LEGACY LOG

*Lion Steve Wasserman
District Governor*

MID-WINTER CONVENTION EDITION

I would like to congratulate and thank all the hard-working Lions of Zone 3 for planning and putting on a great Midwinter Convention. I heard many,

many, many positive comments about the convention, both from 5M-2 Lions and from those who visited from other Districts. I also want to extend a big thanks to DGE Nancy's niece, Kristina Kleist, for taking all the great photos over the weekend.

Finally, I would like to congratulate all the Lions, Leos and Friends who were elected to office or received special recognition at the Convention.

MD5M Hall of Fame

Past District Governor Orville Trettin, of the Stewart Lions, is the newest 5M-2 Lion elected to the MD5M Hall of Fame. PDG Orville was nominated by 1st Vice District Governor Nancy Mathwig and Lion Kay Wacker of the Lester Prairie Lions.

1st VDG Nancy's nomination speech highlighted ways that PDG Orville has continued to serve after his term as District Governor, and how he has provided service in all four areas of the Centennial Service Challenge.

Lion Orville will be officially inducted into the Hall of Fame at the MD5M Convention Luncheon on April 22 at the Sanford Center in Bemidji, Minnesota.

District Governor Elect

First Vice District Governor Nancy Mathwig was elect-

ed to serve as 5M-2 District Governor during the 2017 - 2018 Lions' Year.

DGE Nancy was a Charter Member of the Arlington Sibley East Lions Club when it was formed in 1995. She became a member of the Arlington Lions when the clubs merged in 2008.

In addition to her duties as 1st Vice District Governor, DGE Nancy currently serves as the District Historian.

DGE Nancy will be installed as District Governor at the Centennial Lions Convention to be held in Chicago Illinois from June 29 - July 4, 2017.

MOVING FORWARD...AND LOOKING BACK

*Nancy Mathwig
District Governor Elect*

By the time you read this article, all district conventions will have been completed and my first training with area District Governor Elects from ND, SD, IA, WI and MD5M will also have concluded. Thanks to everyone for making this year's 5M-2 convention so much fun as well as educational. It is always great to touch base with Lions friends not seen regularly during the year and also to meet new ones. As I stated on Sunday morning of the convention, I want to thank all of you for encouraging me along the way and supporting me with your vote for 2017-2018 District Governor. We have a great district and I look forward to serving as your Governor during 2017 - 2018 as LCI moves forward into a new century of service!

These past weeks have also brought sadness to many in our community and to my family that I would like to comment on here. For those of you present at the 2010 Mid-Winter convention Sunday brunch, you may remember our speaker, Megan Bening. Megan was born blind but did not let that stop her from becoming an active, fun-loving young lady. Megan passed away of a brain aneurysm on January 28th at the age of 22. My favorite story about Megan has to do with driving a car. When PDG Darwin and I were talking to Megan about speaking at the 2010 Mid-Winter she told us she had a goal to one day drive a car. Well, sometime after that conversation, I heard on the news that driverless cars were being tested. The next time I saw Megan I couldn't wait to tell her what I heard. Megan responded by saying - "Oh, I've already driven one of those." She went on to explain a prototype had been available at a convention for the blind that she attended and of course, she tried it out. Megan was a true inspiration on how not to let a disability prevent persons from doing the things they love.

Thank you also to those who have expressed condolences on the passing of my father-in-law, Walter Mathwig. Walter lived a full life and died the morning after our convention at the age of 97. He has now joined Darwin and two daughters-in-law but leaves behind a family legacy of his spouse of 73 years, eight children and five in-laws, 26 grandchildren and 20 in-laws, 50 great-grandchildren and 2 in-laws and 5 great, great-grandchildren. His legacy lives on!

Our upcoming months will be busy ones! Please note the spring date for New Officer training. We are trying a Saturday morning time in an effort to lessen

disruptions to everyone's busy weekend schedules. While we generally refer to it as "New" officer training, the new actually refers to the upcoming year's officers, whether new or experienced. I would encourage all officers for the upcoming year to attend, even if you have been in your position for many years. Lions Club International is ever changing with the times and even "seasoned" officers should be able to glean new ideas or receive updates on their areas. I found the past two years while conducting Secretary training, that the seasoned secretaries in attendance were able to answer questions that I could not or share issues with the new secretaries. The give and take in the room was outstanding!

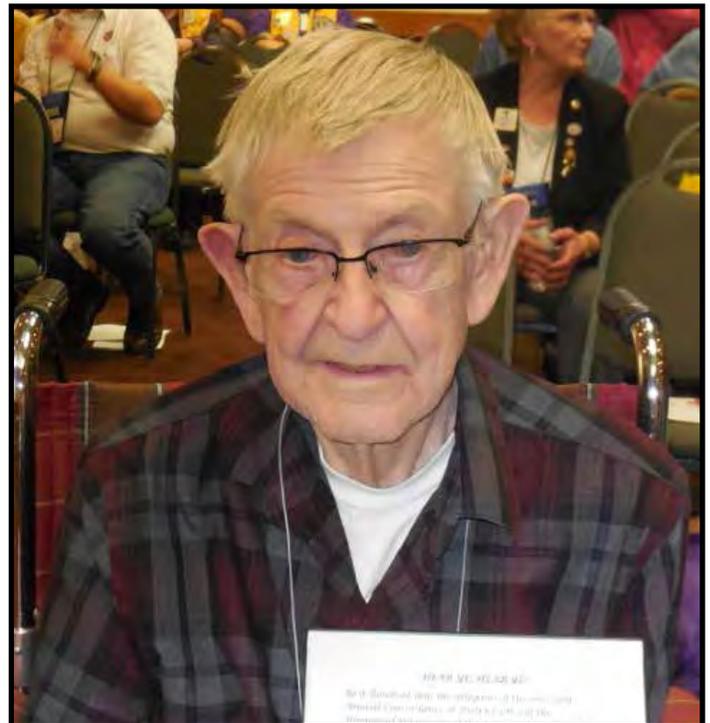

And our history information for March -

The following clubs will be celebrating anniversaries during the month of March:

- o Belle Plaine Lions 27 years
- o Blue Earth Lions 57 years
- o Brownton Lions 35 years
- o Lafayette Area Lions 38 years
- o Le Sueur Lions 57 years

Congratulations to these clubs for their combined 214 years of service to their communities and the world!!!

*"Alone we can do so little;
together we can do so much". Helen Keller*

PDG Larry Meskan was honored at the 5M2 Business Meeting. He has retired as Parliamentarian after many years on the Cabinet. He will be greatly missed.

BITS AND PIECES

*Diana Kroells
1st Vice District Governor Elect*

I once heard someone say "Gratitude unexpressed is ingratitude". That was about 30 years ago and I still remember it today. I remember it but don't always do it. I say this because of something that recently happened to me. If you all remember the Sunday brunch at the convention I thanked a lot of people for things they had done for me at the convention such as helping in my hospitality room, giving nominating speeches and just offering support & advice. I had scribbled some notes and tried to remember everyone. As I turned to walk away from the podium, back to my chair, I realized that I had forgotten the most important one of all- my traveling companion- my partner in service-my spouse- call him what you may - I call him my greatest supporter. Now it is his turn-for me to give him the recognition and thanks that he deserves in this article.

Lion Duane has been there for me every moment of my journey through Lions, always there to support me and to help me keep my head on straight & my feet on the ground. He is there at my side at almost every event- never complaining, he just wants to know where we are going and what time do we have to be there. Duane does not want to be recognized for anything other than being a devoted Lion but yet

he supports me in any adventure I decide to take. I encouraged him to have his knee replaced just a few days before Christmas so that he would be "in good shape" to help me at the convention with our hospitality room. Well he was in great shape, I would say, as he made many trips to the car carrying in beverages, ice & food. I know I would not have been able to do any of it without him. Thank you, Duane, for always being there for me.

I know everyone had a wonderful time at the convention- I really like the format of the opening ceremony and PDG Eunice did an outstanding job putting together the Memorial Service. The Kidsight training was very informative and the focus on Youth at the Saturday Luncheon was great. Congratulations to the Peace Poster winners, Write-off winners, Essay contest winner and to Northfield Leo, Mariah. The Leos did an excellent job leading us in their "LEO song" making it fun for all. Lions Laura & Julie & Lions of Zone 3 - thank you for making the convention so much fun from the skits on Friday evening to the game show on Saturday. You did an outstanding job celebrating the 100th birthday of Lions International with a "Legacy of Music". It truly was a fun and memorable weekend for all.

The 2017 5M2 Midwinter Convention is now history so now let the Spring Zone meetings begin!

1st Vice District Governor Elect

Second Vice District Governor Diana Kroells was elected to serve as 5M-2 First Vice District Governor for the 2017 – 2018 Lions' Year.

1st VDGE Diana joined the Hamburg Lions Club in 2006 at the invitation of her husband Lion Duane.

In addition to her duties as 2nd Vice District Governor, 1st VDGE Diana is completing her third 2-year term as a Trustee of the Minnesota Lions Vision Foundation.

1st VDGE Diana will assume her role as 1st VDG following the Lions International Convention in Chicago.

2nd Vice District Governor Elect

Lion Brian Thies, of the Green Isle Lions Club, was elected to be the 2nd Vice District Governor of District 5M-2 at the Midwinter Convention.

Lion Brian joined the Green Isle Lions in 1995 at the invitation of PDG Mike Vos. Lion Brian served as Club President for the 2000 – 2001 Lions' Year. He went on to serve as Zone 5 Chair from 2001 – 2003, and as Region II Chair from 2005 – 2007.

Lion Brian served at the District Level as MERLO Chair, Leadership Chair, and he currently serves as our LCIF Chair.

Lion Brian will assume his role as 2nd VDG following the Lions Clubs International Convention in Chicago.

Presidential Award: Lion Darlene Wondra

Lion Darlene Wondra was honored with a Presidential (Medal) Award at the 5M-2 Midwinter Convention. The award was presented by International Director Bill Phillipi on behalf of our International President Bob Corlew.

Lion Darlene has been a member of the Montgomery Lions since 1999. She currently serves as the 5M-2 Project New Hope Chair. Lion Darlene was instrumental in chartering the New Prague Area Lions, and continues to serve as one of their Guiding Lions along with IPDG Marvin Grimm.

Leadership Award: PDG Rick Wagener

Past District Governor Rick Wagener was recognized with an International Leadership (Medal) Award at the 5M-2 Midwinter Convention.

PDG Rick joined the Waconia Lions Club in 1992, and served as District Governor of 5M-2 during the 2008 – 2009 Lions' Year.

Lion Rick is currently serving as District 5M-2 Kidsight Chair, and has been instrumental in bringing that new project to our district.

Leadership Award: Lion Sue Vos

Lion Sue Vos was recognized with an International Leadership (Medal) Award at the 5M-2 Midwinter Convention.

Lion Sue has been a member of the Green Isle Lions Club since 2006. She currently serves as Club Treasurer as well as Treasurer for the MD5M Hearing Foundation and District 5M-2. Lion Sue has also conducted training for Club Treasurers at several 5M-2 Officer Training events.

Presidential Certificates of Appreciation: Lion Loretta Klenke & Lion Julie Beckius

Lion Loretta & Lion Julie received Presidential Certificates of Appreciation from International Director Bill Phillipi.

Lion Loretta has been a member of the Prior Lake Lions since 2011. Lion Julie joined the Jordan Jordaness Lions in 2003.

Lions Loretta & Julie were the Midwinter Convention Co-Chairs, and were the two people who made sure the convention ran smoothly.

Presidential Certificates of Appreciation: Lion Jack Webster & PDG Larry Meskan

PDG Larry Meskan and Lion Jack Webster, both from the Waterville Lions, received Presidential Certificates of Appreciation.

PDG Larry joined the Waterville Lions in 1960, and served as District Governor during the 1972 – 1973 Lions Year. Lion Jack joined the club in 1968 and served the district for many years as "Journey for Service" Chair.

PDG Larry served for many years as Convention Parliamentarian. Lion Jack was the driving force behind the Bike-A-Thon for Project New Hope.

PID BRIAN SHEEHAN RUNS FOR 3RD VICE PRESIDENT

Past International Director Brian Sheehan has announced his intention to run for the office of 3rd Vice President of Lions Clubs International. He will be seeking this office at the International Convention in Las Vegas in 2018.

PID Sheehan has the endorsement from his club, the Bird Island Lions, and would like to ask for the support of MD5M Lions, Lionesses, and Leos at the MD5M convention in April 2017. Our multiple district is one of the largest in the world and it is time that we give Lions Clubs International one of our own to lead this organization. It will take a lot of support, and we can help PID Sheehan, who has the heart and mind, to do a worthy job as our International President.

Brian E. Sheehan, from Bird Island, Minnesota, USA, served as a director of Lions Clubs International in 2011-13 and appointed as a Board Appointee in 2014-2015.

Past Director Sheehan is the founder and CEO of Rural Computer Consultants, a software development company.

As a member of the Bird Island Lions Club since 1991, he has held many offices within the association, including club president, zone chair, Webmaster tech advisor, leadership chair, membership chair, retention chair, district convention chair, vice district governor, district governor, council chair, long range planning chair, membership chair, retention chair, women's initiative chair and multiple district convention chair. He also served as GMT liaison and as a presenter at numerous Lions events, including the USA/Canada Forum. On the International level he has served as Board Appointee to the USA/Canada Lions Leadership forum, Board Appointee to the Executive Committee and contributed to the Long Range Planning Committee of Lions Clubs International. He was Chairperson of the Finances and Headquarter Operations Committee and has served on the Constitution and By-Laws Committee. Brian was a trustee on LCIF while he was an appointee. Lion Brian has been a Group Leader at DGE training in Toronto, Fukuoka and the upcoming DGE School in Chicago. He has been a facilitator of the Advanced Lions Leadership Institute, Emerging Lions Leadership Institute and Regional Lions Leadership Institute. Currently he serves as GLT Area "D" Coordinator as well as the Sponsorship Chairperson for the USA/Canada Lions Leadership Forum.

In recognition of his service to the association, he has received numerous awards including Club Lion of the Year, the District 5M4 Diabetes Awareness Award, the MD5M Web Site Appreciation Award, the MD5M Al Jensen Leadership Award, the Founders Membership Growth Award, Cap Baker Award, numerous International President's Certificates of Appreciation, an International President's Leadership Award and five International President's Medals. He is a Progressive Melvin Jones Fellow, Second Century Ambassador, Melvin Jones Vanguard and has received the Ambassador of Good Will award which is the highest award given out by Lions Clubs International.

In addition to his Lions activities, Past Director Sheehan is active in numerous professional and community organizations. He has served as president of Bird Island Civic and Commerce, director of the Learning Funhouse and as a member of various school committees. He also received the 2011 U.S. Small Business Association Minnesota Small Business Person of the Year Award.

Past Director Sheehan and his wife, Lori, also a Lion and Progressive Melvin Jones Fellow, have two sons and two daughters.

DREAM CATCHER NEWS

MN Lions Diabetes Foundation, Inc.

"Catch the Dream" Life Without Diabetes!

www.mnlionsdiabetes.org | www.facebook.com/MinnesotaLionsDiabetesFoundation

2017 Spring

Mission Statement

The Minnesota Lions Diabetes Foundation, Inc. (MLDF) is dedicated to improving the quality of life for people with diabetes by funding research to cure diabetes, providing education and sponsoring preventive health activities.

"Faces of Diabetes" Video -- New

The MN Lions Diabetes Foundation needed a way to tell the story about how lives are impacted by diabetes. Pictures aren't enough so we decided we needed a video to tell the story. We felt we needed to have faces of people with diabetes to better tell this story. We didn't have far to look! Two of our Trustees have immediate family members that have diabetes. They volunteered to be the "faces of diabetes" for us. Working with a team at the U of M they put together the video for us. It tells the story of two families and how their lives are impacted by diabetes.

After viewing the video, at

<http://www.mnlionsdiabetes.org/>, I hope you want to

help us find a cure. Have your club sponsor a project with healthy activities, educate others on healthy living, or raise funds to find a cure. We need your help to get rid of this awful disease.

2016 World Diabetes Day Events Held

In November -All across Minnesota - in Fridley, Brooklyn Center, Roseville, Duluth and Rochester inside Walmart Stores, and in Worthington and Windom at Hy-Vee Stores, and in Jackson at Sunshine Foods - MN Lion's Diabetes Foundation trustees hosted World Diabetes Day events to help identify those at risk for type 2 diabetes and provide information on ways to lower the risk through lifestyle change.

World Diabetes Day was created in 1991 by the International Diabetes Federation (IDF) and World Health Organizations in response to the increasing health threat posed by diabetes. **Diabetes is a growing epidemic.** One in four people will be diagnosed with diabetes in their lifetime.

Over 1,000 people across the state participated at our community events!

MLDF partnered with these organizations on this event: The U of MN Extension Supplemental Nutrition Assistance Program Education (SNAP-Ed), Local YMCAs, and Health Care organizations that provided Certified Diabetes Educators.

Huge Thanks to all of our partners and to Walmart for providing us the space and staff along with the water bottles filled with snacks for all who participated, and gift certificates for drawings at each location.

This tremendous effort succeeded in creating awareness as to the increasing numbers of people who are at risk for type 2 diabetes, identifying those at risk

and providing resources to help individuals make potentially lifesaving changes to their lives.

Next year we want to increase the number of locations throughout the state. We need your Club to help with this effort. Please contact a Foundation member to join with us as we **"Catch the Dream" ...LIFE WITHOUT DIABETES!**

CAN DO CANINES

Thanks to the support of Lions Clubs across 5M, Can Do Canines continues to train specially trained for people with disabilities and provide them to those in need, free of charge.

One recipient of a Can Do Canines assistance dog is James Pick. James now has a greater sense of freedom, independence and peace of mind since thanks to Mobility Assist Dog Oakley. Read their story below.

JAMES PICK & MOBILITY ASSIST DOG OAKLEY

Brainerd, Minn. resident James Pick has a new roommate: Mobility Assist Dog Oakley. James is living with multiple sclerosis (MS), a chronic disease which attacks the central nervous system. "Because of my MS I have problems with balance and I fatigue easily," says James. Without family close by James and his loved ones were living with a lot of worries; with Oakley around James has an assistant to help him with tasks as well as providing greater peace of mind for both himself and his family.

Mobility Assistance Dog Oakley is a gorgeous three-and-a-half-year-old black Labrador. James notes that

she is very polite, well-behaved, and a great worker. Oakley was trained by Can Do Canines staff. She retrieves dropped items for James such as his cane or cell phone, helps tug off clothing, opens and closes doors, and braces to help James up if he falls. Having Oakley as his Mobility Assist Dog fills James' life beyond the daily help with tasks, "Oakley is my best friend."

"Retrieving items for me and taking my socks off at night are some of the most significant things she does for me every day."

Oakley has changed James' life immensely. "I feel like I'm not alone in this anymore. I have someone who loves and cares for me. I didn't realize how much it would help my psyche," says James. Oakley and James are a successful team because he made Oakley's training a top priority. He took the training so seriously that he put playing his guitar (his most favorite activity) on the back burner in-order to be fully present. James feels proud and a sense of accomplishment for the energy and commitment he's devoted to training Oakley.

To the supporters who made James and Oakley a success, James says, "All I can say is thank you! You're going to make me cry, but thank you for all you do!"

CAN DO CANINES

Thank you to the Ramsey Lions Club for being the first-ever Lions Club to fully sponsor an assistance dog team for \$25,000!

The Ramsey Lions Club's decision to sponsor a team brought our mission home to their club in a special manner. Jack's father brought Stitch to a Ramsey Lions Club meeting to personally thank them for their incredible support. The Lions club members were also invited to Jack and Stitches' graduation and received a

memory book of how Stitch was trained since puppyhood to help Jack and his family have a better life. The club members loved hearing how someone in their own community benefited so much from their generous gift.

MN Lions Vision Foundation

Again our challenge: to be Knights of the Blind. And the Lions of 5M2 are doing so via our financial commitment. 5M2 Midwinter's Parade of Green generously tallied \$18,857.01 for Minnesota Lions Vision Foundation. We are so grateful and proud of all that our clubs do to collect this generous sum. Our mission is five-fold (Eye Bank, Research, Children's Eye Clinic, Surgery Center, Eyeglasses Collection) so lots of needs are met as our clubs accept the challenge to be Knights of the Blind.

I have a little collection of Helen Keller quotes. Here is one: "He who is content with what has been done is an obstacle in the path of progress". Since Lions partnered with the University in the 1960s, forward movement has provided increased care for patients and research for better care. This is reason to be very proud but we cannot rest on our laurels. MLVF has now completed \$1 million

of its \$4 million dollar pledge to bring surgeries back on campus via the pledge to equip surgery rooms on campus. Last month we mentioned that there are hopes and beginning plans to build LIONS EYE INSTITUTE on campus. More information will follow as we walk this path of progress.

Thank you, thank you, thank you! Lives are changed by every little something we do.

For over 50 years, Minnesota Lions have been a partner critical to the great reputation of the University's Department of Ophthalmology and we want to continue our legacy. MLVF has a wonderful site, www.mnlionsvisionfoundation.org, which you will want to visit. Lots of good info. You may even want to invite your Facebook friends to "like" our site.

Together, "WE SERVE" continues. Remember that Lions Diana and Mary are your Vision Foundation reps willing to visit your clubs - dianakroells@gmail.com or maryspille@gmail.com (note new addresses).

Host Families Are Needed!

Would You Say **YES This Year?**

Most youth will arrive early July and leave late in July. The Japanese youth arrive just before Camp Spicer and will have a host family experience after Camp. Camp Spicer is the time all the youth come together from July 21-29.

Share the hosting experience with another family if it fits your schedule better.

We will be happy to send you a host family application AND full youth applications!

Share a little of the world with you family, town, and Lions Club.

Host families are expected to pick up the youth upon their arrival, get them to Saint Cloud on July 21, arrange transportaion from the Twin Cities on July 29, and see them off at the airport at the conclusion of their visit.

Camp Spicer is a 501(c3) organization. Contact Cindy Walters for more information or to make a donation directly to camp.

Contacts for more information concerning the visiting youth!!

Lions and non-Lions may host.

No youth in your home...

Camp Confidence has been selected by the Multiple Convention committee to be the recipient of the raffles for the 2017 Multiple Convention, being held in Bemidji Minnesota on April 21st, 22nd and 23rd.

We have put together a Raffle Ticket which will sell for \$10.00. The 1st prize will be \$750.00, 2nd prize \$500.00 and 3rd prize \$250.00. We will also have a silent auction, Red ticket raffle and Live auction.

We need some help in putting together the greatest raffle room ever. I am asking that your club put together a prize for the raffles. It should have a value of over \$50.00. We also will take donations of money to help write off the money we are giving away on the raffle ticket.

Give me a call when you have your prize package ready and I will make arrangements to get it to Bemidji.

Your personal name or Club name will be attached to the donation for recognition.

Sincerely yours:
 Lion Jerry Wohlers

LIONS' CLUBS NEWS AND ACTIVITIES

JORDANESS LIONS

The Jordanness Lions want to thank all that came out to support and participate in our annual bowling event in January! We had a great afternoon, filling

the Louisville Lanes bowling alley with conversation, laughter, all levels of bowling skills! Thank you for your continued support, and we'll see you next year!

District 5M2 Write Off Competition Chair (and Jordanness Lion), Christy Trutnau, had the honor of presenting Aliyah Speikers with the District 5M2 District Write Off Winner award at this year's Mid Winter Convention. The Write Off theme was "Legacy of Service," and students responded to this inquiry: "Webster's Dictionary defines a legacy as 'something transmitted or received from an ancestor, or prede-

cessor or from the past.' For nearly 100 years, the Lions have reached out to local communities as well as communities around the world leaving their legacy "We Serve". How do you want to be remembered? A legacy isn't always about things. In this essay, write about who you are, how you touch other people's lives, and the legacy you wish to leave behind."

WATERTOWN LEOS

The Watertown Leos did a recent service project at Elim Nursing Home in Watertown. We made Valentines with the residents and played music for them. We have a very musical club. Leo Madelyn Harts-horn played the clarinet, Leo Seth Latham played the trumpet, Leo Elijah Fast played the piano, and even

one of our Leo Moms participated. Lynn Fast played the ukulele and sang to the residents. It was so fun to see the Leos interact with the residents. We have Leos planning to go on a regular basis to play music for the residents.

APRIL 2017

Eighth Annual Minnesota Lions Diabetes Research Update April 8, 2017

Hosted by the University of Minnesota Foundation and Minnesota Lions Diabetes Foundation, Inc.

More than 29 million people in the United States are living with diabetes—a growing number that includes 340,000 people in Minnesota alone. Unfortunately, that number is on the rise.

Join us at the annual Minnesota Lions Diabetes Research Update to hear from University of Minnesota scientists, who are conducting leading-edge research aimed at both preventing and curing diabetes. Learn how these scientists, funded by the Lions Diabetes Research Foundation, are making a direct impact in our community, state, and beyond.

During a reception, following the research presentations, guests will have the chance to interact with the scientists, learn more about their research, and ask questions.
