5M2 VITAL SIGNS REPORT

*Lion Nancy Mathwig
District Governor*

Welcome to the second century of Lionism! The 2017 Lions Clubs International Centennial Convention is now a piece of history and a new century of working together to improve the world is in process.

You are receiving this newsletter later than normal since I asked Lion Cindy to hold on completing the July newsletter until the completion of the convention in order to share with you not only photos of convention attendees and happenings, but also an update on the changes happening as we begin a new century. But before I update you on information from the convention, I need to apologize for an omission last month.

In the June newsletter, I thanked those Lions who assisted with Officer Training during the month of May. Any time you publicly thank more than a couple people, you run the risk of forgetting someone. Well - I forgot two very important Lions who helped make the Officer training a success. First, thank you to Lion Kevin Blank for assisting PDG Joan with a "mini" orientation to kick off Officer training. My second thank you goes out to Lion Charlette Abbas who assisted with a portion of the Zone chair training. As a Zone chair for 2016-2017, Lion Charlette took the challenge presented by Governor Steve and held a meeting of only the Presidents and Secretaries in Zone 4. The meeting was a huge success among the Zone 4 presidents and secretaries and I asked Lion Charlette to share information on the format for the Zone meeting with the incoming Zone Charis!

Which leads me to a major change I am instituting for the 2017 - 2018 Lions year. **THERE WILL BE NO REGION MEETINGS DURING SEPTEMBER!** Instead, I have asked the Zone chairs to hold a meeting with the Presidents and Secretaries only to discuss issues within their clubs or zone or the district in general. The goal is to build better communication between clubs, which may lead to more partnering on service projects. Watch for additional information in future editions of the newsletter.

During the convention, we heard about the new global service framework for LCI forward! Vision has been our focus since Helen Keller challenged the Lions to be Knights of the Blind in 1925. Vision will continue to be a focus in the global service framework but will now be one of five areas. The new areas will include diabetes,

environment, hunger relief and pediatric cancer. Many of our clubs already do so much in the first three categories, which will make it easy to adapt to LCI's global service framework. The initial focus will be on Diabetes, a worldwide epidemic.

You are probably thinking two of the additional three areas look very much like the Centennial Service Challenge areas and you are correct. Environment and hunger relief will continue in the global service framework going forward. During the convention, two main speakers, former Vice President, Al Gore and former United Nations Secretary General, Ban Ki Moon, spoke on the importance of climate change and how Lion working together can make a difference. The Centennial Service Challenge also included a category of engaging our youth. While this will not continue as a global service framework, LCI is encouraging all Lions to involve youth at all aspects of our projects. Youth are our future and what better way and time than now to get them involved with us!

Another exciting new release at the convention was the MyLion digital application for your iPhone. The USA is one of the test areas for this new technology and convention goers were given the opportunity to download the app and receive instructions on using it. Additional information will be available at lionsclubs.org very shortly.

New and exciting things are happening at LCI as we move forward into the new century! Watch for additional updates in future newsletters!

BITS AND PIECES

*Lion Diana Kroells
1st Vice District Governor*

It was just a year ago when I sat down to write my first newsletter article. I thought to myself- "How in the world am I going to write 36 articles over the next 3 years and have something worthwhile to say each month." Will people read these articles that I painstakingly try to put together each month?? Maybe or maybe not but for me to write them gives me the chance to gather my thoughts and express them to you.

Starting out a new Lion's year is similar to starting out a New Year. It is time to think of how we can be a better Lion by setting some goals for ourselves and then of course sticking with them. Usually the best way to be sure that you will stay on track is to write them down and then share them with someone. By sharing them, you are held more accountable. Do I have all of my goals set for the new year? I hate to admit it- but "no", but I can honestly say that I have them started. One of the goals that I have set is to get my Bachelor degree from the Lions University at the USA/Canada Forum in Portland so I must concentrate on finishing up those courses by August 31. There is a lot of good information in the courses at the Lion University and I highly recommend checking it out. I have picked up on some new informa-

tion that I hope to apply as I continue in my quest to serve.

I think one of the goals we should all have for the next year is to bring one new member into your club. There is a person in your community who is waiting to be asked to join Lions. Won't you please considering being that person to invite him or her to a meeting a share a bit about Lions with them. This is the only way that our clubs can grow and in some cases survive- new members.

By the time you are reading this, the 100th Anniversary celebration of Lions International at the convention in Chicago will be another page in the history books of Lions. Congratulations to our new District Governor Nancy- what an honor for you to be installed at this special convention. I am excited to be serving on your DG Team as your 1st VDG and I know that all of the Lions in District 5M2 are proud to have you as their District Governor.

Congratulations to 2nd VDG Brian Thies. I know that Lion Brian brings a wealth of knowledge about Lions to the DG team and it will be an honor to serve with him.

I am excited about serving the District as 1 VDG and looking forward to the training sessions that are planned for the next year. I know that they will provide valuable information to me to use in all of my future Lions work.

"We Serve"

A NEW JOURNEY

*Lion Brian Thies
2nd Vice District Governor*
JULY 1.

**A NEW LION'S YEAR.
A NEW CENTURY OF SERVICE.
A NEW JOURNEY.**

For those of you who I might not have yet meet, let me introduce myself. I am Lion Brian Thies, your newly elected 2nd Vice District Governor. As a 22 year member of the Green Isle Lions Club, I have held many leadership roles in the organization on the club, zone and district level. I have been married to Lion Rose for the past 32 years and have two children, Nick and Liz.

For many years, the question was always asked, "when are you going to run?" Like the question, my answer was always the same, "when the kids

are done with school and we aren't running for their events." Well, the time has come. Let the journey begin.

In addition to being your 2nd VDG, I am also the district's LCIF Chairperson. LCIF is the acronym for Lions Clubs International Foundation. They have awarded more than \$1 Billion in grant funding since it began in 1968.

Once again I would like to compliment and send a BIG THANK YOU to all the clubs in our district for 100% participation in donating to LCIF. This tradition was started last year with PDG Marvin Grimm and LCIF Chair, Ricky Wagner and one that I hope we can move forward for a great number of years.

"The journey of a thousand miles begins with ONE step", Lao-Tzu. Let's start the New Year by putting our best foot forward and asking someone to join in the Lions' Journey.

A BLAST FROM THE (IMMEDIATE) PAST!

*Lion Steve Wasserman
Immediate Past District Governor*

It has truly been my honor to have served as your District Governor last year. It was a wonderful experience visiting your clubs, making

new friends, and most of all, learning about all the great projects our clubs are doing. I especially want to thank everyone for their understanding as I dealt with my health issues over the course of the year. I had my LAST chemo treatment on June 14, and am very much looking forward to feeling better on a more consistent basis.

They say the job isn't done until the paper work is in. As a District Governor, there is paperwork to do every month. Of course, there are newsletter articles due by the 15th of the month (I think I was on time one month). Expense Reports and Club Visitation Reports are due to Lions Clubs International by the 20th of the following month.

Perhaps your club has paperwork to finish up on as well:

- **Club Excellence Award:** As of June 27, 19 clubs in our district have had a net gain in membership, and would likely be eligible to receive a Club Excellence Award. So far, I have received 9

applications. I have until August 25 to submit your applications to LCI, but it would be nice to have everyone's in by August 1 at the latest.

- **100% Club Secretary Application:** So far, I have 11 applications for 100% Secretary. I know the deadline was June 15, but I will continue to accept applications for these until August 1 as well.
- **Centennial Service Challenge:** So far, 38 clubs have submitted reports on projects in all four areas of the challenge. LCI will allow club secretaries to file activity reports for the 2016-2017 Lions' year until July 15. As I write this there are 30 clubs who have not submitted June membership reports, so I assume there are as many who have not yet filed their activity reports. We had 45 clubs earn 4-Diamond Patches last year, so it's still possible we can exceed that total this year. Remember, one LCIF donation can count in any category of your choosing, so if you are just short one area, use your LCIF donation to complete your four areas.

Thank you once again for all you did last year to build, celebrate, and enhance your club's "Legacy of Service". Please join me and "Reach For Your Dream" with District Governor Nancy during this new Lions Year!

District 5M-2 Governor's Goals
District Governor Nancy Mathwig
2017 -2018

Leadership:

- 50% of the clubs not having a District orientation program during 2016-17 will have the program presented at a club meeting during 2017 - 2018.
- 100% of Presidents and Secretaries only in each Zone will attend the 1st quarter Zone meeting to discuss club issues as established by the Presidents and Secretaries present at the meeting.
- 70% of the club presidents and secretaries will attend new officer training by July 1, 2017.
- 90% of the clubs will invite at least three (3) District Program chairs to give presentations at a club meeting by June 30, 2018.

Membership:

- New members – will add a total of 200 new members by June 30, 2018
- New clubs – will start 2 new Lions and/or Leo clubs by June 30, 2018.
- District Women's Membership – will increase our women's membership to 28%.
- Retention – membership drops will not exceed 180. Methods used to encourage retention: encourage exit surveys for those members leaving in good standing with dues current, club participation in district orientation with 60% of clubs developing an ongoing program of orientation for new members and use of the mentor program.

Service:

- Kidsight – 90% of all clubs in 5M-2 will participate in Kidsight by either scheduling a Kidsight presentation, hosting a Kidsight screening or having a member become a certified screener.
- Public Relations – To promote individual club service projects in our communities and beyond, 100% of the clubs in 5M-2 will utilize expanded PR during 2017-18 i.e. district newsletter, Facebook pages, local newspapers &/or radio stations, displays at community or county events.
- Promote the Power of We into our club members – **each and everyone**. There is no "I" in team. We Serve!

Recognition:

- 100% of the clubs in each Zone will nominate a club member for Zone Person of the Year and submit that nomination to 1st Vice District Governor Diana Kroells.
- 100% of the clubs will continue their Centennial Service Challenge projects and Legacy Projects through June 30, 2018 and be recognized for completion of them.
- 80% of club Secretaries and 60% of clubs will receive Excellence Awards at year end.

Personal:

- Retire from my place of employment and spend more time with family, including at least one trip to North Carolina to visit my daughter.

Centennial Update

By DG Steve Wasserman, 5M2 Centennial Coordinator

Centennial Service Challenge:

Lions worldwide served over 5,000,000 people again this month in our four Centennial Service Challenge Areas. We are now near the 160 million mark, and are on pace make it to almost 225 million by the end of our challenge on June 30, 2018. More than double the original goal!

61 Clubs (92%) in District 5M2 have now reported completing a project in at least one area. **38 Clubs (59%)** have now earned their 4-Diamond Centennial Service Banner Patch by reporting on projects in all four areas of the challenge. Last year, a total of 57 clubs earned a banner patch, including 45 clubs that earn a 4-Diamond Patch. Most importantly, we have served a total of **127,609 people this year, and a total of 350,768 in the first three years of the challenge!**

Club Secretaries:

There is still time for your club to earn the recognition it deserves. You can edit this year's activities until July 15.

Remember: One donation to LCIF can be designated toward any area of the Centennial Service challenge each year.

MN Lions Vision Foundation

So I struggled this month to come up with new thoughts but, thinking Centennial, I searched the LCI website for Helen Keller's challenge speech to Lions in 1925. Check it out yourselves! Google the speech or even the video.

As I read, the information struck me as really old. A century ago, the medical goal was primarily to search for helpfulness to the blind community. Now we have evolved from searching for a blind person's normal life to cures and care as well. Research, biomedical engineering, clinical care far beyond what could have been imagined decades ago.

And then Ms. Keller's opening statement swirled in my mind's eye. She states that OPPORTUNITY is a capricious lady who knocks at the door but once. If the door is not opened quickly, opportunity moves on. Lions of the world and Lions of Minnesota have opened that door many times. I think Lady Opportunity is back. The door is labeled Lions Eye Institute at the University of

Minnesota. MLVF has opened that door and it is opening wide enough for all of us to be a part of the new opportunity to create a premier facility.

For over 50 years, Minnesota Lions have been a partner critical to the great reputation of the University's Department of Ophthalmology and we want to continue our legacy. MLVF has a wonderful site, www.mnlionsvisionfoundation.org, which you will want to visit. Lots of good info. You may even want to invite your Facebook friends to "like" our site.

Together, "WE SERVE" continues. Remember that Lions Diana and Mary are your Vision Foundation reps willing to visit your clubs - dianakroells@gmail.com or maryspille@gmail.com.

.....

BTW, congrats to the MN Lions Hearing Foundation on another super DeFeet event on June 6. So much labor creates a fun and profitable event. Hope they made tons of money but I know we all had tons of camaraderie. DeFeet No. 7 is on my calendar for June, 2018.

The winners of the Local Pitch Hit and Run were able to have the chance to compete in the Sectional competition where All-Around Champions then become eligible to qualify for the Team Championships hosted at Major League ballparks. PITCH HIT & RUN™ is the Official Skills Competition of Major League Baseball!!

LAFAYETTE LIONS REFURBISH KIDDIE PARK

In preparation for some new construction, there was some "destruction" at the Lafayette City Park Monday, June 19. The Lafayette Area Lions are in the process of updating the kiddie portion of the park. In the very near future, the Lions will install a new white vinyl fence around the kiddie park—but first the old fence had to go!

Four Lions spent several hours tearing out the chain link fence, posts, rails, and timbers. Lions Joe Maidl and Dale Bjorklund furnished skid-steers to make the work easier and faster. Lion Andy Maidl used an impact wrench to remove many of the brackets and clamps and did the groundwork for pulling the posts. Andrew and fellow Lion Mark Dick did some of the manual lifting.

The kiddie park improvement is being done in cooperation with the City of Lafayette as a Lion's Centennial Community Legacy Project. During this, the centennial year of Lions International, Lions clubs all over the world are connecting with their communities by completing Legacy Projects to improve their communities.

The Lafayette Lions have long maintained the Lafayette kiddie park, putting up the fence to keep the kids safe and purchasing and installing park equipment. With the fence needing work, it was decided to replace it as a continued legacy to the community.

In addition to refurbishing the fence, the Lions will also refurbish the Lions sign on the park.

Lafayette Lions Joe Maidl, Dale Bjorklund, Andrew Maidl, and Mark Dick made quick work of taking down the old fence around the kiddie park Monday, June 19. Joe and Dale first cut the wire ties that held the chain link fence to the top rails, then Andrew removed the brackets. Joe and Dale rolled up the old fence, then all four worked together to remove the posts and timbers.

JORDAN LIONS

District Governor Steve Wasserman and his wife, Past International Director Debra Wasserman, attended our membership meeting on May 16. We were excited to have our first outdoor meeting of the year in the new Lagoon Park shelter the Lions helped to get built last year. DG Steve provided our club with some excellent words of encouragement and recognized all the good things our club and clubs like ours

do for their communities. After his talk, DG Steve presented the International President's Award to Lion Dale Oldenburg to recognize him for his many years of service as the Cabinet Treasurer. Lion Tamer Jeff Kubesh received the Legacy of Service award and President Mike Cromie received the District Governor's Pin from DG Steve for the work they do as Lions. Congratulations to these well deserving Lions.

Lions Scholarships

In late April, the Jordan Lions Scholarship Committee reviewed the scholarship applications written by the graduating seniors from Jordan High School. The top nineteen candidates were selected to receive a \$1000 scholarship to help them pay for their college education. They received a certificate at the JHS Awards ceremony on Monday, May 22. *Those selected this year are: Brook Anderson, Lexi Chambers, Mikala Dalton, Ashley Freund, Jack Friedges, Melanie Johnson, Jenna Kes, Zach Kes, Jesse Knox, Grace Kubista, Jenna Leonard, Rylee Newton, Isabelle Pearson, Taylor Remme, Brooke Sievers, Allyssa Stadler, Rachel Szyszka, Rylee Whiteside, and Jared Zaun.* In addition to these scholarship winners, Hannah Bohnsack and Jack Larson each received a \$500 Jordan Lions Mike Harrington Memorial Scholarship as part of the Dollars for Scholars program. Proceeds for these scholarships are provided by our annual Beer and Wine Tasting event we hold every February. Congratulations to all the worthy seniors.

LEOS' CLUBS NEWS AND ACTIVITIES

WATERTOWN LEOS

The Watertown Leos have been busy serving! In June we helped with the D-Feet walk at the Landscape Arboretum and we also went to Fort Snelling National Cemetery to do a post-Memorial Day clean up.

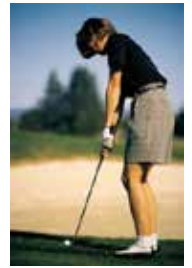

We also have our biggest event of the year in July- Rails to Trails on July 21-22 which is our community festival. We run the Kid's Fun Zone. We do tent games, Gaga Ball, 9 Square In The Air, tractor train rides, a video game truck and are having a Charity Gaga Ball tournament where we are trying to raise \$500 for Project New Hope. The Watertown Lions Club will match up to \$500 of what we raise. I attached the flier for that as well. Last year we raised \$500 for Leader Dogs for the Blind at the tournament and the Watertown Lions matched \$500 so we were able to give \$1000!

Mouth Care Starts at Birth

As a mother-to-be, it is important to know how to care for your newborn's first teeth before they arrive.

- Gently wipe out your newborn's mouth with a moist towel after every feeding
- This will get you in the habit of cleaning your baby's mouth and your baby will get used to it too, making it easy once your baby has teeth.
- Avoid giving your baby sugared liquids. These can cause cavities.
- Though baby teeth fall out, they are very important: they help the child chew food, and pronounce words correctly
 - Once the first tooth appears, brush it twice daily with a soft tooth brush and a small amount of fluoride toothpaste (the size of one-half of a pea). You can use the same toothpaste that you use for yourself. After each brushing, wipe out the mouth with a moist towel to get rid of the excess toothpaste.
