(Scottsdale, AZ) – We The People are under attack from every direction by the “Selected Leaders” that have hijacked America on November 4, 2020 and expanded their tentacles on November 8<sup>th</sup>, 2022. They have been aggressively destroying our country and lives by spreading Communism, weaponizing fear, censoring our freedom of speech and religious liberties, collapsing our dollar, manufacturing inflation, sabotaging our food supply, eliminating our borders and enabling an invasion of illegals, depleting our oil reserves, encouraging crime, implementing lawfare, mandating obedience & dismantling the nuclear family – all against our Constitution. The goal is to keep us divided and fighting against each other – a distraction from the real war against us. **“Since ALL Political Power is Inherent in the People,”** (*AZ Constitution, Article 2, Section 2*), said Michele Swinick - *Host & Founder of Save My Freedom Movement*, **“WE are Declaring a State of Constitutional Emergency in Arizona.”**

We’re living under a wartime siege of illegitimate Uniparty tyrants (The American Cartel) who have transformed the entire country into a Crime Scene & Lawless Cesspool of Corruption, Election Fraud, Money Laundering, Nefarious Politicians, Grifting Candidates, Evil Organizations & Demonic People Who Sacrifice God’s Children Thru Inoculation, Indoctrination, Manipulation, Mutilation, Child Sex Slave Trafficking + Organ & Blood Harvesting. This Spiritual Battle is REAL and is going to get worse unless we turn to God, Get on Our Knees, Pray, Repent, Ask for Forgiveness, Stand in the Gap for the Children and Protect Them.

How did we end up here? Fraudulent, Corrupt & Unconstitutional Elections. The consequences . . . A nation in collapse.

**“Those who vote decide nothing, those who count the votes decide everything,” Joseph Stalin.**

**COURT CASE:** The Arizona Constitution states our elections are to be **Held By The People** and no powers (government or corporations) shall interfere with the People’s right of suffrage. The State Legislature is potentially in “absolute breach” by enacting numerous Arizona Revised Statutes & every act, repugnant to the Constitution, is absolutely void.

**58% of Americans** say they are just a little/not at all confident that elections reflect the will of the people, only **13%** are “very confident” - *July CNN poll*. **80% of Republicans, 64% of Independents & 55% of Democrats** say cheating will impact the 2024 results. **79% R, 57% I & 44% D** say officials ignored evidence of widespread ‘22 election fraud– *August Rasmussen poll*

The Unconstitutional Election (Selection) System is fundamentally designed to control the outcomes & people are finally agreeing. Now they need to accept that all traditional political efforts & strategies (donating to campaigns/PACs, cleaning voter rolls, supporting candidates, ballot chasing, registering voters) are useless against this behemoth. Those who perform the same old methods will continue to lose time, energy, money & elections. A **NEW** strategy is required **IMMEDIATELY!**

**NATIONWIDE CALL TO ACTION: PRAY, PLAN & TAKE ACTION!** The Save My Freedom Movement, ACT for America and Affidavit Mommas have created the 1-CLICK EMAIL ALL 215 ARIZONA Officials Crusade. It’s a 3-Step Digital Take Action Strategy: **1) BAN** The Voting Machines **2) INVESTIGATE** The Election Fraud & Corruption **3) TAKE BACK** Our Unconstitutional Elections. **WE THE PEOPLE MUST STAND UP NOW & TAKE BACK OUR REPUBLIC – THE ALTERNATIVE IS HELL ON EARTH!**

**EACH STEP TAKES LESS THAN 2 MINUTES & WE’RE ASKING EVERYONE IN AMERICA TO HELP US HOLD THEM ACCOUNTABLE!**
