judy(L) Along with PID Deb Wasserman Presented three checks for diabetes research to Jean Gorell U of M staff.

The U of M will use the grant funds:

- To develop vaccines that will eliminate the need for immunosuppression drugs in a porcine islet transplant.
- To focus on the autoimmune disease that causes diabetes by working to remove the destructive cells.
- To test inflammation reducing drugs and evaluate the role of calcium in insulin. Testing first in animals, to ultimately treat T2 diabetes.

**Lions International Centennial Event --- 5M-2
Project New Hope Bike-a-Thon**

- ❖ Route: Sakatah State Bicycle Trail in Beautiful Southern Minnesota . . .
- ❖ Leave the Waterville site at 6:15 or 6:30 A.M.
- ❖ Waterville is the starting point and also the site of the Grand Finale Finish at approx. 6:00-6:30 p.m.
 - Waterville to Faribault DQ / Country Kitchen = 15 miles
 - Faribault to Eagle Lake = 35 miles
 - Eagle Lake to Faribault = 35 miles
 - Faribault to Waterville = 15 miles -- Grand Finale! Hopefully and expectedly about 6:00 - 6:30- p.m.
- ❖ We would like to remind all riders that this is a Lions Project New Hope Fundraising Marathon in observance of Lions International Centennial. It is not a race and it is not necessary that a rider completes the entire 100 miles. It is asked, however, that All Lions and other riders have a Day of Exercise, a Day of Friendship and Lionism, and a Day aimed towards aiding our returning combat veterans who have put their lives on the line for us. We, as Lions, can lead the way in helping these brave men and women adjust back to civilian life
- ❖ Parking sites along the way are --- Bike-a-Thon starting point is Waterville School parking lot south of school/north of Catholic Church; at Faribault DQ/Country Kitchen parking lots; at Elysian parking lot at Rest Area right along the Sakatah State Trail; and the Madison Lake site next to the Sakatah State Trail and the Trail Blazer Restaurant.
- ❖ There will be bottled water available at all parking sites (Faribault, Waterville, Elysian and Madison Lake --- compliments of Waterville Lions Club)
- ❖ Lion Lori Klein will be our main Contact Person in charge of signing in all riders, collecting funds/donations and informing incoming riders of the location of main party of riders. Lion Lori's phone number is (612) 790-7911---feel free to call or text. Lion Duane Fischer will drive/operate the main 'sag wagon'. Lion Duane's phone number is (507) 362-4799. Lion Duane's 'sag wagon' will be available to transport bikes and/or riders from one location to another in case of repairs for bikes (or riders!) and also if riders need a rest and would like to bike from another point along the route.
- ❖ There will be t-shirts (with the Project New Hope Bike-a-Thon logo) available at all stops but most of them will be at Lion Lori's location as ALL RIDERS are requested to please sign in with Lion Lori sometime along your ride. The shirts will be \$10.00 each no matter what size. If you want to guarantee getting a shirt give Lion Lori a call with your size and it will be set aside for you. Most shirts will be yellow with only a couple of sizes being a gray color---but all shirts will have the same logo. Lion Lori will also be in contact with various groups of riders and will have information as to where the original group of riders are, as well as other 'groups', at all times.
- ❖ Riders can start their ride at any location along the Sakatah State Trail and ride as far or as long as they desire, but again, ALL RIDERS are requested to sign in with Lion Lori.
- ❖ Again, we urge ALL RIDERS to please check in with Lion Lori as you pass through (or reach) Waterville. Also let her know what Lions Club (or other organization) you represent so your club will receive recognition/credit. It is the hope (and wish) of Bike-a-Thon organizer/planner Lion Webster, the host Waterville Lions Club, Dist. Gov.-Elect Steve Wasserman and Project New Hope Dist. Chmn. Lion Darlene Wondra that all Lions Clubs in District 5M-2 are represented. Of course, Lions from outside of District 5M-2 are more than welcome to join us!
- ❖ We are striving for 100% participation of the 5M-2 Lions/Lioness and Leos in this District 5M-2 Centennial Event.
- ❖ A 'Post Bike-a-Thon' picnic/get-together is being planned for the evening after all riders have completed their rides.

CAN DO CANINES: Amanda Mollner & Mobility Assist Dog Phyllis

Thanks to the support of Lions Clubs across 5M, Can Do Canines continues to train specially trained dogs for people with disabilities and provide them free of charge to those in need.

One recent recipient of a Can Do Canines assistance dog is Amanda Mollner. Amanda now has a greater sense of freedom, independence and peace of mind thanks to Mobility Assist Dog Phyllis. Read their story.

At 18, Amanda Mollner of Woodbury, Minn. began having episodes of dizziness. Sometimes she felt off-balance; other times like she was spinning while standing still. She had ringing in her ears so loud that sometimes she couldn't hear. Amanda has Meniere's disease, a rare disorder of the inner ear that causes vertigo, hearing loss and ringing in the ears. "The disease is in my ears," Amanda says. "But it affects my entire body. I fall frequently and drop things a lot."

For nine years, she did her best to cope with the disease that cost her employment opportunities and made relationships stressful. But after three ear surgeries, Amanda began looking for another solution. She found Can Do Canines, and was paired with Phyllis, a two-year-old black Lab. Phyllis helps Amanda by fetching the phone, acting as a brace when she gets up, and retrieving her cane. She also opens doors and drawers, and picks up items that Amanda drops.

With Phyllis by her side, Amanda says she feels more secure and safe, and ready to pursue the independent life she imagined nine years ago. "Phyllis gives me a reason to get up every day," Amanda says. "I am forever grateful to all those who helped bring this beautiful little soul into my life."

JORDANESS LIONS

Arbor Day service project:

We recently celebrated our annual Arbor Day service project by presenting all Jordan schools kindergarten students with a Norway Pine tree. They can plant, care for and watch the tree grow. One of our favorite activities because the students are so excited and inquisitive; they can't wait to get home and plant.

Jordaness Lions sponsored the Jordan City Wide Garage Sales. This is an annual service project and this year we also hosted a welcome tent. Unfortunately the weather was not on our side but that didn't stop our club from doing their thing!

The Jordaness Lions presented 6 graduating JHS senior students with scholarships. These students must apply for a scholarship and write a paper focused on the theme of volunteerism.

PLATO LIONS

Plato Lions Food For Kidz event

Wednesday April 27th at the King Pin Pub in Plato.

\$2567 was donated, \$1,000 by the Plato Lions. There are 36 bags of food in one box, and we filled 107 boxes! That's 3852 bags, and each bag feeds 6, so that's 23,112 people fed!

118 community volunteers and 17 Lion volunteers.

WINTHROP LIONS

Scot Kuester was recognized by Lions Clubs International for sponsoring 15 members of the Winthrop Lions Club. Presenting his pin was 2nd Vice District Governor Elect Diana Kroells.

Winthrop Lions acknowledged the dedication of Patty McCarthy to her club and community by presenting to her the Minnesota Lions Vision Foundation Helen Keller Award. Presenting the award was Foundation Director, Lion Diana Kroells. The Minnesota Lions Eye Foundation supports the University of Minnesota Lions Eye Bank, the Children's Vision Hospital at the University and answers the challenge issued by Helen Keller to the Lions Clubs back in 1925 to become "Knights of the Blind."

VESELI LIONS

Drive to Revive Arbor Day Arbor Day was celebrated on April 29 2016. More than 284 Fourth Graders in New Prague will roll up their sleeves and plant a tree. The kids will become members of Fourth Grade Foresters. The project's goal is to help revitalize a remarkable idea--observation of Arbor Day in America's schools. Fourth graders at St. Wenscelaus, Raven Stream, and Falcon Ridge in New Prague will receive trees to take home and plant. Dr. Wendy Goldsmith with the Veseli Area Lions who sponsored the trees said, "This project is made possible because Veseli Area Lions covered the cost of each of the individually packaged spruce trees, so that there is no cost to the students, the teachers, the school, or the taxpayer,"

Debra Ersch, Cofounder of the Fourth Grade Foresters Project stated. "It's a wonderful way to show support for the community, education and the environment." Fourth Grade Foresters USA was created to provide a simple and inexpensive way for any individual, business or organization to send the 4th Grade students at an elementary school home with a tree of their own to plant and care for. Each fourth grader receives an individually packaged 12"-18" spruce tree seedling packaged by workers with disabilities. Now tree planting is even more important than ever. Trees take carbon dioxide (CO2) out of the atmosphere and clean the air we breathe. Planting trees is a simple, inexpensive and easy way to improve the community.

 Sitting (left to right) - Roxanne LaPierre, Cole Rezac (Jeremy Rezac's Son) & Jenny Malecha.

The Cause of Cavities

Tooth cavities are preventable.

If you are a caregiver for children, be careful what they drink. Sugared drinks such as milk, juice and soda pop (when consumed often) can harm a child's baby AND permanent teeth.

Limit these drinks to mealtimes.

Offer plain tap water at other times.

Keep teeth healthy by:

- Drinking fluoridated water
- Using fluoridated toothpaste twice a day
- Visiting the dentist regularly or if your child does not have a dentist, asking your child's doctor or nurse practitioner to apply fluoride varnish to the teeth four times a year.

Fluoride varnish applied to your child's teeth by their medical provider will also help.

Don't be shy; **ASK FOR IT.** Fluoride protects and strengthens teeth and prevents cavities.

Learn more about preventing cavities by visiting the Minnesota Oral Health Project website minnesotaoralhealthproject.com and liking us on Facebook.

Cavities can be prevented.

SHAKOPEE LIONS

On Friday, April 29th, 2016, our club hosted a Spaghetti Dinner - our beneficiary was Dawn Temp and her family. Dawn was suffering from cancer and sadly Dawn passed away May 12th.

Our club had 7 members attend the vision and hearing tour at the University of Minnesota on April 30, 2016.

We are teaming with the City of Shakopee to revamp the current playground at Shakopee Lions Park to become an Inclusive Playground. The Shakopee Lions donated \$40,000 to the cause in March and are currently working with the city, a Committee of local citizens and health Care professionals and the park consultant to raise additional funds to add more amenities to the park than originally planned.

How about a little exercise? How about some fun with friends?
How about supporting a great cause?

We have just the event!

Join us for a 100-Mile Bike-a-Thon to benefit Project New Hope Saturday, Sept 24

All proceeds benefit Project New Hope, providing FREE weekend retreats for combat veterans and their families around the state of Minnesota, with

The 100-mile ride, hosted by the Waterville Lions Club, will be confined to the scenic Sakatah Singing Hills State Trail.

The plan, weather dependent, is to head east out of Waterville at 6:30 a.m. The ride will continue from Faribault → Eagle Lake → Faribault and back to Waterville. There will be plenty of places to join the ride for however long, or short, you wish.

Sag wagons will be available for rest, transport and repairs. Fresh water will be provided along the trail. Prior registration is not required, and there is no fee to participate. T-shirts are available for \$10.
