

## TRASH/RECYCLE SERVICE IN HERITAGE HILLS

### **Trash Toters and Recycle Carts**

- New Built homes are given one Heritage Hills logoed trash toter at closing.
- All other homes have already been given one Heritage Hills logoed trash toter in the past.
- Heritage Hills logoed trash toters must be left with the house when owner/residents move.
- If the logoed trash toter is not left with the house, the new owner/resident must purchase their own trash toter.
- The HOA does not have trash toters available for purchase.
- Recycle Carts are available through the [City of Lone Tree](#).
