I. PREAMBLE

The Rules set forth here represent a compilation of the original Rules and all amendments, changes, and additions effective as of 2 May 2024. All previous editions of the Southwestern District Contest Rules are superseded. Should any conflict arise between these rules and BHS Contest and Judging rules, BHS Contest and Judging rules shall take precedence. The Southwestern District Representative for Contest and Judging (DRCJ) must approve exceptions to any rules found herein with the concurrence of the Southwestern District President.

The Southwestern District fully supports Everyone in Harmony while valuing the rich traditions of the all-male barbershop society that set the foundation upon which Everyone in Harmony could be built. In addition, The Southwestern District embraces the “E” in SPEBSQSA, and strives to Encourage all barbershop singers to enjoy making harmony with other barbershoppers. For this reason, in 2022 the Southwestern District Board of Directors chose to include gender-based district championship awards along with an overall district championship award for both quartets and choruses. By including gender-based awards, the Southwestern District honors high performance in each ensemble classification and encourages the establishment of ensembles of all gender classifications.

II. GENERAL PROVISIONS

A. Overall Contest Rules

1. Quartet and Chorus Contests held in the Southwestern District shall be conducted as provided in the “Official Barbershop Harmony Society Contest Rules” (found in the Contest and Judging Handbook of the Barbershop Harmony Society), and other provisions of the Contest and Judging Handbook (including Determining Expense Allowance for Members of Judging Panels) EXCEPT as provided in these Rules or otherwise modified by the Southwestern District Board of Directors and House of Delegates.
2. Ensemble classification shall be determined as described in the “Official Barbershop Harmony Society Contest Rules.”
 - a. **Gender Identity:** members are classified by their individual self-identification in the Society Member Center database.
 - b. **Men’s:** all singers in the ensemble identify as male. The gender identity of the director is not relevant to chorus classification.
 - c. **Women’s:** all singers in the ensemble identify as female. The gender identity of the director is not relevant to chorus classification.
 - d. **Mixed Harmony:** any ensemble in which the singers identify as a combination of gender identities that are not all-male or all-female.
3. All contestants, including directors, in any District or Division Contest must have purchased a full registration package for that Convention.

Southwestern District Official Contest Rules

B. Leadership Responsibilities

1. The DRCJ is responsible for the judging program of the District and for the conduct of all contests. As such, the DRCJ shall work closely with the District Director of Events (DE), the Convention Chairman, the District Board of Directors, and the Panel Chair of each judging panel.
2. The DE shall coordinate all conventions held within the District in accordance with the SWD Convention Manual
3. The DRCJ shall draw the order of appearance, by lot or other method approved by District Board of Directors, for contestants in all sessions. The draw for a Finals session may, at the discretion of the DRCJ, be “live” (from the hat) or may be taken from the computer program used by the Panel Chair.
 - a. The draw for orders of appearance for the first-round sessions shall be made by the DRCJ not later than 25 days prior to the first contest of the convention.
 - b. For chorus sessions, the host Chapter may choose to sing first or last or be included in the draw. The DRCJ will adjust the draw for any such request.
 - c. All other choruses in the session will be drawn either randomly, by Plateau level or by the number of riser sections the chorus requests.
 - i) If by Plateau, all Plateau A choruses will be drawn first, then Plateau AA, then Plateau AAA; or
 - ii) If by number of riser sections, the draw will be by the choruses requesting the fewest number of sections and proceed to the choruses requesting the greatest number of sections.
 - d. The official draw may be modified by the DRCJ in order to separate quartets and choruses which have members in common or for any other reason deemed necessary by the DRCJ.
4. The announcement of contest winners will be made by a person named by the DRCJ in consultation with the District President. Should there be a lack of consensus, the decision of the DRCJ, or in his absence the Panel Chair, will prevail. (The intent is that a person who will bring excitement and the proper sense of reward to the occasion be selected to make the announcements. It may properly be a District official, the Master of Ceremonies, or a member of the judging panel.)
5. The DRCJ shall post these Rules on the SWD Website and/or the Southwestern District C&J Home Page with links from one to the other. Revisions to these Rules shall be annotated in the current Official District Publication.

C. Contest Entry

1. Entering a contest:
