### Los Angeles Veterans Collaborative

Dear LAVC Member

We hope you and your loved ones are coping during this trying time. As part of our commitment to the health and well-being of our Los Angeles Veterans Collaborative members and the broader community, we have decided to cancel the April LAVC meeting. As the COVID-19 pandemic progresses and new local, state and federal directives are put in place, we must adhere to all of the guidelines. We ask for your patience as we work with our working group Chairs to continue our meetings at some capacity.

Whether you're working from home or still needed in the public space as a healthcare professional or otherwise essential employee, we wish you all good health.
