- ❖ These are serving guidelines, there are lots of things to consider when planning and many factors that will affect the serving size. We will be happy to help with any questions you have, and offer our suggestions.

It's all in the details....

Please allow 3-7 days to place orders. Longer for large orders. Orders placed after that time frame may be subject to a rush fee. You may place orders via phone

Orders must be paid in full 48 hours before due date.

Delivery starts at \$30. VA Beach City Limits Only.

Please see and sign our cancellation and pick up contract.

We do process nuts, seeds, soy, milk, eggs, flour and shellfish in our facility.

The Fine print and where you sign.

Orders cancelled within 48 hours are non-refundable. Orders cancelled 48-72 hours are refundable by store credit only minus a 20 % service charge. Orders cancelled before the 72-hour mark are refundable by store credit only.

We are not responsible or can not control, weather, venue changes or unforeseeable acts of God. (we wish we could, but we cannot) We will however work with you to move your date if needed, to the best of our ability.

If you choose to pick up your catering, we are not responsible for any damages once your order leaves the premises, so don't send the uncle with the worst driving record to come get it.

We are not responsible for your venues "outside food policies" so check with them but, we know someone who can smack them around for you... if they got s problem.

We will deliver & set up your food on time, with professional Friendly staff, but you are responsible for providing us with the correct address and time, unless you want your neighbor to have the food, we didn't think so.

We will do our best to customize your special diet needs and allergies. But please inform us of any allergies. No awesome party ends at the ER.

We cannot control how market prices affect us, so please understand that sometimes our prices may change without notice, but we will try our hardest to keep our changes current. Understand that sometimes price differences are temporary.
