

## HOA COMMUNICATION POLICY

The Heritage Hills email list will be used to communicate the following:

1. Official HOA business such as annual meeting announcements, dues reminders, etc.
2. Announcements and promotions of HOA Board approved community and social events
3. City of Lone Tree announcements such as HOA updates
4. Other Board approved emergency announcements

This policy does not allow the HOA to use the HH email list to communicate events that have not been approved by the HOA Board or are organized by individuals or other parties.
