MIDJPRO MULTIMEDIA PLAYER

The KETRON MIDJPRO is a new state-of-the-art professional Player, featuring modern multimedia performances with Midi, Wav, Mp3, Mp4, Jpg, Pics, Cd, Karaoke and DVI, touch sensitive Screen, advanced USB and SD Card facilities. The sound card is provided with 4 hi-quality Sound Banks including stereo orchestral voices, stereo Drum Kits with Live Drum Modelling, Multi Effects and a huge variety of Drum Grooves. The MIDJPRO has also a new professional Style section with Audio Drums, Variations and full Preset Voices which enables the player to perform as a true, powerful Arranger unit. Microphone and Guitar Inputs with pro-effects, Vocalizer, Juke Box, DJ, HD Recording and Registrations enhances even more the instrument's capabilities. Combining all-in-one such huge potential together with an easy interface and compact sizes, the MIDJPRO redefines the standard for the contemporary live entertainment's players and arranger modules.
