

Camper Behavior Guidelines

Camper Behavior Guidelines are enforced for the benefit of all campers' safety and success while at JA Biz Camp Alaska. All campers must adhere to the Camper Behavior Guidelines.

Be Safe

Be Respectful

Be Responsible

Have Fun!

If a camper is unable to follow the Behavior Guidelines, the following consequences will be enforced:

1. A warning
2. A break or separation from the challenge or problem, where the camper (with help from camp staff) will develop a plan on how to change behavior
3. A call to parent/guardian informing them of the behavior
4. Campers who continuously break behavior guidelines may be asked to leave for the day. Parents/Guardians will be required to pick up their child immediately.
5. Campers who are unable to uphold camp behavior guidelines over the course of more than one day may be asked to not return to camp in the following days.
