# Report on Music

## Dr. Daniel Koontz

Music Director's Report 2020

There's no way to get around the fact that the pandemic has had a profound dampening effect on the musical activities of Christ Church. We all look forward to the day when we can return to our usual mode of making music together.

A very bright note in an otherwise bleak musical year has been Carol Smith, our secretary. Carol has a beautiful voice, and she has been eager to sing for us. We have been very blessed to have her as a supplement to the zoom singalongs, and as a substitute for congregational singing during our outdoor services over the summer. I look forward to incorporating Carol's voice into the musical life of the church going forward.

For Christmas, we were able to make some recordings of stalwart choir members Roman and Indira Roth. We hope to continue making recordings of musicians associated with the Christ Church music program to post on Facebook and on the Christ Church website to keep the light of Christ alive in music in the midst of the ongoing pandemic. Keep a lookout for those.

Respectfully submitted

Daniel Koontz

# Report from Hospitality Committee

## From Evelyn DeVito and Diane Schimmer

Hospitality Committee oversees coffee hour and assists with special events, when needed. Typically, members of our congregation sign up to host The coffee hour. The hosts contribute the food and the Committee provides the beverages, paper goods and other supplies.

This past year, 2020, coffee hour was held until mid-March, when church was closed for in-person, inside gatherings due to Covid 19.

Many thanks to all who signed up to host until the closure, especially those who each year sign up on a regular basis.

Thank you, as well, to the Committee-Jane Lubben, Susan Coursey, Kirby Marcantonio and Indira Roth.

Please note, as a testament to our congregation's enjoyment of coffee hour, it's held via zoom after our virtual service on Sundays. Unfortunately, that means "make your own" coffee and snacks. We look forward to eventually gathering in person again.

Respectfully submitted,

# **Report on Maureen's Haven**

**From Kirby Marcantonio**

Dear Christ Church Members,

As coordinator of our Maureen's Haven project, along with my sister Susan Coursey, I am happy to report we have weathered the Covid restrictions imposed during last year and managed to continue our support of this worthy cause. We did have to adjust our schedule with less frequent hosting's and limit our contact with our clients but given the circumstances we are pleased to still be able to support this valuable program.

As we move into 2021 we continue to use our Upper Parish Hall space to host 6-10 clients once a month over the fall and winter. Working with members of other community churches/organizations we furnish beds, food and shelter for these clients. We look forward to continuing this program through early spring.

Thanks to all CC members who have pitched in to help us this year. We value your support and encouragement.

Sincerely,

Kirby Marcantonio
